Getting Started

There are a lot of ways you can walk through our doors.

Getting Started

Student Enrollment Center (SEC)

The Student Enrollment Center (SEC) provides students with a fluid transition to Del Mar College by connecting students with knowledgeable staff who can assist with the admissions process as well as providing academic advising for students who are majoring in Liberal Arts (Multidisciplinary Studies) or classified as undeclared. Contact the SEC at (361) 698-1290.

Students who are seeking admission to the College should submit an application for admission, a valid placement examination, and an official copy of their high school transcript. If transferring from another higher education institution, students should submit official copies of all transcripts.

Additionally, students who meet the criteria are required to submit proof of having received a bacterial meningitis vaccination pursuant to Texas Senate Bill 62. Visit the Meningitis Vaccine section of the Del Mar College website (https://www.delmar.edu/meningitis) to learn more information.

Testing is discussed in detail in the Assessment and Placement section of the Catalog.

Open Enrollment Admissions

Del Mar College has an "open enrollment" admissions policy under the authority of the Texas ~~Administrative~~ Education Code ~~Title 19~~ 130.0011 and the Southern Association of Colleges and Schools Commission on Colleges. Open enrollment means that all students will be granted admission as long as they complete the application process outlined on the next page.

Limitations

Admission to the College does not guarantee your admission to all programs of the College. Certain programs have limited enrollment due to special equipment needs or space limitations. Additionally, Del Mar College offers selective programs that have specialized admission requirements such as additional testing and GPA requirements. These admissions limitations are listed under specific programs in the Catalog.

Right to An Academic Fresh Start

The Texas Senate Bill 1321 Right to An Academic Fresh Start allows a person who is a resident of Texas to apply for undergraduate admission and who does not have coursework completed 10 or more years prior to the date of anticipated enrollment included as consideration in the admission decision. This allows undergraduate students to begin a new course of study with a clear academic record.

Note: This option is all-or-nothing; you cannot selectively disregard certain courses while retaining others. You will forfeit credit for all courses completed 10 or more years ago. It is important to consider this decision, as it will affect your academic record and progression.

This means that

- Courses taken previously cannot be used to fulfill new prerequisite requirements.
- Courses taken previously cannot be counted towards your new degree.
- Courses taken previously will not be counted in your new GPA calculations.

Even if you choose the Academic Fresh Start option, you must still complete the usual admissions process including providing information on all colleges or universities previously attended and providing official copies of transcripts from all of the schools that you attended. Nothing in the law prohibits a public university from applying standard admissions requirements. Students under the Academic Fresh Start provision must still meet the criteria for the Texas Success Initiative unless they have met one of the exemptions. The Academic Fresh Start provision does not affect Texas Success Initiative exemptions claimed on the basis of college credit earned prior to September 1989.

Additional notes:

- The Academic Fresh Start provision may be claimed only upon application to Del Mar College and will not be applicable to currently enrolled Del Mar College students.
- Once enrolled, the Academic Fresh Start provision may only be requested upon submission of an application for readmission to the College. The Academic Fresh Start application must be completed and granted prior to re-enrollment.
- Once the Academic Fresh Start provision has been claimed and the student has enrolled, the provision cannot be reversed.
- An applicant may use the Academic Fresh Start provision only once at Del Mar College.

Effect on Financial Aid

The Academic Fresh Start provision clears only your academic record. When deciding your eligibility for financial aid, previously taken coursework at Del Mar College and transfer courses towards your active degree plan at Del Mar College will be included when reviewing your financial aid status. Please contact the Del Mar College Financial Aid Services Office at (361) 698-1293 if you have any questions.

In addition, the Department of Veterans Affairs (VA) does not recognize the Academic Fresh Start Program. Students cannot be certified for courses that they have successfully completed. Students using VA educational benefits should coordinate with the Veterans Services Office.

Applying for Academic Fresh Start

Students must submit an application for Academic Fresh Start prior to enrollment at the College preferably at the time that they apply for admission or re-admission. Students will not be granted Academic Fresh Start until they have completed their admissions file and have been admitted to the College. Download and print an application for Academic Fresh Start. The application should be completed, signed, and submitted to the Admissions Office located in the Student Enrollment Center. Alternately, the application may be completed at the Admissions Office during regular office hours. See our contact information for the mailing address, location, and hours of operation.

Acceptance of Academic Fresh Start Application

The Del Mar College Director of Admissions is the final authority on applying or interpreting the Texas Education Code 51.931 Right to An Academic Fresh Start. When the Academic Fresh Start application is approved, the Del Mar College Student Records Office will be notified and upon enrollment, a message will be posted to the student's academic record indicating that admission has been granted through the Academic Fresh Start provision. If the student was previously enrolled at Del Mar College, the grade point average will be changed on the academic record for any coursework completed here 10 or more years prior to the re-enrollment date. The original courses or grades will not be considered in the grade point average, but they will remain on the Del Mar College academic record.

Getting Started

General Application

Before you can register for classes, you must apply for enrollment to the College.

Application for Admission: First Step

To apply to Del Mar College, submit the Application for Admission by completing the application found at the Apply Texas website (https://www.applytexas.org). Paper applications are available at the Student Enrollment Center one week prior to the beginning of each semester.

The following information is a general checklist of documents necessary for admission:

1. Application for Admission.
2. Official high school transcript or High School Equivalency (GED, HiSET or TASC) test scores.
3. Official college transcripts, if transferring from all institutions attended.
4. Proof of Texas residency.
5. Texas Success Initiative approved placement examination. First-time college students require completion of a Pre-Assessment Activity prior to registering for the exam. Visit the TSIA2 Information section of the Del Mar College website (https://www.delmar.edu/tsi) for more information.
6. Meningitis Vaccine: All incoming students who are 21 years of age or younger will need to show proof of a bacterial meningitis vaccination administered within five years of enrollment.

All admissions documents should be submitted at least five days prior to registration to avoid delays.

All information on the application must be true, accurate and complete. Any submission of false information is grounds for rejection of an application, withdrawal of any offer of acceptance, cancellation of enrollment, or appropriate disciplinary action.

Transcript Retention

Del Mar College (DMC) has a transcript retention period of one year for prospective students. If you send your official transcripts to DMC, they will be held for a one-year time period. If a student does not officially enroll in classes at DMC, new official transcript(s) will be required to be submitted at the time that the student reapplies for admission.

Major/Program of Study

You are required to select a major or program of study upon admission. Please refer to the Degree and Certificate Program section of this Catalog for information about major/program of study options. For more information on changing your major, please contact the Student Records Office at (361) 698-1248.

Social Security Number

You are encouraged to use your Social Security number as part of your permanent student record. The number will assist the College in managing your student record when utilizing federal resources such as financial aid and/or veterans' benefits, etc. If you choose not to use your Social Security number or do not have one, you may obtain a unique matriculation number from a staff member who is located in the Student Enrollment Center.

In order to protect the privacy of your Social Security number, the College will assign an alternate identification number. You will use this alternate ID number in conducting all transactions at the College.

Del Mar College Student Records Policy Release of Student Records

All records submitted for a student's file become the property of the College and are a part of the student's permanent record. High school transcripts, transcripts from other colleges, test scores, immunization records, and other similar documents are not duplicated for any reason to any person and/or institution including the student.

Student Privacy

The Family Educational Rights and Privacy Act of 1974 (Buckley Amendment) (FERPA) sets forth the guidelines for the release of student records to other parties. Under this federal law, students have the right to inspect their records and correct any inaccuracies that might be found in them.

Access to the record by anyone other than the student is limited and generally requires prior written consent by the student. The College will mail confidential records including grades and transcripts at the student's direction. Any person who picks up sealed copies of these records for the student must have written and signed permission to do so from the student.

Directory information which includes a student's name, address, date and place of birth, field of study, dates of attendance, and degrees and awards received may be released by the College without the student’s consent. Any student who wishes to withhold any or all of this directory information from release must notify the Registrar’s Office in writing within three weeks of the date of the student’s initial enrollment.

A student may authorize the release of his/her educational records to specified parties by completing a FERPA Release form with the Student Records Office. The authorized parties must present a photo ID to verify the authenticity of this release.

This authorization will remain in effect from the date it is executed until revoked by the student in writing and delivered to the Student Records Office.

Getting Started

Specific Application Requirements

In addition to filling out the general Application for Admission, there are other specific requirements depending on which student category that you are classified.

Category of Student

There are eight categories of students admitted to the College, and each student category has specific admissions requirements.

1. First-Time College Student

- Submit an official transcript from an accredited high school with the date of graduation or High School Equivalency (GED, HiSET TASC) test scores.
- If you are 21 years of age or younger, submit proof of a bacterial meningitis vaccination.
- If you graduated from a home school program, provide a transcript with parental signature and date of graduation.
- If you graduated from a non-accredited high school or did not complete your High School Equivalency (GED, HiSET TASC), you may be admitted to Del Mar College by individual approval by the Director of Admissions. Test scores must be submitted before applying for individual approval. **Note:** Individual approval may be subject to conditions established by the U.S. Department of Education for special assessment to be eligible to receive federal financial aid. Please refer to the Financial Aid section of the Catalog or contact the Financial Aid Services Office at (361) 698-1293.
- Students who have attended a foreign high school are required to have their transcript evaluated. See the National Association of Credential Evaluation Services (NACES) website (https://www.naces.org) for an approved agency. For more information on the international student admissions process, please refer to the International Students section of the Catalog.
- If you are a Texas high school student and have not passed the State assessment test, you may be admitted to Del Mar College by individual approval from the Director of Admissions. An official high school transcript and test scores must be submitted before applying for individual approval.
- Submit test scores utilizing the Texas Success Initiative Placement Exam. Completion of a Pre-Assessment Activity will be required prior to registering for the exam. Some students may be exempt from these tests based on their SAT, ACT or STAAR. Check with the Student Enrollment Center on the eligibility of STAAR scores.

2. High School Students: Special Programs

Del Mar College in cooperation with specific area high schools has designed special programs in which high school students can earn college credit while still attending high school.

Requirements to participate in one of these programs can be obtained from your high school counselor, the Del Mar College Student Enrollment Center, or the Office of Early College Programs.

The special high school programs are as follows:

- **Dual Enrollment**
  This program offers you the opportunity to receive credit for a college course while simultaneously earning credit toward high school graduation. To participate in Dual Enrollment classes, your high school district must have a contractual agreement with Del Mar College, and students must meet all Del Mar College admission requirements. For more information contact the Office of Early College Programs at (361) 698-1634 or visit the Dual Enrollment Programs section of the Del Mar College website (https://www.delmar.edu/dualcredit).
- **Early Admissions**
  The program offers you the opportunity to study at the College and receive **only** college credits while completing requirements for high school graduation. Interested students will need to complete an Early Admissions form at the Del Mar College Student Enrollment Center. For more information contact them at (361) 698-1290.

Both Dual Enrollment and Early Admissions are designed for high school students who have demonstrated the ability to accept an academic challenge and responsibility.

To be eligible for either the Dual Enrollment or Early Admissions Programs, you must meet the following requirements:

- Early Admission students must have completed their freshman year in high school.
- Dual Enrollment students must contact their high school counselor to begin the enrollment process.
- Dual Enrollment students may not enroll until the spring semester of their freshman year in high school.
- Must submit proof of Meningitis vaccination.
- Must submit high school and college transcript(s) (if applicable).
- Must have the approval of the high school counselor, principal, and parent or guardian.
- Must meet all Del Mar College admission requirements including assessment.
- Must take only those classes for which assessment levels are met.
- Must adhere to all policies of the College
- Must enroll in courses that align with a student's high school graduation plan and college pathway.

Standardized test norms and appropriate scores are subject to change.

3. Returning Students

If you were previously enrolled at Del Mar College but have been away for one year or longer, you must submit to the Student Enrollment Center a new Application for Admission and official transcripts of study completed at other colleges during the period of absence. Placement tests may be required. Additionally, students will need to submit proof of having received a bacterial meningitis vaccination pursuant to Texas Senate Bill 62.

4. Transfer Students

Transcript Requirement

Official transcripts are critical if you are transferring from other colleges. Be sure to follow these steps:

- Submit current official transcripts of credit earned from each higher education institution previously attended. If you attended another higher education institution but earned no credit, you must submit an official high school transcript or High School Equivalency (GED, HiSET or TASC) test scores. If your previous coursework does not include college credit in English and math, you must provide placement test scores.
- If you are unable to furnish a transcript prior to registration, you may be allowed to register with the understanding that an official transcript(s) must be on file in the Student Enrollment Center within the first semester. If you do not meet this deadline, you may be ineligible to register in any subsequent semesters.

Students Transferring in Credit

Official transcripts are critical if you are transferring from other colleges. Be sure to follow these steps for having prior credit evaluated for potential transfer to Del Mar College:

- Students transferring in credit will be required to complete a Transfer Evaluation Request form (TERF) and submit the form to the Student Records Office (unless specified otherwise in an MOU between Del Mar College and another institution). The form can be accessed on the Transcripts section of the Del Mar College website (https://www.delmar.edu/transcripts).
- Once all of your official transfer transcripts have been received by the Student Enrollment Center, the evaluation request will be processed. To ensure proper advising and course selection, submit your transcripts as early as possible. You will be notified via your Del Mar College email account once your request has been completed. It is highly encouraged to submit your admission documentation as soon as possible to ensure timely evaluation.
- If you are a student who has earned credits from an institution outside the boundaries and territories of the United States a course-by-course evaluation must be completed and course descriptions must be provided. If you would like your coursework evaluated, see the National Association of Credential Evaluation Services (NACES) for an approved agency. These agencies are independent and not affiliated with Del Mar College. Course descriptions must come from your previous institution. Be advised that course descriptions must be translated to English if they are in another language. We only accept course descriptions that have been translated by one of the approved agencies. Del Mar College reserves the right to determine acceptability and/or placement of international academic credit. Evaluation by an international agency does not guarantee acceptance or use at Del Mar College.

Even though a course transfers to a specific institution from Del Mar College, be aware that the course that was taken at a different institution may not transfer and would not count as a Del Mar College credit. This is especially true for courses taken at private institutions and when semester credit hours differ. Students may be required to resubmit transcripts if their records have exceeded retention guidelines.

Credit Earned

You will be credited with all courses that you are entitled to according to the transcript of record if the former institution is recognized by one of the following associations:

- Middle States Association of Colleges and Schools
- New England Association of Schools and Colleges
- Northwest Commission on Colleges and Universities
- Southern Association of Colleges and Schools
- Western Association of Schools and Colleges
- Higher Learning Commission

Transfer Disputes

The Texas Higher Education Coordinating Board (THECB) has established the following procedures for Del Mar College to resolve transfer disputes involving lower division courses:

- If Del Mar College does not accept course credit earned by you at another institution of higher education, Del Mar College will give written notice to you and the other institution that the transfer of the course credit is denied.
- The two institutions and you shall attempt to resolve the transfer of the course credit in accordance with Coordinating Board rules and/or guidelines.
- If the transfer dispute is not resolved to your satisfaction or to the satisfaction of the institution at which the credit was earned within 45 days after the date you received written notice of the denial, Del Mar College will notify the commissioner of the THECB of its denial and the reason for the denial.

The commissioner of higher education or the commissioner's designee will make the final determination about a dispute concerning the transfer of course credit and give written notice to you and the institutions.

You may consult with the College's Vice President and Chief Academic Officer throughout this process.

Admissions Conditions

When transferring, there are four conditions of admission:

1. If you are eligible for readmission to your former college, you are eligible for admission to Del Mar College.
2. If you are on scholastic probation, you will be admitted under the same status at Del Mar College.
3. If you are on scholastic suspension, you must appeal for admissions through the Student Records Office.
4. If you are on disciplinary probation at your former college, you must appear before the Dean of Student Engagement and Retention before registering. If approved for admission, you may be placed on disciplinary probation at Del Mar College.

5. Transient (Summer Only) Students

If you are transferring from another institution of higher education for the summer terms only, you must provide an official transcript from your most recent institution attended and must meet the eligibility requirements for the courses that you will register for at Del Mar College (DMC). Assessment scores may be required. Year-round Federal Pell Grant is available to all eligible students even if they received a full Federal Pell Grant during the fall and spring semesters. Students who receive the maximum student loan for the fall and spring semesters may not be eligible for loans during the summer sessions (see the Financial Aid section of the Catalog).

Note: Summer transient students (university students who are attending DMC for the summer term only) are not eligible for aid at DMC because they are not pursuing a degree or certificate from DMC.

6. Undocumented Students

Undocumented students are eligible for enrollment on the same basis as documented students. Students will need to follow one of the other student types. Contact the Student Enrollment Center at (361) 698-1290 for additional information.

7. International Students

International Application Priority Deadlines

VISA TYPE	FALL DEADLINE	SPRING DEADLINE	SUMMER DEADLINE
F-1 NEW STUDENTS	June 1	October 1	N/A
F-1 TRANSFER FROM ANOTHER U.S. COLLEGE OR UNIVERSITY	July 1	November 1	April 1

Requirements for International Student Enrollment

If you are an international student wishing to study at Del Mar College, you must complete the following procedures to be considered for admission. Once you obtain your F-1 or M-1 visa and begin studies, you must comply with all international student regulations in order to maintain the status of your visa and remain enrolled.

Submit all of the following documents:

- Completed application for admission by completing the online application found at the Apply Texas website (https://www.applytexas.org/). Paper applications are available at the Student Enrollment Center.
- Documentation of a meningitis vaccination if you are 21 years of age or younger and have not been enrolled for at least one fall or spring semester at Del Mar College.
- Official transcripts showing completion of secondary education and college work must be evaluated. All foreign transcripts are required to be evaluated into U.S. equivalency to show a minimum of a U.S. high school diploma. For foreign college credits obtained from an institution outside the boundaries and territories of the United States, a course-by-course evaluation must be completed. See the National Association of Credential Evaluation Services (NACES) website (https://www.naces.org) for an approved agency. These agencies are independent and not affiliated with Del Mar College. Del Mar College reserves the right to determine acceptability and/or placement of international academic credit. Evaluation by an international evaluation agency does not guarantee acceptance or use at Del Mar College.
- Current financial statement showing proof of funds of at least $18,000 per academic year to cover your educational and living expenses. An additional $5,000 is required per dependent.
- Copy of your current passport (name, passport number, citizenship, etc.).
- The language of instruction at Del Mar College is English. If English is not your native language, you must submit official scores on a language proficiency exam from the Test of English as a Foreign Language (TOEFL) website (https://www.ets.org/toefl). Del Mar College accepts the TOEFL IBT (internet-based test) or the PBT (paper-based test) scores. Test takers should provide the following address to have their official scores sent to Del Mar College:
  Del Mar College
  Office of Admissions
  101 Baldwin Boulevard
  Corpus Christi, Texas 78404

You must show proficiency in English according to the following information:

- TOEFL paper 550; TOEFL IBT 79; TOEIC 780; or Academic IELTS overall band score 6.5 allows students to take the Texas Success Initiative (TSI) test for admission into college-transfer courses. Scores are valid for two years.
- Students who have recently taken approved college assessment tests (ACT, SAT, STAAR) may be exempt from all, or part of, the TSI Assessment. See the Assessment Requirements section of the Del Mar College website (https://www.delmar.edu/offices/testing/assessment-requirements.html) for more information.
- Students who do not meet one of the above requirements for English proficiency must take the ESOL Program's placement test for admission into the ESOL Program. Minimum scores on approved ESOL tests for admission into the Del Mar College ESOL Program are: TOEFL 347, TOEFL IBT 19, IELTS 2, TOEIC 255, COMPASS/ESL 42. Scores are valid for two years. You will be referred to the ESOL Program for testing and evaluation. Before beginning your academic program, you must take the Texas Success Initiative placement test.

Upon admission, you will be issued the I-20 form. Present this form and the receipt for the I-901 fee when you apply for your student visa.

If you are an international student transferring from a U.S. college or university, you must provide a current I-20 and visa in addition to the documents listed above. You will also need to submit the Transfer Clearance form (obtained from the Student Records Office).

International students transferring from a U.S. college or university must provide a Transfer/Transient Clearance form, a current I-94 form, I-20 form, and a passport in addition to the documents listed below. DMC will not accept an international student with a "terminated" status in SEVIS or who is not in good academic standing at their current institution. Students who have completed an Associate degree (or higher) at a U.S. or foreign institution will not be accepted for admissions. Students accepted for admissions may only pursue one major, thus, may only complete one Associate degree.

Del Mar College does not provide housing though there are several real estate agents and housing locator services in Corpus Christi that may assist you in securing accommodations.

As an F-1 or M-1 student, you are not eligible for financial aid. However, you may be eligible to apply for scholarships. Also, you may not work without permission. If you are in an academic program, you may be eligible to work part-time employment on campus. After one academic year, you may be eligible to work off campus; however, specific criteria must be met, and authorization is required by the U.S. government.

For more information email enroll@delmar.edu.

8. Military Personnel and Military Dependents

If you are active-duty military personnel or a dependent, you must complete the regular College admissions requirements and must complete 15 semester credit hours in residence to be eligible for an associate degree.

For more information refer to the Veterans and Military Service Members Information section of the Catalog.

Getting Started

Student Classifications

If you have completed college-level, non-developmental semester hours, you are classified as follows:

- Freshman: First-year student who has completed less than 30 semester credit hours.
- Sophomore: Second-year student who has completed the equivalent of one year of full-time undergraduate work, that is, at least 30 semester credit hours and not more than 72 semester credit hours earned.

- Unclassified: More than 72 semester credit hours earned; no associate degree earned.
- Associate Degree: Previously earned associate degree.
- Baccalaureate or Above: Previously earned a baccalaureate or above degree.

Getting Started

Registration

Now that you have completed the admissions process, you can register.

Getting Started

Summary

No matter how you walk through our doors, you have started on your path to success.

Introduction

Introduction

Accreditation

Del Mar College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Del Mar College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Del Mar College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, GA 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

Introduction

History

Del Mar College was founded in 1935, under the control of the Board of Trustees of the Corpus Christi Independent School District, to provide two years of post-secondary education. In 1951 the College became an independent political subdivision, legally Corpus Christi Junior College District. In 1999 the Board of Regents adopted *Del Mar College District* as the official name of the institution.

Del Mar College started in borrowed classrooms with 154 students in the first class. Today the College registers more than 25,000 students each year in academic, occupational, and continuing education courses. The College now offers programs on three primary campuses and one campus annex, the Center for Economic Development.

Introduction

Vision

Del Mar College empowers our communities to achieve their dreams.

Introduction

Mission

Del Mar College provides educational pathways that transform lives, build partnerships, and enrich communities.

Introduction

Core Values

Integrity

Operating with openness and honesty in all endeavors at the College.

Community

The people we commit to serving through access and equity.

Courage

The willingness to take on challenges and overcome barriers.

Empathy

To respect and honor the experiences of others.

Resourcefulness

Demonstrating responsible and ethical stewardship of the resources entrusted to us by our community.

Tradition

The shared legacy of the people at Del Mar College who have learned, taught, and laid the foundation for the Viking Way.

Introduction

Student-Centered Institution

Del Mar College is an open-admission institution of higher education committed to offering opportunities for academic achievement, career development, and lifelong learning that prepares individuals to achieve their dreams in today's global and technical society. Students are immersed in some of the greatest works of philosophy, politics, literature, business, science, technology and art that higher education has to offer.

Throughout its academic and student development structure, Del Mar College is committed to supporting the College population in the attainment of an excellent education that will empower students to achieve their career potential and become participating citizens in the community.

The Vice President and Chief Academic Officer carries the responsibility for maintaining the College's position as an instructional leader in all disciplines represented throughout the institution. The faculty focuses on academic excellence and innovation in teaching. The College collaborates with area school districts and universities to facilitate a seamless transition for students as they achieve their educational goals.

The College affirms that student learning is its highest priority. Higher education is essential to human progress. Providing opportunities for demonstrable, measurable student learning multiplies intellectual, cultural and civic development. Del Mar College is committed to these core concepts of a Learning College, as outlined by the League for Innovation in the Community Colleges:

- create substantive changes in individual learners;
- engage learners as full partners in the learning process;
- insist that students assume primary responsibility for their learning choices;
- create and offer as many options for high quality learning as possible;
- assist learners in forming and participating in collaborative learning activities; and
- truly succeed only when improved and expanded learning can be documented for learners.

The College upholds the principles of collaborative participation and decision making and views the staff, faculty, and students as equal partners in the learning environment. Staff and faculty facilitate student success, encourage students to play an active role in their own learning and development and embrace the diverse needs and backgrounds of the individuals who comprise the student body.

The Vice President of Student Affairs is responsible for administering and coordinating student services and for representing the students' interest to the fullest possible extent. The services provided are an integral part of the educational process and are supportive, informative and geared to benefit the students. Specifically, Student Affairs

- affords opportunities for students to develop and enhance intellectual capacity, aesthetic and ethical awareness, social and cultural enrichment and qualities essential for successful scholarship, citizenship, and leadership;
- supports students' holistic learning experiences, educational goals, career aspiration, and personal development;
- regards students with respect and dignity and as unique and diverse individuals;
- continually seeks to identify and provide coordinated, comprehensive and quality programs and services to encourage lifelong learning and self-empowerment of students;
- empowers students in the acquisition of knowledge and skills essential for success by providing access to College support services, technology, and information; and
- is committed to standards of excellence and measures its effectiveness by the satisfaction and achievement of the students it serves.

Selecting a Program

Whether you are interested in transferring to another college or have specific career goals, Del Mar College has the programs and degrees that are right for you. The types of degrees offered at the College include: two specialized bachelor's degrees, and multiple transfer and occupational associate degrees. The two bachelor's degrees require prior completion of an associate degree. Both types of associate degrees typically take two (2) years to complete. There are credentials—certificates and occupational skills awards—which are not degrees but can help you get a job. Just be sure to check with the institution to which you plan to transfer for their degree and transfer requirements.

Del Mar College awards bachelor's degrees; transfer and occupational associate degrees; and certificates and occupational skills awards.

Selecting a Program

Bachelor's Degrees

Bachelor's Degrees

Del Mar College offers the Bachelor of Applied Science in Organizational Management and Leadership designed to provide students with earned Associate of Applied Science Degrees or Level II Certificates an opportunity to complete a baccalaureate degree in a targeted occupation at Del Mar College.

Responsibilities for BAS-OML Degree

- Successfully complete 120 semester credit hours which includes 42 semester credit hours of general education core coursework, 45 semester credit hours of technical courses from an Associate of Applied Science Degree or Level II Certificate, and 33 semester credit hours earned in the BAS-OML major courses.
- Have completed an approved Associate of Applied Science Degree or a Level II certificate and have earned a minimum of 60 semester credit hours. **Note**: All awards must be from a regionally accredited institution.
- Have general admission to Del Mar College.
- Have demonstrated college readiness in English, Reading, and Math.
- Have an overall GPA of 2.0 or better.

Del Mar College offers the Registered Nurse to Bachelor of Science in Nursing (RN to BSN) post-licensure program designed for the registered nurse with an associate degree or diploma who desires to earn a Bachelor of Science in Nursing (BSN) degree.

Responsibilities for BSN Degree

- Successfully complete 120 semester credit hours which comprise of 90 semester credit hours that includes 54 semester credit hours of general education core coursework along with 36 semester credit hours of associate degree nursing courses with the remaining 30 semester credit hours earned in the RN to BSN track.
- Have a minimum of a "C" grade in all prerequisite, core coursework, and nursing coursework and an overall GPA of 2.5 or better (nursing coursework must be from an accredited nursing program).
- Have a current, unencumbered Texas or an Enhanced Nurse License Compact RN license.
- Must meet the Technical Standards required by the Program.

Selecting a Program

Associate Degrees

Del Mar offers multiple transfer and occupational associate degrees. Both types of associate degrees typically take two (2) years to complete.

Transfer Degrees

Del Mar College offers transfer associate degrees designed for students planning to transfer to a four-year institution of higher education and complete a baccalaureate degree and career and technical associate degrees and certificates that prepare students for immediate entry into the workforce.

Associate of Arts (AA) Degree – The AA degree is designed to prepare the student to transfer into an RN to BSN Program to obtain a baccalaureate degree in nursing or to earn a Bachelor of Arts (BA) degree. Del Mar College offers AA degrees in areas related to business, arts, humanities, and social sciences.

Associate of Science (AS) Degree – The AS degree is designed to prepare the student to transfer to a four-year institution of higher education to complete a Bachelor of Science (BS) Degree. Del Mar College offers AS degrees in areas related to science, mathematics, engineering, technology and computer science.

Associate of Arts in Teaching (AAT) Degree – The AAT degree is designed to help prepare community college students for entrance into the teaching profession. The College offers the AAT degree in two areas of concentration:

- Option 1: EC–6; 4–8; EC–12 Special Education Certification;
- Option 2: Grades 8–12, EC–12 Other than Special Education Certification.*

* The general degree plan for Grades 8-12; EC-12 Other than Special Education requires a specialized discipline. The College offers the following specializations: Art, English, History/Social Sciences, Journalism, Life Sciences, Mathematics, Physical Sciences, and Speech.

Responsibilities for Transfer Degrees

- It is your responsibility to know the specific requirements of the college or university to which you plan to transfer. This responsibility includes knowing course requirements, number of credit hours accepted, and grade point average for admission.
- You should consult with your academic advisor at the earliest opportunity after being admitted to Del Mar College and begin developing an education plan. Thereafter, you should confer with the advisor regularly each semester while completing the education plan toward the associate degree.
- Where transferability permits, a course substitution is permitted on the recommendation of the advisor and on the approval of both the Chair of your major area and the Dean over the course in question.

Requirements for the AA, AS, and AAT Degrees

- Successfully complete the required credit hours for the AA, AS and AAT degrees in the prescribed courses.
- Complete the 42-credit hour core curriculum (may not be required for programs with a field of study).

- Maintain a 2.0 cumulative grade point average for all courses (unless the major/program requires a higher cumulative grade point average or requires minimum grades in individual courses).
- Courses shown in the Suggested Transfer Plan areas of this Catalog fulfill all requirements for the indicated majors. However, because of various transfer requirements from senior institutions, other combinations of core, and major-field courses may satisfy the requirements for Associate of Arts and Associate of Science degrees.
- A minimum of 25 percent of degree-required classes must be earned at Del Mar College.
- All subsequent degrees must differ from the first degree by 20% of the required semester hours. This policy applies to degree and certificate programs. However, a student may pursue a degree or certificate that does not meet the 20% requirement if the certificate or degree is a stackable credential with a previously issued certificate.

Transfer Agreements

2+2 Plans

Del Mar College has agreements in several majors with four-year institutions in the state. These agreements are commonly referred to as 2+2 plans. If you have an associate degree in certain fields, you are assured of a minimum loss of credit when transferring into a baccalaureate program. Other agreements in Nurse Education are a 1+2+1 Model that provides a seamless transfer to an RN to BSN Program that includes the Texas Common Core Curriculum of 42 semester credit hours. The Bachelor of Applied Science Degree in Organizational Management and Leadership is designed to provide students with earned Associate of Applied Science degrees or Level II certificates an opportunity to complete a baccalaureate degree in a targeted occupation at Del Mar College by completing remaining core curriculum requirements and 33 semester credit hours of BAS-OML major coursework. Contact your instructional dean for more information.

Associate of Applied Science (AAS) Degrees

The AAS degree is designed to prepare students to enter the workforce in one of the identified Del Mar College career and technical programs.

- **Requirements for AAS Degree**
  - Successfully complete the prescribed courses in the curriculum including the identified 15 general education credits.
  - Maintain a 2.0 cumulative grade point average for all courses (unless the major/program requires a higher cumulative grade point average or requires minimum grades in individual courses).
  - A minimum of 25 percent of degree-required classes must be earned at Del Mar College.

Selecting a Program

Transfer Degrees

If you are planning to transfer to another college or university, check out these three degrees.

Associate of Arts Degree

The Associate of Arts degree is available in the following majors:

- Advertising/Public Relations
- American Sign Language/Deaf Studies
- Business Administration
- Criminal Justice
- Digital Media
- Drama
- English
  1. English Emphasis in Literature
  2. English: Emphasis in Philosophy
- Foreign Language
- History
- Journalism
- Kinesiology
- Liberal Arts (Multidisciplinary Studies)
- Mexican American Studies
- Music-Instrumental
- Music-Vocal
- Music Theory & Composition
- Nurse Education
- Political Science
- Psychology
- Radio & Television
- Social Work
- Sociology
- Speech
- Studio Art

2. Associate of Arts in Teaching Degree

The Associate of Arts of Teaching (AAT) degree is intended for transfer to baccalaureate programs that lead to initial Texas teacher certification. Each of the two AAT specializations is designed to prepare teachers for the various certifications offered in Texas. The degree plan best suited to the desired certification should be followed and transferred to a university to complete Texas teacher certification requirements.

- EC-6, 4-8, EC-12 Special Education

- **Grades 8–12; EC–12 Other Than Special Education**
    1. Grades 8-12;EC-12 Other Than Special Ed-Art Emphasis
    2. Grds 8-12;EC-12 Other Than Sp Ed-Engl/Lang Arts/Read Emph
    3. Grds 8-12;EC-12 Other Than Sp Ed-Hist/Social Stud. Emph
    4. Grades 8-12;EC-12 Other than Sp Ed-Journalism Emphasis
    5. Grds 8-12;EC-12 Other than Special Ed-Life Science Emph
    6. Grades 8-12;EC-12 Other than Special Education-Math Emph
    7. Grds 8-12;EC-12 Other than Spcl Ed-Physical Science Emph
    8. Grades 8-12;Ec-12 Other than Special Ed-Speech Emphasis

3. Associate of Science Degree

The Associate of Science Degree is available in the following majors:

- Architecture
- Biology
- Chemistry
- Computer Programming
- Electrical Engineering **(with Texas A&M University-Kingsville)**
- Geographic Information Systems
- Geology
- Industrial Engineering
- Mathematics
- Mechanical Engineering
- Physics
- Pre-Medical Technology

Selecting a Program

Associate of Applied Science (AAS) Degrees, Enhanced Skills Certificates, Advanced Technical Certificates

If you are interested in getting a job, check out these occupational degrees with options.

Associate of Applied Science Degree

If you are primarily interested in career training programs, check these out:

- Accounting Specialist
- Addiction Studies in Human Services
- Air Conditioning Applied Technology
- Architectural Technology
- Automotive Applied Technology
- Aviation Maintenance
    - Aviation Maintenance - Airframe App. Tech
    - Aviation Maintenance Power Plant App. Tech
- Baking/Pastry
- Biotechnology
- BBuilding Maintenance Applied Technology
- Cardiac Sonography
- Early Childhood
- CPRG.AAS - Missing program
- Construction Management
- Cosmetology
- Police Science
- Culinary Arts (Chef Training)
- Dental Assisting
- Dental Hygiene
- Diagnostic Medical Sonography
- Diesel Applied Technology
- Heavy Equipment Maintenance Technician
- Electrician
- Emergency Medical Technician Paramedic
- Environmental/ Petrochemical Lab Technology
- Environmental Technician
- Fire Science Basic Firefighting Option
- Fitness and Exercise Science
- Geographic Information Systems
- Health Information Technology
- Hospitality and Tourism Management
- Industrial Instrumentation

- Industrial Rotating Equipment Mechanic (Millwright)
- Interpreter Preparation
- Management
- Medical Lab Technology
- Mental Health
- Network Administration and Information Security
- Non-Destructive Testing Technology
- Occupational Safety & Health Technology
- Occupational Therapy Assistant
- Paralegal Studies
- Pharmacy Technician
- Physical Therapy Assistant
- Process Technology
- Radiologic Technology
- Registered Nursing
- Registered Nurse Education LVN/Paramedic to RN Transition
- Respiratory Therapy
- Sound Recording Technology
- Surgical Technology
- Technical Drafting & Design Technology
- Welding Applied Technology

Enhanced Skills Options have been developed for certain occupational programs. The Enhanced Skills courses provide further specialization to enhance employment and promotion opportunities. These options are offered either concurrently or following the associate degree program. Successful completion of an option results in the awarding of an Enhanced Skills Certificate.

Enhanced Skills programs have also been linked with baccalaureate degree programs. If you are planning to continue your educational program at a senior college, you should consult an advisor concerning specific degree requirements of the college to which a transfer is intended.

Enhanced Skills Certificates

Enhanced Skills Certificates are available if you complete all courses in the curriculum of a designated associate degree and the course requirements of the Enhanced Skills Certificate.

- Environmental/Petrochemical Laboratory Technology
- Environmental Technician Enhanced Skills Certificate
- JRCC.ESC - Missing program
- RADT.ECER - Missing program
- Radiologic Technology (Computed Tomography)

Advanced Technical Certificate

An Advanced Technical Certificate is a certificate that has a defined associate or baccalaureate degree as a prerequisite. The Advanced Technical Certificate is designed to meet industry or external agency requirements.

- Advanced Certificate in Paralegal Studies

Selecting a Program

Certificates

Requirements for Certificates of Achievement

- Successfully complete all courses required for the certificate or award.
- Maintain a 2.0 cumulative grade point average for all courses (unless the certificate requires a higher cumulative grade point average or requires minimum grades in individual courses).
- All subsequent degrees must differ from the first degree by 20% of the required semester hours. This policy applies to degree and certificate programs. However, a student may pursue a degree or certificate that does not meet the 20% requirement if the certificate or degree is a stackable credential with a previously issued certificate.
- Certificate of Achievement (Level I and Level II) – The Certificate of Achievement is awarded to students who successfully complete the prescribed courses in any one of the College's approved certificate programs.

Certificates of Achievement

If you are not planning to complete a college degree but want to learn a marketable skill and secure immediate employment, check out our Certificates of Achievement. Typically, these take one year to complete. Many of these can be used as the first step to an Associate of Applied Science degree.

- Accounting Technician (Level I)
- Air Conditioning Applied Technology
    - Air Conditioning Applied Technology Commercial (Level II)
    - Air Conditioning Applied Technology - Residential (Level II)
    - Air Conditioning Applied Technology (Level I)
- Architectural Technology
    - Architectural Design (Level II)
    - Digital Design and Fabrication (Level I)

- Automotive Applied Technology
    - Automotive Applied Technology Level II
    - Suspension/Driveline/Brake Specialist (Level I)
- Aviation Maintenance
    - Aviation Maintenance - Airframe Appl. Technology (Level II)
    - Aviation Maintenance Power Plant App. Tech (Level II)
    - Professional Electronics-Avionics Line Maintenance Tech (Level I)
- Basic Firefighter (Level II)
- Biotechnology (Level II)
- Building Maintenance Applied Technology
    - Building Maintenance Applied Technology, Level II
    - Building Maintenance Applied Technology (Level I)
- Child Development/Early Childhood Teaching (Level I)
- Computer Programming (Level II)
- Cook/Baker (Level II)
- Cosmetology
    - Cosmetology (Level II)
    - Cosmetology (Level I)
- Criminal Justice Technology
    - Criminal Justice FOS (Field of Study Certificate)
- Deaf Studies (Level II)
- Dental Assisting (Level II)
- Diesel Applied Technology
    - Diesel Applied Technology (Level II)
    - Diesel Engine Specialist (Level I)
    - Heavy Equipment Specialist (Level I)
- Electrician
    - Industrial Electrician Level II (Level II)
    - RCEN.CER1 - Missing program (Level I)
- Environmental Technician (Level II)
- Geographical Information Systems (GIS)
    - Info Tech Essentials-Geographic Information Systems (Level I)
    - Geographic Information Systems Analyst (Level II)
- Health Information Technology- Coding Specialistt (Level II)
- Hospitality and Tourism Management (Level II)
- Industrial Instrumentation
    - Process Technology-Industrial Instrumentation Certificate (Level II)
    - Process Technology-Industrial Instrumentation Installer (Level I)
- Law Enforcement
    - Basic Peace Officer (Level I)
      Intermediate Police Officer (Level I)
- Management
    - Business Management: Leadership (Level I)
    - Business Management (Level I)
- Medical Assisting (Level II)
- Millwright - Industrial Maintenance Mechanic
    - Industrial Rotation Equipment Mechanic (Millwright) (Level II)
    - Industrial Millwright(Level I)
- Network Administration and Information Security
    - NETC.CER1 - Missing program (Level I)
- Non-Destructive Testing Technology (Level II)
- Emergency Medical Technician Paramedic (Level II)
- Personal Training (Level I)
- Pharmacy Technician (Level II)
- Process Technology (Level I)
- Sound Recording Technology - Level II
- Technical Drafting and Design Technology
    - Pipe Drafting and Design Technology (Level I)
    - Computer-Aided Drafting (Level I)
- Licensed Vocational Nursing (Level II)
- Welding Applied Technology
    - Welding Applied Tech Advanced Welding (Level II)
    - Industry Welding - Level I
    - Welding Applied Tech-Intermediate Welding (Level I)
    - Welding Applied Technology - Wire Welding (Level I)

Occupational Skills Awards

Requirements for Occupational Skills Award

- Successfully complete all courses required for the award.
- Maintain a 2.0 cumulative grade point average for all courses (unless the certificate/award requires a higher cumulative grade point average or requires minimum grades in individual courses).
- All subsequent degrees must differ from the first degree by 20% of the required semester hours. This policy applies to degree and certificate programs. However, a student may pursue a degree or certificate that does not meet the 20% requirement if the certificate or degree is a stackable credential with a previously issued certificate.
- Occupational Skills Award – The Occupational Skills Award is awarded to students who successfully complete the prescribed 9 to 14 credit hours of courses in any one of the College's approved business or industrial programs.

This award consists of 9–14 semester credit hours and makes you eligible for immediate employment or adds to your marketability to employers.

- 3D Printing and Prototyping Technology
- Accounting Clerk (bookkeeper)
- Air Conditioning Applied Technology
- Artificial Intelligence in GIS
- Building Maintenance Applied Tech-Plumbing
- Computer Systems and Logical Design
- Cook/Baker
- Data Science
- Electrical Apprentice
- Geographic Information Systems-Drafting
- GIS-Unmanned Aircraft Systems
- Geographic Information Systems (GIS II)
- Geographic Information Systems (GIS I)
- Health Informatics
- Hospitality and Tourism
- Industrial Instrumentation
- Management Supervision
- Millwright
- Process Technology

Selecting a Program

Field of Study

A Field of Study (FOS) is a selection of lower-division courses that are guaranteed by state law to transfer and apply to a degree program. If a student takes all the courses in an FOS and then transfers to another Texas public institution of higher education, the FOS is guaranteed to transfer as a block and be applied to the appropriate major. If a student has completed the FOS, the Texas common core curriculum, and any university or college courses required of all students regardless of major, then the student is finished with all the lower-division courses for the degree program at any Texas public institution. If a student transfers with an incomplete FOS, then each completed FOS course is guaranteed to transfer and apply to the degree program, although the institution may require additional lower-division courses.

Fields of Study

Del Mar College offers the following Texas Higher Education Coordinating Board-approved Fields of Study:

- Architecture Field of Study
- Biology Field of Study
- BUAD.FOS - Missing program
- English Language and Literature Field of Study
- Mexican American Studies Field of Study
- Music Field of Study
- Political Science Field of Study
- Psychology Field of Study
- Social Work Field of Study
- Sociology Field of Study

Nursing Field of Study Certificate

The Nursing Field of Study Curricula is defined as the block of courses which may be transferred to a general academic teaching institution and must be substituted for that institution's lower division requirements for the nursing degree program into which the student transfers. The student shall receive full academic credit toward the degree program for the block of courses transferred.

The Field of Study Curriculum for Nursing is intended for generic baccalaureate degree nursing students who plan to take their prerequisite and core curriculum course at a community college and transfer the block of courses to a general academic teaching institution.

Selecting a Program

Program of Study

Programs of Study work to align college and career readiness standards and career and technical education standards with the knowledge, skills, and abilities students are expected to demonstrate. Programs of Study incorporate multiple entry and exit points which include industry-recognized certifications, Associate of Applied Science (AAS) degrees, and credit transfer agreements between community colleges.

Programs of Study

If you are interested in a program of study, check out the following degrees:

- Architectural Drafting Program of Study
- Construction Management Program of Study
- General Drafting Program of Study
- Industrial Electrician Program of Study

Selecting a Program

Student Right to Know Graduation and Transfer Rates

In accordance with the Student Right to Know Act, the College annually publishes the graduation and transfer-out rates for first-time, full-time, degree-seeking, or certificate-seeking students which are available to all current and prospective students. Out of the first-time, full-time, degree-seeking, or certificate-seeking students who entered Del Mar College in Fall 2022, 18.6* percent successfully completed a degree or certificate program at the College, and 12.2* percent transferred to other institutions within 150 percent of the normal completion time for their programs. For additional information about student completion and transfer rates, please contact the Office of Institutional Research and Analytics at (361) 698-1207.

*As per State data.

Selecting a Program

Whether you are interested in transferring to another college or have specific career goals, Del Mar College has the programs and degrees that are right for you. The types of degrees offered at the College include: two specialized bachelor's degrees, and multiple transfer and occupational associate degrees. The two bachelor's degrees require prior completion of an associate degree. Both types of associate degrees typically take two (2) years to complete. There are credentials—certificates and occupational skills awards—which are not degrees but can help you get a job. Just be sure to check with the institution to which you plan to transfer for their degree and transfer requirements.

Del Mar College awards bachelor's degrees; transfer and occupational associate degrees; and certificates and occupational skills awards.

Selecting a Program

Bachelor's Degrees

Bachelor's Degrees

Del Mar College offers the Bachelor of Applied Science in Organizational Management and Leadership designed to provide students with earned Associate of Applied Science Degrees or Level II Certificates an opportunity to complete a baccalaureate degree in a targeted occupation at Del Mar College.

Responsibilities for BAS-OML Degree

- Successfully complete 120 semester credit hours which includes 42 semester credit hours of general education core coursework, 45 semester credit hours of technical courses from an Associate of Applied Science Degree or Level II Certificate, and 33 semester credit hours earned in the BAS-OML major courses.
- Have completed an approved Associate of Applied Science Degree or a Level II certificate and have earned a minimum of 60 semester credit hours. **Note**: All awards must be from a regionally accredited institution.
- Have general admission to Del Mar College.
- Have demonstrated college readiness in English, Reading, and Math.
- Have an overall GPA of 2.0 or better.

Del Mar College offers the Registered Nurse to Bachelor of Science in Nursing (RN to BSN) post-licensure program designed for the registered nurse with an associate degree or diploma who desires to earn a Bachelor of Science in Nursing (BSN) degree.

Responsibilities for BSN Degree

- Successfully complete 120 semester credit hours which comprise of 90 semester credit hours that includes 54 semester credit hours of general education core coursework along with 36 semester credit hours of associate degree nursing courses with the remaining 30 semester credit hours earned in the RN to BSN track.
- Have a minimum of a "C" grade in all prerequisite, core coursework, and nursing coursework and an overall GPA of 2.5 or better (nursing coursework must be from an accredited nursing program).
- Have a current, unencumbered Texas or an Enhanced Nurse License Compact RN license.
- Must meet the Technical Standards required by the Program.

Selecting a Program

Associate Degrees

Del Mar offers multiple transfer and occupational associate degrees. Both types of associate degrees typically take two (2) years to complete.

Transfer Degrees

Del Mar College offers transfer associate degrees designed for students planning to transfer to a four-year institution of higher education and complete a baccalaureate degree and career and technical associate degrees and certificates that prepare students for immediate entry into the workforce.

Associate of Arts (AA) Degree – The AA degree is designed to prepare the student to transfer into an RN to BSN Program to obtain a baccalaureate degree in nursing or to earn a Bachelor of Arts (BA) degree. Del Mar College offers AA degrees in areas related to business, arts, humanities, and social sciences.

Associate of Science (AS) Degree – The AS degree is designed to prepare the student to transfer to a four-year institution of higher education to complete a Bachelor of Science (BS) Degree. Del Mar College offers AS degrees in areas related to science, mathematics, engineering, technology and computer science.

Associate of Arts in Teaching (AAT) Degree – The AAT degree is designed to help prepare community college students for entrance into the teaching profession. The College offers the AAT degree in two areas of concentration:

- Option 1: EC–6; 4–8; EC–12 Special Education Certification;
- Option 2: Grades 8–12, EC–12 Other than Special Education Certification.*

* The general degree plan for Grades 8-12; EC-12 Other than Special Education requires a specialized discipline. The College offers the following specializations: Art, English, History/Social Sciences, Journalism, Life Sciences, Mathematics, Physical Sciences, and Speech.

Responsibilities for Transfer Degrees

- It is your responsibility to know the specific requirements of the college or university to which you plan to transfer. This responsibility includes knowing course requirements, number of credit hours accepted, and grade point average for admission.
- You should consult with your academic advisor at the earliest opportunity after being admitted to Del Mar College and begin developing an education plan. Thereafter, you should confer with the advisor regularly each semester while completing the education plan toward the associate degree.
- Where transferability permits, a course substitution is permitted on the recommendation of the advisor and on the approval of both the Chair of your major area and the Dean over the course in question.

Requirements for the AA, AS, and AAT Degrees

- Successfully complete the required credit hours for the AA, AS and AAT degrees in the prescribed courses.
- Complete the 42-credit hour core curriculum (may not be required for programs with a field of study).
- Maintain a 2.0 cumulative grade point average for all courses (unless the major/program requires a higher cumulative grade point average or requires minimum grades in individual courses).
- Courses shown in the Suggested Transfer Plan areas of this Catalog fulfill all requirements for the indicated majors. However, because of various transfer requirements from senior institutions, other combinations of core, and major-field courses may satisfy the requirements for Associate of Arts and Associate of Science degrees.
- A minimum of 25 percent of degree-required classes must be earned at Del Mar College.
- All subsequent degrees must differ from the first degree by 20% of the required semester hours. This policy applies to degree and certificate programs. However, a student may pursue a degree or certificate that does not meet the 20% requirement if the certificate or degree is a stackable credential with a previously issued certificate.

Transfer Agreements

2+2 Plans

Del Mar College has agreements in several majors with four-year institutions in the state. These agreements are commonly referred to as 2+2 plans. If you have an associate degree in certain fields, you are assured of a minimum loss of credit when transferring into a baccalaureate program. Other agreements in Nurse Education are a 1+2+1 Model that provides a seamless transfer to an RN to BSN Program that includes the Texas Common Core Curriculum of 42 semester credit hours. The Bachelor of Applied Science Degree in Organizational Management and Leadership is designed to provide students with earned Associate of Applied Science degrees or Level II certificates an opportunity to complete a baccalaureate degree in a targeted occupation at Del Mar College by completing remaining core curriculum requirements and 33 semester credit hours of BAS-OML major coursework. Contact your instructional dean for more information.

Associate of Applied Science (AAS) Degrees

The AAS degree is designed to prepare students to enter the workforce in one of the identified Del Mar College career and technical programs.

- **Requirements for AAS Degree**
  - Successfully complete the prescribed courses in the curriculum including the identified 15 general education credits.
  - Maintain a 2.0 cumulative grade point average for all courses (unless the major/program requires a higher cumulative grade point average or requires minimum grades in individual courses).
  - A minimum of 25 percent of degree-required classes must be earned at Del Mar College.

- Physical Therapy Assistant
- Process Technology
- Radiologic Technology
- Registered Nursing
- Registered Nurse Education LVN/Paramedic to RN Transition
- Respiratory Therapy
- Sound Recording Technology
- Surgical Technology
- Technical Drafting & Design Technology
- Welding Applied Technology

Enhanced Skills Options have been developed for certain occupational programs. The Enhanced Skills courses provide further specialization to enhance employment and promotion opportunities. These options are offered either concurrently or following the associate degree program. Successful completion of an option results in the awarding of an Enhanced Skills Certificate.

Enhanced Skills programs have also been linked with baccalaureate degree programs. If you are planning to continue your educational program at a senior college, you should consult an advisor concerning specific degree requirements of the college to which a transfer is intended.

Enhanced Skills Certificates

Enhanced Skills Certificates are available if you complete all courses in the curriculum of a designated associate degree and the course requirements of the Enhanced Skills Certificate.

- Environmental/Petrochemical Laboratory Technology
- Environmental Technician Enhanced Skills Certificate
- JRCC.ESC - Missing program
- RADT.ECER - Missing program
- Radiologic Technology (Computed Tomography)

Advanced Technical Certificate

An Advanced Technical Certificate is a certificate that has a defined associate or baccalaureate degree as a prerequisite. The Advanced Technical Certificate is designed to meet industry or external agency requirements.

- Advanced Certificate in Paralegal Studies

Certificates

Requirements for Certificates of Achievement

- Successfully complete all courses required for the certificate or award.
- Maintain a 2.0 cumulative grade point average for all courses (unless the certificate requires a higher cumulative grade point average or requires minimum grades in individual courses).
- All subsequent degrees must differ from the first degree by 20% of the required semester hours. This policy applies to degree and certificate programs. However, a student may pursue a degree or certificate that does not meet the 20% requirement if the certificate or degree is a stackable credential with a previously issued certificate.
- Certificate of Achievement (Level I and Level II) – The Certificate of Achievement is awarded to students who successfully complete the prescribed courses in any one of the College's approved certificate programs.

Certificates of Achievement

If you are not planning to complete a college degree but want to learn a marketable skill and secure immediate employment, check out our Certificates of Achievement. Typically, these take one year to complete. Many of these can be used as the first step to an Associate of Applied Science degree.

- Accounting Technician (Level I)
- Air Conditioning Applied Technology
    - Air Conditioning Applied Technology Commercial (Level II)
    - Air Conditioning Applied Technology - Residential (Level II)
    - Air Conditioning Applied Technology (Level I)
- Architectural Technology
    - Architectural Design (Level II)
    - Digital Design and Fabrication (Level I)
- Automotive Applied Technology
    - Automotive Applied Technology Level II
    - Suspension/Driveline/Brake Specialist (Level I)
- Aviation Maintenance
    - Aviation Maintenance - Airframe Appl. Technology (Level II)
    - Aviation Maintenance Power Plant App. Tech (Level II)
    - Professional Electronics-Avionics Line Maintenance Tech (Level I)
- Basic Firefighter (Level II)
- Biotechnology (Level II)
- Building Maintenance Applied Technology
    - Building Maintenance Applied Technology, Level II
    - Building Maintenance Applied Technology (Level I)
- Child Development/Early Childhood Teaching (Level I)
- Computer Programming (Level II)
- Cook/Baker (Level II)
- Cosmetology
    - Cosmetology (Level II)
    - Cosmetology (Level I)
- Criminal Justice Technology
    - Criminal Justice FOS (Field of Study Certificate)
- Deaf Studies (Level II)
- Dental Assisting (Level II)
- Diesel Applied Technology
    - Diesel Applied Technology (Level II)
    - Diesel Engine Specialist (Level I)
    - Heavy Equipment Specialist (Level I)
- Electrician
    - Industrial Electrician Level II (Level II)
    - RCEN.CER1 - Missing program (Level I)
- Environmental Technician (Level II)
- Geographical Information Systems (GIS)
    - Info Tech Essentials-Geographic Information Systems (Level I)
    - Geographic Information Systems Analyst (Level II)
- Health Information Technology- Coding Specialistt (Level II)
- Hospitality and Tourism Management (Level II)
- Industrial Instrumentation
    - Process Technology-Industrial Instrumentation Certificate (Level II)
    - Process Technology-Industrial Instrumentation Installer (Level I)
- Law Enforcement
    - Basic Peace Officer (Level I)
      Intermediate Police Officer (Level I)
- Management
    - Business Management: Leadership (Level I)
    - Business Management (Level I)

- Medical Assisting (Level II)
- Millwright - Industrial Maintenance Mechanic
    - Industrial Rotation Equipment Mechanic (Millwright) (Level II)
    - Industrial Millwright(Level I)
- Network Administration and Information Security
    - NETC.CER1 - Missing program (Level I)
- Non-Destructive Testing Technology (Level II)
- Emergency Medical Technician Paramedic (Level II)
- Personal Training (Level I)
- Pharmacy Technician (Level II)
- Process Technology (Level I)
- Sound Recording Technology - Level II
- Technical Drafting and Design Technology
    - Pipe Drafting and Design Technology (Level I)
    - Computer-Aided Drafting (Level I)
- Licensed Vocational Nursing (Level II)
- Welding Applied Technology
    - Welding Applied Tech Advanced Welding (Level II)
    - Industry Welding - Level I
    - Welding Applied Tech-Intermediate Welding (Level I)
    - Welding Applied Technology - Wire Welding (Level I)

Selecting a Program

Occupational Skills Awards

Requirements for Occupational Skills Award

- Successfully complete all courses required for the award.
- Maintain a 2.0 cumulative grade point average for all courses (unless the certificate/award requires a higher cumulative grade point average or requires minimum grades in individual courses).
- All subsequent degrees must differ from the first degree by 20% of the required semester hours. This policy applies to degree and certificate programs. However, a student may pursue a degree or certificate that does not meet the 20% requirement if the certificate or degree is a stackable credential with a previously issued certificate.
- Occupational Skills Award – The Occupational Skills Award is awarded to students who successfully complete the prescribed 9 to 14 credit hours of courses in any one of the College's approved business or industrial programs.

This award consists of 9–14 semester credit hours and makes you eligible for immediate employment or adds to your marketability to employers.

- 3D Printing and Prototyping Technology
- Accounting Clerk (bookkeeper)
- Air Conditioning Applied Technology
- Artificial Intelligence in GIS
- Building Maintenance Applied Tech-Plumbing
- Computer Systems and Logical Design
- Cook/Baker
- Data Science
- Electrical Apprentice
- Geographic Information Systems-Drafting
- GIS-Unmanned Aircraft Systems
- Geographic Information Systems (GIS II)
- Geographic Information Systems (GIS I)
- Health Informatics
- Hospitality and Tourism
- Industrial Instrumentation
- Management Supervision
- Millwright
- Process Technology

Selecting a Program

Field of Study

A Field of Study (FOS) is a selection of lower-division courses that are guaranteed by state law to transfer and apply to a degree program. If a student takes all the courses in an FOS and then transfers to another Texas public institution of higher education, the FOS is guaranteed to transfer as a block and be applied to the appropriate major. If a student has completed the FOS, the Texas common core curriculum, and any university or college courses required of all students regardless of major, then the student is finished with all the lower-division courses for the degree program at any Texas public institution. If a student transfers with an incomplete FOS, then each completed FOS course is guaranteed to transfer and apply to the degree program, although the institution may require additional lower-division courses.

Fields of Study

Del Mar College offers the following Texas Higher Education Coordinating Board-approved Fields of Study:

- Architecture Field of Study
- Biology Field of Study
- BUAD.FOS - Missing program
- English Language and Literature Field of Study
- Mexican American Studies Field of Study
- Music Field of Study
- Political Science Field of Study
- Psychology Field of Study
- Social Work Field of Study
- Sociology Field of Study

Nursing Field of Study Certificate

The Nursing Field of Study Curricula is defined as the block of courses which may be transferred to a general academic teaching institution and must be substituted for that institution's lower division requirements for the nursing degree program into which the student transfers. The student shall receive full academic credit toward the degree program for the block of courses transferred.

The Field of Study Curriculum for Nursing is intended for generic baccalaureate degree nursing students who plan to take their prerequisite and core curriculum course at a community college and transfer the block of courses to a general academic teaching institution.

Selecting a Program

Program of Study

Programs of Study work to align college and career readiness standards and career and technical education standards with the knowledge, skills, and abilities students are expected to demonstrate. Programs of Study incorporate multiple entry and exit points which include industry-recognized certifications, Associate of Applied Science (AAS) degrees, and credit transfer agreements between community colleges.

Programs of Study

If you are interested in a program of study, check out the following degrees:

- Architectural Drafting Program of Study
- Construction Management Program of Study
- General Drafting Program of Study
- Industrial Electrician Program of Study

Selecting a Program

Student Right to Know Graduation and Transfer Rates

In accordance with the Student Right to Know Act, the College annually publishes the graduation and transfer-out rates for first-time, full-time, degree-seeking, or certificate-seeking students which are available to all current and prospective students. Out of the first-time, full-time, degree-seeking, or certificate-seeking students who entered Del Mar College in Fall 2022, 18.6* percent successfully completed a degree or certificate program at the College, and 12.2* percent transferred to other institutions within 150 percent of the normal completion time for their programs. For additional information about student completion and transfer rates, please contact the Office of Institutional Research and Analytics at (361) 698-1207.

*As per State data.

Core Curriculum/General Education Philosophy and Rationale

The General Education competencies at Del Mar College inform the educational experiences of all Associate Degree Graduates. All graduates will be able to demonstrate the following competencies: Critical Thinking, Communication, Empirical and Quantitative Skills, Teamwork, Personal Responsibility and Social Responsibility.

Support for the development of these competencies is located in the curriculum requirements for successful completion of the Associate of Arts (AA), Associate of Science (AS), Associate of Arts in Teaching (AAT) and the Associate of Applied Science (AAS) degrees.

Core Curriculum/General Education Philosophy and Rationale

AA AS AAT (Core)

The General Degree requirements for all transfer degrees at Del Mar College are prescribed by the core curriculum guidelines set forth by the Texas Higher Education Coordinating Board. Texas law requires that each public college and university identify and requires a core curriculum of 42 credits for its degrees designed to transfer. In addition, the Texas Higher Education Coordinating Board has prescribed eight (8) Foundational Component Areas and a Component Area Option, with a specified number of credits for each.

A student who completes 42-hour core curriculum at Del Mar College may transfer the block of courses to any other Texas public college. That college must count it for their core curriculum. Students who do not complete the entire 42-hour core, but complete the requirements for one or more Foundational Component Areas, may transfer those courses and will receive credit for each of the courses transferred. Students should consult with their advisors to ensure that the core curriculum courses they take are correct for their degree plan and for the major at the college or university to which they intend to transfer.

The core curriculum supports the General Education Competencies of Del Mar College as it is structured to develop competencies in critical thinking, communication, empirical and quantitative skills, teamwork, personal responsibility, and social responsibility. The core curriculum is further designed to give students breadth of knowledge in the Liberal Arts (Multidisciplinary Studies) and to promote critical thinking skills that are fundamental to higher education.

Through the Texas Core Curriculum, students will gain a foundation of knowledge of human cultures and the physical and natural world, develop principles of personal and social responsibility for living in a diverse world, and advance intellectual and practical skills that are essential for all learning.

Note: Core courses that have a four-digit course number beginning with a number “2” are sophomore-level courses. *Credit not given for both COMM 2366 and DRAM 2366 as the Texas Higher Education Coordinating Board classifies these two classes as cross-listed courses.

Core Curriculum Course Requirements (42 Credit Hours)

- [010] Communications Foundational Component Area
- [020] Mathematics Foundational Component Area
- [030] Life and Physical Sciences Foundational Component Area
- [040] Language, Philosophy and Culture Foundational Component Area
- [050] Creative Arts Foundational Component Area
- [060] American History Foundational Component Area
- [070] Government/Political Science Foundational Component Area
- [080] Social and Behavioral Sciences Foundational Component Area
- [09#] Component Area Option

Communications Foundational Component Area (6 Credit Hours)

Component Code: 010

Courses in this category focus on developing ideas and expressing them clearly, considering the effect of the message, fostering understanding, and building the skills needed to communicate persuasively. Courses involve the command of oral, aural, written, and visual literacy skills that enable people to exchange messages appropriate to the subject, occasion and audience.

COURSE CODE	COURSE NAME	SEMESTER HOURS
ENGL 1301	Composition I	3
ENGL 1302	Composition II	3
ENGL 2311	Technical and Business Writing	3
SPCH 1311	Introduction to Speech Communication	3
SPCH 1315	Fundamentals of Public Speaking	3
SPCH 1321	Business and Professional Communication	3

Mathematics Foundational Component Area (3 Credit Hours)

Component Code: 020

Courses in this category focus on quantitative literacy in logic, patterns, and relationships. Courses involve the understanding of key mathematical concepts and the application of appropriate quantitative tools to everyday experience.

COURSE CODE	COURSE NAME	SEMESTER HOURS
MATH 1314	College Algebra	3
MATH 1316	Plane Trigonometry	3
MATH 1324	Mathematics for Business and Social Sciences I	3
MATH 1325	Calculus for Business and Social Sciences	3
MATH 1332	Contemporary Mathematics I	3
MATH 1342	Elementary Statistical Methods	3
MATH 2413	Calculus I	4

Life and Physical Sciences Foundational Component Area (6 Credit Hours)

Component Code: 030

Courses in this category focus on describing, explaining, and predicting natural phenomena using the scientific method. Courses involve the understanding of interactions among natural phenomena and the implications of scientific principles on the physical world and on human experiences.

COURSE CODE	COURSE NAME	SEMESTER HOURS
BIOL 1308	General Biology: Fundamentals of Cell Biology	3

HIST 2381	African-American History I	3
HIST 2382	African-American History II	3

Government/Political Science Foundational Component Area (6 Credit Hours)

Component Code: 070

Courses in this category focus on consideration of the Constitution of the United States and the constitutions of the states, with special emphasis on that of Texas. Courses involve the analysis of governmental institutions, political behavior, civic engagement, and their political and philosophical foundations.

COURSE CODE	COURSE NAME	SEMESTER HOURS
GOVT 2305	Federal Government: Federal Constitution and Topics	3
GOVT 2306	Texas Government: Texas Constitution and Topics	3

Social and Behavioral Sciences Foundational Component Area (3 Credit Hours)

Component Code: 080

Courses in this category focus on the application of empirical and scientific methods that contribute to the understanding of what makes us human. Courses involve the exploration of behavior and interactions among individuals, groups, institutions, and events, examining their impact on the individual, society and culture.

COURSE CODE	COURSE NAME	SEMESTER HOURS

Core Objectives

Through the Texas Core Curriculum, students will prepare for contemporary challenges by developing and demonstrating core objectives.

Critical Thinking Skills

Critical thinking skills include the aspects of creative thinking, innovation, inquiry, and analysis, evaluation and synthesis of information.

ASPECT #	ASPECT SKILL	ASPECT DESCRIPTION
ASPECT 1	Creative Thinking	Be able to generate/demonstrate original ideas
ASPECT 2	Innovation	Be able to apply information in a novel way
ASPECT 3	Inquiry	Be able to ask relevant questions
ASPECT 4	Analysis	Be able to list/describe the components of information
ASPECT 5	Evaluation	Be able to judge the relevance of the components of information
ASPECT 6	Synthesis	Be able to integrate/organize information in its functional context

Communication Skills

Communication skills include the aspects of effective development, interpretation and expression of ideas through written, oral and visual communication.

ASPECT #	ASPECT SKILL	ASPECT DESCRIPTION
ASPECT 1	Written	Be able to develop, interpret and express ideas effectively through written communication
ASPECT 2	Oral	Be able to develop, interpret and express ideas effectively through oral communication
ASPECT 3	Visual	Be able to develop, interpret and express ideas effectively through visual communication

Empirical and Quantitative Skills

Empirical and quantitative skills include the aspects of manipulation and analysis of numerical data or observable facts resulting in informed conclusions.

ASPECT #	ASPECT SKILL	ASPECT DESCRIPTION
ASPECT 1	Data Collection	Be able to collect data
ASPECT 2	Data Manipulation	Be able to manipulate data
ASPECT 3	Analysis	Be able to analyze data to draw informed conclusions

Teamwork

Teamwork skills include the aspects of having the ability to consider different points of view and to work effectively with others to support a shared purpose or goal.

ASPECT #	ASPECT SKILL	ASPECT DESCRIPTION
ASPECT 1	Points of View	Be able to consider different points of view to support a shared purpose or goal
ASPECT 2	Work with others	Be able to work effectively with others to support a shared purpose or goal

Personal Responsibility

Personal responsibility skills include the aspect of having the ability to connect choices, actions, and consequences to ethical decision-making.

ASPECT #	ASPECT SKILL	ASPECT DESCRIPTION
ASPECT 1	Personal Responsibility	Be able to connect choices, actions and consequences to ethical decision-making

Social Responsibility

Social responsibility skills include the aspects of having intercultural competence, knowledge of civic responsibility and the ability to engage effectively in regional, national, and global communities.

ASPECT #	ASPECT SKILL	ASPECT DESCRIPTION
ASPECT 1	Intercultural Competence	Be able to demonstrate intercultural competence
ASPECT 2	Civic Responsibility	Be able to demonstrate knowledge of civic responsibility
ASPECT 3	Engagement	Be able to engage effectively in regional, national, and/or global communities

Core Curriculum/General Education Philosophy and Rationale

AAS (General Education)

General Education competencies in the AAS are supported by the general education requirements for all AAS degrees. Students pursuing the Associate of Applied Science must select 15 credit hours of courses designed to offer students breadth of knowledge beyond the specific technical degree requirements. Some AAS degree plans specify particular courses. Courses must be selected from the following areas and must include at least 3 SCH in each area: Humanities/Fine Arts, Social/Behavioral Sciences, and Natural Sciences/Mathematics.

When a particular course is not specified for the general education requirements, students are advised to select a core approved course from the corresponding Foundational Component Areas found in AA, AS, AAT degrees, as seen in the AA, AS, AAT (Core) section of the Catalog. The list of approved core curriculum courses by the Foundational Component Area is also accessible by viewing the DMC Core Curriculum website (https://www.delmar.edu/dmccore). ***Credit not given for both COMM 2366 and DRAM 2366** as the Texas Higher Education Coordinating Board classifies these two classes as cross-listed courses fulfilling the same requirement.

The following table identifies the Foundational Component Areas equivalent to each General Education Component:

HUMANITIES/FINE ARTS	SOCIAL/BEHAVIORAL SCIENCES	NATURAL SCIENCES/MATHEMATICS
Communications	American History	Mathematics
Language, Philosophy and Culture	Government/Political Science	Life and Physical Sciences
Creative Arts	Social and Behavioral Sciences	

General Education Curriculum

The general education courses can be selected from the listings provided in the General Education Curriculum areas below. Students must earn 3 credits in each of these areas. **Some of the courses in the options below are NOT guaranteed transferability.** Students should check the specific core curriculum course requirements of the college or university to which they plan to transfer.

Written Communications (Complete 3 Credits)

- ENGL 1301
- ENGL 1302
- ENGL 2311

Oral Communications (Complete 3 Credits)

- All SPCH courses

Mathematics or Natural Sciences (Complete 3 Credits)

- MATH 1314 (and all higher MATH courses)
- All BIOL courses
- All CHEM courses
- All GEOL courses
- All PHYS courses

Humanities/Visual or Performing Arts (Complete 3 Credits)

- All ENGL 2300+ Literature courses
- All ARTS courses
- All DRAM courses
- All PHIL courses
- All HUMA courses
- All MUSI courses
- ARCH 1301
- ARCH 1302
- COMM 2300
- COMM 2366
- DANC 2303

Social/Behavioral Science (Complete 3 Credits)

- All ECON courses
- All GEOG courses
- All GOVT courses
- All HIST courses
- All PSYC courses
- All SOCI courses
- ANTH 2302
- ANTH 2346
- ARCH 1311
- COMM 1307
- SOCW 2361
- TECA 1354

Assessment and Placement

The College is committed to making certain that you are placed in the correct course sequence to ensure success.

Assessment of Skills

Assessment of basic skills, through testing, is essential because it helps you and your academic advisor with proper course selection.

Specifically, you need to be tested for reading, writing, and mathematics skills to determine your readiness for college-credit courses prior to registration. This testing requirement is part of the Texas Success Initiative (TSIA2).

Performance on tests will not be used as a condition of admission to the College. However, placement levels are used to determine which classes you can sign up for.

Assessment Levels

Many college-level courses at Del Mar College require specific assessment levels. Any assessment below Level III means that you will be placed in a developmental course to further strengthen your skills and ensure academic success.

Assessment level tables can be found in the Assessment Level Tables section of the Catalog. Assessment levels for courses that require specific levels are shown in the Course Descriptions section of the Catalog to assist students and advisors in determining your placement in coursework.

Testing

Texas Success Initiative (TSI) Compliance

All new students are required to take a placement test to determine if developmental courses are needed in reading, writing and mathematics as required by the Texas Success Initiative. Texas Success Initiative Assessment 2.0 (TSIA2) scores are valid up to five years from the test date.

The purpose of the Texas Success Initiative (TSI), mandated by the Texas Higher Education Coordinating Board, is to grant institutions of higher education the flexibility and responsibility to improve individualized programs and to ensure the success of students in higher education. All students must meet placement requirements before enrolling in restricted courses.

The following examinations may qualify to satisfy TSI Assessment requirements:

- ACT - American College Test
- SAT - Scholastic Aptitude Test
- STAAR (EOC) - State of Texas Assessment of Academic Readiness

Note: Please see the exemptions table for more information.

Assessment Level Tables

Scores are subject to change without notice. Please refer to this Catalog section (online) for the latest updates.

Texas Success Initiative (TSI) Exemptions

The following may be used to exempt you from one or more parts of the TSI Assessment.

TEST	READING AND WRITING EXEMPTION CRITERIA	MATH EXEMPTION CRITERIA
ACT (PRIOR TO FEBRUARY 15, 2023) TAKEN WITHIN 5 YEARS FROM THE TESTING DATE	Composite 23+ and English 19+	Composite 23+ and Mathematics 19+
ACT (TAKEN ON OR AFTER FEBRUARY 15, 2023) TAKEN WITHIN 5 YEARS FROM THE TESTING DATE	Combined English and Reading score of 40+	Mathematics 22+
SAT (MARCH 2016 OR LATER) TAKEN WITHIN 5 YEARS FROM THE TEST DATE	Evidence-based Reading and Writing (EBRW) 480+	Math 530+
STAAR (EOC) FOR GRADUATES	Level 2 ENGL 3 4000+	Level 2 Algebra 2 4000+
GED (EFFECTIVE MAY 12, 2021) TAKEN WITHIN 5 YEARS FROM TESTING DATE	Reasoning through Language Arts (RLA) 165+	Mathematical Reasoning 165+
HISET (EFFECTIVE MAY 12, 2021) TAKEN WITHIN 5 YEARS FROM TESTING DATE	Reading 15+ and Writing 15+ and Essay 4+	Mathematics 15+

College Readiness Benchmark

You have completed the Texas Success Initiative Assessment requirements for a subject area if you earn the minimum score listed in the tables and date ranges below. Texas Success Initiative Assessment 2.0 (TSIA2) scores are valid for a period of five years from the date of testing.

Note: College Readiness Diagnostic Test Score (DIAG)

TSIA2 Administered on or After 1-11-2021

ENGLISH/LANGUAGE/ARTS/READING (ELAR)	MATH
Essay 5–8 and 945+ **OR** < 945 and DIAG ≥ 5 and Essay ≥ 5	950+ **OR** < 950 and DIAG 6

TSIA2 Administered Prior to 1-11-2021

READING	WRITING	MATH
351+	Essay 4 and 340+ **OR** Essay 5 and ABE DIAG 4+	350+

Texas Success Initiative (TSI) Exemptions

All students who are taking college-level courses must satisfy Texas Success Initiative (TSI) program requirements unless they qualify for a TSI Assessment exemption, waiver, or exception.

Official documents must be submitted to the Student Enrollment Center for determining exemption. Exemptions are permanent and do not need to be renewed each semester.

Score Exempt

Students who meet qualifying standards on the SAT, ACT, or STAAR Test may be eligible for an exemption. Please reference the "Exemptions from All or Some Assessment Requirements" table found in the Assessment Level Tables section of the Catalog to verify your eligibility for a score exemption or contact the Student Enrollment Center at (361) 698-1290.

Earned Degrees

Students who have earned an associate or baccalaureate degree from a regionally accredited post-secondary institution are exempt from all Texas Success Initiative program requirements.

Previous Coursework

Students whose previous Texas public college or university has determined that they have met minimum passing standards in Reading, Writing, and English and/or Math are exempt in the curricular area(s) indicated but must develop and pursue an Academic Success Plan in any remaining area(s). An official transcript or other appropriate documentation of status must be submitted.

Private/Out-of-State Transfer Exempt

Students who transfer from a regionally accredited college or university and have earned at least three semester hours of college level credit (in the subjects of Reading, Writing, and Math) are exempt at entry. An official transcript must be submitted.

Course Exempt

Students who have completed a restricted course from a regionally accredited college or university earning a grade of "C" or higher are exempt in the curricular area of that course but must develop and pursue an academic success plan with an advisor in any remaining area(s).

Veteran Exempt

A student who on or after August 1, 1990, was honorably discharged, retired or released from active duty as a member of the armed forces of the United States or the Texas National Guard or service as a member of the reserve component of the armed forces of the United States may be exempted. The veteran must provide a valid DD214 document.

Military Exempt

A student who is serving on active duty as a member of the armed forces of the United States, the Texas National Guard, or as a member of a reserve component of the armed forces of the United States and has been serving for at least three years preceding enrollment may be exempted. The service member must provide a valid statement of service from his or her unit of assignment.

Level 1 Certificate Waiver

A student who is enrolled in a certificate program of one year or less (Level 1 certificates, 42 or fewer semester credit hours or the equivalent) at a public junior college, a public technical institute, or a public state college is waived from TSI program requirements. TSI program requirements apply if you change your major or take courses outside of your Level 1 certificate plan.

College Preparatory Course (CPC) Waiver

Students who successfully complete a college preparatory course (PCP), as allowed by the Texas Education Agency, are waived for a period of 24 (twenty-four) months from the date of high school graduation with respect to the content area of the course. For more information on eligibility, please contact the Admissions Office by calling 361-698-1290 or emailing enroll@delmar.edu.

Texas College Bridge (TCB)

Students who successfully complete a Texas College Bridge (TCB) course are waived for a period of 24 (twenty-four) months from the date of high school graduation with respect to the content area of the course. For more information on eligibility, please contact the Admissions Office by calling 361-698-1290 or emailing enroll@delmar.edu.

Non-English Speaking Students

If you are a student whose primary language is other than English and who is taking only English for Speakers of Other Languages (ESOL) classes, you will take the Comprehensive English Language Test (CELT) to determine your placement into ESOL classes.

Certification/Licensing Exams

There are special licensing/certification/registry exams that students may be required to take upon completion of specific occupational degree programs. Check with your departmental advisor for additional information upon completion of your degree requirements.

Other Examinations/Exam Proctoring Services

Del Mar College employs exam proctoring services, as appropriate, to verify student identity in hybrid and online courses.

Assessment and Placement

Additional Methods of Earning Credit

You may also earn credit through two other methods:

1. Credit by examination
    1. Advanced Placement (AP)
    2. ACT
    3. SATI and SATII
    4. College-Level Examination Program (CLEP)
    5. Defense Activity for Non-Traditional Education Support (DANTES)
    6. International Baccalaureate (IB)
2. Credit by evaluation of credentials gained through work experience or independent study

Assessment and Placement

Testing for Credit

Credit by Exam

You can earn credit by exam by taking national tests and departmental exams.

1. Nationally Recognized Tests
2. Departmental Exams

Assessment and Placement

1. Nationally Recognized Tests

A. College Board Advanced Placement (AP) Exams

AP TEST	SCORE	CREDIT	COURSE
ART HISTORY	3	3	ARTS 1303
BIOLOGY	3	4	BIOL 1406
CALCULUS AB	3	4	MATH 2413
CALCULUS BC	3	4	MATH 2413
CALCULUS BC	4	8	MATH 2413 and MATH 2414
CHEMISTRY	3	4	CHEM 1411
DRAWING	3	3	ARTS 1316
ENGLISH LANGUAGE AND COMPOSITION	3	3	ENGL 1301 or ENGL 1302
ENGLISH LANGUAGE AND COMPOSITION	4	6	ENGL 1301 and ENGL 1302
ENGLISH LITERATURE AND COMPOSITION	3	3	ENGL 1301 or ENGL 1302
ENGLISH LITERATURE AND COMPOSITION	4	6	ENGL 1301 and ENGL 1302
FRENCH LANGUAGE AND CULTURE	3	4	FREN 1411 or FREN 1412
FRENCH LANGUAGE AND CULTURE	4	8	FREN 1411 and FREN 1412

SPANISH LITERATURE AND; CULTURE	3	3	SPAN 1300
SPANISH LITERATURE AND CULTURE	4	6	SPAN 1300
UNITED STATES GOVERNMENT AND POLITICS	3	3	GOVT 2305
UNITED STATES HISTORY	3	3	HIST 1301

Physics and Chemistry Note: Course and number of hours credited depend on exams successfully completed. May require the chairperson's evaluation of scores and your credentials including high school transcript and record of laboratory work.

B. ACT/SAT

The Department of English and Philosophy will award credit for ENGL 1301 when any of the following conditions are met:

1. **Have an ACT English score of 31/SAT verbal score of 680 or**
2. **Have an ACT English score of 28–30/SAT verbal score of 670 and predominantly "A" grades in four years of high school English or**
3. **Have an ACT English score of 26–27/SAT verbal score of 660 and all "A" grades in four years of high school English.**

Scores cannot be more than five years old.

C. College Board Achievement Exams (SAT II)

DEL MAR COURSE	EXAMINATION	PASSING SCORE
CHEM	Chemistry (see "Chemistry Note" below)	
ENGL 1301	English Composition Achievement Exam (DMC Essay required)	620
ENGL 1302	English Literature and Composition (DMC Essay Required)	620

Chemistry Note: Course and number of hours credited depend on exams successfully completed. May require the chairperson's evaluation of scores and student's credentials including high school transcript and record of laboratory work.

D. DANTES (DSST, DANTES Subject Standardized Test)

DEL MAR COURSE	EXAMINATION	PASSING SCORE
ARTS 1301	Art Appreciation	44
BMGT 1301	Supervision	46
BUSI 1301	Business Principles	46
CRIJ 1301	Introduction to Criminal Justice	50
GEOG 1303	Geography	60
ITSC 1301 COSC 1301	Computing and Information Technology	46
ITSY 1300	Fundamentals of Cybersecurity	46

E. CLEP (College Level Examination Program) Subject Examination

DEL MAR COURSE	EXAMINATION	PASSING SCORE
ACCT 2301	Financial Accounting	50
BIOL 1406	Biology	50
BIOL 1407	Biology	50
BMGT 1327	Principles of Management	47
CHEM	Chemistry (see "Chemistry Note" below)	
ECON 2301	Principles of Macroeconomics	50
ECON 2302	Principles of Microeconomics	50
ENGL 1301	College Composition (Essay section required)	55
ENGL 2326	American Literature (Essay section required)	50
FREN 1411, FREN 1412	Level I	44
FREN 2311, FREN 2312	Level II	55
GERM 1411, GERM 1412	Level I	44
GERM 2311, GERM 2312	Level II	58
GOVT 2305	American Government	52
MRKG 1311	Principles of Marketing	48
PSYC 2301	General Psychology	55

Chemistry Note: Course and number of hours credited depend on exams successfully completed. May require the chairperson’s evaluation of scores and student’s credentials including high school transcript and record of laboratory work.

F. International Baccalaureate (IB)

VISUAL ARTS	4, 5, 6, 7	ARTS 1301

Assessment and Placement

2. Departmental Exams

Each department chairperson sets the requirements to meet in order to take a departmental examination for credit. Generally, you are eligible to apply for this exam if you earned predominantly "A" grades in the subject in high school and scored exceptionally high on a nationally-recognized test and/or if you can demonstrate to the department chairperson significant and relevant experience in the subject area.

Departmental exams will not be given for developmental courses nor for any course in which you are presently enrolled. Arrangements for testing are made through the department chairpersons.

Assessment and Placement

Evaluation of Credentials for Credit

You may earn credit by departmental evaluation of your credentials when such learning can be documented as substantially equivalent to a Del Mar College course. Credit will be accepted and applied from the following:

- Nontraditional transcripts (armed forces schools, real estate boards, American Institute of Banking, hospital schools, and cosmetology schools)

- State or national board exams (Vocational Nurse Education, Registered Nurse Education, Radiologic Technology, Respiratory Therapy, and Surgical Technology)
- Experience in business, military administration, and industry
- High school programs or military training included in written articulation agreements with the College.

Assessment and Placement

Policies and Procedures for Earning Credit

It's important to understand the policies and procedures for credit by exam and evaluation of credentials.

Policies

The following are the policies to apply for evaluating credit:

1. Only if you are currently enrolled and have attended past the census date, or are a former Del Mar College student are you eligible to apply for credit. Informal evaluation will be done free of charge.
2. Credit by exam - College Board Standard Advanced Placement (AP), College Board Achievement Exam (SAT I and SAT II), College-Level Examination Program (CLEP), and Defense Activity for Non-Traditional Education Support (DANTES) will be accepted as "credit only" (CR) and will not affect your Grade Point Average (GPA).
3. Only an "A" or "B" grade receives credit for departmental exams. Grade points are given for a departmental exam, and a footnote indicating that credit was obtained by examination will be indicated on your transcript.
4. Credit earned by evaluation of credentials will be determined by the pass/fail method. No grade other than "CR", the number of credit hours, course number, and title are recorded on your transcript.
5. Examination retakes are contingent to each individual department and test company policies. Some departmental examinations cannot be retaken.
6. Credit by examination satisfies degree requirements in the same way as credit earned by passing courses, except that it cannot be used to satisfy the 25 percent of semester credit hours earned at Del Mar College which is the residency requirement for graduation.
7. Credit may not be earned by examination for most performance-oriented courses, such as music ensembles, drama productions, dance performances, radio-television shows, speech competitions, physical activities, etc.

Procedures

The following is the protocol to follow for recording credit:

1. Obtain a Petition to Record Credit Form from the Student Records Office or from the appropriate academic department.
2. Have the petition signed by the department chairperson.
3. Pay the required fee at the Business Office.
4. Take the test or present documentation for evaluation. If credit is granted, the results will be forwarded by the department chairperson to the dean and the Student Records Office.

You can get more detailed information about testing procedures from the appropriate academic department.

Fees

A statement of testing fees and evaluation charges is available at the Business Office, and additional information for the petitioning and recording of credit is available in the Student Records Office.

Assessment and Placement

Advising

Academic advising is important. It is available to all who wish to talk about course prerequisites, graduation requirements, career opportunities and suggestions for doing well in class.

If you are a declared major, you work closely with faculty members in your major's department.

If you are an undeclared or Liberal Arts (Multidisciplinary Studies) major, you are advised by the staff located in the Student Enrollment Center.

Advising is required prior to online registration if you have earned 30 credits or fewer. If you have more than 30 credits, you are still encouraged to meet with an advisor.

Appointments

You need to call the department of your major to schedule an advising appointment.

If you are using the Student Enrollment Center, walk-ins are welcome; no appointment is needed.

Assessment and Placement

Your Responsibilities

The following are the student's responsibilities for seeking a degree and/or credit at DMC:

- Prior to the appointment, think about your goals and reflect on previous academic progress. If you are currently enrolled, you should consider how you are doing in your classes. Think about your other commitments (work, family, etc.) and how those impact your time. Then, you and your advisor can discuss how to turn goals into reality by following your degree plan. A copy of the degree plan, which will be given to you, will show the specific courses needed.
- You are responsible for making sure that the courses selected meet degree requirements. Use the College Catalog to confirm which courses meet the requirements. Failure to obtain correct information will not exempt you from having to meet those requirements. You should bring a tentative list of classes you want to take to the advising appointment.
- Courses should be selected with attention to prerequisites and sequences. If you preregister for classes for which you lack the prerequisites, you can be dropped from those classes by the chairperson of the appropriate department in order to release those spaces to students who have satisfied the prerequisites. You will be protected from such removal only if you secure the permission of the chairperson prior to registering.

- It is your responsibility to know specific transfer requirements of the college or university to which you plan to transfer. This responsibility includes knowing course requirements, number of credit hours accepted, and grade-point average required for admission. Bring a copy of the catalog of your transfer institution to your advising appointment.
- You are expected to keep a copy of your degree plan signed by both you and your advisor. Each time you meet with an advisor, you should bring your most recent degree plan for updating.

Assessment and Placement

Summary

The College will help guide you in the right placement of courses.

College Costs

We care about the cost of your education. Del Mar College is one of the most affordable colleges in the state.

College Costs

Tuition

Residency/Tuition Estimates

There are three ways to define your residency:

1. **College District**
   If you live in the Del Mar College tax district, you are considered in-district without exception.
2. **Texas Resident**
   In determining residency, the College will use the same guidelines as the Texas Higher Education Coordinating Board. In order for the State of Texas resident's tuition rate to apply, you must supply the documentation required. See the Proof of Texas Residency section of the Catalog for a list of acceptable documentation.
3. **Out-of-State**
   If you have not proven your Texas residency at the time of preregistration and/or registration, you will be considered an out-of-state student and billed accordingly.

Tuition by Type of Course

There are basically two different types of courses—credit and noncredit—at the College. Tuition differs for each type. There is actually a third type of course—Texas Certificate of High School Equivalency (TXCHSE), formerly known as GED preparation which is absolutely free!

1. College Credit Courses

There are two ways of looking at tuition for credit classes—the total cost or the per hour cost.

A. Total Cost

This first chart gives you an idea of the total cost of a semester at the College for Fiscal Year 2025–2026:

Del Mar College Semester Cost (2025–2026)

SEMESTER HOURS	DISTRICT RESIDENTS	OUT OF DISTRICT	OUT OF STATE/FOREIGN
3	$418.00	$568.00	$679.00
6	$751.00	$1,051.00	$1,273.00
9	$1,084.00	$1,534.00	$1,867.00
12	$1,417.00	$2,017.00	$2,461.00
15	$1,750.00	$2,500.00	$3,055.00

B. Semester Hour

This second chart breaks down the tuition charge per semester hour:

Del Mar College Semester Cost (Per Semester Hour)

AREA OF RESIDENCE	TUITION CHARGES PER SEMESTER HOUR		MINIMUM TUITION PER SEMESTER
	2025–2026	2024–2025	
TEXAS, IN-DISTRICT	$75.00	$75.00	$75.00
TEXAS, OUT-OF-DISTRICT	$75.00	$75.00	$75.00
OUT-OF-STATE	$112.00	$112.00	$250.00
FOREIGN	$112.00	$112.00	$250.00

The tuition estimates provide for 12 semester hours or four regular, 3 credit-hour courses. Estimated tuition for additional courses or specialized classes that require special instruction, labs, or uniforms may increase tuition costs.

2. Noncredit Courses

Tuition for typical noncredit courses ranges from $2 to $6 per hour of instruction.

Texas Certificate of High School Equivalency (TXCHSE)

If you do not have a high school diploma and wish to earn a Texas Certificate of High School Equivalency (TXCHSE), formerly known as GED, test preparation classes are offered by the Office of Adult Education initiatives.

Tuition Policy

The Texas resident in-district and out-of-district per-semester credit hour tuition rate shall be the same as determined by the Board of Regents. The tuition for out-of-state residents and foreign students shall be at rates mandated by state statutes. Texas State legislative action may affect the tuition and fee structure of the College.

Tuition and fee charges must be paid at the time of registration, which is not complete until all payments have been made.

College Costs

Fees

There are several fees associated with classes, but keep in mind what you are receiving in return—safe campuses, top-notch facilities, state-of-the-art labs and tools, student clubs, cultural events, intramural sports, and more.

There are two types of fees: basic and special.

1. Basic Fees

Basic fees are charged to everyone.

- **General Use**
  $12 per semester hour is charged for each registration for college-credit courses. This fee is charged to cover the cost of transcripts, graduation, grounds improvements, technology centers, campus security, and parking control.
- **Building Use**
  $12 per semester hour will be charged each semester to assist in maintaining, improving, and equipping campus facilities. A $25 general use fee will be charged with all noncredit courses.
- **Instructional Support**
  $70 per semester will be charged for the support and maintenance of writing, math, reading and other learning labs.
- **Student Services**
  $15 will be charged each semester that you enroll in the College. This fee defrays the cost of cultural programs, intramural sports, student club activities, the student newspaper, and other related student programs.
- **Matriculation**
  $12 per semester hour is charged for each registration for college-credit courses. This fee is charged to defray the cost of creating and maintaining student records.
- **Vehicle Identification Permits (VIPs)**
  VIPs, which are provided by the College, are required of all students to park on campus and may require a fee for replacements.

2. Special Fees

Special fees are only charged if required.

- **Out-of-District**
  $50 per semester credit hour will be charged if your legal residence is outside the Del Mar College District. However, out-of-district tuition/fee is not applicable to noncredit courses.
- **Laboratory**
  $8 to $72 will be charged for selected courses in subjects such as art, engineering, foreign languages, kinesiology, sciences, business administration, business technology, health sciences, technology programs, and occupational (industrial) programs.
    - $55 to $165 will be charged for selected courses offered in the music program.
    - $8 to $60 will be charged for selected courses offered by Workforce and Personal Enrichment.
- **Late Registration**
  $10 will be charged if you register after the official registration date.
- **Credit Card Processing**
  A fee for credit card use may be authorized by the Board of Regents.
- **Returned Check**
  $25 will be charged on any personal check returned unpaid by the bank. If you place a Stop Payment notice on a check issued to Del Mar College for payment of tuition and/or fees, you will be dropped from the College without further notice. The returned check fee of $25 will be assessed. If your check is returned unpaid by the bank, you may not pay future financial obligations to the College using a personal check.
- **Testing and Evaluation**
  Various fees will be charged to help defray costs of administering, scoring, recording, reporting, and processing of tests and evaluation-rated services. Those services include but are not limited to:
    - College Placement Testing
    - Departmental Examinations
    - Evaluation of Credentials
    - High School Equivalency Exams
    - Specialized Tests for Credit, Certification, or Licensure
    - Correspondence and End-of-Course Examinations
- **Special Record**
  $50 will be charged to establish a transcript at Del Mar College if you wish either to:
    - convert to semester hours previous noncredit bearing studies in which the applicants have appropriate professional certification, or
    - take examinations to receive credit for courses offered in the current Catalog.
- **3-Peat Fee**

$50 per semester hour will be charged if a student is attempting a class for the third time.

Tuition and fees shown are correct as of the date of printing but are subject to change by the Board of Regents. A schedule of currently approved fees is available in the Student Enrollment Center at Heritage. Oso Creek, and Windward Campuses.

College Costs

Other Costs

Besides tuition and fees, there might be a few other costs associated with your education.

Occupational and Health Sciences Education

If you are in an occupational or health science field, you must furnish your own books and hand tools. Such items may be obtained from sources of your choice. A list of required books and tools will be furnished at the time of registration.

Insurance

You should be aware that you are responsible for your own private health and accident insurance. Liability or malpractice insurance is required in certain programs. See the Student Liability section of the Catalog for more information.

Student Liability

Activities during occupational programs and courses may expose you to more than the usual degree of responsibility and liability. Health sciences, cosmetology, criminal justice, law enforcement, fire science, emergency medical services and occupational safety and health students may be required to carry professional liability insurance.

For example, $5 per semester will be charged in all health sciences courses, and $21 per semester will be charged in all Emergency Medical Services and Fire Science Programs to provide general liability coverage for students.

College Costs

Payment

Tuition and fees must be paid, or payment arrangements need to be made by the appropriate due date for the registration process to be considered complete. Course credit and grades may be withheld until all obligations to the College are met. Auditors in all courses must pay the same tuition and fees as those who are enrolled for credit courses.

You will not be sent a bill by mail. You may view total tuition and fees on the WebDMC portal. Payment may be made either by mail, online via the WebDMC portal, or in person at the Business Office in the Harvin Center (HC) on the Heritage Campus or in the Coleman Center (CC) on the Windward Campus. Payment may also be made with a credit card by phone (see the Telephone Directory section of the Catalog for the Business Office's contact information.).

If you do not pay or make satisfactory arrangements to pay all financial obligations to the College, you may have your registration voided and/or you may be removed from all classes. Also, course credit, grades, degree, or certificate may be withheld. Also, you may be charged for loss of or damage to College property for which you are responsible including library books.

College Costs

Refunds

If for some reason you have to interrupt your education, you might receive a refund for some of your costs (see the subsequent section *Refund Formulas*).

To be eligible for a refund, you must complete the withdrawal requirements of the College. First, you must complete, sign, and file a College Withdrawal form at the Student Records Office. Refunds will be processed as soon as possible after the census date for the semester.

Withdrawing

If you withdraw or are withdrawn from Del Mar College, you may be eligible for a refund of a portion of the tuition and fees paid to Del Mar College for that semester (see the following section *Refund Formulas*.). If you receive financial assistance to cover tuition and fee costs from outside the family, then a portion of the refund will be returned to the grant, scholarship, or loan source from which the assistance was received.

Please note that you must visit the Student Records Office and complete the Notice of Withdrawal. This step will allow Del Mar College to refund the maximum possible amount of tuition and fees.

Refund Formulas

The College refund and repayment policy is applicable if you attend traditional 16-week semesters. There are two refund formulas used at Del Mar College.

1. First Formula

The first formula applies if you have not received financial aid.

Refunds for Non-Financial Aid Students (Fall/Spring Semesters)

REFUND TIME FRAMES	REFUND AMOUNT (%)
PRIOR TO FIRST CLASS DAY	100%
DURING THE FIRST 15 CLASS DAYS	70%
DURING THE 16TH TO 20TH CLASS DAYS	25%
AFTER THE 20TH CLASS DAY	0%

Refunds for Non-Financial Aid Students (Summer Semester)

REFUND TIME FRAMES	REFUND AMOUNT (%)
PRIOR TO FIRST CLASS DAY	100%
DURING THE FIRST 5 CLASS DAYS	70%
DURING THE 6TH AND 7TH CLASS DAYS	25%
AFTER THE 7TH CLASS DAY	0%

2. Second Formula

The second formula applies if you have received financial aid and the refund is as mandated by the Higher Education Act Reauthorization of 1998.

The formula provides a Return of Title IV aid if you received Federal Financial Aid in the form of a Pell Grant, Supplemental Educational Opportunity Grant (FSEOG), or Direct Student Loan.

The amendment states that if you withdraw before completing at least 60% of the semester or earn all non-passing grades, you may have to pay back a portion of your federal funds. The percentage of the refund is equal to the number of days attended divided by the number of days in the semester.

The first class day is defined as the "day classes start at Del Mar College and not as the first day a student attends classes." The first class day is based on the Texas College and University System Common Calendar as determined by the State. Refer to the current semester credit class schedule for the applicable first class date. A 100 percent refund is made for courses dropped prior to the first class day.

If any portion of the refund amount is left after satisfying the federal Return of Title IV Aid, the remaining balance will be applied to Del Mar College funds, State programs, and any other sources of financial assistance.

Worksheets used to calculate the Return of Title IV funds are available at the Financial Aid Services office. For a detailed discussion, see the Financial Aid section of the Catalog.

Distribution of Funds

No cash refunds will be made. Payments made by credit cards will be credited to the respective credit card account. As a registered student, you will need to select a refund preference by visiting and logging into the Del Mar College VikingPay portal (https://secure.touchnet.net/C20063_tsa/web/login.jsp). Your options for receiving your refunds are a) direct deposit into an existing checking or savings account, or b) a paper check mailed to the address that Del Mar College has on file for the student.

Rebate Opportunity

If you began a baccalaureate degree from a Texas general academic teaching institution in the Fall 1997 semester or later, you are eligible for a tuition rebate of $1,000. In general, this rebate opportunity is based on your attempting no more than three semester hours in excess of the minimum required to complete the baccalaureate degree. Complete information concerning this rebate is available from the College Business Office.

College Costs

Summary

It costs to go to College, but it costs more not to. Think about it.

Financial Aid

Financial Aid

Financial Aid

Financial Assistance

While you and your family are expected to assume a major responsibility for the costs associated with attending a certificate or degree program at the College, there are resources to help you.

While there are many free resources available to you, there are many opportunities for students seeking assistance to be taken advantage of. There are several websites and companies who offer help with filing the Free Application for Federal Student Aid (FAFSA) for a fee. These sites and companies are not affiliated with or endorsed by the U.S. Department of Education (ED) or Del Mar College. We urge students not to pay these sites for assistance that you (they or students) can get for free. Never send money (no matter how small) to companies for free financial aid information, and if you are asked for any credit card information while filling out the FAFSA online, you are not at the official government site. The Financial Aid Services Office at Del Mar College is here to assist you free of charge in finding ways to fund your education.

When you apply for federal student aid, the information you report on the FAFSA is used in a formula established by the ED. The formula determines your Student Academic Index (SAI), an amount you and your family are expected to contribute toward your education. If your SAI is below a certain amount, you will be eligible for a Federal Pell Grant, assuming you meet all other eligibility requirements.

There is not a maximum SAI that determines eligibility for the other financial aid programs. Instead, your SAI is used in an equation to determine your financial need. (SAI value is subtracted from the Cost of Attendance value which gives the value of financial need.)

Financial Aid Services encourages you to seek financial assistance to help pay for college. Assistance comes in the form of gift aid (merit-based/need-based grants and scholarships) and self-help aid (merit-based/need-based loans and employment). In addition, the Del Mar College Foundation provides scholarships and short-term, no-cost loans for students experiencing delays in receiving financial aid benefit payment (Viking LOAN Program).

Financial Aid

Requirements for Aid Eligibility

To be considered for aid eligibility, you must meet the following requirements:

- Be a U.S. citizen or an eligible noncitizen
- Have demonstrated financial need as determined by your processed FAFSA and your school cost of attendance
- Attend a school that takes part in one or more of the financial aid programs

- Have a high school diploma, High School Equivalency Program (GED, HiSET and TASC), or have been home schooled
- Be enrolled at least half-time (6 hours) in an eligible program as approved by the U.S. Department of Education (in some cases, students may receive a Federal Pell Grant for less than half-time enrollment.)
- Be working toward a degree or certificate
- Be making satisfactory academic progress as defined by Del Mar College Policy (see the DMC Satisfactory Academic Progress (SAP) Policy section of the Catalog for more information.)
- Not owe a refund on any Title IV (Federal Pell Grant, Federal Supplemental Educational Opportunity Grant) or any other Higher Education Grant Program received at any institution previously attended (see the Return of Title IV Funds section of the Catalog for more information.)
- Not be in default on any Title IV Federal Perkins Loan, Federal Stafford Student Loan, Federal Parent Loan for Undergraduate Students (PLUS), Federal Supplemental Loan to Students (FSLS), or any other Higher Education Act Loan Program received at any institution previously attended

Financial Aid

FAFSA Application Process

FAFSA: First Step

To qualify for financial assistance including loans and some scholarships, you must first complete a Free Application for Federal Student Aid (FAFSA). This can be done in one of two ways:

1. Complete the online FAFSA application found on the Complete the FAFSA ® Form section of the Federal Student Aid website (https://studentaid.gov/h/apply-for-aid/fafsa), or
2. If a FAFSA application was completed the previous year, then when preparing to complete an online FAFSA application for the current year, elect to use the Renewal FAFSA option. This will allow much of the student's information from the previous year to be carried over.

Starting Your FAFSA® Form

The 2026–27 FAFSA form is available for the award year that runs from July 1, 2026, to June 30, 2027. The 2025–26 FAFSA form is available now for the award year that runs from July 1, 2025, to June 30, 2026. We encourage you to fill out the form as soon as possible to meet federal, state, and school deadlines.

FAFSA® Filing Options

You may choose one of these methods to file a FAFSA form:

- Log in at fafsa.gov to apply online
- Complete a FAFSA PDF (note: you must print out and mail the FAFSA PDF for processing)

If you are starting the FAFSA form for the first time on fafsa.gov, select "Start New Form" and enter your account username and password to access the FAFSA form.

If you are applying for a summer session, contact the financial aid office at your college or career/trade school to find out which school year you should select when you complete your FAFSA form.

Electronic FAFSA

Applying online allows you to complete the FAFSA in an easy-to-use format. The online FAFSA application/Renewal FAFSA application can be found at the Complete the FAFSA® Form section of the Federal Student Aid website (https://studentaid.gov/h/apply-for-aid/fafsa).

It is important to complete a FAFSA on the Web Worksheet as the gathered information will assist you in completing the FAFSA application process. The FAFSA on the Web Worksheet can be found in the FAFSA® Worksheet section of the Federal Student Aid website (https://studentaid.gov/help/fafsa-worksheet).

The Renewal FAFSA is a tremendous time saver as responses from the prior cycles' FAFSA or Renewal FAFSA are displayed, and you answer only those questions that are likely to have changed from the previous year.

The online application procedure is also available in Spanish, which is found in the Spanish-language version of the Federal Student Aid website (https://studentaid.gov/es/apply-for-aid/fafsa/filling-out).

FSA ID

The FSA ID, which consists of a username and password, has replaced the Federal Student Aid PIN and must be used to log in to certain U.S. Department of Education websites. Your FSA ID confirms your identity when you access your financial aid information and electronically sign Federal Student Aid documents. If you do not already have an FSA ID, you can create one by visiting the Create an Account (FSA ID) section of the Federal Student Aid website (https://studentaid.gov/fsa-id/create-account/launch).

Application Steps

The following are important steps that you need to follow to apply for financial aid:

1. Complete your FAFSA with your legal name as it appears on your social security card.
2. Complete the FAFSA or Renewal FAFSA using the actual figures from your prior-prior year Federal Income Tax Return, annual statements you receive from Social Security, TANF and/or Child Support, and any other documentation of other sources of income. Accuracy is very important when completing this step of the FAFSA, especially these items.
    - Tax returns
    - Records of child support received
    - Current balances of cash, savings, and checking accounts
    - Net worth of investments, businesses, and farms
    - Your parent's SSN if they have an SSN and you're a dependent student (for the 2025–26 FAFSA form only)
3. After completing the FAFSA online, submit the application electronically and either mail the signature page within 10–14 days or utilize the FSA ID which serves as an electronic signature.
4. About a week after filing your FAFSA electronically, if you listed Del Mar College on your FAFSA (DMC federal school code 003563), you may receive notification from the college of additional required documents.

5. The following documentation **may** be requested to complete your file:
    1. Prior-prior year IRS tax transcripts for parent(s) and/or student (if IRS data retrieval option was not used).
    2. Verification Status Worksheet provided by Del Mar College located in the Financial Aid Forms section of the Del Mar College website (https://www.delmar.edu/finaid_forms/forms).
    3. Academic transcripts from all colleges attended.
    4. High School transcript with graduation date.
    5. High School Equivalency Program (GED, HiSET, and TASC).

Either failure to complete any of these steps or if any of the information is inaccurate or missing may cause a delay in the processing of your file. If you would like additional assistance in completing the steps you're your application, please call or visit Financial Aid Services.

You may request to schedule a personal interview with financial aid personnel.

Financial Aid Deadlines: Priority

Financial aid disbursement priority is given to students who show greatest documented need and who also complete their financial aid file by the corresponding priority deadline.

Priority deadlines are established to ensure timely processing of your file and refund disbursement.

Applications for financial assistance are accepted after October 1 of each year for the following academic year.

Financial Aid Priority Deadlines

FINANCIAL AID PROGRAM	DEADLINE DATE
ACADEMIC YEAR	January 15
SPRING ONLY	October 1
SUMMER SESSIONS	February 15

All applications received after the priority deadline are awarded according to the availability of funds on a first-come, first-served basis.

Financial Aid

FAFSA Data Matching

The U.S. Department of Education (ED) performs several matches of the information that you provide on the FAFSA/Renewal FAFSA form with national databases including

- The Department of Homeland Security
- The Social Security Administration
- The National Student Loan Data System
- The Internal Revenue Service

If any of the information that is provided on the application is not consistent with the data that is on these databases or if these agencies have any information that is relevant to your financial aid eligibility, the U.S. Department of Education will alert Del Mar College, and the issues/questions will have to be resolved before your eligibility can be confirmed.

Financial Aid

Verification

Selection of Students for Verification

The U.S. Department of Education (ED) selects Free Application for Federal Student Aid (FAFSA) for verification. In addition, ED or Del Mar College (DMC) may select a student for verification if the information submitted appears to be incorrect or conflicting. If you have been selected for a process called verification, Del Mar College will be comparing information from either your FAFSA with your spouse's (if married), and/or your parents' Income Tax Return Transcript, W-2 forms, or other financial documents. Federal Regulations state that we are required to collect additional income information before awarding Federal Aid.

Completing Verification

If you are selected for verification, submit the required documents as soon as possible to avoid delays in payment of tuition/fees and delays on receiving an advance for books to purchase at the DMC Bookstore (if eligible) before the term starts. Students are sent Missing Information and Verification Notification emails that explain why their financial aid file is incomplete, what documents they need to submit, or what actions need to be taken to complete their financial aid file. If you are selected for verification, submit the required documentation to Financial Aid Services 30 days before you expect to have the verification resolved and your account cleared for disbursement.

The Del Mar College Financial Aid Services staff will work to review verifications sooner than 30 days after submission, but during peak times, this may not always be possible. The Financial Aid Services staff continues to accept and review verification information until the Department of Education's published correction deadlines for each award year. If you do not submit documentation in time for any changes to be confirmed by the ED, Del Mar College is not responsible for any eligibility lost. It is your responsibility to provide documentation in a timely manner so that deadlines can be met.

Acceptable Documentation

The following is a list of all acceptable documentation and forms used:

- Verification Status worksheets which are available on the Financial Aid Forms section of the Del Mar College website (https://www.delmar.edu/finaid_forms/forms)
- Federal Income Tax Return Transcript for all people whose income information is required by the ED

In cases where a conflict is perceived, Financial Aid Services may request additional proof of untaxed income and benefits beyond what is shown on tax returns and verification worksheets.

This proof will vary by agency. The following are examples of such required proof:

- Untaxed Income sources
- Unemployment Benefits (a statement from the agency which provided the benefits)
- Documents that require a signature:
    - Verification Worksheets
    - Dependent Students (must be signed by the student and one parent)
    - Independent Students (must be signed by the student)

Notification of Completion of Verification

Financial Aid Services will rely on the U.S. Department of Education to email students a copy of their corrected Student Aid Report for notification that the verification changes are complete. Students may check with Financial Aid Services to see how verification affected their Student Aid Index (SAI). The change will be reflected in the award amounts (if any) on the award letter. Award notifications are sent via email to students after all issues related to verification and any other eligibility issues are resolved.

Conflicting Information

If there are differences between your application information and your financial documents, Financial Aid Services will need to make corrections electronically. Since corrections may take some time to process, we encourage you to submit the appropriate documents in a timely manner. If the corrections change your SAI and if you submit the appropriate verification form and required documentation in person, we will let you know of any changes that may affect your eligibility amount at that moment. We will also mail you an award notification letter. While your correction is being processed, your file is considered incomplete, and funds will not be awarded.

Financial Aid

Eligibility Issues

Financial Aid Services monitors requirements that can affect your eligibility for Title IV funds.

Attendance

The U.S. Department of Education (ED) requires that schools are able to document that students are actually in attendance to finalize their Title IV financial aid. For example, if a student does not begin attendance in all of his or her classes, the school must recalculate the student's award based on the lower enrollment status.

A school must demonstrate that a student participated in class or was otherwise engaged in an academically related activity such as by contributing to an online discussion or by initiating contact with a faculty member to ask a course-related question. Del Mar College documents attendance for Title IV recipients by collecting online rosters from all instructors after the census date.

The instructors use the rosters to indicate whether a student has attended class or not. If a professor reports a student as never attended/stopped attending, then Federal Pell Grant eligibility will be adjusted based on the student's enrollment status. A potential consequence of this adjustment could cause a student's Title IV aid to be cancelled. If this adjustment results in a student not having sufficient grant funds to pay for any charges or advances that they have incurred or received, that student will be responsible to pay Del Mar College for the difference between their adjusted eligibility and the original amount of the cost of their tuition and fees as well as any advances that the student received.

Repeated Coursework

The ED amended the definition of a full-time student to allow repeated coursework to count toward enrollment status in term-based programs:

- Students may only receive federal financial aid funding for one repetition of a previously passed course. That is, if a student passes a course and wishes to reattempt it with the aim of getting a higher grade, they may retake the course once.
- Students may repeat a failed course until it is passed.

Pell Grant Lifetime Eligibility Used (PLEU)

The amount of Federal Pell Grant funds that a student may receive over their lifetime is limited by federal law to be the equivalent of six years of Pell Grant funding. If a student enrolls in 12 credit hours (full-time status) per semester, the student will have six years' worth of Pell Grant funding. If the student enrolls in six credit hours (part-time status), they will have funding for up to 12 years. Students who received Pell Grant funding for the past four years or more may find their Pell Grant eligibility reduced or eliminated.

To determine how much of the maximum six years (600%) of Pell Grant funding you have used each year, the ED compares the actual amount you received for the award year with your scheduled award amount for that award year. Of course, if you receive the full amount of your scheduled award, you will have used 100%. It is possible that you might not receive your entire scheduled award for an award year. There are a number of reasons for this; the most common reason of which are that you are not enrolled for the full year and/or that you are not enrolled on a full-time status.

Year-Round Pell Grant

Students who are eligible for Pell Grant funding will now be eligible for up to 150% of their award to use during fall, spring, and summer of each award year.

Percentage-Used Calculation

The percentages are based on your annual award at full-time enrollment status compared to the amount you actually receive in a given year. The amount of aid that you receive each academic year is divided by the maximum annual award that you are eligible for that year, and your annual percentage is determined. Percentages from each year are added to calculate your PLEU.

Viewing Your Pell Grant Lifetime Eligibility Used (PLEU)

The ED keeps track of your PLEU by adding together the percentages of your Pell Grant scheduled awards that you received for each award year. You can determine how much Pell funding that you have used and what you have remaining at the NSLDS (National Student Loan Data System) Student Access website (https://nsldsfap.ed.gov). If you have any questions regarding the Pell Grant Lifetime Eligibility Used, please contact or visit Financial Aid Services.

Developmental Coursework Limitation

The ED provided the following guidelines to schools on how developmental courses may be funded (please note that the information in the Catalog only pertains to the developmental coursework limitation, and a student must satisfy all ED, State of Texas, and Del Mar College eligibility requirements to be eligible for Financial Assistance.). A student may receive Federal Aid for up to one academic year's worth of developmental coursework. At community colleges the funding limit is 30 credit hours. Financial Aid Services complies with this requirement by reviewing all student records after the census day of each semester to see if any students are scheduled to receive financial aid for a developmental course when they have already attempted 10 or more courses. Any Pell Grant award made to a student who is scheduled to receive aid for the 11th or greater developmental course attempt will be recalculated without considering the developmental course in the student's enrollment status.

For example, if a student is enrolled in a total of 12 credit hours, three of which are from their 11th developmental course attempt, the student's Federal Pell Grant award will be recalculated based on nine credit hours instead of 12 credit hours.

Unusual Enrollment History

The ED has established new regulations to prevent fraud and abuse in the Federal Pell Grant Program by identifying students with unusual enrollment histories. For these students the ED will place an Unusual Enrollment History Flag on their FAFSA entries which indicates that the student has an unusual enrollment history with regards to receiving Pell Grants at multiple institutions. Financial Aid Services is required to review the student's enrollment and financial aid record to determine if during the past four award years the student has legitimate reasons for the unusual enrollment history. Financial Aid Services will identify and contact the students who will be required to resolve this before determining Federal Student Aid eligibility.

Resolving Unusual Enrollment History

During the review period, you will be required to provide academic transcripts from all colleges and universities attended to Del Mar College. The institution will determine whether academic credit was earned at each of the previously attended institutions during the past four award years. Academic credit earned is considered to have been earned if the academic records show that you received a grade of "A", "B", "C", or "D" as listed in the Grading System section of the Catalog. If you did not earn academic credit at each of the previously attended institutions during the past three award years, you may be ineligible for further Federal Student Aid. Financial Aid Services has the authority to require official transcripts from the colleges and universities attended during the review period if the documents that you submitted are unclear.

Appealing an Ineligibility Determination

You will be asked to contact Financial Aid Services so that you may provide a statement explaining why you failed to earn academic credit and any additional supporting documentation. If eligibility is approved, you will be required to meet with an academic advisor and a financial aid representative; you must not drop or withdraw (officially or unofficially) from any courses after the term begins and must maintain Financial Aid Satisfactory Academic Performance. If you did not earn academic credit at each of the previously attended institutions during the past three award years and are not able to provide an acceptable explanation and documentation for the unusual enrollment history, you are ineligible for further Federal Student Aid. All decisions made by Financial Aid Services are final.

Financial Aid

Types of Aid

The source and amount of any aid will depend greatly on your demonstrated need as determined by the U.S. Department of Education (ED) and Del Mar College Financial Aid Services.

Aid comes in two major forms: Gift aid and Self-help aid.

Gift aid includes the following types:

- Grants
- Scholarships

Self-help aid includes the following types:

- Work Study
- Loans

Financial Aid

DMC Satisfactory Academic Progress (SAP) Policy

Regarding the Del Mar College SAP Policy, please be advised that the standards described apply to all financial aid programs unless the terms of a program indicate otherwise.

Federal and State regulations require students to be making Satisfactory Academic Progress at the time that they receive financial assistance. All financial aid recipients must be enrolled in a program of study leading to either an associate degree or a certificate program. All coursework attempted at Del Mar College will be evaluated regardless of whether the student previously received assistance. All transfer coursework, that is accepted for credit towards your program at Del Mar College will be counted towards the maximum time frame.

The Financial Aid department evaluates student compliance with SAP each semester. Students on probation or following an academic plan will have their SAP reviewed at the end of each semester enrolled to determine if student is making progress in accordance with their academic plan.

The three standards of Satisfactory Academic Progress are:

1. **Grade Point Average (GPA) Requirement**
   Students must maintain a cumulative Del Mar College (DMC) GPA of 2.00 on all course work taken at the DMC. Grades for repeated courses are counted towards cumulative GPA.
2. **67% Completion Rate of Enrollment Requirement**
   Students must maintain a cumulative 67% completion rate on all coursework completed at DMC.
3. **Maximum Time Frame to Complete a Program**
   The maximum time frame for students to complete a certificate or associate degree may not exceed 150% of the published length of the program. Students have up to **90** attempted hours of coursework, to complete an associate degree.

Other Requirements and Information

Completed credit hours include all courses for which a student is enrolled in after census day.

Grades of “W”, “WP”, “WF”, “F”, “I”, “IP”, “IF” and any other non-letter grade (besides grades of A, B, C, or D) will not be part of the completed when calculating the completion rate.

The academic amnesty policy “Fresh Start” does not apply to Satisfactory Academic Progress.

The completed hours in question count as hours completed and grades earned at the DMC are including in the student’s GPA.

Students are allowed up to 30 hours of remedial/developmental coursework that will count towards the maximum number of hours completed towards the student’s academic program and GPA.

Students are only eligible to change major/degree plan twice for Associates; and up to three Certificate degree plans.

Repeated courses count in the completion rate calculation.

Compliance with the SAP policy must be met in order for a student to retain their financial aid eligibility. Students are advised to check their status through Financial Aid Self Service. The proceeding sections describes each SAP status in detail.

Good Standing

Students are in Good Standing with Financial Aid if they meet all three (3) standards of progress outlined above. These students may participate in any financial aid programs provided they meet all other eligibility criteria, subject to availability of funds.

Warning

You did not meet minimum standards in the previous evaluation period. You are still eligible for financial aid but must reach all minimum standards by the end of the next evaluation period to maintain eligibility.

Financial Aid Suspension

Students are suspended from financial aid if they do not meet all the Satisfactory Academic Progress criteria listed above. Students who are suspended will receive a financial aid suspension notice. Students on suspension may continue to enroll but must pay for all their expenses without Financial Aid assistance.

Probation (AP)

Students who appeal their financial aid suspension and are approved, are put on “probation” for one semester, and an “end term” listing the term when the student is expected to be following SAP is established. In order to continue to be eligible for financial aid for future semesters the student must meet SAP standards for the probationary semester. Students who fail to meet SAP standards for the semester will be placed on financial aid Suspension.

Academic Success Plan (ASP)

Students who successfully complete the probationary semester (met SAP criteria for the semester), but who are not able to come up to full compliance with the SAP policy are placed on an academic plan. In order to continue to be eligible for financial aid for future semesters the student must meet SAP standards for every semester enrolled under the Academic Plan. Students who fail to meet SAP standards for any semester enrolled while under the Academic Plan are placed on permanent financial aid Suspension.

Timeframe Success Plan (TSP)

You exceeded the credit hour limits and are not making progress toward a degree/certificate within the 150% federal requirement. You are ineligible for financial aid.

Example: An Associate of Arts degree is 60 credit hours, but you've completed more than 90 credit hours.

Financial Aid Suspension Appeal Process

Federal regulations provide for hardship waivers based on the death of a relative, personal injury, illness (self and family), or other extenuating circumstances that prevent the student from making progress.

Students must complete a Financial Aid Services Satisfactory Academic Progress (SAP) Appeal packet and a narrative explaining the circumstance(s) that prevented SAP and attach supporting documentation such as

- A death certificate.
- A letter from a doctor on official letterhead.
- Police records or court documents.
- Other verifiable documents that support the student’s claim.

In addition, students must also provide a statement indicating what provisions have been made to ensure the circumstance(s), if any, will not recur or interfere with future academic progress. A signed copy of an up-to-date degree plan along with a degree plan summary sheet must also be submitted to the Financial Aid Services Office. Students may not appeal for the same reason twice.

Maximum Timeframe Appeal

A student who is appealing due to having exceeded the maximum timeframe must complete the Maximum Timeframe Appeal form along with a narrative explaining the reasons why the timeframe was exceeded. A signed copy of an up-to-date degree plan along with a degree plan summary sheet must also be submitted to the Financial Aid Services Office. If approved, the students will only be allowed to register for and complete courses on the degree plan submitted. Any courses taken outside the approved degree will cancel the approved appeal. Maximum Timeframe students must also have a minimum 67% completion rate and 2.0 GPA.

Additional Appeal Information: Second Associate Degree

A review for a new degree after graduation will be completed. Students are limited to two associate degree programs during their lifetime at Del Mar College. Approval for a second associate degree is not guaranteed.

The Financial Aid Services Office will notify the student of the findings and recommendations. A student whose appeal has been granted will be placed in an academic plan or on probation, and all courses attempted must be passed with a 2.0 GPA or better.

During the Appeals Process, the student must be prepared to pay for expenses such as tuition, fees, books and supplies, and/or other educational related expenses from personal resources.

Additional Information:

- There is a limit of 30 credit hours of developmental coursework that may be eligible for financial aid. Any developmental hours beyond this 30-hour limit will not be eligible for financial aid consideration. All developmental coursework will be counted toward the maximum timeframe.
- All repeated course work will count toward the maximum time frame.
- All transfer work, accepted for credit toward their program at Del Mar College, will be counted towards the maximum time frame. Students will be required to have an appropriate advisor evaluate the transfer hours and certify on the DMC Transfer Credit Evaluation Form (TRCR), the number of transfer hours applicable towards their current educational objective. A signed degree plan must also be submitted along with the TRCR. Financial Aid Services will adjust the total attempted semester hours accordingly. All decisions made by the Financial Aid Services are final.
- TEOG awards cannot be appealed.

Financial Aid

Consequences of Withdrawing/Dropping

It is important that you consider very carefully the consequences of withdrawing/dropping or not attending all of your classes at Del Mar College. This action can adversely impact your financial aid.

Return of Title IV Funds

A Return of Title IV funds applies to students who have been awarded assistance from a federally funded loan or grant and have completely withdrawn (officially or unofficially) from Del Mar College or have earned all non-passing grades and the instructors report the students' last day of attendance before the official end of the semester that the U.S. Department of Education (ED) considers the students to have officially withdrawn. A Return of Title IV funds calculation is then performed.

Calculation of Return

Federal aid is earned on a daily prorated basis up to and including the 60% point in the semester. After the 60% point, all aid is considered earned, and no refunds/repayments are required.

Your Return of Title IV funds will be calculated accordingly:

1. The earned percentage is calculated by dividing the number of calendar days completed by the number of calendar days in the semester.
2. The earned percentage received in federal assistance is the amount you are permitted to keep. The unearned percentage (remaining amount) must be returned to the federal government by both the College and the student. This may cause the student to owe both the College and the federal government.
3. The percentage that Del Mar College must return on the student's behalf, will be returned to the appropriate federal fund program. The Del Mar College Business Office will bill you for the amount owed to the College. Outstanding balances at the end of the term will be referred to a collection agency by the Del Mar College Business Office.
4. The funds will be refunded to the Federal Funds Program in the following order, if applicable:
    1. Unsubsidized Federal Direct Student Loan
    2. Subsidized Federal Direct Student Loan
    3. Pell Grant Program
    4. Federal SEOG
5. The student must repay the amount owed to the appropriate federal program within 45 days. After the 45th day and if payment is not received, student's overpayment will be referred to the ED for collections and to the National Student Loan Database.
6. The student must then make repayment arrangements with the ED to maintain future eligibility for federal funds.

Financial Aid

Summary

The Financial Aid Services Office is ready to assist students with exploring options in financing their higher education costs.

Achieving Success

In this section you can find what you need to succeed in your classes at Del Mar College.

Achieving Success

Support Services

There are five general types of support services that help you from beginning to end.

The Division of Student Engagement and Retention provides essential information about the College, its policies, campus life, peer tutoring, career and personal counseling, new student orientation, and much, much more.

1. Student Success Center

The Student Success Center (SSC), located in the Venters Business Building on the Heritage Campus, provides academic support for students who want assistance outside of the regular classroom.

SSC provides the following services:

- 24/7 homework assistance via Tutor.com (on Canvas)
- Peer Tutoring
- Online Tutoring
- Technology Resource Center (includes a full computer lab with PC's, laptops, and calculator checkout program)
- Success Coach - academic support, mentoring, and group/individual workshops to promote retention and completion

Student Success Center Office Hours

DAY OF THE WEEK	FALL/SPRING HOURS	SUMMER HOURS
MONDAY TO THURSDAY	8:00 a.m. to 6:00 p.m.	8:00 a.m. to 5:00 p.m.
FRIDAY	8:00 a.m. to 2:00 p.m.	8:00 a.m. to 12:30 p.m.

All services are free. For more information about the SSC's services, call (361) 698-2265 or visit the Student Success Center section of the Del Mar College website..

2. New Student Orientation (The Viking Experience)

The Viking Experience facilitates a successful academic and personal transition of new students and their families into the Del Mar College community. New Student Orientation is designed to help students:

- Prepare for academic life at Del Mar College (Advising and Registration)
- Make new friends
- Explore the campus and its resources
- Learn about activities and campus life
- Learn about relevant policies and regulations
- Familiarize themselves (and their families) with the College experience

New Student Orientation familiarizes prospective incoming and transfer students with essential information concerning College rules and regulations, student support services, advising, and registration. Attendance is mandatory because pertinent information is shared which enhances and improves a student's opportunity for success.

3. Career Development Office

The Career Development Office offers information, assistance, and guidance to you and alumni interested in identifying and planning a new career; preparing for employment; changing careers; or providing referrals to part-time, full-time, and career positions. Del Mar College works in conjunction with Texas Workforce Solutions to put you in touch with employers in our area and advise you about the targeted occupations that can afford the best opportunity for you. Del Mar College uses the Handshake Portal for both applicants, alumni, and employers. More information on how to use the Hire Vikings Job Portal can be found in the Job Boards section of the Career Development website (https://delmar.edu/offices/career/job-boards.html).

Workshops and individual appointments are available to help you with career goals, job search strategies, résumé writing, labor market information, and interviewing techniques.

The Career Development Department is located on the Heritage Campus in the Harvin Center, Room 174; the Windward Campus in the Health Science Building 3, Room 206; and the Oso Creek Campus in the Main Central Building, Suite 317.

For more information, visit the Career Development Office, contact them directly at (361) 698-2467, or go online and view the Career Development section of the Del Mar College website (https://www.delmar.edu/offices/engage/career-development.html).

4. Counseling Center

The Counseling Center provides short-term individual, couples, and group counseling. Licensed Professional Counselors are available to provide emotional support to students and assist with the development of social, behavioral, and other life skills.

The Counseling Center assists students in coping with obstacles, such as depression, anxiety, stress, self-esteem, and other issues, which might otherwise interfere with educational and personal development. Crisis intervention is a service offered to students who are in serious or immediate emotional distress. Counselors are available and qualified to assist in emergencies, such as suicide attempts, suicidal ideation, reports of sexual assault or attempted sexual assault, physical assaults, and other types of crises. Counselors may also suggest referrals to other community and college resources when appropriate. Both in-person and virtual services are available. All services are free and confidential.

Counselors are available at all campuses. Counseling Centers are located on the Heritage Campus, Harvin Center 233A; Windward Campus, HS1 262 and Oso Creek, Main Building, 212. Students enrolled at the Del Mar College Oso Creek Campus may choose to travel to the Heritage or Windward Campus to access any student support services offered there or request a virtual telehealth appointment.

To schedule an appointment, call (361) 698-1586. To learn more about the Counseling Center Services, visit the Counseling Center section of the Del Mar College website (https://delmar.edu/offices/counseling).

5. CARE Team

Students experiencing situations that may impede their academic success—to include difficulty balancing life's priorities with the demands of attending college—are encouraged to contact the CARE Team to request an appointment with a CARE Specialist. Student can request a CARE Connection by visiting the CARE Team website. https://www.delmar.edu/offices/engage/care-team/index.html

Advocacy Specialists provide deliberate services each semester to all students placed on probation or suspension via the Academic Recovery Program (ARP). Employing an outreach/connection/triage/linkage/ follow-up sequence across a Start Strong/Stay Strong/Finish Strong framework, Advocacy Specialists partner with students to raise their cumulative GPA until they attain "Good Scholastic Standing" with the College. **Note**: Students on Academic Probation or Suspension should visit the Advocacy Services section of the Del Mar College website (https://www.delmar.edu/advocacy).

Advocacy Specialists provide deliberate services each semester to all students placed on academic probation or suspension via the Academic Recovery Program (ARP). Advocacy Specialists partner with students to work towards raising their cumulative GPA until they attain "Good Scholastic Standing" with the College.

Note: Faculty needing assistance with submitting CARE Connection should visit the CARE Team website (https://www.delmar.edu/advocacy). CARE and Advocacy Specialists are housed at the Heritage Campus, Windward Campus, and Oso Creek Campus.

Call (361) 698-1292 to schedule an appointment.

Achieving Success

Instructional Support

There are four specific types of instructional support.

1. Student Success (STSC 0101) Course

The Student Success Course (STSC 0101) helps you make a successful transition to college. The course covers topics vital to college success: getting organized, time management, goal setting, test taking, note taking, and personal communication. In addition, you are introduced to the wide variety of resources on campus.

2. Developmental Courses

You might need to enroll in developmental courses to build a strong academic foundation prior to enrolling in college-level courses.

It takes determination on your part to postpone career plans while doing developmental work in English, Mathematics, or Reading. However, these academic enrichment courses will provide the needed support for college-level work.

You should know that you pay tuition for these courses, the grades earned are reflected on your permanent transcript, and, in most instances, these courses do not count toward a degree. However, through these classes, you develop good study habits, improve reading comprehension, increase ability to analyze, and develop reasoning skills. This is what building an academic foundation is really all about.

Your developmental course needs might be met by non-semester length developmental education interventions, Non-Course Based Option (NCBO), rather than semester length developmental education coursework. Check with the Chairperson of the appropriate department to see if you qualify to take an NCBO.

Students who enroll in developmental coursework may be required to co-enroll in the entry-level freshman course of the same subject matter in the same semester, as required by Texas state law.

For the 2025–2026 academic year, co-requisite enrollment is as follows:

- If a student scored on the TSIA2 test (a) 936–944 or EFL 5 or 6 in Reading and scored an Essay 3–4 and 936–944, or EFL 5 or 6 for English, or on the TSI scored (b) 354+ and an essay of 0–3 and Reading score of 342–350, they must enroll in ENGL 1301 and INRW 0408 (Integrated Reading and Writing).
- If a student's math score on the TSIA2 is in the range of 946–949 or EFL 5* or on the TSI the range of 346–349 and the degree or certificate plan requires a college-level math course, then they must enroll in a corequisite set of math courses that includes both a Foundations Mathematics course (MATH 0314, MATH 0324, MATH 0332, MATH 0342) and the required corresponding college-level Mathematics course (MATH 1314, MATH 1324, MATH 1332, MATH 1342). The math corequisite course set will depend on their degree requirements. The current corequisite math course options are MATH 0314/MATH 1314 (College Algebra), MATH 0324/MATH 1324 (Mathematics for Business and Social Sciences I), MATH 0332/MATH 1332 (Contemporary Mathematics I), or MATH 0342/MATH 1342 (Elementary Statistical Methods).

Note (*): For TSIA2 score using EFL 2–5, or <950 and EFL 6, placement is with Mathematics Department Chair Approval.

3. Supplemental Instruction

If you are enrolled in a historically difficult academic course, Supplemental Instruction (SI) provides regularly scheduled, out-of-class, peer-facilitated study sessions led by trained SI Leaders. If you regularly attend SI sessions, you will learn study strategies and refine learning skills which can help you earn higher course grades, stay enrolled and graduate. Call (361) 698-2138 or visit the Supplemental Instruction section of the Del Mar College website (https://www.delmar.edu/offices/si/index.html).

4. Peer Tutoring

The Peer Tutoring Program is designed to provide one-on-one assistance and small group support to students. Tutoring is conducted in a constructive atmosphere of learning using a variety of tutoring techniques tailored to your individual learning style.

Online tutoring is a real-time interaction between the tutor and the student, so the responses are immediate, and the tutor and student view content at the same time. This allows the student one-on-one time with a tutor via the Internet. Online tutoring is available via Tutor.com.

The goals of tutoring are to inspire you to become a confident, independent learner prepared to meet academic and personal challenges. Tutoring is free and is provided in a number of academic areas such as:

- Math
- English
- Biology
- Business
- Chemistry
- Geology
- Government
- Reading
- Physics
- Psychology
- History
- Nursing
- Sciences
- High School Equivalency Program (GED, HiSET, and TASC)
- Preparation -- HESI Exam
- Placement Testing

The Peer Tutoring Program strives to create a win-win environment for Del Mar College students. The benefits of being a Tutor often go beyond those of a typical part-time job and include strengthening communication and problem-solving skills, enhanced learning skills, and creating a sense of accomplishment that comes from helping others. To become a Peer Tutor, a student must have an overall GPA of 3.0 to 4.0, must be currently enrolled, and have earned a grade of an "A" or a "B" in the subject area. Peer Tutors are certified through the College Reading and Learning Association Certification Program. For more information about tutoring or becoming a Peer Tutor, call (361) 698-2267.

Student Success Center (Heritage Campus)
Venters Business Building
Room 310
(361) 698-2259

Student Success Center Office Hours

DAY OF THE WEEK	FALL/SPRING HOURS	SUMMER HOURS
MONDAY TO THURSDAY	8:00 a.m. to 6:00 p.m.	8:00 a.m. to 5:00 p.m.
FRIDAY	8:00 a.m. to 2:00 p.m.	8:00 a.m. to 12:30 p.m.

Achieving Success

Resources

There are three major resources—Del Mar College's libraries, on-campus computers, and website.

1. Library Facilities

Del Mar College has three excellent library facilities to support students in their educational journeys: (1) the William F. White, Jr. Library, which supports the instructional programs taught on the Heritage Campus; (2) the Howard E. Barth Learning Resources Center (LRC), which has materials pertaining to the technical, safety, and allied health programs taught on the Windward Campus; and (3) the Oso Creek Campus Library, which supports the instructional programs taught on the Oso Creek Campus. Each library provides a variety of study environments for group and individual study, including study rooms available for checkout. Please see the Del Mar College Libraries website (https://delmar.edu/library) or call (361) 698-1310 for additional information on library services.

Information Resources

The libraries offer a wide variety of resources for student success including thousands of physical books and audiovisual media, ebooks, streaming audio and video, and full text online databases with millions of journal and magazine articles. The libraries' discovery service, Valdar's Discovery, is the gateway to most of these resources and is available on the Del Mar College Libraries website (https://delmar.edu/library). Online resources can be accessed from off-campus with college-issued WebDMC login credentials. Library materials may be borrowed upon presentation of a valid Del Mar College ID card. Librarians and staff are available to assist with using the information resources in person, by phone, and online via our chat service.

Computing Resources

Each library also provides access to computers with Internet-access. Additional technology includes scanners, a variety of printers including color printing, productivity and instructional support software, accessibility hardware and software, and more.

2. Computers on Campus

Computer and Network Resources Use Policy

You are granted the privilege to use the computer and/or network resources of Del Mar College and to accept the responsibility for reasonable and legitimate use. Legitimate use of computer and network resources is limited to College-related instruction, independent study, research, official college work, and other specific uses as expressly authorized by the College.

The computer and network resources may not be used for personal, commercial, illegal, or for-profit purposes. You must be currently registered to use these resources and consent to being monitored. If monitoring reveals possible evidence of any activity violating the Del Mar College Computer and Network Resources Use Policy, appropriate disciplinary action—including suspension and/or dismissal from the College—will be taken.

A copy of the Computer and Network Resources Use Policy may be obtained from the Office of the Dean of Student Engagement and Retention.

3. Website/WebDMC

All the information you need about the College is at your fingertips through the Del Mar College website (https://www.delmar.edu).

Take advantage of WebDMC (https://www.delmar.edu/webdmc), a website for students and faculty providing access to a world of tools and features that will enhance your college experience. All you need is your Del Mar College-issued user ID and password.

Achieving Success

Learning Labs and Centers

There are centralized success centers plus individual learning labs to help you.

Stone Writing Center

The Stone Writing Center (SWC) at Del Mar College offers writing help on all three campuses as well as online in Canvas.

SWC On-Campus Locations

Heritage Campus
White Library, 2nd Floor
Phone: (361) 698-1364

Oso Creek Campus
Library, 2nd Floor
Phone: (361) 698-2099

Windward Campus
Academic Learning Center, ET Building, A123
Phone: (361) 698-1860

For more information about the SWC's locations, services, and hours, call (361) 698-1364 or visit the SWC section of the Del Mar College website (https://delmar.edu/offices/swc/index.html).

On-Campus Instructional Services

The SWC offers the following on-campus services at the Heritage, Oso Creek, and Windward Campuses:

1. **On-Campus Tutoring Program**
   If students want to strengthen their writing skills, they should use the SWC's on-campus writing tutoring services. Degreed, professional writing tutors can help students at any stage of the writing process. Services are available to all Del Mar College (DMC) students in all disciplines. No appointment is needed; writing tutorials are offered on a walk-in basis.
2. **Ask a Writing Tutor Program**
   The SWC is also available for students who need a group or individual study space or access to computers and printers.
3. **Writing Workshops**
   The SWC offers interactive workshops on a variety of topics, including the writing process, incorporating research, and MLA and APA documentation formats.

Online Instructional Services

The SWC offers the following online services that can be accessed from the SWC section of the Del Mar College website (https://delmar.edu/offices/swc/index.html).

1. **SWC Online Tutoring Program**
   Students can send their writing to the SWC's online tutoring program, housed in Canvas. Students can join and access SWC Online via the SWC's website (http://delmar.edu/swc) 24 hours a day, 7 days a week. Once writing is submitted, degreed writing tutors provide written feedback for students to use while revising and editing their writing.
2. **Online Instructional Resources**
   Students have access to the SWC's online handouts which are located on the website (http://delmar.edu/swc). These handouts have been created by the SWC's faculty and staff and cover a wide range of topics, including research and documentation, literary analysis, writing process, grammar, and job-related writing.

Individual Labs/Centers

1. Reading Lab

The Reading Lab offers a variety of services for students and community members to utilize. We are located in the Coles Building in Rooms 119 and 120 on the Heritage Campus. Our reading lab hours for the fall and spring semesters are as follows:

Reading Lab Hours

DAY OF THE WEEK	FALL/SPRING HOURS	SUMMER HOURS
MONDAY TO THURSDAY	8:00 a.m. to 8:00 p.m.	8:00 a.m. to 5:00 p.m.
FRIDAY	8:00 a.m. to 12:30 p.m.	8:00 a.m. to 12:30 p.m.

The types of services that we offer include the following:

1. Reading assistance in all content areas including homework help.
2. Free Tutoring in reading, vocabulary development, and Weaver assistance, especially for READ 0305, ENG 0305, INRW 0408, and ESOL courses. Our reading lab staff tutor students who need extra support in writing, specifically, reviewing or learning grammar rules, paragraph formation, MLA citation, and other mechanical processes related to writing for INRW courses.
3. Help with navigating Canvas, WebDMC, DMC email, and Weaver, especially for READ 0305, ENG 0305, INRW 0408, and ESOL courses.
4. Use of 50 computers and printers. Students can print 5–6 pages in the Reading Lab or visit the Venters Business Building for larger printing jobs.
5. Students can reserve Room 103 for studying, meetings, or groupwork.
6. Throughout the semester the Reading Lab offers free workshops to students, especially those enrolled in READ 0305, ENG 0305, INRW 0408, and ESOL courses. These workshops are designed to provide strategies to help students in reading and writing.

You can schedule an appointment or reserve Room 103 by visiting the Reading Lab section of the Del Mar College website (https://www.delmar.edu/offices/reading/reading-lab.html) or by calling the Reading Lab at (361) 698-1535. We offer both in-person and online help.

2. ESOL Lab

If you want to improve your English speaking and comprehension skills, visit the English for Speakers of Other Languages (ESOL) Lab located in Rooms 102 and 104 in the Coles Building on the Heritage Campus.

If you are enrolled in ESOL courses, you will attend the ESOL Lab to receive additional instruction and practice with material covered in your ESOL classes.

The Lab offers a variety of instructional materials including books, audio, and computer-assisted instruction software. In addition, tutors are available to help with tutorial sessions organized on special topics throughout each semester.

3. Languages Lab

If you are enrolled in Spanish or French classes, visit the Languages Lab located in the Coles Building, Rooms 106 and 108, on the Heritage Campus. The Lab provides computerized language instruction, review materials and conversational practice. You can use computers, audio players, videos, and camcorders. Lab assistants lead conversational practice groups which emphasize oral interaction and proficiency.

4. Speech Communication Center

If you want help in the creation and performance of any speech activity, the Speech Communication Center (SCC) is the place to be, and the Center is located in General Academic and Music Building in GENC, Room C117 on the Heritage Campus.

The Speech Communication Center has personal computers, video viewing equipment, a conversation area, and three practice rooms equipped with computer units with which you may incorporate presentation software into your presentations and video cameras with which to record yourself for self-analysis.

The Speech Communication Center is open to all students and faculty.

5. Math Learning Center

Do you need help with math or just want a place to study? Then join the hardworking individuals in the Math Learning Center (MLC). Students can expect high quality supplemental instruction from expertly trained tutors. The MLC supervisors are degreed full-time Mathematics Department faculty, skilled in various forms of instruction. The MLC has locations at the Heritage, Windward, and Oso Creek campus, as well as Online Tutoring. The hours of operation are listed below and vary depending on the location and semester. Check out the Math Learning Center on the Del Mar College website (https://www.delmar.edu/MLC) for any updates to the hours of operation.

MLC Hours of Operation

MLC LOCATIONS & HOURS	MONDAY TO THURSDAY	FRIDAY & SATURDAY
HERITAGE (CB 117)	8:00 a.m. to 8:00 p.m.	10:00 a.m. to 3:00 p.m. *Closed Fridays in Summer
MLC ONLINE (WWW.DELMAR.EDU/MLC)	8:00 a.m. to 8:00 p.m.	10:00 a.m. to 3:00 p.m. *Closed Fridays in Summer
OSO CREEK (ST 234)	8:00 a.m. to 5:30 p.m.	CLOSED
WINDWARD ET A123	8:00 a.m. to 5:30 p.m.	CLOSED

The Math Learning Center is a place to

- get supplemental instruction,
- do math-related assignments with the guidance of tutors,
- use a computer or other available resources,
- get technology support,
- meet with study groups, and
- attend math workshops.

Visit the Math Learning Center on the Del Mar College website (https://www.delmar.edu/MLC) (https://www.delmar.edu/mlc) for more details about the MLC and access to handouts, lecture videos, factoring workshop information, and online tutoring. You may also call (361) 698-1579

.

Academic Learning Center

The Academic Learning Center (ALC), located in ET A123 of the Emerging Technologies Building, is staffed by faculty and staff from the Math Learning Center and the Stone Writing Center. The ALC is available for students who need a study space, computer, or printer. Writing Consultants and math tutors are available to assist students on a walk-in basis with writing assignments and/or math-related courses. For more information about ALC services and hours, call (361) 698-1860.

Services and resources are available to all students in all disciplines.

Achieving Success

Disability Services

Del Mar College faculty and staff, in general, and the Center for Access and Advocacy are committed to ensuring equal access to College services, programs, and activities for qualified students with disabilities in accordance with The Americans with Disabilities Act of 1990 (ADA), The Americans with Disabilities Act Amendment Act of 2008, Section 504 of the Rehabilitation Act of 1973, and applicable Texas state laws. As such, students shall not be excluded from participation in, denied benefits of, or be subjected to discrimination under any program or activity of the College.

Achieving Success

Summary

We're here to help you succeed, so take advantage of the many free services on campus.

Student Activities and Recognition

Outside of the classroom, you can learn leadership skills, make new friends, and attend more than 100 special events throughout the year. Most are free or cost very little.

Student Activities and Recognition

Activities

Student Leadership and Campus Life

The Office of Student Leadership and Campus Life is committed to promoting campus life and student leadership through cultural, social, and leadership development. Along with a strong intramural sports program, Del Mar College (DMC) has more than 50 clubs and organizations, providing students exposure to community projects, leadership, and volunteer opportunities.

Campus Life

There are three ways you can participate in campus life—through student organizations, cultural programs, and intramural sports.

1. Registered Student Organizations

Many leadership opportunities exist for you to pursue your special interests by joining one of the many Registered Student Organizations (RSOs) on campus.

Departmental

Departmental RSOs are organized to give you opportunities for self-expression and leadership in activities related to your major field of study.

Special interest

Special interest RSOs are organized to serve and to promote special interest areas for you such as governmental affairs, writing, physical, and recreational activities or religious groups.

Honorary

Honorary RSOs sponsor activities that promote and encourage scholarship, leadership, and fellowship among students. Your membership in honorary organizations is selective based on academic achievement.

If you are not part of a recognized club and wish to conduct an activity on campus which contributes to the educational and cultural environment of the College, you must obtain permission from the Office of Student Leadership and Campus Life. Approved requests will be scheduled at a time and location that will not interrupt other activities on campus.

2. Cultural Programs

Several informative and entertaining events—from concerts to theatrical productions to lectures—are scheduled each semester and are free of charge if you have a valid Del Mar College ID. The programs are paid for by your student services fee and are selected by the Cultural Programs Series Committee.

3. Intramural and Recreational Sports

Del Mar College's Intramural Sports Program provides opportunities for athletic competition and physical activities for all currently enrolled students and College employees. The mission of the Intramural Sports Program is to provide students and employees with a variety of recreational sports and activities. Examples include organized runs, team sports, fitness challenges, racquet sports, and board games. The activities selected are based on popularity and enable participants to make new friends, stay physically fit, and improve their personal health. The Intramural Sports Program is funded by your student services fee.

Activities

You may participate in organized intramural activities including tournaments, leagues, and special events. These may include team and individual sports for men, women, and co-recreational competition. For information please call (361) 698-1337.

Facilities

With a currently validated Del Mar College ID card, you may use the recreational facilities including a gymnasium, 25-meter indoor pool, fitness center, jogging track, racquetball and tennis courts. The facilities are also available on weekdays and weekends during non-class hours. For information, call (361) 698-1334.

4. Fitness and Recreation Program

Del Mar College's Fitness and Recreation Program provides opportunities for fitness and recreation for all currently enrolled students as well as employees of the College. Each semester a fitness and recreation schedule is provided with detailed information and operational hours. The Fitness and Recreation Program is funded by your student services fee.

Facilities

With a currently validated Del Mar College ID card, you may use the recreational facilities on Heritage Campus including the gymnasium, 25-meter indoor heated pool, fitness center, outdoor jogging track, racquetball and tennis courts. For information, call (361) 698-1334.

Student Activities and Recognition

Publicity

Here's how to get the word out about an activity…

College Relations Office

If you are planning an event that is open to the public, you should contact the College Relations Office (CRO) at least two weeks in advance. The CRO coordinates all publicity and publications for College events that are open to the public. Contact the College Relations Office at (361) 698-1247 or colrel@delmar.edu.

Foghorn News

A good way to keep up with events on campus is the College newspaper, *Foghorn News*. It is published bi-weekly (except holidays, summer, and exams) and is distributed free on campus. Students enrolled in journalism classes produce the publication, but non-journalism students are welcome on the staff.

Foghorn News is partially funded by your student services fee.

Printed Materials

Printed materials (displays, posters, petitions, handouts, surveys, etc.) that originate outside the College Relations Office must be presented to the Office of Student Leadership and Campus Life for approval before being distributed or posted.

Student Activities and Recognition

Other

Here are some details about life on campus that you should know.

Student Identification Cards

Student identification cards (IDs) are issued free of charge to you when you first register; however, a charge will be made for replacements. We know that you hate the picture. Also, IDs must be validated each subsequent registration period.

Cards are good for admission to College functions, for obtaining library materials, and for using recreational facilities. You should carry it with you at all times and present it upon request.

You can get your ID card at the Harvin Center (Heritage Campus) or the Barth Learning Resources Center (Windward Campus) by showing proof of registration. Identification cards are made during all library hours except the first and last 30 minutes of operation.

Lost and Found

If you have lost or found an item, check with the Office of Student Leadership and Campus Life located in the Harvin and Coleman Student Centers. If books or other items are turned in and they have your name and phone number, an Office of Student Leadership and Campus Life staff member will attempt to contact you.

Student Activities and Recognition

Recognition

Now that you have succeeded both in and out of the classroom, it is time to be recognized for all of your hard work.

Hall of Fame

Each spring faculty, administrators and students nominate sophomore students for consideration to the highest honor that can be bestowed on a Del Mar College student: the Hall of Fame. Selection is based on student scholarship, leadership, and participation in Registered Student Organizations. A committee elects students from the list of nominees to join a select and distinguished group of students whose photographs are placed on the Hall of Fame Walls located in the Harvin Student Center. For information call the Director of Student Leadership and Campus Life at (361) 698-1279.

Recognition Ceremony

Each April outstanding students are chosen by various departments for their academic achievement, community involvement and leadership in various Honorary Organizations. Hall of Fame finalists are announced at the end of the Recognition Ceremony Program. This program is funded by the student services fee. Contact the Director of Student Leadership and Campus Life for additional information at (361) 698-1279.

Scholarships Recognition Reception

Each year the Del Mar College Foundation, Inc. recognizes scholarship recipients with a reception where students have the opportunity to meet the generous benefactors who made their scholarship possible. For additional information about the Del Mar College Foundation, Inc. scholarships, visit the Foundation section of the Del Mar College website (https://www.delmar.edu/foundation) or see the Scholarships section of the Catalog.

Find your niche and be recognized at Del Mar College.

Veterans and Military Service Members Information

Veterans and Military Service Members Information

Veterans Services and Veterans Education Benefits

GI Bill®

GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by the VA is available at https://benefits.va.gov/benefits/.

Services and Benefits

Del Mar College's degree and certificate programs are approved for those who wish to attend and receive benefits under the CH.1606 Montgomery GI Bill-Selected Reserve (MGIB-SR), CH.30 Montgomery GI Bill-Active Duty (MGIB-AD), CH.31 Veteran Readiness & Employment (VR&E), CH.33 Post-9/11 ("Forever") GI Bill, CH.35 Survivors' and Dependents' Educational Assistance Program (DEA), and the National Call to Service Program.

Veterans and Military Service Members Information

Texas Success Initiative

Students attending Texas public institutions of higher education must be in compliance with the Texas Success Initiative (TSI) as of Fall 2013 (Texas Education Code 51.3062) in order to enroll. The law requires all entering students to be assessed for college readiness in reading, writing and mathematics unless the student qualifies for an exemption.

Veteran Exemption

A student who on or after August 1, 1990, was honorably discharged, retired, or released from active duty as a member of the armed forces of the United States or Texas National Guard or service as a member of a reserve component of the armed forces of the United States may be exempted from participation in the TSI exam.

You are strongly encouraged to consider placement testing under the TSI. Even though you may qualify for the exemption and may be placed directly into college-level courses in Math and English, this placement may not actually be appropriate based on your academic skills. Taking the placement test will give you a good idea of the appropriate level of coursework. This may help you be more successful in your studies.

Active Military Servicemember Exemption

A student who is serving on active duty as a member of the armed forces of the United States, the Texas National Guard or as a member of a reserve component of the armed forces of the United States and has been serving for at least three years preceding enrollment may be exempted. The service member must provide a valid statement of service from his or her unit of assignment.

Qualifying students are strongly encouraged to consider placement testing under the TSI even if they qualify for the exemption. If the exemption is applied, VA education benefits can no longer be certified for developmental/remedial coursework. Please contact Veterans Services for more information.

Veterans and Military Service Members Information

Veterans Residency

In accordance with state law, if a student plans to register as a Texas resident, the student must prove that they are legally entitled to pay in-state tuition. Documentation proving state residency must be presented at the time of application or readmission. If the student has had a break of a year or more in education, the student must again show proof of Texas residency upon reapplying for admission. The following documents may be submitted to verify eligibility for Texas Residency:

- **Servicemember's DD form 4 for enlisted servicemembers or commissioning document for officers** to verify Home of Record was Texas upon entry into active service;

- **DD-214 form (Member 4)** to verify Home of Record was Texas upon entry into active service;
- **Leave and Earnings Statements for 12 months preceding semester of enrollment** to verify Texas identified as State of Legal Residence.

VA education benefits do not pay out-of-state/non-resident tuition. In accordance with Texas Education Code Section 54.241 (k), a person is entitled to pay tuition and fees at an institution of higher education at the rates provided for Texas residents without regard to the length of time that the person has resided in this state if the person files with the institution at which he/she intends to register a letter of intent to establish residence in this state and resides in this state while enrolled in the institution and the person is eligible for Post 9/11 VA education benefits or any other federal law authorizing educational benefits for veterans.

Veterans and Military Service Members Information

Evaluation of Military Training

ARMY, NAVY, MARINE CORPS, AND COAST GUARD ONLY

Steps for Evaluation

- Review Joint Service Transcript (JST) and determine what Military Course/Occupation IDs to petition for credit.
- Visit The Ace Military Guide (https://www.acenet.edu/Programs-Services/Pages/Credit-Transcripts/Military-Guide-Online.aspx) and select Course Search.
- Type in the ACE Identifier number from the JST into the ACE ID Number.
- Choose the course that best matches the Course Title/Location-Description-Credit Areas on the JST.
- Print the page.
- With a copy of the JST and the Course Exhibit printout downloaded from the website, submit them to the Department Chair for review. Each petitioned course may require review by a different department, and each department has their own awarding credit criteria.

If it is determined that course equivalency has been met or that credit will be awarded, the Department Chair will submit the request to the Student Records Office for application.

Veterans and Military Service Members Information

VA Education Benefits

Students who are eligible to receive VA educational benefits should contact the VA or visit the Education and Training section of the VA website (https://benefits.va.gov/gibill) to learn about eligibility and VA requirements. Del Mar College Veterans Services staff are not VA employees and cannot answer for decisions and payments made by the Department of Veterans Affairs.

Steps for new students wishing to use VA Educational Benefits:

- Apply for admission and be admitted to Del Mar College as a student.
- Provide all required documentation to Veterans Services.
    - Certificate of Eligibility (letter from VA - to request, see the How to Apply section of the Department of Veterans Affairs website (https://www.va.gov/education/how-to-apply/)
    - DD-214 form (Veterans only)
    - Intent to Enroll (Obtain from Veterans Services)
    - Disclaimer (Obtain from Veterans Services)
    - Degree Plan
    - Course Schedule
    - Copies of Military Transcripts (if applicable)

Steps for continuing students wanting to use VA Educational Benefits:

- Provide all required documentation to Veterans Services.
    - Certificate of Eligibility (letter from VA—to request, see the How to Apply section of the Department of Veterans Affairs website (https://www.va.gov/education/how-to-apply/)
    - Intent to Enroll (Obtain from Veterans Services)
    - Disclaimer (Obtain from Veterans Services)
    - Course Schedule
    - Degree Plan (if changed) - if changing degree plan, must also submit VA Form 22-1995 Request for Change of Program or Place of Training (https://www.va.gov/education/apply-for-education-benefits/application/1995/introduction)

Veterans and Military Service Members Information

Hazlewood Act Exemption

The following information has been extracted from the Hazlewood and Education Services section of the Texas Veterans Commission website (https://www.tvc.texas.gov/education/hazlewood).

Veteran Qualifications

A Veteran must:

- At the time of entry into active-duty with the U.S. Armed Forces,
    - designated Texas as Home of Record;
    - or entered the service in Texas;
    - or was a Texas resident;
- Have received an honorable discharge or separation or a general discharge under honorable conditions as indicated on the Veteran's Certificate of Release or Discharge from Active Duty (DD-214 form);
- Served at least 181 days of active-duty service (excluding training);
- Currently reside in Texas;

- Have no federal Veterans education benefits or have no federal Veterans education benefits dedicated to the payment of tuition and fees only (such as CH.33 Post 9/11-“Forever” GI Bill or CH.31 Veteran Readiness & Employment) for the term or semester enrolled that do not exceed the value of Hazlewood benefits;
- Not be in default on a student loan made or guaranteed by the State of Texas;
- Enroll in classes for which the college receives tax support (i.e., a course that does not depend solely on student tuition and fees to cover its cost) unless the college’s governing board has ruled to let Veterans receive the benefit while taking non-funded courses; and
- Meet the GPA requirement of the institution's Satisfactory Academic Progress Policy in a degree or certificate program as determined by the institution's financial aid policy and, as an undergraduate student, not be considered to have attempted an excessive amount of credit hours.*

**See Del Mar College Satisfactory Academic Progress Policy*.

Hazlewood Act Application Process

A Veteran must:

- Provide proof (DD-214 form) from the Department of Defense regarding military service and the nature of discharge;
- Provide proof of eligibility or ineligibility for GI Bill benefits by requesting a Certificate of Eligibility for federal education benefits from https://www.va.gov/education/how-to-apply/ (if Veteran has active duty service after 9/11/2001);
- Fill out the Texas Hazlewood Act Exemption Application (PDF) (https://tvc.texas.gov/wp-content/uploads/2023/08/Forms-TVC-ED-1-and-TVC-ED-1a-Texas_Hazlewood_Act_Exemption_Application_with_Supporting_Documents_Instructions-Revised-01DEC21-v2.pdf);
- Turn in the Hazlewood Act Exemption Application, a copy of letter of eligibility/ineligibility, and a copy of the DD-214 form to Veterans Services;
- Additional items that must be submitted include:
    - Proof of registration in the Hazlewood Act Exemption database (https://hazlewood.tvc.texas.gov/students/Account/Login);
    - Valid Texas Driver's License or ID;
    - Intent to Enroll (Obtain from Veterans Services);
    - Disclaimer (Obtain from Veterans Services);
    - Degree Plan;
    - Course Schedule;
    - Receipt of payment for the Student Activity Fee and any other non-mandatory fees.

Applications and all supporting documentation must be received by Del Mar College no later than the last day of class for the semester or term in order to be processed.

Steps for continuing students wanting to use the Hazlewood Act Exemption:

- Provide all required documentation to Veterans Services:
    - Intent to Enroll (Obtain from Veterans Services);
    - Disclaimer (Obtain from Veterans Services);
    - Texas Hazlewood Act Exemption Application For Continued Enrollment (PDF) (https://tvc.texas.gov/wp-content/uploads/2023/08/Form-TVC-ED-2-Texas_Hazlewood_Act_Exemption_-Application_For_Continued_Enrollment-Updated-08DEC21.pdf);
    - dCourse Schedule;
    - Receipt of payment for the Student Activity Fee and any other non-mandatory fees.

Legacy Act (Child) Qualifications

Eligible Veterans may assign unused hours of exemption eligibility to a child under certain conditions.

A child (Legacy Act recipient) must:

- Be classified by the institution as a Texas resident;
- Be the biological child, stepchild, adopted child, or claimed as a dependent in the current or previous tax year;
- Be 25 years old or younger on the first day of the semester or term for which the exemption is claimed (unless granted an extension due to a qualifying illness or debilitating condition);
- Have no federal Veterans education benefits or have no federal Veterans education benefits dedicated to the payment of tuition and fees only (such as CH.33 Post 9/11-“Forever” GI Bill) for the term or semester enrolled that do not exceed the value of Hazlewood benefits;
- Not be in default on a student loan made or guaranteed by the State of Texas;
- Enroll in classes for which the college receives tax support (i.e., a course that does not depend solely on student tuition and fees to cover its cost) unless the college’s governing board has ruled to let Veterans receive the benefit while taking non-funded courses; and
- Meet the GPA requirement of the institution's Satisfactory Academic Progress Policy in a degree or certificate program as determined by the institution's financial aid policy and, as an undergraduate student, not be considered to have attempted an excessive amount of credit hours.*

**See the Del Mar College Satisfactory Academic Progress Policy*.

Legacy Act recipients will receive an exemption for the number of degree certified hours reported by the institution for that term or semester. Maximum degree certified hours awarded to the Legacy Act recipient will be dependent upon the degree or certificate program in which the student is enrolled for that term or semester and shall be consistent with the program length as defined within the school catalog as approved by the regional accreditation commission.

If a child to whom hours have been delegated fails to use all of the assigned hours, a Veteran may re-assign the unused hours that are available to another child. Only one child will use Hazlewood Legacy Act benefits at a time.

Legacy Act Application Process

A child (Legacy Act recipient) of a Veteran must:

- Provide Veteran’s proof (DD-214 form) from the Department of Defense regarding military service and the nature of discharge;
- Provide proof of eligibility or ineligibility for GI Bill benefits by requesting a Certificate of Eligibility for federal education benefits from https://www.va.gov/education/how-to-apply/ (if Veteran has active duty service after 9/11/2001);
- Fill out the Texas Hazlewood Act Exemption Application (PDF) (https://tvc.texas.gov/wp-content/uploads/2023/08/Forms-TVC-ED-1-and-TVC-ED-1a-Texas_Hazlewood_Act_Exemption_Application_with_Supporting_Documents_Instructions-Revised-01DEC21-v2.pdf);

- Turn in the Hazlewood Act Exemption Application, a copy of the letter of eligibility/ineligibility, and a copy of the Veteran's DD-214 form to Veterans Services;
- Additional items that must be submitted include:
    - Proof of registration in the Hazlewood Act Exemption database (https://hazlewood.tvc.texas.gov/students/Account/Login);
    - Valid Texas Driver's License or ID;
    - Intent to Enroll (Obtain from Veterans Services);
    - Disclaimer (Obtain from Veterans Services);
    - Degree Plan;
    - Course Schedule;
    - Receipt of payment for the Student Activity Fee and any other non-mandatory fees.

Applications and all supporting documentation must be received by Del Mar College no later than the last day of class for the semester or term in order to be processed.

Steps for continuing students wanting to use the Legacy Act:

- Provide all required documentation to Veterans Services:
    - Intent to Enroll (Obtain from Veterans Services);
    - Disclaimer (Obtain from Veterans Services);
    - Texas Hazlewood Act Exemption Application For Continued Enrollment (PDF) (https://tvc.texas.gov/wp-content/uploads/2023/08/Form-TVC-ED-2-Texas_Hazlewood_Act_Exemption_-Application_For_Continued_Enrollment-Updated-08DEC21.pdf);
    - Course Schedule;
    - Receipt of payment for the Student Activity Fee and any other non-mandatory fees.

Hazlewood Act for Spouse/Child

Spouse/Child of a Hazlewood Act Exemption benefit-eligible Veteran who is determined by the VA to be 100%, total and permanent, service-connected veteran or one who became totally disabled for purposes of employability as a result of a service-related injury or illness who meet the requirements below are entitled to receive a 150 credit hours exemption each.

Qualifications

A Spouse/Child must:

- Be a Spouse/Child of a Veteran who at the time of entry into the U.S. Armed Forces:
    - be classified by the institution as a Texas resident,
    - designated Texas as Home of Record,
    - or entered the service in Texas.
- Be a Spouse/Child of a Veteran of the U.S. Armed Forces or the Texas National Guard who died as a result of service-related injuries, or
    - 100% totally and permanently service-connected disabled as determined by the VA with a current Summary of Benefits Letter as proof, or
    - Missing in Action (MIA), or
    - Killed in Action (KIA).
- Have no federal Veterans education benefits or have no federal Veterans education benefits dedicated to the payment of tuition and fees only (such as CH.33 Post 9/11-"Forever" GI Bill) for the term or semester enrolled that do not exceed the value of Hazlewood benefits;
- Be classified by the institution as a Texas resident;
- Not be in default on a student loan made or guaranteed by the State of Texas;
- Enroll in classes for which the college receives tax support (i.e., a course that does not depend solely on student tuition and fees to cover its cost) unless the college's governing board has ruled to let Veterans receive the benefit while taking non-funded courses; and
- Meet the GPA requirement of the institution's Satisfactory Academic Progress Policy in a degree or certificate program as determined by the institution's financial aid policy and, as an undergraduate student, not be considered to have attempted an excessive amount of credit hours.* This requirement does not apply to the Spouse/Child of an MIA, KIA, or service-connected deceased Veteran.

**See the Del Mar College Satisfactory Academic Progress Policy*.

Application Process for Spouse/Child

A spouse /child of a Hazlewood Act Exemption benefit-eligible Veteran who is determined by the VA to be 100%, total and permanent, service-connected Veteran or one who became totally disabled for purposes of employability as a result of a service-related injury or illness or is MIA or was KIA must:

- Provide Veteran's proof (DD-214 form) from the Department of Defense regarding military service and the nature of discharge;
- Provide proof of eligibility or ineligibility for GI Bill benefits by requesting a Certificate of Eligibility for federal education benefits from https://www.va.gov/education/how-to-apply/ (if Veteran has active duty service after 9/11/2001);
- Fill out the Texas Hazlewood Act Exemption Application (PDF) (https://tvc.texas.gov/wp-content/uploads/2023/08/Forms-TVC-ED-1-and-TVC-ED-1a-Texas_Hazlewood_Act_Exemption_Application_with_Supporting_Documents_Instructions-Revised-01DEC21-v2.pdf);
- Turn in the Hazlewood Act Exemption Application, a copy of the letter of eligibility/ineligibility, and a copy of Veteran's DD-214 form to Veterans Services;
- Additional items that must be submitted include:
    - Proof of registration in the Hazlewood Act Exemption database (https://hazlewood.tvc.texas.gov/students/Account/Login);
    - Proof of dependency;
    - Proof of Veteran's VA rating or death;
    - Valid Texas Driver's License or ID;
    - Intent to Enroll (Obtain from Veterans Services);
    - Disclaimer (Obtain from Veterans Services);
    - Degree Plan;
    - Course Schedule;
    - Receipt of payment for the Student Activity Fee and any other non-mandatory fees.

Applications and all supporting documentation must be received by Del Mar College no later than the last day of class for the semester or term in order to be processed.

Steps for continuing students wanting to use the Hazlewood Act for Spouse/Child:

- Provide all required documentation to Veterans Services:
  - Intent to Enroll (Obtain from Veterans Services);
  - Disclaimer (Obtain from Veterans Services);
  - Texas Hazlewood Act Exemption Application For Continued Enrollment (PDF) (https://tvc.texas.gov/wp-content/uploads/2023/08/Form-TVC-ED-2-Texas_Hazlewood_Act_Exemption_-Application_For_Continued_Enrollment-Updated-08DEC21.pdf);
  - Course Schedule;
  - Receipt of payment for the Student Activity Fee and any other non-mandatory fees.

Veterans and Military Service Members Information

Certification of Veterans Education Benefits

Each semester Veterans Services must be notified of a student's intention to utilize Veterans education benefits. Failure to do so could result in delayed Veterans education benefit(s) payment(s), dropped course(s), or tuition and fees debt with Del Mar College. Each of the Veterans education benefits below provides the following:

- **CH.1606 Montgomery GI Bill-Selected Reserve (MGIB-SR)*** – Pays a monthly stipend for school attendance.
- **CH.30 Montgomery GI Bill-Active Duty (MGIB-AD)*** – Pays a monthly stipend for school attendance.
- **CH.31 Veteran Readiness & Employment (VR&E)** – Pays a monthly stipend for school attendance, tuition and fees, and books/supplies.
- **CH.33 Post 9/11 ("Forever") GI Bill**** – Pays a monthly stipend for school attendance, tuition and fees, and books/supplies based on the student's percentage of eligibility (50% - 100%).
- **CH.35 Survivors' and Dependents' Education Assistance (DEA)*** – Pays a monthly stipend for school attendance.
- **Hazlewood Act Exemption** – Exempts tuition and most but not all fees.

Some VA education benefits can be stacked with the Hazlewood Act Exemption to cover tuition and fees costs.

Students are responsible for paying late and other non-mandatory fees such as 3-peat fees.

Students must pay tuition and fees or set up a payment plan with the Business Office prior to the payment deadline date(s) for the semester. Failure to do so will result in dropped courses due to non-payment.

Students receiving a percentage of CH.33 Post 9/11 ("Forever") GI Bill (50%, 60%, 70%, 80%, or 90%) must pay the tuition difference or set up a payment plan with the Business Office prior to the payment deadline date(s) for the semester. Failure to do so will result in dropped courses due to non-payment.

Veterans and Military Service Members Information

VA Education Benefit Rate of Pursuit

The VA uses the following Semester Hour Classification Scale to determine benefit payment(s) amount(s) for the certified semester.

Semester Hour Classification Scale

SEMESTER LENGTH (WEEKS)	FULL TIME (HOURS)	3/4 TIME (HOURS)	HALF TIME (HOURS)
16	12	9	6
15	12	9	6
12	8	6	5
10	7	5	4
9	6	5	4
8	6	4	3
6	4	3	2
5	4	3	2

The monthly rates of payment to veterans are provided for by Public Law 94-502.

Veterans and Military Service Members Information

Changes in Enrollment

Title 38, Code of Federal Regulations, Section 21.4203 requires that all changes in enrollment must be reported within 30 days. Reducing the number of credit hours attempted within a given semester may cause a decrease in VA education benefits and could generate overpayment(s) from the VA. **The resulting overpayment(s) can result in benefit debt(s) with the VA and tuition debt(s) with Del Mar College. Future VA education benefits payments could be affected, as well as the ability to enroll for the following semesters**.

Veterans and Military Service Members Information

Del Mar College Satisfactory Academic Progress (SAP) Policy

EFFECTIVE END OF SPRING 2020

Federal Regulations require the establishment and application of reasonable standards of Satisfactory Academic Progress (SAP) for the purpose of maintaining eligibility for Title IV of the Higher Education Act financial aid programs. The SAP requirements explained below apply to all Title IV financial aid as well as to state and institutional financial aid programs, need-based and non-need-based aid, unless otherwise noted by an individual scholarship program.

The Financial Aid Office evaluates student compliance with SAP each semester. Students who are on probation or who are following an academic plan will have their SAP reviewed at the end of each semester enrolled to determine if the student is making progress in accordance with their academic plan.

The three standards of Satisfactory Academic Progress are as follows:

1. **Grade Point Average (GPA) Requirement**

Students must maintain a cumulative Del Mar College (DMC) GPA of 2.00 on all coursework taken at DMC. Grades for repeated courses are counted towards the cumulative GPA.

2. **67% Completion Rate of Enrollment Requirement**
   Students must maintain a cumulative 67% completion rate on all coursework completed at DMC.
3. **Maximum Time Frame to Complete a Program**
   The maximum time frame for students to complete a certificate or associate degree may not exceed 150% of the published length of the program. Students have up to 90 attempted hours of coursework to complete an associate degree.

OTHER REQUIREMENTS AND INFORMATION:

- Completed credit hours include all courses for which a student is enrolled in after census day.
- Grades of “W”, “WP”, “WF”, “F”, “I”, “IP”, “IF”, and any other non-letter grade (besides grades of “A”, “B”, “C”, or “D”) will not be part of the completed credit hours when calculating the completion rate.
- The academic amnesty policy “Fresh Start” does not apply to Satisfactory Academic Progress.
- The completed hours in question count as hours completed and grades earned at DMC and are included in the student’s GPA.
- Students are allowed up to 30 hours of remedial/developmental coursework that will count towards the maximum number of hours completed towards the student’s academic program and GPA.
- Students are only eligible to change their major/degree plan twice for an Associate degree plan; and up to three times for Certificate degree plans.
- Repeated courses count in the completion rate calculation.

Compliance with the SAP Policy must be met in order for a student to retain their financial aid eligibility. Students are advised to check their status through Self-Service Financial Aid. The information below describes each SAP status in detail:

1. **Good Standing**
   Students are in Good Standing with Financial Aid if they meet all three (3) standards of progress outlined above. These students may participate in any financial aid programs provided that they meet all other eligibility criteria, subject to availability of funds.
2. **Warning**
   Students did not meet minimum standards in the previous evaluation period. However, they are still eligible for financial aid but must reach all minimum standards by the end of the next evaluation period to maintain eligibility.
3. **Financial Aid Suspension**
   Students are suspended from financial aid if they do not meet all of the Satisfactory Academic Progress criteria listed above. Students who are suspended will receive a financial aid suspension notice. Students who are on suspension may continue to enroll but must pay for all their expenses without financial aid assistance.
4. **Probation (AP)**
   Students who appeal their financial aid suspension and are approved are put on “probation” for one semester. An “end term” listing the term when the student is expected to be following SAP is established. In order to continue to be eligible for financial aid for future semesters, the student must meet SAP standards for the probationary semester. Students who fail to meet SAP standards for the semester will be placed on financial aid suspension.
5. **Academic Success Plan (ASP)**
   Students who successfully complete the probationary semester (met SAP criteria for the semester) but who are not able to attain full compliance with the SAP Policy are placed on an Academic Success Plan. In order to continue to be eligible for financial aid for future semesters, the student must meet SAP standards for every semester enrolled under the Academic Success Plan. Students who fail to meet SAP standards for any semester enrolled while under the Academic Success Plan are placed on permanent financial aid suspension.
6. **Timeframe Success Plan (TSP)**
   Students who exceeded the credit hour limits and are not making progress toward a degree/certificate within the 150% federal requirement are ineligible for financial aid. For example, an Associate of Arts degree is 60 credit hours, but the student completed more than 90 credit hours.

Appeal Process

Students may appeal their suspension status. The appeal process is initiated with the Financial Aid Office by picking up an Appeal form within our office. The student will complete this form by detailing the reason for not meeting Satisfactory Academic Progress (SAP) requirements, establishing a plan for making academic progress, and outlining educational goals. Additional documentation to substantiate the reason(s) for not meeting SAP requirements should be submitted and attached to the Appeal form.

Students should be prepared to cover tuition and fees until the appeal has been reviewed. The processing time could take up to four (4) weeks.

Approval

If the appeal is approved, the student is placed on probation, and eligibility is reinstated subject to continued compliance with SAP requirements. Progress is reviewed at the end of the semester to verify that the student is meeting the standards and is following the degree plan.

Failure to meet SAP requirements while on probation will result in a financial aid suspension.

The status for students who do not enroll in classes during the semester for which they received an approved appeal will return to suspension status at the end of the semester, and the student will be required to submit a new appeal for any future semester reinstatement requests.

Based on the agreement with the Del Mar College Financial Aid Office, continuous enrollment is required each year. The lack of consistent enrollment will result in the inability to complete the approved program during the length of time agreed upon. As a result, eligibility will not be extended to account for any semesters of non-enrollment (except summer/if the student does not enroll).

Students who fail to meet SAP for any semester enrolled will have their financial aid eligibility immediately suspended.

In addition, students whose eligibility is re-suspended are not allowed to re-appeal their financial aid suspension.

Denial

Students who fail to meet SAP requirements for any semester enrolled will have their financial aid eligibility immediately suspended.

No federal or state financial aid (including student loans) may be awarded. The student may continue to enroll but at their own expense and can re-appeal after completing at least one (1) semester and meet the SAP requirements for the semester(s) completed. The Appeal Committee's decision is final and may not be appealed further.

Veterans and Military Service Members Information

Financial Aid Implications

Dropping courses may affect eligibility. Contact the Financial Aid Office prior to dropping a course or completely withdrawing from all courses. Students utilizing the Hazlewood Act Exemption must meet Satisfactory Academic Progress (SAP) requirements in order to remain eligible for funding. This does not apply to students whose eligibility for the Hazlewood Act Exemption is based on an MIA, KIA, or service-connected deceased Veteran. Students do not have to receive financial aid but must still meet SAP requirements. Please contact Veterans Services for more information.

Veterans and Military Service Members Information

Student Withdrawal or Excused Absence for Active Military Service

A7.16.1 Student Withdrawal for Military Service: The Texas Higher Education Coordinating Board Rules (Chapter 21 Section 21.5) indicate, "If a student withdraws from an institution because the student is called into active military service, the institution, at the student's option shall:

1. refund the tuition and fees paid by the student for the semester in which the student withdraws;
2. grant a student, who is eligible under the institution's guidelines, an incomplete grade in all courses by designating "withdrawn-military" on the student's transcript; or
3. as determined by the instructor, assign an appropriate final grade or credit to a student who has satisfactorily completed a substantial amount of course work and who has demonstrated sufficient mastery of the course material."

A7.16.2 Excused Absence for a Student Called to Active Military Service: The Texas Higher Education Coordinating Board Rules (Chapter 4 Rule 4.9) indicate that "[u]pon notice from a student required to participate in active military service, an institution shall excuse a student from attending classes or engaging in other required activities, including examinations. A student shall not be penalized for an absence which is excused under this subsection and shall be allowed to complete an assignment or take an examination from which the student is excused within a reasonable time after the absence."

- **A7.16.2.1 Maximum Excused Absence**: A student called to service as a member of a reserve military component or the Texas National Guard will not be penalized and shall be excused for absences accrued during the period of active military service for a period of active duty no longer than 25% of the total number of class meetings or the contact hour equivalent (not including the final exam period) for the specific course or courses in which the student is currently enrolled at the beginning of the period of active military service. (Example: During a 16-week semester with 32 planned class meetings, no more than 4 weeks and 8 class meeting absences may be excused.)
- **A7.16.2.2 Retention of Student's Work**: Faculty members will retain the student's coursework completed during the portion of the course prior to the student being called to active military service to be used when the student returns and completes the course requirements in order to ascertain a proper grade award.
- **A7.16.2.3 Course Syllabus or Instructional Plan**: The course syllabus or other instructional plan that was in effect when the student was called to active military service shall be retained for future use so that the student will be able to complete the course without prejudice and under the same course requirements that were in effect when the student enrolled in the course.
- **A7.16.2.4 Completion of Assignments and Examinations**: The student shall be granted a reasonable period of time after the absence to complete assignments and examinations. A reasonable period of time shall be defined as "within 30 calendar days of completion of active service period or one week prior to the final examination date scheduled, whichever occurs first."
- **A7.16.2.5 Failure to Complete Assignments and Examinations**: If a student fails to complete missed assignments and examinations as provided by A7.16.2.4, the student will not receive credit for uncompleted assignments and examinations and will be awarded a course final grade accordingly.

Veterans and Military Service Members Information

DoD Tuition Assistance (TA)

Prior to enrolling in classes, servicemembers should consult with their respective branch of service or Educational Service Officer (ESO) for approval. Failure to do so may result in a denial of TA funding and a tuition debt with the College. For more information please utilize the following links:

- **Army**: Tuition Assistance (https://myarmybenefits.us.army.mil/Benefit-Library/Federal-Benefits/Tuition-Assistance-(TA))
- **Navy**: Navy College Program (https://www.navycollege.navy.mil/)
- **Marine Corps**: Marine Corps Community Services (https://usmc-mccs.org/articles/how-do-i-apply-for-tuition-assistance/)
- **Air Force**: Air Force Virtual Education Center (https://afvec.us.af.mil/afvec/public/welcome)
- **Coast Guard**: United States Coast Guard (https://www.forcecom.uscg.mil/Our-Organization/FORCECOM-UNITS/ETQC/VOLUNTARY-EDUCATION/Tuition-Assistance/)

Veterans and Military Service Members Information

DoD Tuition Assistance (TA) Refund Policy

Up to the start date for the term, return all TA funds to the appropriate military service branch when the servicemember does not **begin attendance at the College or start a course regardless of whether the student starts other courses**.

If the drop occurs prior to the term's census date, all TA funds for the dropped course will be returned to the military service branch. Return any TA funds paid for a course that is canceled by the College. For complete withdrawal from a term, the amount of TA that is earned is determined on a prorated basis.

Example: If 30% of the period of enrollment is completed, 30% of the approved TA has been earned, and 70% of the TA will be returned to the military service branch. Once 60% of the period of enrollment has been completed, all approved TA is earned, and no refund will be made to the military service branch.

To calculate the amount of earned TA, the College will divide the number of calendar days that the student attended classes by the total number of calendar days in the semester. The resulting percentage is then multiplied by the total amount of TA funds that were approved by the military service branch prior to the beginning of the term. The result of this calculation determines the amount of TA earned by the student. Any amount exceeding the calculation amount earned must be returned to the military service branch.

The Business Office will notify and instruct any students who owe money because the College has returned the appropriate amount to the military service branch. Funds returned to the military service branch may result in a balance on the account which the student is responsible for paying in accordance with the Del Mar College refund policy.

VA Work Study Program

Some students may be eligible to take part in the VA Work Study Program if they meet all of the requirements listed as follows:

- Are enrolled at least in three-quarter time in a college degree, vocational, or professional program, and
- Have found an open job either at a nearby VA facility or in a VA-related role at a school, and
- Can finish the Work Study Program contract while still qualifying for VA Education Benefits, and
- Are using an approved VA Education Benefits Program to pay for education or training.

Please contact Veterans Services for more information.

Top Veteran/Active Military Servicemember Graduate Award

Each commencement cycle the Director of the College Veterans Center will award the top Veteran or Active Military Servicemember graduate(s).

Veterans and Military Service Members Information

Veteran Honors Cord

Every Veteran or Active Military Servicemember student who graduates will be issued a Red, White and Blue Honor Cord to wear with their regalia. Honor Cords are issued at the Veterans Graduation Reception or can be picked up at Veterans Services during each commencement cycle.

Veterans and Military Service Members Information

Summary

At Del Mar College we are proudly serving those who served with pride!

Your Rights, Responsibilities, Safety

Here's what you need to know about how to conduct yourself on campus.

Responsibilities

Your Rights, Responsibilities, Safety

Data

Student Records

Your records pertaining to directory information and education are kept by the Student Records Office.

According to the Family Educational Rights and Privacy Act (FERPA), education records are those records that relate directly to your academic progress maintained by the institution.

If you want to review your records, you may do so by submitting a request and presenting your photo ID in the Student Records Office. Your request will be processed within 45 days of receipt. If, upon review, you desire to challenge any portion of your records, you should contact the Student Records Office for additional information.

School officials, who act in your educational interest within the limitations of their need to know, have access to your records without your prior written consent.

Del Mar College Student Records Policy Release of Student Records

All records submitted for a student's file become the property of the College and a part of the student's permanent record. High school transcripts, transcripts from other colleges, test scores, immunization records, and other similar documents are not duplicated for any reason to any person and/or institution, including the student.

Rights

You have certain rights under FERPA with respect to your education records. They are as follows:

1. The right to inspect and review your education records within 45 days of the day the College receives a request for access. You should submit to the Registrar, dean, department chairperson, or other appropriate official, written requests that identify the record(s) you wish to inspect. The College official will make arrangements for access and notify you of the time and place where the records may be inspected. If the records are not maintained by the College official to whom the request was submitted, that official will advise you of the correct official to whom the request should be addressed.
2. The right to request the amendment of your education records that you believe is inaccurate or misleading. If upon review you desire to challenge any portion of your records, you should contact the Registrar in the Student Records Office.
3. The right to consent to disclosures of personally identifiable information contained in your education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff). A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Del Mar College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is as follows:
   Family Policy Compliance Office
   U.S. Department of Education
   600 Independence Ave. SW
   Washington, DC 20202-4605

Directory Information

Directory information is considered public information unless you specifically request that any or all of the directory information not be released.

Directory information includes the following:

- Your name
- Permanent address
- Telephone listing
- Email address
- Date and place of birth
- Photograph
- Major field of study (including concentration)
- Enrollment status
- Classification
- Participation in officially recognized activities and sports
- Weight and height of members of athletic teams
- Dates of attendance
- Degrees and awards received
- Most recent previous educational agency or institution attended

Your consent is presumed unless a written request to restrict the information is made by you in the Student Records Office on the prescribed form no earlier than the first day of registration and no later than the 12th class day in a semester or fourth-class day in a summer term.

This restriction of consent remains in effect until revoked by you. In those cases where you file a request for restriction of information, such information is treated as confidential and in response to public inquiries, the College will verify only whether you are currently enrolled.

Your Rights, Responsibilities, Safety

Rights and Responsibilities

Standards of Student Conduct

To maintain a positive learning environment, it is essential that you conduct yourself according to certain standards of behavior set by the College.

It is your right in attending Del Mar College to retain your individualism, personal freedom, autonomy, and dignity, while respecting, at the same time, the rights of others. All students are individuals and display different abilities, skills, interests, appreciations, attitudes, beliefs, and values.

You also have a responsibility to yourself, to your fellow students, to your instructors, to College personnel, to the policies of the College, and to the law of the land.

These rights and responsibilities include the following:

1. **Your Rights**
   1. The right to expect an education of the highest quality.
   2. The right to develop potential to the best of your abilities.
   3. The right to inquire about and to recommend improvements in policies, regulations, and procedures affecting the welfare of students. The right is best exercised through the Office of Student Leadership and Campus Life or other campus organizations.
   4. The right to counsel, a fair hearing, and an appeal when a disciplinary action is applied to you as an individual or as a group member.
2. **Your Obligations and Responsibilities**
   1. The obligation to be fully acquainted with published rules, regulations, and policies of the College and to comply with them in the interest of an orderly and productive college community.
   2. The obligation to follow the tenets of common decency and acceptable behavior commensurate with the aspiration implied by a college education.
   3. The obligation to respect the rights and property of others.

A full description of the Student Standards of Conduct is available from the Dean of Student Engagement and Retention in Room 204 of the Harvin Student Center, which is located at Del Mar College Heritage Campus. Alternatively, it can be viewed on the annual Manual of Policies and Procedures section of the Del Mar College website (https://www.delmar.edu/policymanual), Chapter 7, Policy B7.13. By enrolling at Del Mar College, students agree to abide by the College's Standards of Student Conduct.

Discipline

1. **Breaches of Conduct**
   The College regards the following as types of misconduct which, if established, will result in appropriate disciplinary action:
   - Academic cheating and plagiarism of any kind (see Chapter 7, B7.13.7 of the Standards of Student Conduct Policy).
   - Furnishing false information to the College or filing or making known false charges against the College and/or a member of its faculty or staff.
   - Destruction, damage, unauthorized possession, or misuse of College property, including library and laboratory materials and equipment, or of private property on the campus.
   - Forgery; alteration; unauthorized possession; or misuse of College documents, records, or identification cards.
   - Physical or verbal abuse of another person in the College community. Any verbal threat or abuse or physical action against any College employee and/or student is considered sufficient grounds for immediate suspension from the College, subject to a disciplinary hearing.
   - Participation in hazing, in contravention of the Texas Education Code, Section 37.151 to 37.158, inclusive.
   - Use, distribution, or possession of alcoholic beverages, dangerous drugs, or controlled substances while on College property or at any authorized activity sponsored by or for any College-related organization, whether on or off the campus.
   - Disorderly conduct that inhibits or interferes with the educational responsibility of the College community or that disrupts the administrative or service functions of the College to include social-educational activities.
   - Actions that violate state or federal law or city or county ordinances.
   - Misconduct or misuse of elected or appointed office in a student organization, or endangering its members or the welfare of the College community.
   - Incorrigible or persistently irresponsible behavior.
   - Gambling on campus or on College property.
   - Conduct that disrupts teaching with detrimental effects upon other students.
   - Any disruption of ongoing educational activities of the College which warrants disciplinary action.
2. **Disciplinary Action**
   Any one or more of the following disciplinary actions may be imposed by the College:
   - Admonition and warning.
   - Loss of privileges.
   - Removal from elective or appointive office.
   - Loss of such other privileges, which may be consistent with the offense committed, and the rehabilitation of the student.
   - Disciplinary probation with or without loss of designated privileges for a specified period of time. The violation of the terms of disciplinary probation or the infraction of any College rule during the disciplinary action will result in automatic suspension.
   - Suspension from the College for a definite period of time.
   - Expulsion from the College.

Suspension or expulsion from the College will require that the student be afforded a hearing to present their side of the incident or action prior to the administrative suspension or expulsion decision. A student may be suspended or expelled prior to a hearing when there is imminent danger to the student or another individual on campus.

Student Complaints

Procedures for student complaints against the College have been set forth in writing and are included in the Board of Regents Policy Manual. The Dean of Student Engagement and Retention is responsible for coordinating the processing of student complaints.

The Student Complaint Policy is based on the belief that such complaints are best resolved at the level closest to the issue that led to the complaint. Resolutions to such complaints must be reached through the participation of all parties involved in the issue that led to the complaint. All procedures developed in relation to this policy will be applied in an equitable and nondiscriminatory manner and will protect the rights of all parties.

- **Non-Academic Complaint -** The Non-Academic Complaint is a complaint by a student which does not involve grades or any academic issues.
- **General Academic (Non-Grade) Complaint -** The General Academic Non-Grade Complaint is a complaint by a student who has any academic disagreement not directly related to the assignment of a grade(s).
- **Grade Appeals -** The evaluation of academic work is the prerogative of the instructor, and the rules for determining final course grade should be established by the instructor and provided to the students in an electronic or printed course syllabus at the beginning of the semester. A student who believes grounds exist for the appeal of a final grade must first consult with the instructor. If the appeal cannot be resolved, a student may proceed to the grade appeal process.

A student with a complaint against another student should consult with the Dean of Student Engagement and Retention on the proper procedure to follow.

Responsibility and Liability Insurance

It is your responsibility to carry personal health and/or minor medical insurance. The Office of the Dean of Student Engagement and Retention has several companies' brochures available; however, the College does not promote one company's product over another.

Activities in occupational classes and programs may expose you to more than the usual degree of responsibility and liability. Del Mar College is not liable for injuries sustained on campus, according to state statute. Health sciences, cosmetology, criminal justice, law enforcement, fire science, emergency medical services, and occupational safety and health students may be required to carry professional liability insurance in addition to personal medical insurance.

Your Rights, Responsibilities, Safety

Policies

Major College policies can directly affect you, so it's important to become familiar with them.

Discrimination and Harassment Policy for Students

Del Mar College, in its continuing effort to seek equity in education and in support of federal and state anti-discrimination legislation, provides a complaint procedure for the prompt and equitable investigation and resolution of complaints of unlawful retaliation, discrimination, and/or harassment of students based on their race, color, national origin, religion, age, disability, veteran, or military status.

The Discrimination, Harassment and Retaliation Complaint procedure provides a process through which the College may receive, respond to, and prevent incidents of alleged retaliation, discrimination, and/or harassment.

Students who wish to submit complaints of retaliation, discrimination, or harassment should contact the District Student Complaint Coordinator using the following contact information:

Office of the Dean of Student Engagement and Retention
Harvin Student Center, Room 204
101 Baldwin Boulevard
Corpus Christi, TX 78404-3897
(361) 698-1277 • Fax (361) 698-1599

Policy Prohibiting Sexual Misconduct

Del Mar College establishes this policy and related procedures in its continuing effort to seek equity in education and employment, and consistent with its legal responsibility and authority to take measures to address and prevent sexual misconduct, as required by Title IX of the Education Amendments of 1972, as amended, 20 U.S.C. § 1681, et. seq.; Title VII of the Civil Rights Act of 1964, 42 U.S.C. § 2000e; Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1990, 20 U.S.C. § 1092(f), including the Campus Sexual Violence Elimination Act (Campus SaVE) amendment to the Clery Act (2013); Violence Against Women Reauthorization Act of 2013 (VAWA), as amended; and, Texas Education Code § 51.252 (Tex. SB 212)."

This policy is intended to inform students and employees of their rights if they are subjected to sexual misconduct, including the complaint procedures and support services that a survivor of sexual misconduct can access. This policy is also intended to inform students and employees of their responsibilities if they are aware that sexual violence has occurred to a Del Mar College student or employee.

Del Mar College (the “College”) will not tolerate and strictly prohibits sexual misconduct. The College will act to protect its students and employees from incidents of sexual misconduct committed by employees, students, or outside third parties. Conduct prohibited under this policy will not be tolerated and will be subject to disciplinary action, up to and including dismissal from employment and/or from the College, in accordance with Federal and State regulations and College policy.

This policy applies to and may be used by all students and employees, regardless of gender, sexual orientation or gender identity, to report incidents of sexual misconduct occurring on or off campus. Procedures and processes under this policy will distinguish between reporting sexual misconduct incidents and filing formal complaints.

Student and employee grievances and complaints that do not contain allegations of sexual misconduct are excluded from this process.

For assistance with filing a complaint of sexual misconduct through College complaint procedures, obtaining assistance with accessing law enforcement, and confidential counseling, emotional support, and immediate emergency services, if not already accessed, students should contact the Dean of Student Engagement and Retention. Employees should contact the Director of Human Resources for the same assistance. In addition to contact information for the Dean of Student Engagement and Retention and the Director of Human Resources, the following contacts are for campus and local advocacy, counseling, health, mental health, and legal assistance services:

Title IX Coordinator
Tammy F. McDonald
Vice President of Administration and Human Resources

Del Mar College Counseling Center
Licensed Professional Counselors
(361) 698-1586

Smoking Policy

Del Mar College will comply with Board Policy B5.39 Smoking Control and subsequent local, state, and federal requirements, which prohibits the use of tobacco, E-cigarettes, vaping pens, and any other related products and devices by any employee, student, or visitor on all premises owned, rented, leased, or supervised by the College District, including all College District facilities, buildings, and grounds. In order to protect and promote the health, safety, and welfare of employees, students, and the public, Del Mar College will provide a smoke and tobacco free environment. This prohibition applies to property owned by others that the College District uses by agreement and further applies to all District vehicles. All members of the Del Mar College community are expected to observe the provisions and comply with the spirit and intent of this policy.

Drug and Alcohol Policy

Del Mar College is committed to working to maintain a safe, healthy, lawful, and productive working and educational environment for all employees and students. Studies have shown that use of illegal drugs and abuse of alcohol increases the potential for accidents, absenteeism, tardiness, unsatisfactory performance, inefficiency, poor employee morale, and damage to the College's reputation.

The intent of this policy is to make Del Mar College a better place to study and work through upgrading the mental and physical health of the total College community. It acknowledges the freedom of choice for those individuals who require or seek information relative to Drug/Alcohol Abuse.

1. **Definition of Legal Drugs**
    - A "legal drug" is a prescribed drug or over-the-counter drug which has been legally obtained and is being legally used for the purpose for which it was prescribed or manufactured.
2. **Definition of Illegal Drugs**
    - An "illegal drug" is any drug or controlled substance which is (l) not legally obtainable or (2) is legally obtainable but was not legally obtained. The term "illegal drug" includes all illegal drugs, dangerous drugs, and controlled substances defined and listed in Articles 4476-14 and 4476-15 (Texas Controlled Substances Act) Vernon's Texas Civil Statutes. Marijuana, hashish, cocaine, PCP, LSD, heroin, Dilaudid, Quaaludes, steroids, and methamphetamine are only a few of the dangerous drugs or controlled substances that are included within such terms.
    - This policy applies to all students and employees of Del Mar College, as well as College visitors, contractors, and all other persons occupying space in/on conveyances, offices, buildings, facilities, or grounds over which Del Mar College has custody and control, including, but not limited to, rentals and leasing of auditorium and classroom spaces.
    - This policy does not cancel or supersede other laws, orders, instructions, or regulations that make the use, possession and/or distribution of dangerous drugs and controlled substances illegal.
    - When personal or behavioral problems begin to affect a student's academic performance, and this appears to be the result of drug or alcohol abuse, the individual may be referred to the College Counseling Center for information on drugs/alcohol and/or to local community professionals. The student shall be responsible for any cost and/or fees incurred for professional services. Information concerning diagnosis, treatment, and medical records will be kept strictly confidential.
    - It is recognized that a person’s job performance or academic studies may be affected by persons in the employee’s or student’s family who have alcohol, drug, or other emotional or behavioral problems. Therefore, the College will offer information services to these family members but accepts no further responsibility.
    - Use, distribution, or possession of alcoholic beverages, dangerous drugs, or controlled substances while on College property or at any authorized activity sponsored by or for any College-related organization, whether on or off campus, is subject to disciplinary action.

AIDS Policy

Del Mar College recognizes that Acquired Immune Deficiency Syndrome (AIDS) and HIV-related conditions such as AIDS-Related Complex (ARC) pose significant issues in an academic setting.

Because of the College’s commitment to maintaining a healthy and safe campus environment, the AIDS policy and other procedures emphasize the education of employees and students concerning AIDS and the management of each case of AIDS individually with sensitivity, flexibility, and concern for the affected individual as well as other employees and students.

You may obtain educational pamphlets on AIDS at the Office of the Dean of Student Engagement and Retention, the Office of Student Leadership and Campus Life, and the Student Enrollment Center in the Harvin Student Center (Heritage Campus), or the Coleman Center (Windward Campus). Students enrolled at the Del Mar College Oso Creek Campus may choose to travel to the Heritage or Windward Campus to access any student support services offered there. However, all student support services are available in person or virtually at the Oso Creek Campus.

These pamphlets were developed by the Texas Department of Health.

Del Mar College, in accordance with the Family Education Rights and Privacy Act of l974, shall not give specific or detailed information concerning complaints or diagnosis without the expressed written consent of the affected student or employee.

You will not be denied enrollment or the right to attend classes or participate in College functions solely on the basis of diagnosis or suspicion of having HIV, AIDS, or ARC. If a physician’s evaluation demonstrates that you are unable to perform academically or that continued attendance presents a health or safety risk to yourself or others, the administration will make a decision solely on such medical evaluation about continuation of enrollment.

Immunization Policy

Meningitis Vaccination Requirement (SB 1107)

Del Mar College is fully committed to providing our students with a safe and healthy learning environment in which to pursue their studies and attain their academic goals. Del Mar College also strives to ensure access and equity for each and every student wishing to attend Del Mar for their academic endeavors.

The 83rd Texas Legislature approved Texas Senate Bill 62, which requires all new Del Mar College students 21 years of age or younger to provide proof of immunization against meningitis starting January 1, 2014.

The proof of meningitis vaccination requirement applies to the following:

- All first-time freshmen
- All first-time transfer students

- All students enrolling in courses located on any Del Mar College campus who may have been previously exempt due to having been solely enrolled in 1) online or other distance education courses; 2) a continuing education course or program that was less than 360 contact hours, or a continuing education corporate training; or 3) a dual credit course, which was taught at a public or private K—12 facility not located on any Del Mar College campus.

The proof of meningitis vaccination requirement does not apply to the following:

- Students who are 22 years of age or older by the first day of the start of the semester; or
- Students enrolled in a continuing education course or program that is less than 360 contact hours, or continuing education corporate training who are not otherwise enrolled in any other course located on any Del Mar College campus.

Deadlines

Students must submit proof of meningitis vaccination prior to registering for classes. Students who fail to submit this documentation will have a registration hold, preventing them from registering. Documentation must be submitted to the Del Mar College Student Enrollment Center located in the Harvin Student Center, Room 127 (Heritage Campus) or in the Coleman Center, Room 106 (Windward Campus).

Proof of Meningitis Vaccination

A student shall submit any of the following forms of documentation listed as proof of having received a meningitis vaccination during the prescribed time period preceding enrollment:

1. Signed certification from a physician, a physician's designee or public health personnel that shows the month, day and year the meningitis vaccination was administered.
2. An immunization record from a state or local health authority or an official record received from school officials.

All documentation must be submitted to the Student Enrollment Center. Students may submit their documentation by fax, mail, or in person using the following information:

Del Mar College
Student Enrollment Center, Room 127
101 Baldwin Boulevard
Corpus Christi, Texas 78404-3897
Fax: (361) 698-1684

Failure to Provide Proof of Meningitis Vaccination

Students who fail to provide proof of meningitis vaccination will not be allowed to register until documentation has been submitted to the Student Enrollment Center.

Meningitis Vaccination Exemptions

A student is not required to submit evidence of receiving the vaccination against bacterial meningitis if the student submits to the institution one of the following:

1. An affidavit of certificate signed by a physician who is duly registered and licensed to practice medicine in the United States, stating that in the physician's opinion, the vaccination would be injurious to the health and well-being of the student. The MCV4 Health Exemption form can be found in the Meningitis Vaccine section of the Del Mar College website (https://www.delmar.edu/meningitis).
2. An affidavit signed by the student stating that the student declines the vaccination for reasons of conscience, including a religious belief. A conscientious exemption form (https://co-request-jc.dshs.texas.gov) from the Texas Department of State Health Services (DSHS) must be used.

Consultation with a Physician

Students are advised of the importance of consulting with a physician about the need for the immunization against bacterial meningitis to prevent the disease.

Additional Information

For additional information please contact the Del Mar College Student Enrollment Center at (361) 698-1290, by email at enroll@delmar.edu or in person at the Student Enrollment Center located in Harvin Center, Room 127 (Heritage Campus); Coleman Center, Room 106 (Windward Campus); or Main Central Building (Oso Creek Campus). Students may also visit the Meningitis Vaccine section of the Del Mar College website (https://www.delmar.edu/meningitis) to learn more about SB 62 and the meningitis requirement or to access exemption forms.

Additional Immunizations

Senate Bill 1517 (effective Fall 1991) gives Texas institutions of higher education the option of requiring you to prove that you have been adequately immunized for diphtheria, rubeola, rubella, mumps, tetanus, and poliomyelitis prior to admission.

The consequences of not being fully immunized are severe. An outbreak of any of these diseases can have a devastating impact on the campus community. Immunization is an integral part of preventive health care. Therefore, Del Mar College recommends that you be fully vaccinated prior to enrollment and that preventive vaccinations be taken when required.

If you are majoring in the health care fields, you must provide documented proof that you have been fully immunized.

For additional immunization information, you are encouraged to contact your family physician, the county health department, or the Immunization Division of the Texas Department of Health.

Health Care Students

These requirements apply to students enrolled in the health care majors who have direct or will have direct patient contact.

Immunizations and other requirements:

- Tetanus/Diphtheria: must have one dose within past 10 years.
- Measles: those born since January 1, 1957, must have two doses since 12 months of age. The two doses must be at least 30 days apart.
- Mumps: those born since January 1, 1957, must have at least one dose since 12 months of age.
- Rubella: at least one dose since 12 months of age is required.
- Hepatitis B: a complete series is required prior to beginning direct patient care.
- Tuberculosis test: must be performed annually.
- Criminal background check.

Bacterial Meningitis Information

This information is being provided to all college students in the state of Texas. Bacterial Meningitis is a serious, potentially deadly disease that can progress extremely fast—so take utmost caution. It is an inflammation of the membranes that surround the brain and spinal cord. The bacteria that causes meningitis can also infect the blood. This disease strikes about 3,000 Americans each year, including 100–125 on college campuses, leading to 5–15 deaths among college students every year.

There is a treatment, but those who survive may develop severe health problems or disabilities.

What are the symptoms?

- High fever
- Rash or purple patches on skin
- Light sensitivity
- Confusion and sleepiness
- Lethargy
- Severe headache
- Vomiting
- Stiff neck
- Nausea
- Seizures

There may be a rash of tiny, red-purple spots caused by bleeding under the skin. These can occur anywhere on the body.

The more symptoms, the higher the risk, so when these symptoms appear, seek immediate medical attention.

How is bacterial meningitis diagnosed?

- Diagnosis is made by a medical provider and is usually based on a combination of clinical symptoms and laboratory results from spinal fluid and blood tests.
- Early diagnosis and treatment can greatly improve the likelihood of recovery.

How is the disease transmitted?

- The disease is transmitted when people exchange saliva (such as by kissing, or by sharing drinking containers, utensils, cigarettes, toothbrushes, etc.) or come in contact with respiratory or throat secretions.

How do you increase your risk of getting bacterial meningitis?

- Exposure to saliva by sharing cigarettes, water bottles, eating utensils, food, kissing, etc.
- Living in close conditions (such as sharing a room/suite in a dorm or group home).

What are the possible consequences of the disease?

- Death (in 8 to 24 hours)
- Permanent brain damage
- Kidney failure
- Learning disability
- Hearing loss, blindness
- Limb damage (fingers, toes, arms, legs) that requires amputation
- Gangrene
- Coma
- Convulsions

Can the disease be treated?

- Antibiotic treatment, if received early, can save lives and chances of recovery are increased. However permanent disability or death can still occur.
- Vaccinations are available and should be considered for the following:
    - Those living in close quarters
    - College students 25 years old or younger
- Vaccinations are effective against four of the five most common bacterial types that cause 70 percent of the disease in the U.S. (but does not protect against all types of meningitis).
- Vaccinations take seven to 10 days to become effective, with protection lasting three to five years.
- The cost of vaccine varies, so check with your health care provider.
- Vaccination is very safe, with the most common side effects being redness and minor pain at the injection site for up to two days.
- Vaccination is available at your health care provider.

How can I find out more information?

- Contact your own health care provider.
- Contact your local or regional Texas Department of Health office at (361) 888-7762.
- Visit the American College Health Association website (https://www.acha.org).

Your Rights, Responsibilities, Safety

Campus Security and Safety

Campus Security

Campus Security is responsible for protecting College students, faculty, staff, and property. Campus Security is comprised of 24-hour contracted security personnel. Uniformed Off-Duty CCPD Officers patrol the College's properties during academic hours.

Reports

All incidents, thefts or other criminal offenses on College property are handled by Campus Security to provide a safe and secure College environment. You can assist Campus Security by reporting the following:

- Crime, no matter how insignificant it may seem.
- Suspicious activity.
- Suspicious persons on campus.
- Seriously ill or injured persons (call 911 for an ambulance and then notify Campus Security).

Your report may prevent a crime.

Services

- Monitor and patrol the College's properties 24 hours per day.
- Provide first aid to injured persons.
- Safety escorts to vehicles, when requested.
- Escorts to and from classes, depending on circumstances, when requested by College administrators.
- Addressing classes or groups regarding crime prevention and safety awareness.

Campus Security is located in the Physical Facilities Offices on the Heritage Campus, in the Coleman Center on the Windward Campus, and in the Main Central Building at the Oso Creek Campus. Individuals are encouraged to contact security 24 hours a day, seven days a week, as necessary.

Contact Information

Emergency: 911 (for Heritage Campus, Windward Campus, Oso Creek Campus, Del Mar College Center for Economic Development)

Non-Emergency: (361) 698-1946 (for Heritage Campus, Windward Campus, Oso Creek Campus, Del Mar College Center for Economic Development)

DMC e-Tips

The DMC e-TIPS form (https://delmar.edu/current-students) is designed to assist you in submitting anonymous crime tips that are not life threatening and do not need immediate emergency assistance.

Crime Statistics

The Crime Awareness and Campus Security Act of 1990 requires educational institutions to keep and to report statistics of certain crimes occurring on campus that are reported to campus authorities during the most current year. These statistics are available in the Office of the Dean of Student Engagement and Retention in the Harvin Student Center (Heritage Campus) or in the Chief of Police's Office in the Harvin Center (Heritage Campus). Information is also available by visiting the General Safety Information section of the Del Mar College website (https://www.delmar.edu/current-students/student-right-to-know/disclosure.html).

Your Rights, Responsibilities, Safety

Parking

The operation of a motor vehicle on Del Mar College property is governed by College policies and regulations. Del Mar College follows state laws and vehicles shall have current state registration and at a minimum, liability insurance.

The fact that a violation notice is not issued when a violation occurs does not imply that the regulation or rule is not in effect. Each operator is responsible for knowing and following the parking rules and regulations.

Campus Security has been charged with the authority to enforce these regulations, including the right to tow vehicles for specific violations and repeat violators. The owner or operator of a towed vehicle is responsible for the cost of towing and storage fees in addition to any other fines.

Proof that a parking or traffic control device, sign, signal, or marking was in place at any location on the campus shall constitute prima facie evidence that it was official and was installed under proper authority by College, city, state, and federal guidelines.

The College assumes no responsibility for any vehicle or its content while the vehicle is parked or operated on College property. All vehicle operators should lock or otherwise secure their vehicles when parked on any campus of Del Mar College.

Your Rights, Responsibilities, Safety

Summary

Your conduct and safety are a priority at Del Mar College.

Telephone Directory

For advisor contact information by program, please see the Academic Advising Directory.

To hear and navigate through Del Mar College's directory of information and services over the phone, please call (361) 698-1970 or 1-800-652-3357.

If the number you are looking for is not listed here, you may contact the Campus Operator at (361) 698-1200.

Instructor/Academic Coordinator for PTA Clinical Education

AAS, Del Mar College; BS, Pima Medical Institute

Rivera, Augustin, Jr.

General Counsel

BA, Yale University; JD, Stanford Law School

Rivera, Gary

Dual Enrollment Specialist

BS, Texas A&M University-Corpus Christi; MS, Texas A&M University-Kingsville; MS, Texas A&M University-Corpus Christi

Rivera, Leonard

Vice President of Dual Enrollment and Continuing Education

BBA, Texas A&M University-Corpus Christi; MBA, Texas A&M University-Corpus Christi; MS, Texas A&M University-Corpus Christi; MPA, Texas A&M University-Corpus Christi; PhD, Texas A&M University

Robbins, Mark

Professor of History

BA, University of Michigan; MA, Brown University; PhD, Brown University

Robles, Luis

Technology Support Coordinator-Oso Creek Campus, Information Technology

AAS, Del Mar College

Rodriguez, Amy

Business Advisor, Small Business Development Center

BS, Texas Tech University

Rodriguez, Bert N.

Program Director/Professor of Pharmacy Technology

AAS, Del Mar College; BS, Texas A&M University-Kingsville

Rodriguez, Catherine

Associate Professor of Radiologic Technology/Radiation Safety Officer

AAS, Del Mar College; BSRS, Midwestern State University

Rodriguez, John

Compliance Manager

Rodriguez, Marissa

Dual Enrollment Specialist, Dual Enrollment Programs

Rodriguez-Ureste, Priscilla, RN

Nurse Aide Instructor

Certificate, Southern Careers Institute

Rollins, Melissa K.

Advocacy Specialist, Center for Access and Advocacy

AA, Del Mar College; BA, Texas A&M University-Corpus Christi; MS, Texas A&M University-Corpus Christi

Rosas, Rodolfo

Instructor of Transportation Training Services, Workforce Programs, and Corporate Services

Ruelas, Deandra

Assistant Director of Human Resources

BA, Saint Leo University

Ruiz, Joseph

Director of Financial Aid

BA, Texas A&M University-Kingsville; MS, Texas A&M University-Corpus Christi

Ruiz, Kezia S.

Associate Professor of English

BA, Baylor University; MA, Baylor University

Ruiz, Roberto

Interim Program Co-Director/Associate Professor of Emergency Medical Services Professions

AAS, Del Mar College; BAAS, West Texas A&M University

Rupp, Richard

Professor of Mathematics

BA, St. Olaf College; MS, University of Tennessee

S

Sáenz, Marissa

Instructor/Campus Librarian-Oso Creek

BA, The University of Texas at San Antonio; MEd, Our Lady of the Lake University; MLIS, Rutgers University; MPA, University of North Carolina at Chapel Hill

Sáenz, Monique A. J.

Professor of Psychology

BA, University of Kentucky; MS, University of Kentucky

Sáenz, Ray

Professor of Psychology

BA, Texas A&I University; MA, University of Chicago

Saiz, Angela

Director of Corporate Service Grants

BA, Texas A&M University-Corpus Christi; MA, Texas A&M University-Corpus Christi

Salazar, Stefanie

Assistant Director of Admissions, Student Enrollment Center

AA, Del Mar College; BAS, Texas A&M University-Corpus Christi

Salazar Mondragon, Debbie A.

Student Enrollment Specialist, Student Enrollment Center

AA, Del Mar College; BBA, Texas A&M University-Corpus Christi

Saldaña, Juan R.

Instructional Designer, eLearning

BFA, Texas A&M University-Kingsville; MS, Texas A&M University-Kingsville

Salinas, John P., CPPB

Assistant Director of Purchasing

BBA, Texas A&M University-Corpus Christi

Salinas, Rebecca

Director of Career and Industry Training

BA, Texas A&M University-Kingsville; MS, Texas A&M University-Kingsville

Sanchez, Gregory

Assistant Professor of Management

AA, Del Mar College; BS, Kaplan University; MBA, Kaplan University

Sanchez, Linda

Program Manager, CE Health Care

AAS, Del Mar College

Sanchez, Mark

Assistant Professor of Occupational Safety and Health Technology

Certificate, Columbia Southern University; AAS, Columbia Southern University; AS, Columbia Southern University; BAS, Columbia Southern University; MS, Columbia Southern University

Sanchez, Mary

Associate Registrar, Registrar Office

BS, Texas A&M University-Corpus Christi

Sanchez, Nelda

Architecture/Drafting Technology CTE Advisor, Architecture, Aviation and Automotive

BS, University of the Incarnate Word

Sanders, Cheryl G.

Associate Vice President for Student Affairs

BS, Mississippi State University; MS, Mississippi State University

Saucedo, Claudia

Phlebotomy/EKG Instructor

Certificate, American Allied Health

Saumby, Sydney L.

Associate Vice President of Institutional Effectiveness and Academics

BA, Texas State University; MS, Texas A&M University- Corpus Christi; PhD, Texas State University

Schicker, Brittany

Manager of Institutional Effectiveness

AA, Del Mar College; BA, Texas A&M University-Corpus Christi; MA, Texas State University

Schmidt, Michael S.

Program Director of Fire Academy/Fire Science/Assistant Professor of Fire Science

AAS, Del Mar College; BS, Columbia Southern University

Schneider, Theresa, RN

Assistant Professor of Nurse Education

AAS, Del Mar College; BSN, American Sentinel University; MSN, Capella University

Schutz-Shelton, Sally

Assistant Professor, English

BA, Texas A&M University-Corpus Christi, MA/Ph.D., Texas A&M University

Seehorn, Crystal

Community Relations Manager, College Relations

BA, Texas A&M University-Corpus Christi

Sepulveda, Eva, RDH

Program Director of Dental Assisting and Dental Hygiene/Associate Professor of Dental Hygiene

AAS, Del Mar College; AS, Austin Peay State University; BS, Texas A&M University-Corpus Christi; MS, Texas A&M University-Corpus Christi

Shafiee, Ahmad

Assistant Instructor of Mathematics

AS, South Plains College; BS, Texas A&M University-Corpus Christi; MS, Texas A&M University-Corpus Christi

Shaw, Darcy

Cyber Center Program Manager, Small Business Development Center

BA, The University of Arizona Global Campus

Shelton Flinn, Sandra D.

Associate Professor of Cosmetology

Certificate, Del Mar College; AA, Del Mar College; BS, Texas A&M University-Corpus Christi; MS, Texas A&M University-Corpus Christi

Sherani, Khalid

Medical Director of Respiratory Therapy

MD, St. George’s University School of Medicine

Shheber, Nedal

Associate Professor of Computer Science/Engineering

BS, Prairie View A&M University; MS, Texas A&M University-Kingsville; MS, Texas A&M University-Kingsville

Shollenberger, James

Professor of Mathematics

BA, California State University, Los Angeles; MS, California State University, Los Angeles

Sisauyhoat, Neil

Professor of Music

BM, Lawrence University; MM, The New School University; DMA, University of Michigan

Skinner, Melody, RN

Associate Professor of Nurse Education

AHS, Trident Technical College; BSN, University of Kentucky; MSN, University of Kentucky; DNP, Western University of Health Sciences

Smith, Jacqueline

Phlebotomy/EKG Instructor

Certificate, Health Professionals

Solano, Zachary

Student Enrollment Specialist, Student Enrollment Center

BA, Texas A&M University-Corpus Christi

Solis, Michael J.

Software Developer III, Information Technology

AAS, Del Mar College

Solis, Rodolfo

Instructor of Instrumentation

AAS San Jacinto College

Soliz, Cynthia A.

Advisor, Health Sciences

BBA, Texas A&M University-Corpus Christi

Soliz, Joel A.

Senior Director of Foundation Finance and Operations, Foundation Services

BA, Texas A&I University

Song, Sul

Associate Professor of Mathematics

MS, Texas A&M University-Corpus Christi

Sorrell, Margot L.

Assistant Instructor with the Stone Writing Center

BA, Our Lady of the Lake University of San Antonio

Soto, Angela N.

Assistant Professor of Dental Assisting

Certificate, Del Mar College; BS, Texas A&M University-Corpus Christi; MS, Texas A&M University-Corpus Christi

Southard, Jack

Dean, Division of Science, Technology, Engineering, Math, Kinesiology, and Education/Professor of Chemistry

BS, Texas A&I University; MS, Texas A&I University; PhD, Texas A&M University

Spohn, Zachary

Lead AV/Computer Technology Specialist, Information Technology

AAS, Del Mar College

Sramek, Jennifer

Dean, Division of Business, Entrepreneurship, and Health Sciences

BBA, The University of Texas at Austin; MBA, Texas A&M University-Kingsville; EdD, Kansas State University

Stewart, Shane C.

Research Associate III, Planning and Institutional Effectiveness

BA, Eastern Kentucky University; MA, Ohio University

Stineman, Michael C.

Program Manager, Corporate Services

BS, Southwestern Oklahoma State University

Stinson II, Valton

Project Director, TRIO Student Support Services

BA, Texas A&M University-Kingsville; MS, Texas A&M University-Kingsville

Stone, Bryan E.

Professor of History

BA, The University of Texas at Austin; MA, University of Virginia; PhD, The University of Texas at Austin

Stuber, Monica

Program Manager of Contractor Resource Center, Small Business Development Center

Stuive, Melissa

Chairperson, Department of Public Service/Program Co-Director/Professor of Emergency Medical Services Professions

AAS, Del Mar College; BS, The University of Texas Health Science Center at San Antonio; MEd, Concordia University

Sturman, Susan

Professor of Cello

BM, Baldwin-Wallace College; MM, Northwestern University

Sullivan, Joel S.

Director of Enterprise Application Services, Information Technology

BS, Texas A&M University-Corpus Christi

Sullivan, Kellie

Instructor of Child Development/Early Childhood

BS, Iowa State University; MEd, University of Houston

Sullivan, Lisa A.

Internet Specialist II, Information Technology

AA, Del Mar College

Sutanto, David

Professor of Music

BM, The Boston Conservatory; MM, Manhattan School of Music; DMA, University of Cincinnati

T

Tisdale, Wayne T.

Assistant Professor of Criminal Justice

AA, Broward College ; BA, University of Texas at San Antonio, MA, Corpus Christi State University, MPA, Texas A&M University - Corpus Christi

Torres, Liza

Assistant Professor of Dental Assisting

Certificate, Del Mar College; AAS, Del Mar College; BAAS, University of the Incarnate Word

Turruviate, Vera

Phlebotomy/EKG Instructor

Certificate, Coastal Bend College

Tweddle, Jack C.

Director of Environmental Health and Safety

BS, National University

U

Ude, Celeste

Career Navigator-ESL, Adult and Community Education

MS, Texas A&M University-Kingsville

Urbick, Kristy M.

Chairperson, Department of Kinesiology and Education/Associate Professor of Kinesiology

AA, San Joaquin Delta College; BA, Azusa Pacific University; MS, California State Polytechnic University; Ed.D., Kansas State University

V

Valerio, Sandra

Professor of English

AA, Del Mar College; AAS, Community College of the Air Force-Air University; BA, Texas A&M University-Corpus Christi, MA, Texas A&M University-Corpus Christi

VanBrunt, Adrienne

Project Coordinator, Executive Vice President and Chief Operations Office

MBA, Texas A&M University-Kingsville

Vasquez, Adria R.

Assistant Professor of Accounting

BBA, The University of Texas at Austin; MPA, The University of Texas at Austin

Vega, Christin

Program Director/Professor of Diagnostic Medical Sonography

AAS, Del Mar College; BS, Texas A&M University-Corpus Christi; MS, Texas A&M University-Corpus Christi

Vela, Domingo

Chairperson, Department of Industrial Technology/Professor of Welding Applied Technology

Certificate, Del Mar College; AAS, Del Mar College; BS, Texas A&M University-Corpus Christi; MS, Texas A&M University-Corpus Christi

Vela, Mark

Instructor of Transportation Training Services, Workforce Programs and Corporate Services

Villanueva, Israel

Associate Professor of Culinary Arts

AAS, Central Texas College; BS, University of Maryland University College; MS, Texas A&M University-Corpus Christi; MS, Texas A&M University-Corpus Christi

Villarreal, Albert

Instructor of Emergency Medical Services Professions

AAS, Del Mar College

Villarreal, Maria

Career Development Counselor/Career Development

BA, Texas A&M University-Corpus Christi

Villarreal, Natalie

Associate Vice President of External and Government Affairs and Strategic Planning

BA, The University of Texas at Austin; MA, St. Edward's University; EdD, Kansas State University

Villarreal, Omar

Director of Student Success Center and Testing

BA, Texas A&M University-Kingsville; MA, Texas A&M University-Kingsville

Villegas, Anna D.

Testing Examiner, Testing Center

BS, Texas A&M University-Corpus Christi; MS, Texas A&M University-Kingsville

Vinson, Kelly

Associate Professor of Sociology

BA, Alfred University; PhD, Texas A&M University

W

Waite, Brad

Instructor, Air Conditioning

AAS, Del Mar College

Wallace, Kimberly

Associate Professor of Biology

BS, Old Dominion University; MS, Eastern Virginia Medical School; PhD, Eastern Virginia Medical School

Wallace, Raymond

Assistant Professor of Automotive Applied Technology

AAS, Del Mar College; BS, Texas A&M University-Corpus Christi; MS, Texas A&M University-Corpus Christi; MEd, University of Houston-Victoria

Walter, Patricia

Professor of Reading

AA, Del Mar College; BS, Texas A&M University-Corpus Christi; MS, Texas A&M University-Corpus Christi; PhD, Texas A&M University

Watson, Elizabeth

Coordinator, Dual Enrollment Programs

BA, Sul State University

Weller, Thomas

Reports Program Manager, Institutional Effectiveness and Academics

BA, Indiana State University

West, Catherine M.

Director of Accounting and Budget Officer

BBA, Texas A&M University-Corpus Christi; MS, Texas A&M University-Corpus Christi; EdD, Texas Tech University

Westergren, Kathleen M.

Outreach and Instruction Librarian/Assistant Professor of Learning Resources

BA, University of North Texas; MBA, University of North Texas

Wharton, Misty, RDH

Associate Professor of Dental Hygiene

AAS, Del Mar College; BS, The University of Texas Health Science Center at San Antonio; MS, Texas A&M University-Corpus Christi

White, Lauren M.

Chief of Police

AA, Del Mar College; BS, Texas A&M University-Corpus Christi; MS, Texas A&M University-Corpus Christi

Whiting, Zenetta

Academic Advisor/Tutor Coordinator, Educational Opportunity Center

BA, Siena Heights University

Whittington, Michael

Assistant Instructor of Architecture/Drafting Technology

Certificate, Del Mar College; AAS, Del Mar College; AAS, Del Mar College

Williams, Karen N., MHIM, RHIA, CPHQ, CHTS-TR

Program Director/Professor of Health Information Technology

BS, University of Louisiana at Lafayette; MHIM, Louisiana Tech University

Wilson, Jezreel

Assistant Director of Instruction and Curriculum

Wilson, Josie

Assistant Instructor, Dental Hygiene

BAS, Texas A&M University-Corpus Christi

Wilson, Leticia J.

Director of Advising Initiatives

BS, Wilberforce University; MEd, Antioch University McGregor

Wiltshire, Cristina

Professor Emeritus of Child Development/Early Childhood

BA, Texas A&I University-Kingsville; MS, Corpus Christi State University; PhD, The University of Texas at Austin

Campuses and Centers

Location Information

Heritage Campus

101 Baldwin Boulevard
Corpus Christi, TX 78404
(361) 698-1200

The Heritage Campus contains classroom and laboratory facilities for programs in Arts and Sciences and in Business, those considered core courses for a bachelor's degree. The Bachelor of Applied Science in Organization Management and Leadership is also based at the Heritage Campus, with courses offered online. Core classes for the RN to BSN program take place here.

Windward Campus

4101 Old Brownsville Road.
Corpus Christi, TX 78405
(361) 698-1200

The Windward Campus is home to cutting-edge facilities for the health sciences, emerging technologies, public service, and industrial and technical education programs. The College’s first bachelor’s degree program, RN to BSN, is offered here.

Oso Creek Campus

7002 Yorktown Boulevard
Corpus Christi, TX 78414
(361) 698-1200

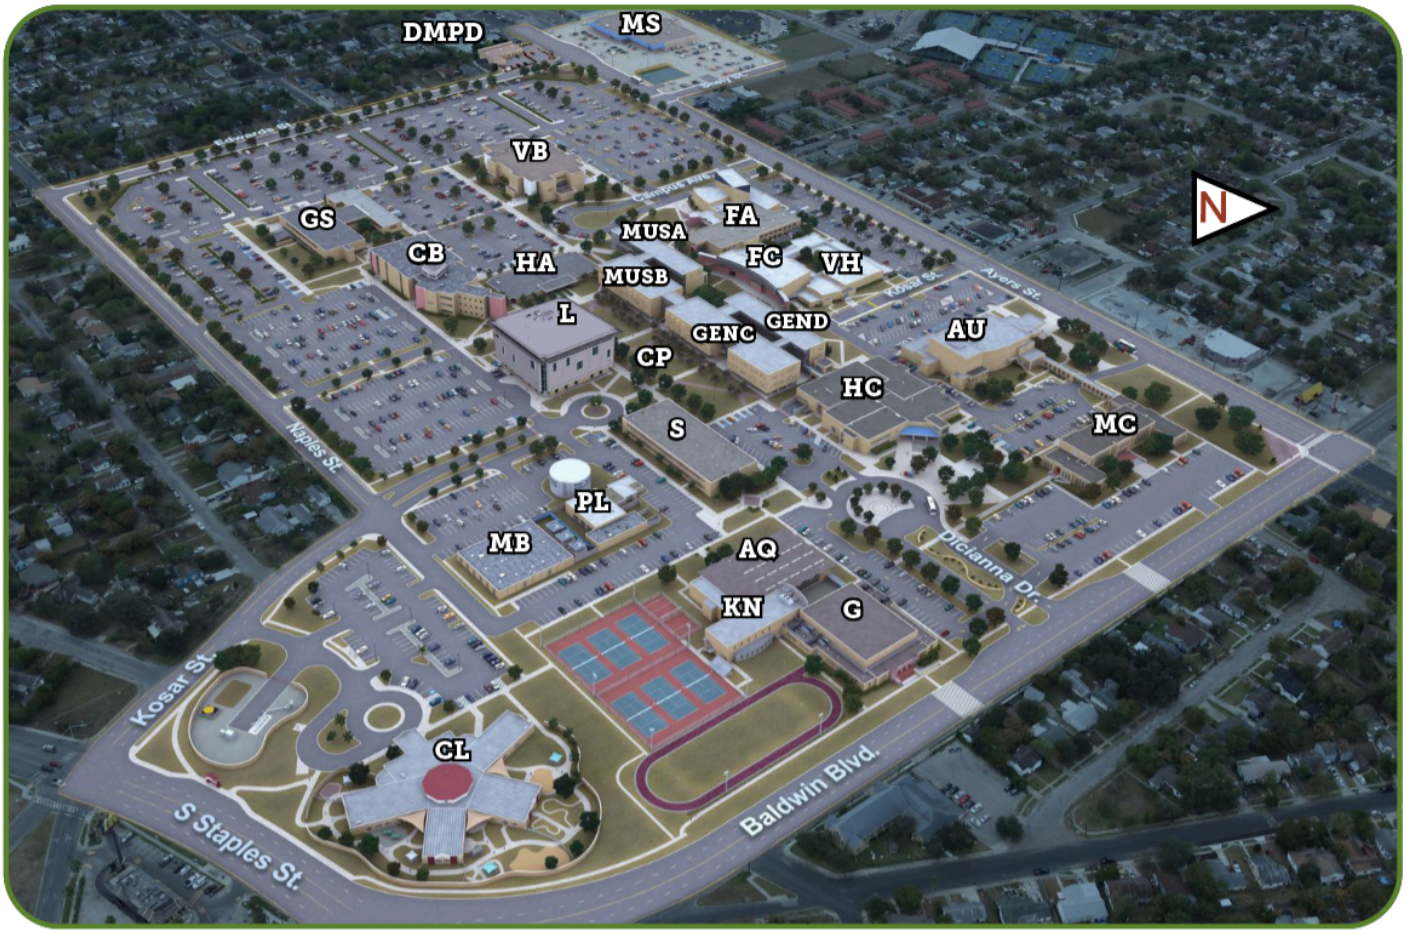

The new Oso Creek Campus houses “Centers of Excellence” for three areas of study: 1) Architecture and Drafting Technology; 2) Biology, Biotechnology and Biomanufacturing (biosciences); and 3) Hospitality and Culinary Arts. The state-of-the-art Culinary Institute is the only one of its kind in the region.

Center for Economic Development (CED)

3209 South Staples Street
Corpus Christi, TX 78411
(361) 698-1200

The CED houses workforce and personal enrichment programs, Small Business Development Center, Del Mar College Foundation and more.

Actual Credits 3

Courses
- AS Biology Electives

Actual Credits 3

Courses
- BIOL2416 - Genetics

Actual Credits 4

Information and Additional Notes

Approved Course Options

Recommended Electives (choose 6 hours): MATH 1316, MATH 1342, MATH 2312, MATH 2413, ENGL 2311, SPCH 1315, SPCH 1321, KINE 1164, EDUC 1100, CHEM 2323 and CHEM 2123, CHEM 2325 and CHEM 2125, BIOL 2306 and BIOL 2106, BIOL 1414 and BIOL 1415, and PHYS 1401. Other courses may satisfy the 6 hours of electives.

Additional Information

Courses in bold type satisfy Del Mar College Core Curriculum.

Minimum Degree Requirements

For the Associate of Science Biology Degree, a minimum of 60 hours chosen from the above plan to include the Core Curriculum (42 hours), BIOL 2416, BIOL 2421, CHEM 1412, and 6 hours of recommended electives (see Recommended Electives list above).

BIOL 1414, BIOL 1415: TAMU-CC (a) B.S. Biology degree plan (Cell/Molecular only); (b) BIMS Pre-professional; (c) University Studies

Students should check specific requirements of the college or university to which they plan to transfer.

Information and Additional Notes
Program Student Learning Outcomes
• New Technologies - Students will demonstrate a variety of technical skills and knowledge in new fabrication technologies such as 3D printing, CNC machines, and Lasercutting and associated software. Students will also demonstrate an understanding of how to prepare digital files for fabrication on various equipment.
• Design Concepts for Manufacturability - Students will demonstrate knowledge and skills in Design for Manufacturability through development of 3D prototypes using industry required software skills.
• Materials and Methods - Students will demonstrate knowledge and skills in a variety of fabrication materials and techniques to develop prototypes.

Information and Additional Notes

Courses in bold type meet General Education requirements for Del Mar College Associate of Applied Science degrees.
Approved Elective: CDEC 1321, CDEC 1341, CDEC 1394, CDEC 1396, CDEC 2341, CDEC 2326, CDEC 2328, KINE 1304, KINE 1306, or SLNG 1317, a Computer Elective, or college-level MATH not counted towards core if needed for transfer.
Social and Behavioral Sciences Core Elective: PSYC 2301, SOCI 1301, SOCI 1306, SOCI 2301, or SOCI 2319.
ENGL 1301, SPCH 1311 or SPCH 1315, and Core Electives: Placement test scores may indicate need for developmental work to prepare for these courses.

Information and Additional Notes

This degree does not meet the 42 semester credit hour core requirement for associate degrees.
ENGR 1201: accepted for EEEN 1201, Introduction to Electrical Engineering.
ENGR 2304: accepted for CSEN 2304, Introduction to Computer Science.
ENGR 2406: accepted for EEEN 2340, Digital Logic Design.
COSC 2325: accepted for EEEN 3449, Microprocessor Systems.
ENGR 2305: accepted for EEEN 2323, Network Analysis I.
This plan does not fit Bachelor of Science in Electrical Engineering programs at all universities. Students must check specific requirements of the college or university to which they plan to transfer.

Information and Additional Notes

Students must choose a single Electrical Track from the options presented in the Tracks for AAS Electrician Degree section of this program plan. When prompted to select a Track course, please refer to the courses offered by the selected Track

TRACKS FOR AAS ELECTRICIAN DEGREE

Residential/Commercial Electrician

1. ELPT 1329 Residential Wiring
2. ELPT 1345 Commercial Wiring
3. ELPT 2325 National Electrical Code II
4. ELPT 1351 Electrical Machines
5. ELPT 2337 Electrical Planning and Estimating
6. HART 1311 Solar Fundamentals
7. HART 1393 Special Topics in Solar Technology/Technician

Industrial Electrician

1. ELPT 2347 Electrical Testing and Maintenance
2. ELPT 1357 Industrial Wiring
3. ELPT 2305 Motors and Transformers
4. ELPT 2331 AC/DC Drives
5. INTC 2336 Distributed Control and Programmable Logic
6. INTC 2330 Instrumentation Systems Troubleshooting

7. INTC 1341 Principles of Automatic Control

Lineworker

1. LNWK 1211 Climbing Skills
2. LNWK 1241 Distribution Operations
3. LNWK 2321 Live Line Safety
4. LNWK 2322 Distribution Line Construction
5. LNWK 1231 Transformer Connections
6. LNWK 2324 Troubleshooting Distribution Systems
7. HYDR 1301 Rigging and Conveying Systems
8. CVOP 1381 CDL Class A

Information and Additional Notes
Courses in bold type satisfy Del Mar College Core Curriculum.
This plan does fit most but not all Bachelor of Applied Science (Digital Mapping) and Bachelor of Science in Geographic Information Science (GIS) programs at all universities. Students are advised to consult an academic advisor concerning specific transfer to BAS, BS and BA programs in GIS Geology, Geography and Environmental Science. Students must check specific requirements of the college or university to which they plan to transfer.
The student should be especially cognizant of choices applied to Life and Physical Sciences (BIOL, CHEM, GEOL or PHYS w/lab) and ENGR 1304 or DFTG 1309 as to how they pertain to the student's chosen transfer plan into BA, BS or BAS university programs.

Actual Credits 3

Information and Additional Notes
It is strongly suggested that the student complete ITSC 1301 or COSC 1301 before starting GISC 1311.
It is strongly suggested that the student select the courses that best fit their academic and occupational goals.
If not already applied in the requirements for GIS - Level I, Occupational Skills Award (GIMA.OSA), the student can use either GISC 1421 or GISC 1491 to fulfill the requirements for GIS - Level II, Occupational Skills Award (GIMS.OSA). The student can use either GISC 2131 or GISC 1372. To fulfill the requirements for GIS - Level II, Occupational Skills Award (GIMS.OSA).
Students should meet with their advisor concerning GIS occupational plan. Consult your academic advisor about the stackable GISC awards, certificates and degrees. Students considering transferring to a four-year degree program at a university should consult an advisor. Many courses from CGIS.AAS Occupational Degree will transfer. Consult your program advisors.
If not already applied in the requirements for GIS - Level I, Occupational Skills Award (GIMA.OSA) the student can use either GISC 1421 or GISC 1491 to fulfill the requirements for GIS - Level II, Occupational Skills Award (GIMS.OSA). The student can use either GISC 2131 or GISC 1372 to fulfill the requirements for GIS - Level II, Occupational Skills Award (GIMS.OSA).

Geographic Information Systems Analyst, Level II - Certificate

About the Program

Program Title
Geographic Information Systems Analyst

Program Type
Level II - Certificate

Program Code
GISC.CER2

Catalog Display Name
Geographic Information Systems Analyst - Level II, Certificate

Degree Plan

Total Credits
41

Semester	Actual Credits
First Semester	16

Courses
- GISC1311 - Intro to Geographic Info Systems

Actual Credits 3

Courses
- ENGL1301 - COMPOSITION I

Actual Credits 3

Courses
- GISC2420 - Intermediate Geographic Info Sys (GIS)

Actual Credits 4

Courses
- ITSE1329 - Programming Logic and Design

Actual Credits 3

Courses
- MATH1314 - College Algebra

Actual Credits 3

Semester	Actual Credits
Second Semester	17

Courses
- GISC1421 - Intro to Raster-Based (GIS)

Actual Credits 4

Courses
- ITSE1303 - Introduction to MySQL

Actual Credits 3

Courses
- GISC1491 - Special Top: Cartography (GIS)

Actual Credits 4

Courses
- GISC2301 - Data Acquisition/Analysis GIS

Actual Credits 3

Courses
- GISC1372 - Intro to Artificial Intelligence

Actual Credits 3

Semester	Actual Credits
Third Semester	8

Courses
- COSC1436 - Programming Fundamentals I

Actual Credits 4

Courses
- GISC2335 - Programming for Geographic Info Systems

Actual Credits 3

Courses
- GISC2131 - Advanced Problems in Geographic Info Sys

Actual Credits 1

Information and Additional Notes
Students pursuing this award program are required to meet Texas Success Initiative (TSI) standards and course requirements.
It is strongly suggested that students complete ITSC 1301 or COSC 1301 before starting GISC 1311.
It is strongly suggested that students select the courses that best fit their academic and occupational goals.
Students should meet with their advisor concerning GIS occupational plan.
Consult your academic advisor about the stackable GISC awards, certificates, and degrees. Students considering transferring to a four-year degree program at a university should see an advisor. Many courses from CGIS.AAS Occupational Degree will transfer. Consult your program advisors.

Geographic Information Systems-Drafting, Occupational Skills Award

Actual Credits 2

Information and Additional Notes

Courses in bold type meet General Education requirements for Del Mar College Associate of Applied Science degrees.
Students pursuing this award program are required to meet Texas Success Initiative (TSI) standards and course requirements.
It is strongly suggested that the student complete ITSC 1301 or COSC 1301 before starting GISC 1311.
Students may select either ITSE 1359 or COSC 1347 to meet requirements for the GIS-AAS (CGIS.AAS).
Students may select either GISC 2131 or GISC 1372 to meet requirements for the GIS-AAS (CGIS.AAS).
Creative Arts Core Elective: ARTS 2356 is strongly suggested.
It is strongly suggested that students select courses that bests fit their academic and occupational goals. Students should meet with their advisor concerning GIS occupational plan. Many courses from CGIS.AAS Occupational Degree will transfer. Consult your program advisors.
Students considering transferring to a four-year degree program at a university should see an advisor.

Information and Additional Notes

Students pursuing this award program are required to meet Texas Success Initiative (TSI) standards and course requirements.
It is strongly suggested that students complete ITSC 1301 or COSC 1301 before starting GISC 1311. The student can use either GISC 1421 or GISC 1491 to fulfill the requirements for Information Technology Essentials: GIS Certificate I (ITEG.CER1). The student can apply either GISC 2131 or GISC 1372 to fulfill the requirements for GIS - Level II, Occupational Skills Award (GIMS.OSA).
It is strongly suggested that students select the courses that best fit their academic and occupational goals. Student should meet with their advisor concerning GIS occupational plan. Consult academic advisor about the stackable GISC awards, certificates, and degrees. Students considering transferring to a four-year degree program at a university should see an advisor. Many courses from CGIS.AAS Occupational Degree will transfer. Consult your program advisors.

Actual Credits 3

Information and Additional Notes

This degree does not meet the 42 semester credit hour core requirement for associate degrees.

The College has articulation agreements for this program with Texas A&M University-Corpus Christi and Texas A&M University-Kingsville.

This plan does not fit Bachelor of Science in Mechanical Engineering programs at all universities. Students must check specific requirements of the college or university for which they plan to transfer.

Students should check specific requirements of the college or university to which they plan to transfer.
Students who have piano as their major instrument may omit MUSI 1181, MUSI 1182, MUSI 2181, and MUSI 2182.
Keyboard majors should be continuously enrolled in MUEN 1136 (piano accompanying).
Communications Core Elective: ENGL 1302, SPCH 1311, SPCH 1315, or SPCH 1321.
Music Electives: MUAP 1100 series; MUEN 1128-MUEN 1134, MUEN 1137-MUEN 1139 or MUEN 1151-MUEN 1152.
MUEN Ensemble Electives: MUEN 1121, MUEN 1122, MUEN 1135, MUEN 1136, or MUEN 1141. Guitar majors may substitute MUEN 1135 for the Major Ensemble requirement. Piano majors may substitute MUEN 1136 for the Major Ensemble requirement.

Information and Additional Notes

Students enrolled in Computer Information Systems and Advanced Technology certificates and/or AAS degree programs should complete the CIS Foundations (OSA) award or have documented evidence of college-level course work or industry experience including basic keyboarding skills. Courses in CIS Foundations (OSA) award provide foundational knowledge and skills necessary for student success in Level I or higher certificates and Associate of Applied Science degrees.

Information and Additional Notes

Degree Requirements

• Successfully complete 120 semester credit hours, comprised of 87 semester credit hours that includes 42 semester credit hours of general education core coursework along with 45 semester credit hours of associate of applied science courses, with the remaining 33 semester credit hours earned in the BAS track.

Additional Information

Courses in bold type meet General Education requirements for Del Mar College Associate of Applied Science degrees.

The Bachelor of Applied Science: Organizational Management & Leadership program (BAS-OML) examines management in organizations within a foundational business, leadership, and soft skills framework. The BAS-OML degree plan expands upon AAS training garnered from a wide range of DMC and approved externally transferable workforce programs. The degree is 120 semester credit hours (SCH), which includes 42 SCH of core curriculum (required by Texas); 45 SCH of professional development electives; and 33 SCH of applied major courses.

1. Applied Major Courses (33 SCH): Upper-Level Organizational Leadership courses. These 11 courses are delivered online with competency-based education.
2. Core Curriculum (42 SCH): General Education courses from the Del Mar College Core Curriculum. These may be taken face to face, hybrid, or online.
3. Professional Development Electives (42 SCH): Courses transferred from an approved associate of applied science degree feeder program or other electives.

Actual Credits 3

Courses
- LGLA2266 - Practicum: Legal Assistant/Paralegal

Actual Credits 2

Courses
- LGLA Elective

Actual Credits 3

Information and Additional Notes

LGLA 2266 requires the intern to work a minimum of 224 hours during the 16 week semester (approximately three and a half months long).
The student will select a minimum of two LGLA electives for the advanced certificate program.
The program does not qualify a graduate to take a State Bar Exam, represent clients in court, give legal advice or provide independent legal services directly to the public except as permitted by law.

Information and Additional Notes

This degree plan follows the THECB Radio and Television Field of Study course curricula (COMM 1307, COMM 1336, COMM 2303, COMM 2339). Students should check specific requirements of the college or university to which they plan to transfer. In consultation with a department advisor, a specific degree plan will be completed. The Texas Higher Education Board has suspended the Radio and Television Field of Study until further notice. For additional information, please contact the Department of Communications, Languages and Reading.

Actual Credits 3

Information and Additional Notes

Degree Requirements

• Successfully complete 120 semester credit hours, comprised of 90 semester credit hours that includes 54 semester credit hours of general education core coursework along with 36 semester credit hours of associate degree nursing courses, with the remaining 30 semester credit hours earned in the RN to BSN track.

• Have a minimum of a “C” grade in all prerequisite, core coursework, and nursing coursework and an overall GPA of 2.5 or better. Nursing coursework must be from an accredited nursing program.

• Have a current unencumbered Texas or an Enhanced Nurse License Compact RN license.

• Must meet the Technical Standards required by the Program.

Additional Information

Courses in bold type meet General Education requirements for Del Mar College Associate of Applied Science degrees.

Minimum “C” required in BIOL 2401, BIOL 2402, ENGL 1301, PSYC 2301, SPCH Core Elective, PHIL 2306. CHEM 1406, and BIOL 2420.

4. Students earn up to 36 semester credit hours of advanced placement credit for successful completion of nursing courses from their ADN or diploma program and a subsequent unencumbered, current Texas Registered Nurse license.

Program Accreditation

The RN to BSN nursing program at Del Mar College at the Windward Campus located in Corpus Christi, Texas, is accredited by the: Accreditation Commission for Education in Nursing (ACEN).

Information and Additional Notes

Courses in bold type satisfy Del Mar College Core Curriculum.
The Associate of Arts in Teaching (AAT) degree is intended for transfer to baccalaureate programs that lead to initial Texas teacher certification. This AAT specialization is designed to prepare teachers for the various certifications offered in Texas. The degree plan best suited to the desired certification should be followed and transferred to a university to complete Texas teacher certification requirements. For students interested in this field, please be advised that a criminal background could keep you from being certified/licensed or may prevent you from working in some settings.

ACCT2301 - Principles of Financial Accounting

General

Subject Code
ACCT

Course Number
2301

Course Long Title
Principles of Financial Accounting

Course Description
ACCT 2301. PRINCIPLES OF FINANCIAL ACCOUNTING (3-0-3) An introduction to the fundamental concepts of financial accounting as prescribed U.S. generally accepted accounting principles (GAAP) as applied to transactions and events that affect business organizations. Students will examine the procedures and systems to accumulate, analyze, measure, and record financial transactions. Students will use recorded financial information to prepare a balance sheet, income statement, statement of cash flows, and statement of shareholders' equity to communicate the business entity's results of operations and financial position to users of financial information who are external to the company. Students will study the nature of assets, liabilities, and owners' equity while learning to use reported financial information for purposes of making decisions about the company. Students will be exposed to International Financial Reporting Standards (IFRS). Prerequisite: Meet TSI college-readiness standard for Mathematics; or equivalent. Assessment Levels: R3, E2, M0. 52.0301

ACCT2302 - Principles of Managerial Accounting

General

Subject Code
ACCT

Course Number
2302

Course Long Title
Principles of Managerial Accounting

Course Description
ACCT 2302. PRINCIPLES OF MANAGERIAL ACCOUNTING (3-0-3)

An introduction to the fundamental concepts of managerial accounting appropriate for all organizations. Students will study information from the entity's accounting system relevant to decisions made by internal managers as distinguished from information relevant to users who are external to the company. The emphasis is on the identification and assignment of production costs, operational budgeting and planning, cost control, and management decision making. Topics include product-costing methodologies, cost behavior, operational and capital budgeting, and performance evaluation.Prerequisite: ACCT 2301. Assessment Levels: R3, E2, M3. 52.0301

AED

Course Number
553N

Course Long Title
Psyc of Romantic Relationships

Course Description
PSYC OF ROMANTIC RELATIONSHIPS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED554N - Adv Jazz Dance "fame" Style

General

Subject Code
AED

Course Number
554N

Course Long Title
Adv Jazz Dance "fame" Style

Course Description
ADV JAZZ DANCE "FAME" STYLE

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED555N - Computer Literacy

General

Subject Code
AED

Course Number
555N

Course Long Title
Computer Literacy

Course Description
COMPUTER LITERACY

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED556 - Computer Programming Concepts

General

Subject Code
AED

Course Number
556

Course Long Title
Computer Programming Concepts

Course Description
COMPUTER PROGRAMMING CONCEPTS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED557N - Changing Harmful Habits

General

Subject Code
AED

Course Number
557N

Course Long Title
Changing Harmful Habits

Course Description
CHANGING HARMFUL HABITS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

General

Subject Code
AED

Course Number
558N

Course Long Title
Taking Charge of Your Life

Course Description
TAKING CHARGE OF YOUR LIFE

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED559N - Intro to Dance Choreography

General

Subject Code
AED

Course Number
559N

Course Long Title
Intro to Dance Choreography

Course Description
INTRO TO DANCE CHOREOGRAPHY

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED560N - Word Processing (multimate)

General

Subject Code
AED

Course Number
560N

Course Long Title
Word Processing (multimate)

Course Description
WORD PROCESSING (MULTIMATE)

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED561N - Investing for Retirement

General

Subject Code
AED

Course Number
561N

Course Long Title
Investing for Retirement

Course Description
INVESTING FOR RETIREMENT

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED562N - Oil Painting, Intermediate

General

Subject Code
AED

Course Number
562N

Course Long Title
Oil Painting, Intermediate

Course Description
OIL PAINTING, INTERMEDIATE

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED563N - Conversational Span, Begin II

General

Subject Code
AED

Course Number
563N

Course Long Title
Conversational Span, Begin II

Course Description
CONVERSATIONAL SPAN, BEGIN II

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED564N - Conversational English, Adv

General

Subject Code
AED

Course Number
564N

Course Long Title
Conversational English, Adv

Course Description
CONVERSATIONAL ENGLISH, ADV

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED565N - Preparation for Ged Test

General

Subject Code
AED

Course Number
565N

Course Long Title
Preparation for Ged Test

Course Description
PREPARATION FOR GED TEST

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED566N - Self-Defense Designed Women

General

Subject Code
AED

Course Number
566N

Course Long Title
Self-Defense Designed Women

Course Description
SELF-DEFENSE DESIGNED WOMEN

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED567N - Beginning Business MacHines II

General

Subject Code
AED

Course Number
567N

Course Long Title
Beginning Business MacHines II

Course Description
BEGINNING BUSINESS MACHINES II

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED568N - Beginning Typing I

General

Subject Code
AED

Course Number
568N

Course Long Title
Beginning Typing I

Course Description
BEGINNING TYPING I

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED569N - Beginning Typing II

General

Subject Code
AED

Course Number
569N

Course Long Title
Beginning Typing II

Course Description
BEGINNING TYPING II

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED572N - Culture Through Dance

General

Subject Code
AED

Course Number
572N

Course Long Title
Culture Through Dance

Course Description
CULTURE THROUGH DANCE

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED573N - Xenix Operator

General

Subject Code
AED

Course Number
573N

Course Long Title
Xenix Operator

Course Description
XENIX OPERATOR

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED574N - Beginning Business MacHines I

General

Subject Code
AED

Course Number
574N

Course Long Title
Beginning Business MacHines I

Course Description
BEGINNING BUSINESS MACHINES I

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED575N - Xenix Fundamentals

General

Subject Code
AED

Course Number
575N

Course Long Title
Xenix Fundamentals

Course Description
XENIX FUNDAMENTALS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED576N - Wordperfect

General

Subject Code
AED

Course Number
576N

Course Long Title
Wordperfect

Course Description
WORDPERFECT

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED577N - Ask Sam

General

Subject Code
AED

Course Number
577N

Course Long Title
Ask Sam

Course Description
ASK SAM

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED578N - Ms-Dos Symphony

General

Subject Code
AED

Course Number
578N

Course Long Title
Ms-Dos Symphony

Course Description
MS-DOS SYMPHONY

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED579N - Cartooning, Beginning

General

Subject Code
AED

Course Number
579N

Course Long Title
Cartooning, Beginning

Course Description
CARTOONING, BEGINNING

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED582N - Telephone Etiquette Workshop

General

Subject Code
AED

Course Number
582N

Course Long Title
Telephone Etiquette Workshop

Course Description
TELEPHONE ETIQUETTE WORKSHOP

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED583N - T E C a T Instruction

General

Subject Code
AED

Course Number
583N

Course Long Title
T E C a T Instruction

Course Description
T E C A T INSTRUCTION

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED584N - Dog Obedience

General

Subject Code
AED

Course Number
584N

Course Long Title
Dog Obedience

Course Description
DOG OBEDIENCE

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED585N - D Base III Use

General

Subject Code
AED

Course Number
585N

Course Long Title
D Base III Use

Course Description
D BASE III USE

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED586N - Bicycling

General

Subject Code
AED

Course Number
586N

Course Long Title
Bicycling

Course Description
BICYCLING

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED587N - Holiday Vest Seminar

General

Subject Code
AED

Course Number
587N

Course Long Title
Holiday Vest Seminar

Course Description
HOLIDAY VEST SEMINAR

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED588N - Clown School

General

Subject Code
AED

Course Number
588N

Course Long Title
Clown School

Course Description
CLOWN SCHOOL

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED589N - Boating Safety I

General

Subject Code
AED

Course Number
589N

Course Long Title
Boating Safety I

Course Description
BOATING SAFETY I

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

Hunting Dog Basics

Course Description
HUNTING DOG BASICS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED835N - Fly Fishing

General

Subject Code
AED

Course Number
835N

Course Long Title
Fly Fishing

Course Description
FLY FISHING

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED836N - Advanced Rod Building

General

Subject Code
AED

Course Number
836N

Course Long Title
Advanced Rod Building

Course Description
ADVANCED ROD BUILDING

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED837N - Cruise Specialist Training

General

Subject Code
AED

Course Number
837N

Course Long Title
Cruise Specialist Training

Course Description
Cruise Specialist Training

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED838N - Meditation

General

Subject Code
AED

Course Number
838N

Course Long Title
Meditation

Course Description
Meditation

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED839N - Herbs & Natrl Hlth Remedies II

General

Subject Code
AED

Course Number
839N

Course Long Title
Herbs & Natrl Hlth Remedies II

Course Description
Herbs & Natrl Hlth Remedies II

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED840N - Ballon Decorating

General

Subject Code
AED

Course Number
840N

Course Long Title
Ballon Decorating

Course Description
BALLON DECORATING

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AED999N - Room SAVER

General

Subject Code
AED

Course Number
999N

Course Long Title
Room SAVER

Course Description
To be used to reserve a classroom

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AERM1203 - Shop Practices

General

Subject Code
AERM

Course Number
1203

Course Long Title
Shop Practices

Course Description
AERM 1203. SHOP PRACTICES (1-4-2)

An introduction to shop safety; the correct use of hand tools, equipment and precision measurement, identification of aircraft hardware and the fabrication of fluid lines and tubing. Emphasis on procedures for testing, heat treating and inspection of aircraft structures. Assessment Levels: R1, E1, M1. 47.0607

CIP Code
47.0607 - Airframe Mechanics & Aircraft Maintenance Tech/Technician

Requirements

Requirements
Must have a level 1 in Reading and English.

Assessment Levels (Reading, English/Writing, Mathematics)

R
1

E
1

AERM1205 - Weight and Balance

General

Subject Code
AERM

Course Number
1205

Course Long Title
Weight and Balance

Course Description
AERM 1205. WEIGHT AND BALANCE (1-4-2)

An introduction to Federal Aviation Administration (FAA) required subjects relating to the weighing of aircraft, the performance of weight and balance calculations and appropriate maintenance record entries. Assessment Levels: R1, E1, M1. 47.0607

CIP Code
47.0607 - Airframe Mechanics & Aircraft Maintenance Tech/Technician

Requirements

Requirements
Must have a level 1 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

AERM1208 - Federal Aviation Regulations

General

Subject Code
AERM

Course Number
1208

Course Long Title
Federal Aviation Regulations

Course Description
AERM 1208. FEDERAL AVIATION REGULATIONS (1-4-2)

A course in the use and understanding of the Federal Aviation Administration and aircraft manufacturers' publications, forms and records; and the exercise of mechanic privileges within prescribed limitations. Assessment Levels: R1, E1, M1. 47.0607

CIP Code
47.0607 - Airframe Mechanics & Aircraft Maintenance Tech/Technician

Requirements

Requirements
Must have a level 1 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

AERM1210 - Ground Operations

General

Subject Code
AERM

Course Number
1210

Course Long Title
Ground Operations

Course Description
AERM 1210. GROUND OPERATIONS (1-4-2)

An introductory course in fuels, servicing methods, safety procedures, aircraft movement, securing and operations of aircraft, external power equipment, aircraft cleaning, and corrosion control. Assessment Levels: R1, E1, M1. 47.0607

CIP Code
47.0607 - Airframe Mechanics & Aircraft Maintenance Tech/Technician

Requirements

Requirements
Must have a level 1 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

AERM1241 - Wood, Fabric and Finishes

General

Subject Code
AERM

Course Number
1241

Course Long Title
Wood, Fabric and Finishes

Course Description
AERM 1241. WOOD, FABRIC AND FINISHES (1-3-2)

A course in the use and care of various covering materials, finishes and wood structures including approved methods and procedures. Safety also addressed. Assessment Levels: R1, E1, M1. 47.0607

CIP Code
47.0607 - Airframe Mechanics & Aircraft Maintenance Tech/Technician

Requirements

Requirements
Must have a level 1 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

AERM1243 - Instruments & Navigation/ Communication

General

Subject Code
AERM

Course Number
1243

Course Long Title
Instruments & Navigation/Communication

Course Description
AERM 1243. INSTRUMENT AND NAVIGATION/COMMUNICATION (1-4-2)

A study of aircraft instruments and electronic flight instrument systems including testing and installing instruments; inspecting, checking and troubleshooting navigation communication systems; and inspecting and repairing antennas and electronic equipment installations. Assessment Levels: R1, E1, M0. 47.0607

CIP Code
47.0607 - Airframe Mechanics & Aircraft Maintenance Tech/Technician

Requirements

Requirements
Must have completed level 1 in Reading, English or Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AERM1247 - Airframe Auxiliary Systems

General

Subject Code
AERM

Course Number
1247

Course Long Title
Airframe Auxiliary Systems

Course Description
AERM 1247. AIRFRAME AUXILIARY (1-4-2)

A comprehensive study of airframe auxiliary systems including cabin atmospheric control systems, ice and rain control systems for aircraft, and engines and fire detection and protection systems. Fundamentals of safety procedures also addressed. Assessment Levels: R1, E1, M1. 47.0607

CIP Code
47.0607 - Airframe Mechanics & Aircraft Maintenance Tech/Technician

Requirements

Requirements
Must have a level 1 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

AERM1253 - Aircraft Welding

General

Subject Code
AERM

Course Number
1253

Course Long Title
Aircraft Welding

Course Description
AERM 1253. AIRCRAFT WELDING (1-3-2)

Skill development in repair procedures for steel, magnesium, brass and aluminum materials used in aircraft assembly and selection and application of appropriate methods of welding, brazing and soldering steel, magnesium, brass and aluminum. Fundamentals of safety procedures also addressed. R1, E1, M1. 47.0607

CIP Code
47.0607 - Airframe Mechanics & Aircraft Maintenance Tech/Technician

Requirements

Requirements
Must have a level 1 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

AERM1254 - Aircraft Composites

General

Subject Code
AERM

Course Number
1254

Course Long Title
Aircraft Composites

Course Description
AERM 1254. AIRCRAFT COMPOSITES (1-4-2)

Comprehensive concepts of the inspection and repair of composite, fiberglass, honeycomb and laminated structural materials including doors, windows, bonded structures and interior furnishings. Safety procedures will also be addressed. Assessment Levels: R1, E1, M1. 47.0607

CIP Code
47.0607 - Airframe Mechanics & Aircraft Maintenance Tech/Technician

Requirements

Requirements
Must have a level 1 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

AERM1303 - Shop Practices

General

Subject Code
AERM

Course Number
1303

Course Long Title
Shop Practices

Course Description
AERM 1303. SHOP PRACTICES (1-4-3)

An introduction to shop safety; the correct use of hand tools, equipment and precision measurement, identification of aircraft hardware and the fabrication of fluid lines and tubing. Emphasis on procedures for testing, heat treating and inspection of aircraft structures. Assessment Levels: R1, E1, M0. 47.0607

CIP Code
47.0607 - Airframe Mechanics & Aircraft Maintenance Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AERM1313 - Basic Electricity

General

Subject Code
AERM

Course Number
1313

Course Long Title
Basic Electricity

Course Description
AERM 1314. Basic Electricity (3-4-4) 47.0607

Study of aircraft electrical systems and their requirements including the use of ammeter, voltmeter and ohmmeter; series and parallel circuits; inductance and capacitance; magnetism; converting alternating current (AC to direct current DC); controlling devices; maintenance and servicing of aircraft batteries; and reading and interpreting aircraft electrical diagrams to include solid devices and logic functions. Assessment Levels: R1, E1, M1.

CIP Code
47.0607 - Airframe Mechanics & Aircraft Maintenance Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AERM1314 - Basic Electricity

General

Subject Code
AERM

Course Number
1314

Course Long Title
Basic Electricity

Course Description
AERM 1314. BASIC ELECTRICITY (2-4-3)

A study of aircraft electrical systems and their requirements including the use of ammeter, voltmeter and ohmmeter; series and parallel circuits; inductance and capacitance; magnetism; converting alternating current (AC) to direct current (DC); controlling devices; maintenance and servicing of aircraft batteries; and reading and interpreting aircraft electrical diagrams to include solid state devices and logic functions. Fundamentals of safety procedures will also be addressed. Assessment Levels: R1, E1, M0. 47.0607

CIP Code
47.0607 - Airframe Mechanics & Aircraft Maintenance Tech/Technician

Requirements

Requirements
Must have level 1 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AERM1315 - Aviation Science

General

Subject Code
AERM

Course Number
1315

Course Long Title
Aviation Science

Course Description
AERM 1315. AVIATION SCIENCE (2-4-3)

Fundamentals of mathematics, physics and drawing as they apply to aircraft principles and operations as required by the Federal Aviation Administration for airframe and power plant mechanics. Assessment Levels: R1, E1, M1. 47.0607

CIP Code
47.0607 - Airframe Mechanics & Aircraft Maintenance Tech/Technician

Requirements

Requirements
Must have a level 1 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

AERM1340 - Aircraft Propellers

General

Subject Code
AERM

Course Number
1340

Course Long Title
Aircraft Propellers

Course Description
AERM 1340. AIRCRAFT PROPELLERS (2-4-3)

Fundamentals of propeller design, function and construction. Skill development in inspection, servicing and repair of fixed-pitch, constant-speed and feathering propellers and governing systems. Instruction in removal, balancing and installation of propellers and fundamentals of safety are also addressed. Assessment Levels: R1, E1, M1. 47.0608

CIP Code
47.0608 - Aircraft Powerplant Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

AERM1343 - Instruments and Navigation/ Communication

General

Subject Code
AERM

Course Number
1343

Course Long Title
Instruments and Navigation/Communication

Course Description
AERM 1343. INSTRUMENT AND NAVIGATION/COMMUNICATION (2-4-3)

A study of aircraft instruments and electronic flight instrument systems including testing and installing instruments; inspecting, checking, and troubleshooting navigation communication systems; and inspecting and repairing antennas and electronic equipment installations. Assessment Levels: R1, E1, M1. 47.0607

CIP Code
47.0607 - Airframe Mechanics & Aircraft Maintenance Tech/Technician

Requirements

Requirements
Must have a level 1 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

AERM1344 - Aircraft Reciprocating Engin

General

Subject Code
AERM

Course Number
1344

Course Long Title
Aircraft Reciprocating Engin

Course Description
AERM 1344. AIRCRAFT RECIPROCATING ENGINES (2-3-3)

Reciprocating engines, their development, operating principles, and theory. Includes engine instruments, lubrication, and exhaust systems. Also addresses fundamentals of safety. Assessment Levels: R1, E1, M1. 47.0608

CIP Code
47.0608 - Aircraft Powerplant Tech/Technician

Requirements

Requirements
Must have a level 1 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

AERM1345 - Airframe Electrical Systems

General

Subject Code
AERM

Course Number
1345

Course Long Title
Airframe Electrical Systems

Course Description
AERM 1345. AIRFRAME ELECTRICAL SYSTEMS (1-6-3)

A study of airframe electrical systems including installation, removal, disassembly and repair of electrical components and related wiring. Fundamentals of safety procedures will also be addressed. Assessment Levels: R1, E1, M1. 47.0607

CIP Code
47.0607 - Airframe Mechanics & Aircraft Maintenance Tech/Technician

Requirements

Requirements
Must have level 1 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

AERM1347 - Airframe Auxiliary Systems

General

Subject Code
AERM

Course Number
1347

Course Long Title
Airframe Auxiliary Systems

Course Description
AERM 1347. AIRFRAME AUXILIARY (1-5-3)

Topics address airframe auxiliary systems including the operation and repair of position and warning system, cabin atmospheric control systems, ice and rain control systems for aircraft and engines and fire detection and protection systems. Assessment Levels: R1, E1, M1. 47.0607

CIP Code
47.0607 - Airframe Mechanics & Aircraft Maintenance Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AERM1349 - Hydraulic, Pneumatic & Fuel Systems

General

Subject Code
AERM

Course Number
1349

Course Long Title
Hydraulic, Pneumatic & Fuel Systems

Course Description
AERM 1349. HYDRAULIC, PNEUMATIC, AND FUEL SYSTEMS (2-4-3)

Skill development in inspecting, servicing, and maintaining aircraft fluid systems including hydraulics, pneumatics, and fuel. Application of basic concepts through detailed maintenance procedures. Assessment Levels: R1, E1, M1. 47.0607

CIP Code
47.0607 - Airframe Mechanics & Aircraft Maintenance Tech/Technician

Requirements

Requirements
Must be a level 1 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

AERM1350 - Landing Gear Systems

General

Subject Code
AERM

Course Number
1350

Course Long Title
Landing Gear Systems

Course Description
AERM 1350. LANDING GEAR SYSTEMS (2-3-3)

General principles of inspection, servicing, overhaul and repair of fixed and retractable landing gear systems and the operation and repair of position and warning systems. Includes coverage of systems, components, operation and fundamentals of safety procedures. Assessment Levels: R1, E1, M1. 47.0607

CIP Code
47.0607 - Airframe Mechanics & Aircraft Maintenance Tech/Technician

Requirements

Requirements
Must have a level 1 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

AERM1351 - Aircraft Turbine Eng Theory

General

Subject Code
AERM

Course Number
1351

Course Long Title
Aircraft Turbine Eng Theory

Course Description
AERM 1351. AIRCRAFT TURBINE ENGINE THEORY (3-1-3)

General principles of theory, history and servicing of turbine engines to include lubrication, instrumentation, auxiliary power units and exhaust systems. Fundamentals of safety procedures are also addressed. Assessment Levels: R1, E1, M1. 47.0608

CIP Code
47.0608 - Aircraft Powerplant Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

AERM1352 - Aircraft Sheet Metal

General

Subject Code
AERM

Course Number
1352

Course Long Title
Aircraft Sheet Metal

Course Description
AERM 1352. AIRCRAFT SHEET METAL (1-6-3)

Skill development in inspection and repair of sheet metal structures including forming, lay out, and bending of sheet metal and identification, selection, and installation of rivets and fasteners. Fundamentals of safety procedures also addressed. Assessment Levels: R1, E1, M1. 47.0607

CIP Code
47.0607 - Airframe Mechanics & Aircraft Maintenance Tech/Technician

Requirements

Requirements
Must have a level 1 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

AERM1357 - Fuel Metering and Induction Systems

General

Subject Code
AERM

Course Number
1357

Course Long Title
Fuel Metering and Induction Systems

Course Description
AERM 1357. FUEL METERING AND INDUCTION SYSTEMS (2-4-3)

Skill development of fuel metering and induction systems used on reciprocating and turbine engines including fuel metering systems, carburetors, induction systems, heat exchangers and cooling systems. Fundamentals of safety procedures will also be addressed. Assessment Levels: R1, E1, M1. 47.0608

CIP Code
47.0608 - Aircraft Powerplant Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

AERM1364 - Pra Airframe Mech Aircraft

General

Subject Code
AERM

Course Number
1364

Course Long Title
Pra Airframe Mech Aircraft

Course Description
PRA AIRFRAME MECH AIRCRAFT

CIP Code
47.0607 - Airframe Mechanics & Aircraft Maintenance Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AERM1414 - Basic Electricity

General

Subject Code
AERM

Course Number
1414

Course Long Title
Basic Electricity

Course Description
AERM 1414. BASIC ELECTRICITY (3-4-4)

A study of aircraft electrical systems and their requirements including the use of ammeter, voltmeter, and ohmmeter; series and parallel circuits; inductance and capacitance; magnetism; converting alternating current (AC) to direct current (DC); controlling devices; maintenance and servicing of aircraft batteries; and reading and interpreting aircraft electrical diagrams to include solid state devices and logic functions. Fundamentals of safety also addressed. Assessment Levels: R1, E1, M1. 47.0607

CIP Code
47.0607 - Airframe Mechanics & Aircraft Maintenance Tech/Technician

Requirements

Requirements
Must have level 1 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

AERM1444 - Aircraft Reciprocating Engines

General

Subject Code
AERM

Course Number
1444

Course Long Title
Aircraft Reciprocating Engines

Course Description
AERM 1444. AIRCRAFT RECIPROCATING ENGINES (2-4-4)

A study of reciprocating engines and their development, operating principles and theory. Instruction in engines instruments, lubrication and exhaust systems. Fundamentals of safety will also be addressed. Assessment Levels: R1, E1, M1. 47.0608

CIP Code
47.0608 - Aircraft Powerplant Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AERM1452 - Aircraft Sheet Metal

General

Subject Code
AERM

Course Number
1452

Course Long Title
Aircraft Sheet Metal

Course Description
AERM 1452. AIRCRAFT SHEET METAL. (2-6-4)

Skill development in inspection and repair of sheet metal structurers including forming, lay out, and bending of sheet metal and identification, selection, and installation of rivets and fasteners. Fundamentals of safety procedures also addressed. Assessment Levels:: R1, E1, M1.

CIP Code
47.0607 - Airframe Mechanics & Aircraft Maintenance Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AERM1456 - Aircraft Powerplant Electric

General

Subject Code
AERM

Course Number
1456

Course Long Title
Aircraft Powerplant Electric

Course Description
AERM 1456. AIRCRAFT POWER PLANT ELECTRICAL (3-4-4)

General principles of theory, operation and maintenance of powerplant electrical systems including ignition, starting and fire protection systems. Fundamentals of safety procedures will also be addressed. Assessment Levels: R1, E1, M1. 47.0608

CIP Code
47.0608 - Aircraft Powerplant Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

AERM2230 - FAA Review - Airframe

General

Subject Code
AERM

Course Number
2230

Course Long Title
FAA Review - Airframe

Course Description
AERM 2230. FAA Review - Airframe (1-3-2)

Review of Federal Aviation Administration subject matter in the General and Airframe curricula with an emphasis on enhancing knowledge and physical skills in preparing for the FAA-required written, oral, and pratical examinations. Assessment Levels R1, E1, M1. 47.0607

CIP Code
47.0607 - Airframe Mechanics & Aircraft Maintenance Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AERM2231 - Airframe Inspection

General

Subject Code
AERM

Course Number
2231

Course Long Title
Airframe Inspection

Course Description
AERM 2231. AIRFRAME INSPECTION (CAPSTONE) (1-4-2)

In-depth coverage of methods and procedures to perform airframe conformity and air worthiness inspections (including one hundred hour inspections) in accordance with Federal Aviation regulations and manufacturer's service information. Safety procedures will also be addressed. Assessment Levels: R1, E1, M1. 47.0607

CIP Code
47.0607 - Airframe Mechanics & Aircraft Maintenance Tech/Technician

Requirements

Requirements
Must have a level 1 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

AERM2233 - Assembly and Rigging

General

Subject Code
AERM

Course Number
2233

Course Long Title
Assembly and Rigging

Course Description
AERM 2233. ASSEMBLY AND RIGGING (1-4-2)

Comprehensive study of the assembly and rigging of fixed and rotary-wing aircraft including structural alignment, balancing and rigging of control systems and assembly of aircraft components. Fundamentals of safety procedures are also addressed. Assessment Levels: R1, E1, M1. 47.0607

CIP Code
47.0607 - Airframe Mechanics & Aircraft Maintenance Tech/Technician

Requirements

Requirements
Must have a level 1 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

AERM2234 - FAA Review-Power Plant

General

Subject Code
AERM

Course Number
2234

Course Long Title
FAA Review-Power Plant

Course Description
AERM 2234. FAA REVIEW-POWER PLANT. (1-3-2)

Federal Aviation Administration subject matter in the General and Powerplant curricula with an emphasis on enhancing knowledge and physical skills in preparing for the FAA-required written, oral, and practical examinations. Assessment levels: R1, E1, M1. 47.0608.

CIP Code
47.0608 - Aircraft Powerplant Tech/Technician

Requirements

Requirements
Must have a level 1 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

AERM2259 - Advanced Composite Repair

General

Subject Code
AERM

Course Number
2259

Course Long Title
Advanced Composite Repair

Course Description
AERM 2259. ADVANCED COMPOSITE REPAIR (1-4-2)

Advanced study and practical application of composite repair, processes, and tooling. Includes complex repair and manufacturing techniques. Assessment Levels: R1, E1, M0. 47.0607

CIP Code
47.0607 - Airframe Mechanics & Aircraft Maintenance Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AERM2264 - Practicum(or Field Exp)-Airframe Mech And Aircraft Maintenance Technology/Tech

General

Subject Code
AERM

Course Number
2264

Course Long Title
Practicum(or Field Exp)-Airframe Mech And Aircraft Maintenance Technology/Tech

Course Description
AERM 2264. PRACTICUM (OR FIELD EXPERIENCE) - AIRFRAME MECHANICS AND AIRCRAFT MAINTENANCE TECHNOLOGY/TECHNICIAN (0-19-2)

Practical, general workplace training supported by an individualized learning plan developed by the employer, college, and student. Assessment Levels: R1, E1, M1. 47.0607

CIP Code
47.0607 - Airframe Mechanics & Aircraft Maintenance Tech/Technician

Requirements

Requirements
Must have a level 1 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

AERM2351 - Aircraft Turbine Engr Overhaul

General

Subject Code
AERM

Course Number
2351

Course Long Title
Aircraft Turbine Engr Overhaul

Course Description
AERM 2351. AIRCRAFT TURBINE ENGINE OVERHAUL (2-4-3)

Comprehensive study in inspection, disassembly, reassembly and replacement of gas turbine engines, sections and components including operational troubleshooting, analysis and safety. Assessment Levels: R1, E1, M1. 47.0608

CIP Code
47.0608 - Aircraft Powerplant Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

AERM2352 - Aircraft Powerplant Inspect

General

Subject Code
AERM

Course Number
2352

Course Long Title
Aircraft Powerplant Inspect

Course Description
AERM 2352. AIRCRAFT POWER PLANT INSPECTION (CAPSTONE) (2-4-3)

In-depth coverage of methods and procedures to perform powerplant conformity and airworthiness inspections (including one hundred hour inspections) in accordance with Federal Aviation Regulations and manufacturer's information. Safety procedures will also be addressed. Assessment Levels: R1, E1, M1. 47.0608

CIP Code
47.0608 - Aircraft Powerplant Tech/Technician

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

AERM2359 - Advanced Composite Repair

General

Subject Code
AERM

Course Number
2359

Course Long Title
Advanced Composite Repair

Course Description
AERM 2359. ADVANCED COMPOSITE REPAIR (2-3-3)

An advanced study and practical application of composite repair, processes, and tooling. Includes complex repair and manufacturing techniques. Assessment Levels: R1, E1, M1. 47.0607

CIP Code
47.0607 - Airframe Mechanics & Aircraft Maintenance Tech/Technician

Requirements

Requirements
Must have a level 1 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

AERM2447 - Aircraft Recipro Eng Overhaul

General

Subject Code
AERM

Course Number
2447

Course Long Title
Aircraft Recipro Eng Overhaul

Course Description
AERM 2447. AIRCRAFT RECIPROCATING ENGINE OVERHAUL (2-6-4)

A comprehensive study of reciprocating engine overhaul including measurement and inspection procedures. Instruction in removal and installation, inspections, checks, servicing, and repair of engines. Safety procedures will be addressed. Assessment Levels: R1, E1, M1. 47.0608

CIP Code
47.0608 - Aircraft Powerplant Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

AERM2547 - Aircraft Reciprocating Engine Overhaul

General

Subject Code
AERM

Course Number
2547

Course Long Title
Aircraft Reciprocating Engine Overhaul

Course Description
AERM 2547. AIRCRAFT RECIPROCATING ENGINE OVERHAUL. (3-5-5).

A comprehensive study of reciprocating engine overhaul including measurement and inspection procedures. Instruction in removal and installation, inspections, checks, servicing, and repair of engines. Safety procedures will be addressed. Assessment Levels: R1, E1, M1. 47.0608

CIP Code
47.0608 - Aircraft Powerplant Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AERMELEC - Airframe Elective

General

Subject Code
AERM

Course Number
ELEC

Course Long Title
Airframe Elective

Course Description
Airframe Elective

CIP Code
47.0607 - Airframe Mechanics & Aircraft Maintenance Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AMHISTCORE - American History CORE FCA 060

General

Subject Code
AMHIST

Course Number
CORE

Course Long Title
American History CORE FCA 060

Course Description
American History CORE FCA 060

CIP Code
45.0201 - Anthropology, General.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

ANTH2302 - Introduction to Archaeology

General

Subject Code
ANTH

Course Number
2302

Course Long Title
Introduction to Archaeology

Course Description
ANTH 2302. INTRODUCTION TO ARCHAEOLOGY (3-0-3)

An overview of human origins and biocultura1 adaptations. Also introduces methods and theory in the excavation and interpretation of material remains of past cultures. Assessment Levels: R3, E3, M1. 45.0301

CIP Code
45.0301 - Archeology

Requirements

Requirements
Must have level 3 in Reading and English

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	1

ANTH2346 - Intro to Anthropology

General

Subject Code
ANTH

Course Number
2346

Course Long Title
Intro to Anthropology

Course Description
ANTH 2346. INTRODUCTION TO ANTHROPOLOGY (3-0-3)

A study of human beings, their antecedents and related primates, and their cultural behavior and institutions. Introduces the major subfields: physical and cultural anthropology, archeology, linguistics, and ethnology. Assessment Levels: R3, E3, M1. 45.0201

CIP Code
45.0201 - Anthropology, General.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	1

ANTHELEC - Anthropology Elective

General

Course Description
Anthropology Elective

CIP Code
45.0201 - Anthropology, General.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

ARCE1342 - Code Specifications & Contract Documnts

General

Subject Code
ARCE

Course Number
1342

Course Long Title
Code Specifications & Contract Documnts

Course Description
ARCE 1342. CODES, SPECIFICATIONS AND CONTRACT DOCUMENTS (3-0-3)

A study of ordinances, codes and legal documents as they relate to specifications and drawing. Discussion of owner-architect-contractor responsibilities, duties and legal relationships. Prerequisite: ARCH 2312. Assessment Levels: R2, E2, M1. 04.0901

CIP Code
04.0901 - Architectural Technology/Technician

Requirements

Requirements
Must have a level 2 in Reading and English and a level 1 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
2	2	1

ARCE1352 - Structural Drafting

General

Subject Code
ARCE

Course Number
1352

Course Long Title
Structural Drafting

Course Description
ARCE 1352. STRUCTURAL DRAFTING (2-4-3)

A study of structural systems including concrete foundations and frames, wood framing and trusses and structural steel framing systems. Includes detailing of concrete, wood and steel to meet industry standards including the American Institute of Steel Construction and the American Concrete Institute. Prerequisite: ARCH 2312, DFTG 1305. Assessment Levels: R2, E1, M2. 04.0901

CIP Code
04.0901 - Architectural Technology/Technician

Requirements

Requirements
Must have level 2 in Reading and Math and a level 1 in English.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

ARCE2344 - Statics and Strength of Materials

General

Subject Code
ARCE

Course Number
2344

Course Long Title
Statics and Strength of Materials

Course Description
ARCE 2344. STATICS AND STRENGTH OF MATERIALS (2-3-3)

Internal effects of forces acting upon elastic bodies and the resulting changes in form and dimensions. Includes stress, shear, bending moments, and simple beam design. Prerequisites: ARCH 2312 or CNBT 1311. Assessment level: R2, E1, M3.

CIP Code
04.0901 - Architectural Technology/Technician

Requirements

Requirements
Must have a level 2 in Reading and a level 3 Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
2	1	3

ARCE2352 - Mechanical, Electrical, and Plumbing (mep) Systems

General

Subject Code
ARCE

Course Number
2352

Course Long Title
Mechanical, Electrical, and Plumbing (mep) Systems

Course Description
ARCE 2352. MECHANICAL, ELECTRICAL, AND PLUMBING (MEP) SYSTEMS (3-0-3)

Preparation of drawings for mechanical, electrical, and plumbing (MEP) systems with emphasis on applicable building and energy codes, product references, and specifications for construction. Prerequisites: ARCH 2312 Assessment Levels: R2, E1, M1. 04.0901

CIP Code
04.0901 - Architectural Technology/Technician

Requirements

Requirements
Must have level 2 in Reading and Math. Must have level 1 in English.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
2	1	1

ARCEELEC - Architectural Elective

ARCH1301 - Architectural History I

General

Subject Code
ARCH

Course Number
1301

Course Long Title
Architectural History I

Course Description
ARCH 1301. ARCHITECTURAL HISTORY I (3-0-3)

Part one of a survey of the history of world architecture from pre-history to the present. This course focuses on the period from pre-history up to at least the 14th Century. Course is intended to fulfull all or part of the following National Architectural Accrediting Board (NAAB) Student Performance Criteria: A7-History and Global Culture.Assessment Levels: R2, M1, E2. 04.0801.5102

CIP Code
04.0801 - Architectural History and Criticism, General

Requirements

Requirements
Must have level 2 in Reading and English

Assessment Levels (Reading, English/Writing, Mathematics)

Requirements
Must have level 2 in Reading and English

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
2	2	1

ARCH1303 - Architectural Design I

General

Subject Code
ARCH

Course Number
1303

Course Long Title
Architectural Design I

Course Description
ARCH 1303. ARCHITECTURAL DESIGN I (2-4-3)

An introductory studio providing foundation in the conceptual, perceptual, and manual skills necessary for two-dimensional and three-dimensional design. Course is intended to fulfill all or part of the following National Architectural Accrediting Board (NAAB) Student Performance Criteria: A1-Professional Communication Skills, A2-Design Thinking Skills, A4-Architectural Design Skills, and A5-Ordering Systems Corequisite: ARCH 1307. Assessment Levels: R2, E2, M1. 04.0201.5402

ARCH1307 - Architectural Graphics I

General

Subject Code
ARCH

Course Number
1307

Course Long Title
Architectural Graphics I

Course Description
ARCH 1307. ARCHITECTURAL GRAPHICS I (2-4-3)

Introduction to basic drawing methods and tools. Exploration of techniques available for the design process with emphasis on two-dimensional and three-dimensional composition. Course is intended to fulfill all or part of the following National Architectural Accrediting Board (NAAB) Student Performance Criteria: A1-Professional Communication Skills. Corequisite: Completion or concurrent enrollment of ARCH 1303. Assessment Levels: R1, E1, M1. 15.1303.5311

CIP Code
15.1303 - Architectural Drafting and Architectural CAD/CADD

Requirements

Requirements
Must have level 1 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M

ARCH1311 - Introduction to Architecture

General

Subject Code
ARCH

Course Number
1311

Course Long Title
Introduction to Architecture

Course Description
ARCH 1311. INTRODUCTION TO ARCHITECTURE (3-0-3)

An introduction to architecture that explores the practices, principles, and wider context or architecture and design. Focuses on the role of architecture in society, culture, and the broader physical context of the built environment. Course is intended to fulfill all or part of the following National Architectural Accrediting Board (NAAB) Student Performance Criteria: A8-Cultural Diversity and Social Equity, and D1-Stakeholder Roles in Architecture. Assessment Levels: R2, E2, M1. 04.0201.5902

CIP Code
04.0201 - Architecture

ARCH1315 - Arch Computer Graphics

General

Subject Code
ARCH

Course Number
1315

Course Long Title
Arch Computer Graphics

Course Description
ARCH 1315. ARCHITECTURAL COMPUTER GRAPHICS (2-4-3)

Effective use of representational media, computer aided design, and digital media to engage formal, organizational, and environmental principles. Emphasis on the appropriate media to inform two-dimensional and three-dimensional design based upon the conventions of architectural graphic communication. Course is intended to fulfill all or part of the following National Architectural Accrediting Board (NAAB) Student Performance Criteria: A1-Professional Communication Skills, and A4-Architectural Design Skills. Prerequisites: DFTG 2319. Assessment Levels: R2, E1, M2. 15.1303.5211

CIP Code
15.1303 - Architectural Drafting and Architectural CAD/CADD

Requirements

Requirements
Must have level 2 in Reading and Math and a level 1 in English.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M

ARCH2301 - Architectural Freehand Drawing I

General

Subject Code
ARCH

Course Number
2301

Course Long Title
Architectural Freehand Drawing I

Course Description
ARCH 2301. ARCHITECTURAL FREEHAND DRAWING I (2-4-3)

Development of freehand drawing skills in architecture. Methods and skills, including emphasis on principles of light, shade, scale, proportion, line, and tonal quality for exploring and developing conceptual ideas and for clear graphic presentations. Course in intended to fulfill all or part of the following National Architectural Accrediting Board (NAAB) Student Performance Criteria: A1-Professional Communication Skills, and A4-Architectural Design Skills. Assessment Levels: R1, E1, M0. 15.1303

CIP Code
15.0303 - Electrical,Electronic,andCommunicationsEngineeringTechnology/Technician.

Course Long Title
Architectural Elective

Course Description
Architectural Elective

CIP Code
04.0801 - Architectural History and Criticism, General

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

ARTC1302 - Digital Imaging I

General

Subject Code
ARTC

Course Number
1302

Course Long Title
Digital Imaging I

Course Description
ARTC 1302. DIGITAL IMAGING I (2-4-3)

Digital imaging using raster image editing and/or image creation software: scanning, resolution, file formats, output devices, color systems, and image-acquisitions. Assessment Levels: R1, E1, M0. 50.0409

CIP Code
50.0409 - Graphic Design

Requirements

Requirements
Must have a level 1 in Reading and English.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

ARTCELEC - Digital Imaging Elective

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

ARTS316 - Painting I

General

Subject Code
ARTS

Course Number
316

Course Long Title
Painting I

Course Description
ARTS 2316. PAINTING (2-4-3)

Basic course in acrylic or oil painting including formal considerations of still-life, figure and landscape compositions. Includes instruction in elements and principles of composition, media, tools and technique. Assessment Levels: R1, E1, M1. 50.0708

CIP Code
50.0708 - Painting

Requirements

Requirements
Must have Level 1 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

ARTS1301 - Art Appreciation

General

Subject Code
ARTS

Course Number
1301

Course Long Title
Art Appreciation

Course Description
ARTS 1301. ART APPRECIATION (3-0-3)

A general introduction to the visual arts designed to create an appreciation of the vocabulary, media techniques, and purposes of the creative process. Students will critically interpret and evaluate works of art within formal, cultural, and historical contexts. Assessment Levels: R3, E3, M1. 50.0703

CIP Code
50.0703 - Art History, Criticism & Conservation

Requirements

Requirements
MUST HAVE LEVEL 3 IN READING AND ENGLISH AND MATH LEVEL 1.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	1

ARTS1303 - Art History I

General

Subject Code
ARTS

Course Number
1303

Course Long Title
Art History I

Course Description
ARTS 1303. ART HISTORY I (3-0-3)

Chronological survey of the history of art from prehistoric times through the Gothic Age. Slide lectures with discussion and use of library art sources. Assessment Levels: R3, E3, M1. 50.0703

CIP Code
50.0703 - Art History, Criticism & Conservation

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

ARTS1311 - Design I

General

Subject Code
ARTS

Course Number
1311

Course Long Title
Design I

Course Description
ARTS 1311. DESIGN I (2-4-3)

Basic course in the fundamentals of design, involving the primary principles and elements of two-dimensional design. Assessment Levels: R1, E1, M0. 50.0401

CIP Code
50.0401 - Design & Visual Communications, General

Requirements

Requirements
Must have Level 1 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E

ARTS1312 - Design II

General

Subject Code
ARTS

Course Number
1312

Course Long Title
Design II

Course Description
ARTS 1312. DESIGN II (2-4-3) A continuation of ARTS 1311. Concerns the fundamentals of art with emphasis on three-dimensional concepts. Assessment Levels: R1, E1, M0. 50.0401

CIP Code
50.0401 - Design & Visual Communications, General

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

ARTS1316 - Drawing I

General

Subject Code
ARTS

Course Number
1316

Course Long Title
Drawing I

Course Description
ARTS 1316. DRAWING I (2-4-3)

A foundation studio course exploring drawing with emphasis on descriptive, expressive and conceptual approaches. Students will learn to see and interpret a variety of subjects while using diverse materials and techniques. Course work will facilitate a dialogue in which students will engage in critical analysis and begin to develop their understanding of drawing as a discipline. Assessment Levels: R1, E1, M0. 50.0705

CIP Code
50.0705 - Drawing

Requirements

Requirements
Must have Level 1 in Reading, English and Math.

ATRM1371 - Flexible Manufacturing Systems I

General

Subject Code
ATRM

Course Number
1371

Course Long Title
Flexible Manufacturing Systems I

Course Description
ATRM 1371. FLEXIBLE MANUFACTURING SYSTEMS I (2-3-3)

A student of main automation components, connections, configuration of industrial devices, maintenance and installation of components. Prerequisite: ELPT 1311. Assessment Levels: R3, E2, M3. 15.0406

CIP Code
15.0406 - Automation Engineer Technology/Technician

Requirements

Requirements
Must have a level 3 in Reading and Math and a level 2 in English.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

ATRM1372 - Human Machine Interfaces

General

Subject Code
ATRM

Course Number
1372

Course Long Title
Human Machine Interfaces

Course Description
ATRM 1372. HUMAN MACHINE INTERFACES (2-3-3)

An introduction to flexible automation. Topics include installation, repair, maintenance, and development of flexible robotic manufacturing systems. Prerequisites: ELMT 1301, ELPT 1311. Assessment Levels: R2, E2, M2. 15.0406

CIP Code
15.0406 - Automation Engineer Technology/Technician

Requirements

Requirements
Must have a level 2 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

ATRM1373 - Flexible Manufacturing Systems II

General

Subject Code
ATRM

Course Number
1373

Course Long Title
Flexible Manufacturing Systems II

Course Description
ATRM 1373. FLEXIBLE MANUFACTURING SYSTEMS II (2-3-3)

A continuation of the study of main automation components to include: vision technology, product identification, servos, automatic storage and retrieval systems. Prerequisites: ATRM 1371. Assessment Levels: R3, E2, M3. 15.0406

CIP Code
15.0406 - Automation Engineer Technology/Technician

Requirements

Requirements
Must have a level 3 in Reading and Math and a level 2 in English.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

ATRM1474 - Modular Productions Systems

General

Subject Code
ATRM

Course Number
1474

Course Long Title
Modular Productions Systems

Course Description
ATRM 1474. MODULAR PRODUCTIONS SYSTEMS (2-4-4)

This course covers networked automation systems (advanced HMI, scada, manufacturing execution systems). Integrative project based course, including pic programming, wiring, pnuematics, sensors, robots, conveyors, etc. Prerequisites: ELMT 1301, ELPT 2331, and ATRM 1373. Assessment Levels: R3, E3, M3. 15.0406

CIP Code
15.0406 - Automation Engineer Technology/Technician

Requirements

Requirements
Must have a level 3 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AUMT1319 - Automotive Engine Repair

General

Subject Code
AUMT

Course Number
1319

Course Long Title
Automotive Engine Repair

Course Description
AUMT 1319. AUTOMOTIVE ENGINE REPAIR (CAPSTONE) (1-7-3) Fundamentals of engine operation, diagnosis and repair. Emphasis on identification, inspection, measurements, disassembly, repair, and reassembly of the engine. May be taught manufacturer specific. Prerequisite or Corequisite: AUMT 1405 47.0604

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Requirements
Prerequisite or Corequisite: AUMT 1405/AUMT1407

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AUMT1345 - Auto Climate Control Systems

General

Subject Code
AUMT

Course Number
1345

Course Long Title
Auto Climate Control Systems

Course Description
AUMT 1345. AUTOMOTIVE CLIMATE CONTROL SYSTEMS. (1-7-3)

Diagnosis and repair of manual/electronic climate control systems. Includes the refrigeration cycle and EPA guidelines for refrigerant handling. May be taught manufacturer specific. Prerequisite: AUMT 2421. 47.0604

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

AUMT1405 - Introduciton to Automotive Technology

General

Subject Code
AUMT

Course Number
1405

Course Long Title
Introduciton to Automotive Technology

Course Description
AUMT 1405. INTRODUCTION TO AUTOMOTIVE TECHNOLOGY (2-6-4)

An introduction to the automotive industry including automotive history, safety practices, shop equipment and tools, vehicle subsystems, service publications, professional responsibilities and basic automotive maintenance. May be taught manufacturer specific. 47.0604

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Automotive Electrical Diagnosis & Repair

Course Description
AUMT 2421. AUTOMOTIVE ELECTRICAL DIAGNOSIS AND REPAIR (2-6-4)

Repair of automotive electrical subsystems, lighting, instrumentation, and accessories. Emphasis on accurate diagnosis and proper repair methods using various troubleshooting skills and techniques. May be taught manufacturer specific. Prerequisite or Corequisite: AUMT 1405, AUMT 1407 Assessment Levels: R1, E1, M0. 47.0604

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Subject Code
AUMT

Course Number
2425

Course Long Title
Auto Automatic Transmission & Transaxle

Course Description
AUMT 2425. AUTOMOTIVE AUTOMATIC TRANSMISSION AND TRANSAXLE (2-6-4)

A study of the operation, hydraulic circuits and electronic controls of modern automatic transmissions/transaxles. Diagnosis, disassembly and assembly procedures with emphasis on the use of special tools and repair techniques. May be taught manufacturer specific. Assessment Levels: R1, E1, M0. Prerequisite: AUMT 2421. 47.0604

AVNC1225 - Emerging Technologies in Aviation Electr

General

Subject Code
AVNC

Course Number
1225

Course Long Title
Emerging Technologies in Aviation Electr

Course Description
AVNC 1225. EMERGING TECHNOLOGIES IN AVIATION ELECTRONIC SYSTEMS (2-0-2)

An introduction to the emerging technologies and systems recently developed for enhanced safety as well as improved navigational system in which field repairs are generally not performed. Assessment Levels: R1, E1, M0. 47.0609

CIP Code
47.0609 - Avionics Maintenance Tech/Technician

AVNC1370 - Aircraft Comm Sys Line Maintenance

General

Subject Code
AVNC

Course Number
1370

Course Long Title
Aircraft Comm Sys Line Maintenance

Course Description
AVNC 1370. AIRCRAFT COMMUNICATION SYSTEM LINE MAINTENANCE (2-3-3)

This course focuses on the detailed theory, operation, testing, and troubleshooting of aircraft communication systems. The course is designed to allow students to perform operational and functional testing of various common aircraft communication systems according to manufacturer and government specifications and regulations. The student will be introduced to troubleshooting procedures that includes a thorough familiarization of common communication system test equipment and ramp testing procedures. 47.0101

CIP Code

Course Number
1372

Course Long Title
Air Traf Control Sur Sys Line Maintenanc

Course Description
AVNC 1372. AIR TRAFFICE CONTROL SURVEILLANCE SYSTEM LINE MAINTENANCE. (2-3-3)

A course (aircraft line maintenance) in theory, operation, testing, and inspection of Air Traffic Control Radar-based surveillance systems and Space-based surveillance systems to include; ATCRBS elementary air traffic control systems (Mode A, Mode C, and Mode S) and Automatice Dependent Surveillance and Broadcast (ADS-B) and Mode S Extended Squitter (ES) systems. This course will also address the theory, operation, testing, and inspection of aircraft Traffic Collision and Avoidance Systems (TCAS) as well. The student will receive training on the setup and use of common and peculiar test equipment associated with the testing of Aircraft Traffic Control Surveillance Systems (ATCRBS) and Traffic Collision Avoidance Systems (TCAS). 47.0101

Course Description
BIOL 1109. DIVERSITY AND ENVIRONMENT LABORATORY (0-3-1)

Optional laboratory to accompany BIOL 1309, if a laboratory course is desired or required. BIOL 1309 when accompanied by BIOL 1109, is equivalent to BIOL 1409. Topics include those from BIOL 1309. This laboratory course cannot be used to fulfill the laboratory requirement for any course except BIOL 1309. Prerequisite or corequisite: BIOL 1309. Assessment Levels: R3, E3, M1. 26.0101

BIOL1308 - General Fund of Cell Biol

General

Subject Code
BIOL

Course Number
1308

Course Long Title
General Fund of Cell Biol

Course Description
BIOL 1308. GENERAL BIOLOGY: FUNDAMENTALS OF CELL BIOLOGY (OPTIONAL SEPARATE LABORATORY) (3-0-3)

Scientific method, chemical properties of life, cells and organelles, metabolism, photosynthesis, respiration, cell division, genetics, molecular genetics and genetic engineering. Designed primarily to be the first biology course for nonscience majors. BIOL 1308 when accompanied by BIOL 1108 is equivalent to BIOL 1408. If a laboratory course is required, student should take either BIOL 1408 or BIOL 1308 accompanied by BIOL 1108 (Fundamentals of Cell Biology Laboratory). Credit given for only one of BIOL 1308, 1406, or 1408. May be taken independently from BIOL 1309/1409. Assessment Levels: R3, E3, M1. 26.0101

BIOL1322 - Nutrition & Diet Therapy I

General

Subject Code
BIOL

Course Number
1322

Course Long Title
Nutrition & Diet Therapy I

Course Description
BIOL 1322. NUTRITION & DIET THERAPY I (3-0-3)

This course introduces general nutritional concepts in health and disease and includes practical applications of that knowledge. Special emphasis is given to nutrients and nutritional processes including functions, food sources, digestion, absorption, and metabolism. Food safety, availability, and nutritional information including food labels, advertising, and nationaally established guidelines are addressed. Assessment Levels: R3, E3, M2. 19.0501.

CIP Code
19.0501 - Foods, Nutrition, & Wellness Studies, General

BIOL1406 - Biological Concepts I

General

Subject Code
BIOL

Course Number
1406

Course Long Title
Biological Concepts I

Course Description
BIOL 1406. BIOLOGICAL CONCEPTS I - CELLULAR AND MOLECULAR (3-3-4)

Provides a foundation in biological concepts for students majoring in the sciences. Includes fundamentals of molecular biology, cell structure and function, cellular respiration, photosynthesis, cell reproduction, genetics and biotechnology. Students should take courses from the major's track sequence (BIOL 1406, 1407, 1411 and 1413) or the nonscience major's sequence (BIOL 1308/1408 and 1309/1409) but not both. Credit given for only one of BIOL 1308, 1406, or 1408. Prerequisite: One year each of high school biology and chemistry, or concurrent enrollment in Chemistry 1411. Assessment Levels: R3, E3, M2. 26.0101

Biological Concepts II

Course Description
BIOL 1407. BIOLOGICAL CONCEPTS II - EVOLUTION, DIVERSITY, STRUCTURE, FUNCTION AND ENVIRONMENT (3-3-4)

Provides a foundation in biological concepts for students majoring in the sciences. Includes evolution, origin and history of life, classification and diversity of life; plant and animal structures, functions and life cycles; behavior, ecology and global ecology. Recommended for students majoring in the biological sciences and related disciplines. Required instead of BIOL 1411 and BIOL 1413 for certain programs (see biology advisor for details). Credit given for only one of BIOL 1309, 1407, or 1409. Prerequisite: BIOL 1406 or equivalent, or instructor's permission. Assessment Levels: R3, E3, M3. 26.0101

Course Long Title
Introduction to Biotechnology I

Course Description
BIOL 1414. INTRODUCTION TO BIOTECHNOLOGY I (3-4-4)

An overview of classical genetics, DNA structure, the flow of genetic information, DNA replication, gene transcription, protein translation. Principles of major molecular biology and genetic engineering techniques, including restriction enzymes and their uses, major types of cloning vectors, construction of libraries, Southern and Northern blotting, hybridization, PCR, DNA typing. Applications of these techniques in human health and welfare, medicine, agriculture and the environment. An introduction to the human genome project, gene therapy, molecular diagnostics, forensics, creation and uses of transgenic plants and animal and animal cloning and of the ethical, legal, and social issues and scientific problems associated with these technologies. Relevant practical exercises in the above areas. One year of high school biology and one year of high school chemistry or BIOL 1406, or the equivalent, or Departmental approval. Introduction to Biotechnology II

Course Description
BIOL 1415. INTRODUCTION TO BIOTECHNOLOGY II (3-4-4)

Biology course that focuses on an integrative approach to studying biomolecules with an emphasis on protein structures, functions and uses in the modern bioscience laboratory. Students will investigate the mechanisms involved in the transfer of information from DNA sequences to proteins to biochemical functions. The course will integrate biological and chemical concepts with techniques that are used in research and industry. Critical thinking will be applied in laboratory exercises using inquiry-based approaches, troubleshooting, and analyzing experimental data. Prerequisites: BIOL 1414, MATH 1314, BIOL 1406, CHEM 1411(or concurrent enrollment). Assessment Levels: R3, E3, M3. 26.1201

Foundations of Anatomy and Physiology

Course Description
BIOL 2404. FOUNDATIONS OF ANATOMY AND PHYSIOLOGY (3-3-4)

One-semester course of human structure and function (lecture and laboratory). Study of the structure and function of human anatomy, including the neuroendocrine, integumentary, musculoskeletal, digestive, urinary, reproductive and circulatory systems. Content may be either intergrated or specialized. This course is designed for students pursuing degrees and careers in Health Information Technology, Medical Laboratory Technology, Medical Assisting, and Pre-Medical Technology. BIOL 2404 is not a substitute for BIOL 2401 or BIOL 2402. Students should consult with an academic advisor to determine the appropriate Anatomy and Physiology course. Assessment Levels: R3, E3, M2. 26.0707

Course Long Title
Microbiology for Health Sciences

Course Description
BIOL 2420. MICROBIOLOGY FOR HEALTH SCIENCES (3-3-4)

A study of microorganisms; emphasis on microbe morphology and physiology; principles of disinfection, sterilization, immunity and pathogenicity. This course is intended for pre-nursing and associate-degree nursing majors, dental hygiene, pre-medical technology, respiratory therapy and surgical technology majors. Students may take this nonmajor's course (BIOL 2420) or the major's track course (BIOL 2421) but not both. Prerequisites: one year of high school biology (or 4 semester hours of biology) and BIOL 2402 grade C or higher. Assessment Levels: R3, E3, M2. 26.0503

CIP Code
26.0503 - Medical Microbiology and Bacteriology

BIOL2421 - Microbiology

General

Subject Code
BIOL

Course Number
2421

Course Long Title
Microbiology

Course Description
BIOL 2421. MICROBIOLOGY (3-3-4)

The lecture component covers principles of microbiology, including metabolism, structure, function, genetics, and phylogeny of microbes. The course will also examine the interactions of microbes with each other, hosts, and environment. The laboratory component involves activities that will reinforce principles of microbiology, including metabolism, structure, function, genetics, and phylogeny of microbes. This course offers foundations in microbiological concepts for students majoring in biological sciences and others majoring in sciences that require an emphasis in biology (pre-medical, pre-dental, pre-veterinary medicine, pre-pharmacy, etc.) are provided. Laboratory include the handling and pure-culture techniques needed for the isolation, growth and taxonomic elucidation of various microbes. Students may take this major's track course (BIOL 2421) or the non-major's course (BIOL 2420) but not both. Assessment Levels: R3, E3, M3. 26.0502

BITC2486 - Internship- Biol Tech/ Biotechnology Lab

General

Subject Code
BITC

Course Number
2486

Course Long Title
Internship- Biol Tech/Biotechnology Lab

Course Description
BITC 2486. INTERNSHIP-BIOLOGY TECHNICIAN/BIOTECHNOLOGY LABORATORY TECHNICIAN (CAPSTONE) (0-24-4)

The experience can be internal to the college where the student prepares kits for the Biotechnology Program for distribution under the supervision of a trained DMC instructor. Activities include designing laboratory protocols for classroom use. Or the experience can be external to the college, where the student is mentored and supervised by a workplace employee. This may be paid or unpaid experience. This course may be repeated if topics and learning outcomes vary. (Capstone course for Biotechnology certificate or elective for AAS degree). Prerequisites: Assigned by the College. Assessment Levels: R3, E3, M3. 41.0101

CIP Code
41.0101 - Biology/Biotechnology Technology/Technician.

Requirements

Requirements
Must have level 3 in Reading, English and Math

1006

Course Long Title
Spec Topics in Animal Science

Course Description
SPEC TOPICS IN ANIMAL SCIENCE

CIP Code
02.0201 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1007 - Fund of Pest Control I

General

Subject Code
CCM

Course Number
1007

Course Long Title
Fund of Pest Control I

Course Description
FUND OF PEST CONTROL I

CIP Code
02.0408 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1008 - Fund of Pest Control II

General

Subject Code
CCM

Course Number
1008

Course Long Title
Fund of Pest Control II

Course Description
FUND OF PEST CONTROL II

CIP Code
02.0408 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1009 - Termite Control Techniques

General

Subject Code
CCM

Course Number
1009

Course Long Title
Termite Control Techniques

Course Description
TERMITE CONTROL TECHNIQUES

CIP Code
02.0408 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1010 - Spec Topics in Plant Sciences

General

Subject Code
CCM

Course Number
1010

Course Long Title
Spec Topics in Plant Sciences

Course Description
SPEC TOPICS IN PLANT SCIENCES

CIP Code
02.0401 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1011 - Spec Topic Forestry Relate Sci

General

Subject Code
CCM

Course Number
1011

Course Long Title
Spec Topic Forestry Relate Sci

Course Description
SPEC TOPIC FORESTRY RELATE SCI

CIP Code
03.0501 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1012 - Spec Topic Wildlife Lands Mgt

General

Subject Code
CCM

Course Number
1012

Course Long Title
Spec Topic Wildlife Lands Mgt

Course Description
SPEC TOPIC WILDLIFE LANDS MGT

CIP Code
03.0601 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1013 - Bas Telemarketing:skill Sales

General

Subject Code
CCM

Course Number
1013

Course Long Title
Bas Telemarketing:skill Sales

Course Description
BAS TELEMARKETING:SKILL SALES

CIP Code
08.0708 - Unknown

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1014 - Ins Customer Serv Represent

General

Subject Code
CCM

Course Number
1014

Course Long Title
Ins Customer Serv Represent

Course Description
INS CUSTOMER SERV REPRESENT

CIP Code
08.1001 - continuing education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1015 - Spec Topic Vehicle & Petroleum

General

Subject Code
CCM

Course Number
1015

Course Long Title
Spec Topic Vehicle & Petroleum

Course Description
SPEC TOPIC VEHICLE & PETROLEUM

CIP Code
08.1299 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1016 - Spec Topic Communication Tech

General

Subject Code
CCM

Course Number
1016

Course Long Title
Spec Topic Communication Tech

Course Description
SPEC TOPIC COMMUNICATION TECH

CIP Code
10.0101 - Educational/Instructional Media Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1017 - Spec Topic/Computer & Info Sci

General

Subject Code
CCM

Course Number
1017

Course Long Title
Spec Topic/Computer & Info Sci

Course Description
SPEC TOPIC/COMPUTER & INFO SCI

CIP Code
11.0101 - Computer and Information Sciences, General

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1018 - Spec Topic/Computer Programmin

General

Subject Code
CCM

Course Number
1018

Course Long Title
Spec Topic/Computer Programmin

Course Description
SPEC TOPIC/COMPUTER PROGRAMMIN

CIP Code
11.0201 - Computer Programming/Programmer, General

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1019 - Spec Topic Info Science & Syst

General

Subject Code
CCM

Course Number
1019

Course Long Title
Spec Topic Info Science & Syst

Course Description
SPEC TOPIC INFO SCIENCE & SYST

CIP Code
11.0401 - Information Science/Studies

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1020 - Network I

General

Subject Code
CCM

Course Number
1020

Course Long Title
Network I

Course Description
NETWORK I

CIP Code
11.0401 - Information Science/Studies

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1021 - Network II

General

Subject Code
CCM

Course Number
1021

Course Long Title
Network II

Course Description
NETWORK II

CIP Code
11.0401 - Information Science/Studies

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1022 - Network Systems Manager

General

Subject Code
CCM

Course Number
1022

Course Long Title
Network Systems Manager

Course Description
NETWORK SYSTEMS MANAGER

CIP Code
11.0401 - Information Science/Studies

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1023 - Network Protocol

General

Subject Code
CCM

Course Number
1023

Course Long Title
Network Protocol

Course Description
NETWORK PROTOCOL

CIP Code
11.0401 - Information Science/Studies

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1024 - Data Communications

General

Subject Code
CCM

Course Number
1024

Course Long Title
Data Communications

Course Description
DATA COMMUNICATIONS

CIP Code
11.0401 - Information Science/Studies

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1025 - Systems Network-Microcomp Arch

General

Subject Code
CCM

Course Number
1025

Course Long Title
Systems Network-Microcomp Arch

Course Description
SYSTEMS NETWORK-MICROCOMP ARCH

CIP Code
11.0401 - Information Science/Studies

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1026 - Unix

General

Subject Code
CCM

Course Number
1026

Course Long Title
Unix

Course Description
UNIX

CIP Code
11.0401 - Information Science/Studies

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1027 - Micro Hardware

General

Subject Code
CCM

Course Number
1027

Course Long Title
Micro Hardware

Course Description
MICRO HARDWARE

CIP Code
11.0401 - Information Science/Studies

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1028 - Network Service and Support

General

Subject Code
CCM

Course Number
1028

Course Long Title
Network Service and Support

Course Description
NETWORK SERVICE AND SUPPORT

CIP Code
11.0401 - Information Science/Studies

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1029 - Spec Topics in Compu Sys Analy

General

Subject Code
CCM

Course Number
1029

Course Long Title
Spec Topics in Compu Sys Analy

Course Description
SPEC TOPICS IN COMPU SYS ANALY

CIP Code
11.0501 - Computer Systems Analysis/Analyst

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1030 - Spec Topic in Computer Science

General

Subject Code
CCM

Course Number
1030

Course Long Title
Spec Topic in Computer Science

Course Description
SPEC TOPIC IN COMPUTER SCIENCE

CIP Code
11.0701 - Computer Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1031 - Moulage

General

Subject Code
CCM

Course Number
1031

Course Long Title
Moulage

Course Description
MOULAGE

CIP Code
12.0403 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1032 - Food and Beverage Mgt

General

Subject Code
CCM

Course Number
1032

Course Long Title
Food and Beverage Mgt

Course Description
FOOD AND BEVERAGE MGT

CIP Code
12.0504 - Restaurant, Culinary, and Catering Management/Manager

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1033 - Spec Topic/Teacher Assistant

General

Subject Code
CCM

Course Number
1033

Course Long Title
Spec Topic/Teacher Assistant

Course Description
SPEC TOPIC/TEACHER ASSISTANT

CIP Code
13.1501 - Teacher Assistant/Aide

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1034 - Adv Special Topics:electronics

General

Subject Code
CCM

Course Number
1034

Course Long Title
Adv Special Topics:electronics

Course Description
ADV SPECIAL TOPICS:ELECTRONICS

CIP Code
15.0303 - Electrical,Electronic,andCommunicationsEngineeringTechnology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1035 - Fundamentals of Lasers

General

Subject Code
CCM

Course Number
1035

Course Long Title
Fundamentals of Lasers

Course Description
FUNDAMENTALS OF LASERS

CIP Code
15.0304 - Laser and Optical Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1036 - Spec Topics:elec Electric Engr

General

Subject Code
CCM

Course Number
1036

Course Long Title
Spec Topics:elec Electric Engr

Course Description
SPEC TOPICS:ELEC ELECTRIC ENGR

CIP Code
15.0301 - Computer Engineering Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1037 - Biomedical Equip Repair & Main

General

Subject Code
CCM

Course Number
1037

Course Long Title
Biomedical Equip Repair & Main

Course Description
BIOMEDICAL EQUIP REPAIR & MAIN

CIP Code
15.0401 - Biomedical Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1038 - Basic Program Controllers

General

Subject Code
CCM

Course Number
1038

Course Long Title
Basic Program Controllers

Course Description
BASIC PROGRAM CONTROLLERS

CIP Code
15.0403 - Electromechanical/Electromechanical Engineering Technology/ Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1039 - Advanced Progr Controllers

General

Subject Code
CCM

Course Number
1039

Course Long Title
Advanced Progr Controllers

Course Description
ADVANCED PROGR CONTROLLERS

CIP Code
15.0403 - Electromechanical/Electromechanical Engineering Technology/ Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1040 - Advanced Spec Topic:elec Techn

General

Subject Code
CCM

Course Number
1040

Course Long Title
Advanced Spec Topic:elec Techn

Course Description
ADVANCED SPEC TOPIC:ELEC TECHN

CIP Code
15.0403 - Electromechanical/Electromechanical Engineering Technology/ Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1041 - Electromechanical Instrumentation

General

Subject Code
CCM

Course Number
1041

Course Long Title
Electromechanical Instrumentation

Course Description
Electromechanical Instrumentation

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1042 - Basic Waterworks

General

Subject Code
CCM

Course Number
1042

Course Long Title
Basic Waterworks

Course Description
BASIC WATERWORKS

CIP Code
15.0506 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1043 - Ground Water Production

General

Subject Code
CCM

Course Number
1043

Course Long Title
Ground Water Production

Course Description
GROUND WATER PRODUCTION

CIP Code
15.0506 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1044 - Water Utilities Management

General

Subject Code
CCM

Course Number
1044

Course Long Title
Water Utilities Management

Course Description
WATER UTILITIES MANAGEMENT

CIP Code
15.0506 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1045 - Water Distribution

General

Subject Code
CCM

Course Number
1045

Course Long Title
Water Distribution

Course Description
WATER DISTRIBUTION

CIP Code
15.0506 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1046 - Water Utility Safty

General

Subject Code
CCM

Course Number
1046

Course Long Title
Water Utility Safty

Course Description
WATER UTILITY SAFTY

CIP Code
15.0506 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1047 - Interm Wastewater Treatment

General

Subject Code
CCM

Course Number
1047

Course Long Title
Interm Wastewater Treatment

Course Description
INTERM WASTEWATER TREATMENT

CIP Code
15.0506 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1048 - Wastewater Collection

General

Subject Code
CCM

Course Number
1048

Course Long Title
Wastewater Collection

Course Description
WASTEWATER COLLECTION

CIP Code
15.0506 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1049 - Activated Sludge Technology

General

Subject Code
CCM

Course Number
1049

Course Long Title
Activated Sludge Technology

Course Description
ACTIVATED SLUDGE TECHNOLOGY

CIP Code
15.0506 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1050 - Sludge Processing & Disposal

General

Subject Code
CCM

Course Number
1050

Course Long Title
Sludge Processing & Disposal

Course Description
SLUDGE PROCESSING & DISPOSAL

CIP Code
15.0506 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1051 - Hazardous Materials:oper Level

General

Subject Code
CCM

Course Number
1051

Course Long Title
Hazardous Materials:oper Level

Course Description
HAZARDOUS MATERIALS:OPER LEVEL

CIP Code
15.0507 - Environmental/Environmental Engineering Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1052 - Hazardous Materials Technician

General

Subject Code
CCM

Course Number
1052

Course Long Title
Hazardous Materials Technician

Course Description
HAZARDOUS MATERIALS TECHNICIAN

CIP Code
15.0507 - Environmental/Environmental Engineering Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1053 - Hazardous Materials Specialist

General

Subject Code
CCM

Course Number
1053

Course Long Title
Hazardous Materials Specialist

Course Description
HAZARDOUS MATERIALS SPECIALIST

CIP Code
15.0507 - Environmental/Environmental Engineering Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1054 - Hazardous Waste Management

General

Subject Code
CCM

Course Number
1054

Course Long Title
Hazardous Waste Management

Course Description
HAZARDOUS WASTE MANAGEMENT

CIP Code
15.0507 - Environmental/Environmental Engineering Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1055 - Hazardous Waste Mgt Update

General

Subject Code
CCM

Course Number
1055

Course Long Title
Hazardous Waste Mgt Update

Course Description
HAZARDOUS WASTE MGT UPDATE

CIP Code
15.0507 - Environmental/Environmental Engineering Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1056 - Asbestos Worker

General

Subject Code
CCM

Course Number
1056

Course Long Title
Asbestos Worker

Course Description
ASBESTOS WORKER

CIP Code
15.0507 - Environmental/Environmental Engineering Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1057 - Asbestos Worker Refresher

General

Subject Code
CCM

Course Number
1057

Course Long Title
Asbestos Worker Refresher

Course Description
ASBESTOS WORKER REFRESHER

CIP Code
15.0507 - Environmental/Environmental Engineering Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1058 - Asbestos Floor-The Worker

General

Subject Code
CCM

Course Number
1058

Course Long Title
Asbestos Floor-The Worker

Course Description
ASBESTOS FLOOR-THE WORKER

CIP Code
15.0507 - Environmental/Environmental Engineering Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1059 - Asbestos Abatement

General

Subject Code
CCM

Course Number
1059

Course Long Title
Asbestos Abatement

Course Description
ASBESTOS ABATEMENT

CIP Code
15.0507 - Environmental/Environmental Engineering Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1060 - Asbestos Contractor & Supervis

General

Subject Code
CCM

Course Number
1060

Course Long Title
Asbestos Contractor & Supervis

Course Description
ASBESTOS CONTRACTOR & SUPERVIS

CIP Code
15.0507 - Environmental/Environmental Engineering Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1061 - Asbestos Contract/Super Refres

General

Subject Code
CCM

Course Number
1061

Course Long Title
Asbestos Contract/Super Refres

Course Description
ASBESTOS CONTRACT/SUPER REFRES

CIP Code
15.0507 - Environmental/Environmental Engineering Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1062 - Asbestos Abatement/Contra Supe

General

Subject Code
CCM

Course Number
1062

Course Long Title
Asbestos Abatement/Contra Supe

Course Description
ASBESTOS ABATEMENT/CONTRA SUPE

CIP Code
15.0507 - Environmental/Environmental Engineering Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1063 - Asbestos Instruction,inspector

General

Subject Code
CCM

Course Number
1063

Course Long Title
Asbestos Instruction,inspector

Course Description
ASBESTOS INSTRUCTION,INSPECTOR

CIP Code
15.0507 - Environmental/Environmental Engineering Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1064 - Asbestos Inspector Refresher

General

Subject Code
CCM

Course Number
1064

Course Long Title
Asbestos Inspector Refresher

Course Description
ASBESTOS INSPECTOR REFRESHER

CIP Code
15.0507 - Environmental/Environmental Engineering Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1065 - Occupational Noise Control/Mgt

General

Subject Code
CCM

Course Number
1065

Course Long Title
Occupational Noise Control/Mgt

Course Description
OCCUPATIONAL NOISE CONTROL/MGT

CIP Code
15.0507 - Environmental/Environmental Engineering Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1066 - Air Quality Control

General

Subject Code
CCM

Course Number
1066

Course Long Title
Air Quality Control

Course Description
AIR QUALITY CONTROL

CIP Code
15.0507 - Environmental/Environmental Engineering Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1067 - Solid Waste Management

General

Subject Code
CCM

Course Number
1067

Course Long Title
Solid Waste Management

Course Description
SOLID WASTE MANAGEMENT

CIP Code
15.0507 - Environmental/Environmental Engineering Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1068 - Medical Waste Technical

General

Subject Code
CCM

Course Number
1068

Course Long Title
Medical Waste Technical

Course Description
MEDICAL WASTE TECHNICAL

CIP Code
15.0507 - Environmental/Environmental Engineering Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1069 - In-Land Oil Spill Control

General

Subject Code
CCM

Course Number
1069

Course Long Title
In-Land Oil Spill Control

Course Description
IN-LAND OIL SPILL CONTROL

CIP Code
15.0507 - Environmental/Environmental Engineering Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1070 - Spec Topic:envir Control Tech

General

Subject Code
CCM

Course Number
1070

Course Long Title
Spec Topic:envir Control Tech

Course Description
SPEC TOPIC:ENVIR CONTROL TECH

CIP Code
15.0501 - Heating, Air Conditioning and Refigeration Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1071 - Mold Maintenance Operator

General

Subject Code
CCM

Course Number
1071

Course Long Title
Mold Maintenance Operator

Course Description
MOLD MAINTENANCE OPERATOR

CIP Code
15.0607 - Plastics and Polymer Engineering

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1072 - Plastic Injection MacH Oper

General

Subject Code
CCM

Course Number
1072

Course Long Title
Plastic Injection MacH Oper

Course Description
PLASTIC INJECTION MACH OPER

CIP Code
15.0607 - Plastics and Polymer Engineering

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1073 - Plasic Inject Mold MacH Oper

General

Subject Code
CCM

Course Number
1073

Course Long Title
Plasic Inject Mold MacH Oper

Course Description
PLASIC INJECT MOLD MACH OPER

CIP Code
15.0607 - Plastics and Polymer Engineering

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1074 - Injection Mold Machine Oper

General

Subject Code
CCM

Course Number
1074

Course Long Title
Injection Mold Machine Oper

Course Description
INJECTION MOLD MACHINE OPER

CIP Code
15.0607 - Plastics and Polymer Engineering

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1075 - Inject Mold:troubleshooting

General

Subject Code
CCM

Course Number
1075

Course Long Title
Inject Mold:troubleshooting

Course Description
INJECT MOLD:TROUBLESHOOTING

CIP Code
15.0607 - Plastics and Polymer Engineering

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1076 - Inject Mold Closed Loop Proces

General

Subject Code
CCM

Course Number
1076

Course Long Title
Inject Mold Closed Loop Proces

Course Description
INJECT MOLD CLOSED LOOP PROCES

CIP Code
15.0607 - Plastics and Polymer Engineering

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1077 - Inject Mold Proc Control Troub

General

Subject Code
CCM

Course Number
1077

Course Long Title
Inject Mold Proc Control Troub

Course Description
INJECT MOLD PROC CONTROL TROUB

CIP Code
15.0607 - Plastics and Polymer Engineering

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1078 - Plasic Injection Molding Opera

General

Subject Code
CCM

Course Number
1078

Course Long Title
Plasic Injection Molding Opera

Course Description
PLASIC INJECTION MOLDING OPERA

CIP Code
15.0607 - Plastics and Polymer Engineering

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1079 - Injection Molds & Mold Mainten

General

Subject Code
CCM

Course Number
1079

Course Long Title
Injection Molds & Mold Mainten

Course Description
INJECTION MOLDS & MOLD MAINTEN

CIP Code
15.0607 - Plastics and Polymer Engineering

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1080 - Quality Control Injection Mold

General

Subject Code
CCM

Course Number
1080

Course Long Title
Quality Control Injection Mold

Course Description
QUALITY CONTROL INJECTION MOLD

CIP Code
15.0607 - Plastics and Polymer Engineering

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1081 - Plastic Materials & Appl I

General

Subject Code
CCM

Course Number
1081

Course Long Title
Plastic Materials & Appl I

Course Description
PLASTIC MATERIALS & APPL I

CIP Code
15.0607 - Plastics and Polymer Engineering

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1082 - Plastic Material & Appl II

General

Subject Code
CCM

Course Number
1082

Course Long Title
Plastic Material & Appl II

Course Description
PLASTIC MATERIAL & APPL II

CIP Code
15.0607 - Plastics and Polymer Engineering

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1083 - Plastic Product & Mold Design

General

Subject Code
CCM

Course Number
1083

Course Long Title
Plastic Product & Mold Design

Course Description
PLASTIC PRODUCT & MOLD DESIGN

CIP Code
15.0607 - Plastics and Polymer Engineering

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1084 - Molding Making I

General

Subject Code
CCM

Course Number
1084

Course Long Title
Molding Making I

Course Description
MOLDING MAKING I

CIP Code
15.0607 - Plastics and Polymer Engineering

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1085 - Mold Making IV

General

Subject Code
CCM

Course Number
1085

Course Long Title
Mold Making IV

Course Description
MOLD MAKING IV

CIP Code
15.0607 - Plastics and Polymer Engineering

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1086 - Mold Making V

General

Subject Code
CCM

Course Number
1086

Course Long Title
Mold Making V

Course Description
MOLD MAKING V

CIP Code
15.0607 - Plastics and Polymer Engineering

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1087 - Auxiliary Equip & Material Han

General

Subject Code
CCM

Course Number
1087

Course Long Title
Auxiliary Equip & Material Han

Course Description
AUXILIARY EQUIP & MATERIAL HAN

CIP Code
15.0607 - Plastics and Polymer Engineering

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1088 - Spec Topic:industrial Prod Tec

General

Subject Code
CCM

Course Number
1088

Course Long Title
Spec Topic:industrial Prod Tec

Course Description
SPEC TOPIC:INDUSTRIAL PROD TEC

CIP Code
15.0603 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1089 - Occupational Safety & Hlth Mgt

General

Subject Code
CCM

Course Number
1089

Course Long Title
Occupational Safety & Hlth Mgt

Course Description
OCCUPATIONAL SAFETY & HLTH MGT

CIP Code
15.0701 - Occupational Safety and Health Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1090 - Safety & Accident Prevention

General

Subject Code
CCM

Course Number
1090

Course Long Title
Safety & Accident Prevention

Course Description
SAFETY & ACCIDENT PREVENTION

CIP Code
15.0701 - Occupational Safety and Health Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1091 - Construction Site Safety,hlth

General

Subject Code
CCM

Course Number
1091

Course Long Title
Construction Site Safety,hlth

Course Description
CONSTRUCTION SITE SAFETY,HLTH

CIP Code
15.0701 - Occupational Safety and Health Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1092 - Petroleum Storage Tank Mgt

General

Subject Code
CCM

Course Number
1092

Course Long Title
Petroleum Storage Tank Mgt

Course Description
PETROLEUM STORAGE TANK MGT

CIP Code
15.0903 - Petroleum Technolgy/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1093 - Sp Topic/Mining Petroleum Tech

General

Subject Code
CCM

Course Number
1093

Course Long Title
Sp Topic/Mining Petroleum Tech

Course Description
SP TOPIC/MINING PETROLEUM TECH

CIP Code
15.0901 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1094 - Chainman and Rodman

General

Subject Code
CCM

Course Number
1094

Course Long Title
Chainman and Rodman

Course Description
CHAINMAN AND RODMAN

CIP Code
15.1102 - Surveying Technology/Surveying

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1095 - Istrumentation for Surveyors

General

Subject Code
CCM

Course Number
1095

Course Long Title
Istrumentation for Surveyors

Course Description
ISTRUMENTATION FOR SURVEYORS

CIP Code
15.1102 - Surveying Technology/Surveying

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1096 - Surveying Crew Chief

General

Subject Code
CCM

Course Number
1096

Course Long Title
Surveying Crew Chief

Course Description
SURVEYING CREW CHIEF

CIP Code
15.1102 - Surveying Technology/Surveying

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1097 - Professional Surveyor

General

Subject Code
CCM

Course Number
1097

Course Long Title
Professional Surveyor

Course Description
PROFESSIONAL SURVEYOR

CIP Code
15.1102 - Surveying Technology/Surveying

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1099 - Commercial Garment/Apparel Wk

General

Subject Code
CCM

Course Number
1099

Course Long Title
Commercial Garment/Apparel Wk

Course Description
COMMERCIAL GARMENT/APPAREL WK

CIP Code
20.0301 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1100 - Institutional Food Workers Adm

General

Subject Code
CCM

Course Number
1100

Course Long Title
Institutional Food Workers Adm

Course Description
INSTITUTIONAL FOOD WORKERS ADM

CIP Code
20.0401 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1101 - Hosp Industry Housekeepng Serv

General

Subject Code
CCM

Course Number
1101

Course Long Title
Hosp Industry Housekeepng Serv

Course Description
HOSP INDUSTRY HOUSEKEEPNG SERV

CIP Code
20.0605 - continuing education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1102 - Custodial Housekeep/Home Mgt

General

Subject Code
CCM

Course Number
1102

Course Long Title
Custodial Housekeep/Home Mgt

Course Description
CUSTODIAL HOUSEKEEP/HOME MGT

CIP Code
20.0601 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1103 - Business English

General

Subject Code
CCM

Course Number
1103

Course Long Title
Business English

Course Description
BUSINESS ENGLISH

CIP Code
23.1101 - Technical and Business Writing

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1104 - Engl Technical & Bus Writing

General

Subject Code
CCM

Course Number
1104

Course Long Title
Engl Technical & Bus Writing

Course Description
ENGL TECHNICAL & BUS WRITING

CIP Code
23.1101 - Technical and Business Writing

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1105 - Spec Topics:applied Mathematic

General

Subject Code
CCM

Course Number
1105

Course Long Title
Spec Topics:applied Mathematic

Course Description
SPEC TOPICS:APPLIED MATHEMATIC

CIP Code
27.0301 - Applied Mathematics, General.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1106 - Spec Topics: Gerontology

General

Subject Code
CCM

Course Number
1106

Course Long Title
Spec Topics: Gerontology

Course Description
SPEC TOPICS: GERONTOLOGY

CIP Code
30.1101 - Gerontology

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1107 - Spec Topic:phys Science Tech

General

Subject Code
CCM

Course Number
1107

Course Long Title
Spec Topic:phys Science Tech

Course Description
SPEC TOPIC:PHYS SCIENCE TECH

CIP Code
41.0301 - Chemical Technnology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1108 - Counselor Recertification

General

Subject Code
CCM

Course Number
1108

Course Long Title
Counselor Recertification

Course Description
COUNSELOR RECERTIFICATION

CIP Code
42.0601 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1109 - Spec Topic: Counseling Psyc

General

Subject Code
CCM

Course Number
1109

Course Long Title
Spec Topic: Counseling Psyc

Course Description
SPEC TOPIC: COUNSELING PSYC

CIP Code
42.0601 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1110 - Probation Certification Course

General

Subject Code
CCM

Course Number
1110

Course Long Title
Probation Certification Course

Course Description
PROBATION CERTIFICATION COURSE

CIP Code
43.0102 - Corrections

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1111 - Field Training Officer

General

Subject Code
CCM

Course Number
1111

Course Long Title
Field Training Officer

Course Description
FIELD TRAINING OFFICER

CIP Code
43.0103 - Criminal Justice/Law Enforcement Administration

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1112 - Child Abuse Violence Sex Assau

General

Subject Code
CCM

Course Number
1112

Course Long Title
Child Abuse Violence Sex Assau

Course Description
CHILD ABUSE VIOLENCE SEX ASSAU

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1113 - Basic Reserve Peace Officer

General

Subject Code
CCM

Course Number
1113

Course Long Title
Basic Reserve Peace Officer

Course Description
BASIC RESERVE PEACE OFFICER

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1114 - Intermediate Reserve Officer

General

Subject Code
CCM

Course Number
1114

Course Long Title
Intermediate Reserve Officer

Course Description
INTERMEDIATE RESERVE OFFICER

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1115 - Advanced Reserve Officer

General

Subject Code
CCM

Course Number
1115

Course Long Title
Advanced Reserve Officer

Course Description
ADVANCED RESERVE OFFICER

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1116 - Supplemental Peace Officer

General

Subject Code
CCM

Course Number
1116

Course Long Title
Supplemental Peace Officer

Course Description
SUPPLEMENTAL PEACE OFFICER

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1117 - Criminal Justice & Corrections

General

Subject Code
CCM

Course Number
1117

Course Long Title
Criminal Justice & Corrections

Course Description
CRIMINAL JUSTICE & CORRECTIONS

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1118 - Tutorial Crs Fire Dept Exam

General

Subject Code
CCM

Course Number
1118

Course Long Title
Tutorial Crs Fire Dept Exam

Course Description
TUTORIAL CRS FIRE DEPT EXAM

CIP Code
43.0302 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1119 - Spec Topics:fire Protection

General

Subject Code
CCM

Course Number
1119

Course Long Title
Spec Topics:fire Protection

Course Description
SPEC TOPICS:FIRE PROTECTION

CIP Code
43.0201 - Fire Protection and Safety Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1120 - Spec Topic:masons Tile Setters

General

Subject Code
CCM

Course Number
1120

Course Long Title
Spec Topic:masons Tile Setters

Course Description
SPEC TOPIC:MASONS TILE SETTERS

CIP Code
46.0101 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1121 - Special Topics: for Carpenters

General

Subject Code
CCM

Course Number
1121

Course Long Title
Special Topics: for Carpenters

Course Description
SPECIAL TOPICS: FOR CARPENTERS

CIP Code
46.0201 - Carpentry/Carpenter

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1122 - Elec Power Transmission Instal

General

Subject Code
CCM

Course Number
1122

Course Long Title
Elec Power Transmission Instal

Course Description
ELEC POWER TRANSMISSION INSTAL

CIP Code
46.0301 - Electrical & Power Transmission Installation

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1123 - Construc Build Finishers Mgr

General

Subject Code
CCM

Course Number
1123

Course Long Title
Construc Build Finishers Mgr

Course Description
CONSTRUC BUILD FINISHERS MGR

CIP Code
46.0401 - Building/Property Maintenance & Management

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1124 - Sp Topic:plumbers & Pipefitter

General

Subject Code
CCM

Course Number
1124

Course Long Title
Sp Topic:plumbers & Pipefitter

Course Description
SP TOPIC:PLUMBERS & PIPEFITTER

CIP Code
46.0501 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1125 - Telecommunications Maintenance

General

Subject Code
CCM

Course Number
1125

Course Long Title
Telecommunications Maintenance

Course Description
TELECOMMUNICATIONS MAINTENANCE

CIP Code
47.0103 - Communications Systems Installation and Repair Technology/ Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1126 - Fiber Optic Commun Syst Instal

General

Subject Code
CCM

Course Number
1126

Course Long Title
Fiber Optic Commun Syst Instal

Course Description
FIBER OPTIC COMMUN SYST INSTAL

CIP Code
47.0103 - Communications Systems Installation and Repair Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1127 - Tele Comp Network Troubl Shoot

General

Subject Code
CCM

Course Number
1127

Course Long Title
Tele Comp Network Troubl Shoot

Course Description
TELE COMP NETWORK TROUBL SHOOT

CIP Code
47.0104 - Computer Installation & Repair Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1128 - Elec & Electron Equip Installe

General

Subject Code
CCM

Course Number
1128

Course Long Title
Elec & Electron Equip Installe

Course Description
ELEC & ELECTRON EQUIP INSTALLE

CIP Code
47.0101 - Electrical/ElectronicsEquipmentInstallationandRepairTechnology/Technician,

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1129 - Sp Topic:misc Mech & Repairers

General

Subject Code
CCM

Course Number
1129

Course Long Title
Sp Topic:misc Mech & Repairers

Course Description
SP TOPIC:MISC MECH & REPAIRERS

CIP Code
47.0401 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1130 - Vehicle Mobile Equip Mech Repa

General

Subject Code
CCM

Course Number
1130

Course Long Title
Vehicle Mobile Equip Mech Repa

Course Description
VEHICLE MOBILE EQUIP MECH REPA

CIP Code
47.0699 - Vehicle Maintenance and Repair Technologies/Technicians, Other.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1131 - Graphical Descriptive Geometry

General

Subject Code
CCM

Course Number
1131

Course Long Title
Graphical Descriptive Geometry

Course Description
GRAPHICAL DESCRIPTIVE GEOMETRY

CIP Code
48.0101 - Drafting, General

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1132 - Introduction to Pre-Press

General

Subject Code
CCM

Course Number
1132

Course Long Title
Introduction to Pre-Press

Course Description
INTRODUCTION TO PRE-PRESS

CIP Code
48.0201 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1133 - Stripping Techniques

General

Subject Code
CCM

Course Number
1133

Course Long Title
Stripping Techniques

Course Description
STRIPPING TECHNIQUES

CIP Code
48.0201 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1134 - Camera Techniques

General

Subject Code
CCM

Course Number
1134

Course Long Title
Camera Techniques

Course Description
CAMERA TECHNIQUES

CIP Code
48.0201 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1135 - Graphic & Printing Equip Oper

General

Subject Code
CCM

Course Number
1135

Course Long Title
Graphic & Printing Equip Oper

Course Description
GRAPHIC & PRINTING EQUIP OPER

CIP Code
48.0201 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1136 - Spec Topic: Woodwork Workers

General

Subject Code
CCM

Course Number
1136

Course Long Title
Spec Topic: Woodwork Workers

Course Description
SPEC TOPIC: WOODWORK WORKERS

CIP Code
48.0701 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1137 - Commer Drivers Lic Exam Prep

General

Subject Code
CCM

Course Number
1137

Course Long Title
Commer Drivers Lic Exam Prep

Course Description
COMMER DRIVERS LIC EXAM PREP

CIP Code
49.0205 - Truck & Bus Driver/Commercial Vehicle Operation

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1138 - Spec Topic:vehicle & Equip Ope

General

Subject Code
CCM

Course Number
1138

Course Long Title
Spec Topic:vehicle & Equip Ope

Course Description
SPEC TOPIC:VEHICLE & EQUIP OPE

CIP Code
49.0299 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1139 - Special Topics: in Music

Subject Code
CCM

Course Number
1139

Course Long Title
Special Topics: in Music

Course Description
SPECIAL TOPICS: IN MUSIC

CIP Code
50.0901 - Music, General

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1140 - Commun Disorders Science & Ser

General

Subject Code
CCM

Course Number
1140

Course Long Title
Commun Disorders Science & Ser

Course Description
COMMUN DISORDERS SCIENCE & SER

CIP Code
51.0201 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1141 - Dental Assisting Radiography

General

Subject Code
CCM

Course Number
1141

Course Long Title
Dental Assisting Radiography

Course Description
DENTAL ASSISTING RADIOGRAPHY

CIP Code
51.0601 - Dental Assisting/Assistant

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1142 - Dental Interoral Techniques

General

Subject Code
CCM

Course Number
1142

Course Long Title
Dental Interoral Techniques

Course Description
DENTAL INTERORAL TECHNIQUES

CIP Code
51.0601 - Dental Assisting/Assistant

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1143 - Dental Asst Prep & Review

General

Subject Code
CCM

Course Number
1143

Course Long Title
Dental Asst Prep & Review

Course Description
DENTAL ASST PREP & REVIEW

CIP Code
51.0601 - Dental Assisting/Assistant

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1163 - Vendor and Buyer Partnering

General

Subject Code
CCM

Course Number
1163

Course Long Title
Vendor and Buyer Partnering

Course Description
VENDOR AND BUYER PARTNERING

CIP Code
52.0202 - Purchasing, Procurement/Acquisitions & Contracts Mgmt

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1164 - Facilities Management

General

Subject Code
CCM

Course Number
1164

Course Long Title
Facilities Management

Course Description
FACILITIES MANAGEMENT

CIP Code
52.0205 - Operations Management & Supervision

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1165 - Receptionist

General

Subject Code
CCM

Course Number
1165

Course Long Title
Receptionist

Course Description
RECEPTIONIST

CIP Code
52.0406 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1166 - Office MacHines

General

Subject Code
CCM

Course Number
1166

Course Long Title
Office MacHines

Course Description
OFFICE MACHINES

CIP Code
52.0408 - General Office Occupations & Clerical Services

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1167 - Keyboarding

General

Subject Code
CCM

Course Number
1167

Course Long Title
Keyboarding

Course Description
KEYBOARDING

CIP Code
52.0408 - General Office Occupations & Clerical Services

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1168 - Fundamentals of Filing

General

Subject Code
CCM

Course Number
1168

Course Long Title
Fundamentals of Filing

Course Description
FUNDAMENTALS OF FILING

CIP Code
52.0408 - General Office Occupations & Clerical Services

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1169 - Sp Topic:admin & Sec Services

General

1169

Course Long Title
Sp Topic:admin & Sec Services

Course Description
SP TOPIC:ADMIN & SEC SERVICES

CIP Code
52.0401 - Administrative Assistant & Secretarial Science, General

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1170 - Business Communication

General

Subject Code
CCM

Course Number
1170

Course Long Title
Business Communication

Course Description
BUSINESS COMMUNICATION

CIP Code
52.0501 - Business/Corporate Communications, General.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1171 - Spec Topic:business Communicat

General

Subject Code
CCM

Course Number
1171

Course Long Title
Spec Topic:business Communicat

Course Description
SPEC TOPIC:BUSINESS COMMUNICAT

CIP Code
52.0501 - Business/Corporate Communications, General.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1172 - Law and Banking

General

Subject Code
CCM

Course Number
1172

Course Long Title
Law and Banking

Course Description
LAW AND BANKING

CIP Code
52.0803 - Banking & Financial Support Systems

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1173 - Bank Management

General

Subject Code
CCM

Course Number
1173

Course Long Title
Bank Management

Course Description
BANK MANAGEMENT

CIP Code
52.0803 - Banking & Financial Support Systems

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1174 - Principles of Banking

General

Subject Code
CCM

Course Number
1174

Course Long Title
Principles of Banking

Course Description
PRINCIPLES OF BANKING

CIP Code
52.0803 - Banking & Financial Support Systems

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1175 - Spec Topic:financial Mgt & Ser

General

Subject Code
CCM

Course Number
1175

Course Long Title
Spec Topic:financial Mgt & Ser

Course Description
SPEC TOPIC:FINANCIAL MGT & SER

CIP Code
52.0801 - Finance, General

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1176 - Front Office Procedures

General

Subject Code
CCM

Course Number
1176

Course Long Title
Front Office Procedures

Course Description
FRONT OFFICE PROCEDURES

CIP Code
52.0901 - Hospitality Administratio/Management, General

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1177 - Intro to the Hospitality Indus

General

Subject Code
CCM

Course Number
1177

Course Long Title
Intro to the Hospitality Indus

Course Description
INTRO TO THE HOSPITALITY INDUS

CIP Code
52.0901 - Hospitality Administratio/Management, General

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1178 - Fin Acct for Hosp Industry

General

Subject Code
CCM

Course Number
1178

Course Long Title
Fin Acct for Hosp Industry

Course Description
FIN ACCT FOR HOSP INDUSTRY

CIP Code
52.0901 - Hospitality Administratio/Management, General

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1179 - Marketing of Hospitality Serv

General

Subject Code
CCM

Course Number
1179

Course Long Title
Marketing of Hospitality Serv

Course Description
MARKETING OF HOSPITALITY SERV

CIP Code
52.0901 - Hospitality Administratio/Management, General

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1180 - Hosp Industry Engr Systems

General

Subject Code
CCM

Course Number
1180

Course Long Title
Hosp Industry Engr Systems

Course Description
HOSP INDUSTRY ENGR SYSTEMS

CIP Code
52.0901 - Hospitality Administratio/Management, General

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

Course Long Title
Nursing Home Administrator Crs

Course Description
NURSING HOME ADMINISTRATOR CRS

CIP Code
51.1503 - Clinical/Medical Social Work

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1242 - Nursing Home Admin. Update

General

Subject Code
CCM

Course Number
1242

Course Long Title
Nursing Home Admin. Update

Course Description
NURSING HOME ADMIN. UPDATE

CIP Code
51.1503 - Clinical/Medical Social Work

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1243 - Total Qty Mgt, an Overview

General

Subject Code
CCM

Course Number
1243

Course Long Title
Total Qty Mgt, an Overview

Course Description
TOTAL QTY MGT, AN OVERVIEW

CIP Code
52.0201 - Business Administration & Management, General

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1244 - Law of Agency

General

Subject Code
CCM

Course Number
1244

Course Long Title
Law of Agency

Course Description
LAW OF AGENCY

CIP Code
52.1501 - Real Estate

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1245 - Intro to Emergency Mgt

General

Subject Code
CCM

Course Number
1245

Course Long Title
Intro to Emergency Mgt

Course Description
INTRO TO EMERGENCY MGT

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1246 - Emergency Planning

General

Subject Code
CCM

Course Number
1246

Course Long Title
Emergency Planning

Course Description
EMERGENCY PLANNING

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1247 - Bas Skill:leadership/Influence

General

Subject Code
CCM

Course Number
1247

Course Long Title
Bas Skill:leadership/Influence

Course Description
BAS SKILL:LEADERSHIP/INFLUENCE

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1248 - Decision Mak & Problem Solving

General

Subject Code
CCM

Course Number
1248

Course Long Title
Decision Mak & Problem Solving

Course Description
DECISION MAK & PROBLEM SOLVING

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1249 - Bas Skill:effective Communicat

General

Subject Code
CCM

Course Number
1249

Course Long Title
Bas Skill:effective Communicat

Course Description
BAS SKILL:EFFECTIVE COMMUNICAT

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1250 - Developing Volunteer Resources

General

Subject Code
CCM

Course Number
1250

Course Long Title
Developing Volunteer Resources

Course Description
DEVELOPING VOLUNTEER RESOURCES

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1251 - Exercise Design

General

Subject Code
CCM

Course Number
1251

Course Long Title
Exercise Design

Course Description
EXERCISE DESIGN

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1252 - Exercise Evaluation Course

General

Subject Code
CCM

Course Number
1252

Course Long Title
Exercise Evaluation Course

Course Description
EXERCISE EVALUATION COURSE

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1253 - Tx Pub Info Officer Workshop

General

Subject Code
CCM

Course Number
1253

Course Long Title
Tx Pub Info Officer Workshop

Course Description
TX PUB INFO OFFICER WORKSHOP

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1254 - Tx Haz Mitigation Workshop

General

Subject Code
CCM

Course Number
1254

Course Long Title
Tx Haz Mitigation Workshop

Course Description
TX HAZ MITIGATION WORKSHOP

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1255 - Tx Disaster Recovery Course

General

Subject Code
CCM

Course Number
1255

Course Long Title
Tx Disaster Recovery Course

Course Description
TX DISASTER RECOVERY COURSE

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1256 - Disaster Recovery Operations

General

Subject Code
CCM

Course Number
1256

Course Long Title
Disaster Recovery Operations

Course Description
DISASTER RECOVERY OPERATIONS

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1257 - State/Local Continuity Govt

General

Subject Code
CCM

Course Number
1257

Course Long Title
State/Local Continuity Govt

Course Description
STATE/LOCAL CONTINUITY GOVT

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1258 - Basic Emerggency Mgt Workshop

General

Subject Code
CCM

Course Number
1258

Course Long Title
Basic Emerggency Mgt Workshop

Course Description
BASIC EMERGGENCY MGT WORKSHOP

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1259 - Radiological Monitor Instructo

General

Subject Code
CCM

Course Number
1259

Course Long Title
Radiological Monitor Instructo

Course Description
RADIOLOGICAL MONITOR INSTRUCTO

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1260 - Fund Crs for Rad Response Team

General

Subject Code
CCM

Course Number
1260

Course Long Title
Fund Crs for Rad Response Team

Course Description
FUND CRS FOR RAD RESPONSE TEAM

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM1261 - Fund Crs for Radt Monitors

General

Subject Code
CCM

Course Number
1261

Course Long Title
Fund Crs for Radt Monitors

Course Description
FUND CRS FOR RADT MONITORS

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5001 - Agri-Business Mgt & Recordkeep

General

Subject Code
CCM

Course Number
5001

Course Long Title
Agri-Business Mgt & Recordkeep

Course Description
AGRI-BUSINESS MGT & RECORDKEEP

CIP Code
01.0101 - Agricultural Business

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5002 - Agricultural Economics

General

Subject Code
CCM

Course Number
5002

Course Long Title
Agricultural Economics

Course Description
AGRICULTURAL ECONOMICS

CIP Code
01.0103 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5003 - Agricultural Pest Control

General

Subject Code
CCM

Course Number
5003

Course Long Title
Agricultural Pest Control

Course Description
AGRICULTURAL PEST CONTROL

CIP Code
02.0408 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5004 - Agricultural Equipment

General

Subject Code
CCM

Course Number
5004

Course Long Title
Agricultural Equipment

Course Description
AGRICULTURAL EQUIPMENT

CIP Code
01.0201 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5005 - Animal Science

General

Subject Code
CCM

Course Number
5005

Course Long Title
Animal Science

Course Description
ANIMAL SCIENCE

CIP Code
02.0201 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5006 - Computers for Farm and Ranch

General

Subject Code
CCM

Course Number
5006

Course Long Title
Computers for Farm and Ranch

Course Description
COMPUTERS FOR FARM AND RANCH

CIP Code
11.0111 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5007 - Farm and Ranch Management

General

Subject Code
CCM

Course Number
5007

Course Long Title
Farm and Ranch Management

Course Description
FARM AND RANCH MANAGEMENT

CIP Code
01.0104 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5008 - Livestock Care and Management

General

Subject Code
CCM

Course Number
5008

Course Long Title
Livestock Care and Management

Course Description
LIVESTOCK CARE AND MANAGEMENT

CIP Code
02.0201 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5009 - Animal Reproduction

General

Subject Code
CCM

Course Number
5009

Course Long Title
Animal Reproduction

Course Description
ANIMAL REPRODUCTION

CIP Code
02.0202 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5010 - Horseshoeing,foot/Lower Leg

General

Subject Code
CCM

Course Number
5010

Course Long Title
Horseshoeing,foot/Lower Leg

Course Description
HORSESHOEING,FOOT/LOWER LEG

CIP Code
01.0507 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5011 - Animal Nutrition

General

Subject Code
CCM

Course Number
5011

Course Long Title
Animal Nutrition

Course Description
ANIMAL NUTRITION

CIP Code
02.0204 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5012 - Farm Management

General

Subject Code
CCM

Course Number
5012

Course Long Title
Farm Management

Course Description
FARM MANAGEMENT

CIP Code
01.0507 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5013 - Wildlife Management

General

Subject Code
CCM

Course Number
5013

Course Long Title
Wildlife Management

Course Description
WILDLIFE MANAGEMENT

CIP Code
03.0601 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5014 - Basic Commercial Landscaping

General

Subject Code
CCM

Course Number
5014

Course Long Title
Basic Commercial Landscaping

Course Description
BASIC COMMERCIAL LANDSCAPING

CIP Code
01.0605 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5015 - Adv Commercial Landscaping

General

Subject Code
CCM

Course Number
5015

Course Long Title
Adv Commercial Landscaping

Course Description
ADV COMMERCIAL LANDSCAPING

CIP Code
01.0605 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5016 - Commercial Horticulture

General

Subject Code
CCM

Course Number
5016

Course Long Title
Commercial Horticulture

Course Description
COMMERCIAL HORTICULTURE

CIP Code
02.0403 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5017 - Ornamental Commer Horticulture

General

Subject Code
CCM

Course Number
5017

Course Long Title
Ornamental Commer Horticulture

Course Description
ORNAMENTAL COMMER HORTICULTURE

CIP Code
01.0603 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5018 - Plant Propagation Techniques

General

Subject Code
CCM

Course Number
5018

Course Long Title
Plant Propagation Techniques

Course Description
PLANT PROPAGATION TECHNIQUES

CIP Code
02.0405 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5019 - Xeriscape Management

General

Subject Code
CCM

Course Number
5019

Course Long Title
Xeriscape Management

Course Description
XERISCAPE MANAGEMENT

CIP Code
01.0201 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5020 - Irrigation Sys Design/Installa

General

Subject Code
CCM

Course Number
5020

Course Long Title
Irrigation Sys Design/Installa

Course Description
IRRIGATION SYS DESIGN/INSTALLA

CIP Code
01.0201 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5021 - Irrigation Installer Aide

General

Subject Code
CCM

Course Number
5021

Course Long Title
Irrigation Installer Aide

Course Description
IRRIGATION INSTALLER AIDE

CIP Code
01.0201 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5022 - Indus & Commericaila Plant Sci

General

Subject Code
CCM

Course Number
5022

Course Long Title
Indus & Commericaila Plant Sci

Course Description
INDUS & COMMERICAILA PLANT SCI

CIP Code
02.0401 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5023 - Pest and Pesticide Management

General

Subject Code
CCM

Course Number
5023

Course Long Title
Pest and Pesticide Management

Course Description
PEST AND PESTICIDE MANAGEMENT

CIP Code
02.0408 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5024 - Advanced Pest Control Techniqu

General

Subject Code
CCM

Course Number
5024

Course Long Title
Advanced Pest Control Techniqu

Course Description
ADVANCED PEST CONTROL TECHNIQU

CIP Code
02.0408 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5025 - Woodland Management

General

Subject Code
CCM

Course Number
5025

Course Long Title
Woodland Management

Course Description
WOODLAND MANAGEMENT

CIP Code
03.0506 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5026 - Woodland Wildlife Management

General

Subject Code
CCM

Course Number
5026

Course Long Title
Woodland Wildlife Management

Course Description
WOODLAND WILDLIFE MANAGEMENT

CIP Code
03.0601 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5027 - Commercial Sewing

General

Subject Code
CCM

Course Number
5027

Course Long Title
Commercial Sewing

Course Description
COMMERCIAL SEWING

CIP Code
20.0303 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5028 - Basic Child Care & Development

General

Subject Code
CCM

Course Number
5028

Course Long Title
Basic Child Care & Development

Course Description
BASIC CHILD CARE & DEVELOPMENT

CIP Code
20.0201 - Vocational Home Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5029 - Child Abuse:identification

General

Subject Code
CCM

Course Number
5029

Course Long Title
Child Abuse:identification

Course Description
CHILD ABUSE:IDENTIFICATION

CIP Code
20.0201 - Vocational Home Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5030 - Child Care Methods for Workers

General

Subject Code
CCM

Course Number
5030

Course Long Title
Child Care Methods for Workers

Course Description
CHILD CARE METHODS FOR WORKERS

CIP Code
20.0201 - Vocational Home Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5031 - Child Care Learning Theory

General

Subject Code
CCM

Course Number
5031

Course Long Title
Child Care Learning Theory

Course Description
CHILD CARE LEARNING THEORY

CIP Code
20.0201 - Vocational Home Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5032 - Child Development for Workers

General

Subject Code
CCM

Course Number
5032

Course Long Title
Child Development for Workers

Course Description
CHILD DEVELOPMENT FOR WORKERS

CIP Code
20.0201 - Vocational Home Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5033 - Child Guidance and Discipline

General

Subject Code
CCM

Course Number
5033

Course Long Title
Child Guidance and Discipline

Course Description
CHILD GUIDANCE AND DISCIPLINE

CIP Code
20.0201 - Vocational Home Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5034 - Curriculum Activites Young

General

Subject Code
CCM

Course Number
5034

Course Long Title
Curriculum Activites Young

Course Description
CURRICULUM ACTIVITES YOUNG

CIP Code
20.0201 - Vocational Home Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5035 - Day Care Mgt:center Based/Fami

General

Subject Code
CCM

Course Number
5035

Course Long Title
Day Care Mgt:center Based/Fami

Course Description
DAY CARE MGT:CENTER BASED/FAMI

CIP Code
20.0201 - Vocational Home Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5036 - Child Care & Guidance Wk Mgrs

General

Subject Code
CCM

Course Number
5036

Course Long Title
Child Care & Guidance Wk Mgrs

Course Description
CHILD CARE & GUIDANCE WK MGRS

CIP Code
20.0201 - Vocational Home Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5037 - Basic Food Prepare/Menu Tsfsa

General

Subject Code
CCM

Course Number
5037

Course Long Title
Basic Food Prepare/Menu Tsfsa

Course Description
BASIC FOOD PREPARE/MENU TSFSA

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5038 - Elem Quanitiy Food Prod- Tsfsa

General

Subject Code
CCM

Course Number
5038

Course Long Title
Elem Quanitiy Food Prod- Tsfsa

Course Description
ELEM QUANITIY FOOD PROD- TSFSA

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5039 - Adv Quantity Food Prod-Tsfsa

General

Subject Code
CCM

Course Number
5039

Course Long Title
Adv Quantity Food Prod-Tsfsa

Course Description
ADV QUANTITY FOOD PROD-TSFSA

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5040 - Overview/Qty Food Prepar Tsfsa

General

Subject Code
CCM

Course Number
5040

Course Long Title
Overview/Qty Food Prepar Tsfsa

Course Description
OVERVIEW/QTY FOOD PREPAR TSFSA

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5041 - Equipment Use & Mainten -Tsfsa

General

Subject Code
CCM

Course Number
5041

Course Long Title
Equipment Use & Mainten -Tsfsa

Course Description
EQUIPMENT USE & MAINTEN -TSFSA

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5042 - Menu Planning - Tsfsa

General

Subject Code
CCM

Course Number
5042

Course Long Title
Menu Planning - Tsfsa

Course Description
MENU PLANNING - TSFSA

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5043 - Meats and Main Dishes-Tsfsa

General

Subject Code
CCM

Course Number
5043

Course Long Title
Meats and Main Dishes-Tsfsa

Course Description
MEATS AND MAIN DISHES-TSFSA

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5044 - Fruits and Vegetables - Tsfsa

General

Subject Code
CCM

Course Number
5044

Course Long Title
Fruits and Vegetables - Tsfsa

Course Description
FRUITS AND VEGETABLES - TSFSA

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5045 - Soup,sauces,side Dishes/ Sandwi

General

Subject Code
CCM

Course Number
5045

Course Long Title
Soup,sauces,side Dishes/Sandwi

Course Description
SOUP,SAUCES,SIDE DISHES/SANDWI

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5046 - Baked Goods & Dessert-Tsfsa

General

Subject Code
CCM

Course Number
5046

Course Long Title
Baked Goods & Dessert-Tsfsa

Course Description
BAKED GOODS & DESSERT-TSFSA

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5047 - Work Simplification-Tsfsa

General

Subject Code
CCM

Course Number
5047

Course Long Title
Work Simplification-Tsfsa

Course Description
WORK SIMPLIFICATION-TSFSA

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5048 - Marketing,special Func/Caterin

General

Subject Code
CCM

Course Number
5048

Course Long Title
Marketing,special Func/Caterin

Course Description
MARKETING,SPECIAL FUNC/CATERIN

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5049 - Elementary Nutrition - Tsfsa

General

Subject Code
CCM

Course Number
5049

Course Long Title
Elementary Nutrition - Tsfsa

Course Description
ELEMENTARY NUTRITION - TSFSA

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5050 - Adv Nutrition Schl Food Servic

General

Subject Code
CCM

Course Number
5050

Course Long Title
Adv Nutrition Schl Food Servic

Course Description
ADV NUTRITION SCHL FOOD SERVIC

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5051 - Food Habits & Dietary Standard

General

Subject Code
CCM

Course Number
5051

Course Long Title
Food Habits & Dietary Standard

Course Description
FOOD HABITS & DIETARY STANDARD

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5052 - Important Nutrients-Tsfsa

General

Subject Code
CCM

Course Number
5052

Course Long Title
Important Nutrients-Tsfsa

Course Description
IMPORTANT NUTRIENTS-TSFSA

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5053 - Nutrition in Life Cycle -Tsfsa

General

Subject Code
CCM

Course Number
5053

Course Long Title
Nutrition in Life Cycle -Tsfsa

Course Description
NUTRITION IN LIFE CYCLE -TSFSA

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5054 - Consumer Awareness/Nutrition ,

General

Subject Code
CCM

Course Number
5054

Course Long Title
Consumer Awareness/Nutrition ,

Course Description
CONSUMER AWARENESS/NUTRITION ,

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5055 - Food Service Sanitation/Safety

General

Subject Code
CCM

Course Number
5055

Course Long Title
Food Service Sanitation/Safety

Course Description
FOOD SERVICE SANITATION/SAFETY

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5056 - Sanitation - Tsfsa

General

Subject Code
CCM

Course Number
5056

Course Long Title
Sanitation - Tsfsa

Course Description
SANITATION - TSFSA

CCM5059 - Selection,recevie/Storage Supp

General

Subject Code
CCM

Course Number
5059

Course Long Title
Selection,recevie/Storage Supp

Course Description
SELECTION,RECEVIE/STORAGE SUPP

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5060 - Procurement Handbook-Tsfsa

General

Subject Code
CCM

Course Number
5060

Course Long Title
Procurement Handbook-Tsfsa

Course Description
PROCUREMENT HANDBOOK-TSFSA

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5061 - Food Buying Guide U.S.D.A.

General

Subject Code
CCM

Course Number
5061

Course Long Title
Food Buying Guide U.S.D.A.

Course Description
FOOD BUYING GUIDE U.S.D.A.

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5062 - Fin Mgt in Food Service

General

Subject Code
CCM

Course Number
5062

Course Long Title
Fin Mgt in Food Service

Course Description
FIN MGT IN FOOD SERVICE

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5063 - Recordkeeping Basic Math-Tsfsa

General

Subject Code
CCM

Course Number
5063

Course Long Title
Recordkeeping Basic Math-Tsfsa

Course Description
RECORDKEEPING BASIC MATH-TSFSA

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5064 - Financial Management - Tsfsa

General

Subject Code
CCM

Course Number
5064

Course Long Title
Financial Management - Tsfsa

Course Description
FINANCIAL MANAGEMENT - TSFSA

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5065 - Organization Mgt Food Service

General

Subject Code
CCM

Course Number
5065

Course Long Title
Organization Mgt Food Service

Course Description
ORGANIZATION MGT FOOD SERVICE

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5066 - Basic Mgt Funtions - Tsfsa

General

Subject Code
CCM

Course Number
5066

Course Long Title
Basic Mgt Funtions - Tsfsa

Course Description
BASIC MGT FUNTIONS - TSFSA

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5067 - Food Serv Mgt Standards Excell

General

Subject Code
CCM

Course Number
5067

Course Long Title
Food Serv Mgt Standards Excell

Course Description
FOOD SERV MGT STANDARDS EXCELL

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5068 - Personnel Mgt in Food Service

General

Subject Code
CCM

Course Number
5068

Course Long Title
Personnel Mgt in Food Service

Course Description
PERSONNEL MGT IN FOOD SERVICE

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5069 - Leadership Skills - Tsfsa

General

Subject Code
CCM

Course Number
5069

Course Long Title
Leadership Skills - Tsfsa

Course Description
LEADERSHIP SKILLS - TSFSA

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM5070 - Managing Employees - Tsfsa

General

Subject Code
CCM

Course Number
5070

Course Long Title
Managing Employees - Tsfsa

Course Description
MANAGING EMPLOYEES - TSFSA

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6047 - Appliance Repair

General

Subject Code
CCM

Course Number
6047

Course Long Title
Appliance Repair

Course Description
APPLIANCE REPAIR

CIP Code
47.0106 - Appliance Installation & Repair Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6048 - Commer Art Illustration Tech

General

Subject Code
CCM

Course Number
6048

Course Long Title
Commer Art Illustration Tech

Course Description
COMMER ART ILLUSTRATION TECH

CIP Code
50.0402 - Commercial & Advertising Art

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6049 - Commerical Art Layout Techniqu

General

Subject Code
CCM

Course Number
6049

Course Long Title
Commerical Art Layout Techniqu

Course Description
COMMERICAL ART LAYOUT TECHNIQU

CIP Code
50.0402 - Commercial & Advertising Art

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6050 - Commercial Art Media Technique

General

Subject Code
CCM

Course Number
6050

Course Long Title
Commercial Art Media Technique

Course Description
COMMERCIAL ART MEDIA TECHNIQUE

CIP Code
50.0402 - Commercial & Advertising Art

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6051 - Special Topices in Commer Art

General

Subject Code
CCM

Course Number
6051

Course Long Title
Special Topices in Commer Art

Course Description
SPECIAL TOPICES IN COMMER ART

CIP Code
50.0402 - Commercial & Advertising Art

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6052 - Building Maintenance Skills

General

Subject Code
CCM

Course Number
6052

Course Long Title
Building Maintenance Skills

Course Description
BUILDING MAINTENANCE SKILLS

CIP Code
46.0401 - Building/Property Maintenance & Management

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6053 - Plumbing Maintenance Skills

General

Subject Code
CCM

Course Number
6053

Course Long Title
Plumbing Maintenance Skills

Course Description
PLUMBING MAINTENANCE SKILLS

CIP Code
46.0501 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6054 - Electrical Maintenance Skills

General

Subject Code
CCM

Course Number
6054

Course Long Title
Electrical Maintenance Skills

Course Description
ELECTRICAL MAINTENANCE SKILLS

CIP Code
46.0302 - Electrician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6055 - Carpentry Maintenance Skills

General

Subject Code
CCM

Course Number
6055

Course Long Title
Carpentry Maintenance Skills

Course Description
CARPENTRY MAINTENANCE SKILLS

CIP Code
46.0201 - Carpentry/Carpenter

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6056 - Hvac Maintenance Skills

General

Subject Code
CCM

Course Number
6056

Course Long Title
Hvac Maintenance Skills

Course Description
HVAC MAINTENANCE SKILLS

CIP Code
47.0201 - Htng, A/C, Ventilation & Refrig Maint Technlgy/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6057 - Basic Concrete Work

General

Subject Code
CCM

Course Number
6057

Course Long Title
Basic Concrete Work

Course Description
BASIC CONCRETE WORK

CIP Code
46.0101 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6058 - Basic Masonry

General

Subject Code
CCM

Course Number
6058

Course Long Title
Basic Masonry

Course Description
BASIC MASONRY

CIP Code
46.0101 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6059 - Basic Framing

General

Subject Code
CCM

Course Number
6059

Course Long Title
Basic Framing

Course Description
BASIC FRAMING

CIP Code
46.0201 - Carpentry/Carpenter

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6060 - Basic Interior Finishing

General

Subject Code
CCM

Course Number
6060

Course Long Title
Basic Interior Finishing

Course Description
BASIC INTERIOR FINISHING

CIP Code
46.0408 - Painting/Painter & Wall Coverer

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6061 - Basic Electrical Wiring

General

Subject Code
CCM

Course Number
6061

Course Long Title
Basic Electrical Wiring

Course Description
BASIC ELECTRICAL WIRING

CIP Code
46.0302 - Electrician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6062 - Basic Plumbing Skills

General

Subject Code
CCM

Course Number
6062

Course Long Title
Basic Plumbing Skills

Course Description
BASIC PLUMBING SKILLS

CIP Code
46.0501 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6063 - Bldg Code Review/Specific Occu

General

Subject Code
CCM

Course Number
6063

Course Long Title
Bldg Code Review/Specific Occu

Course Description
BLDG CODE REVIEW/SPECIFIC OCCU

CIP Code
46.0403 - Building/Home/Construction Inspection/Inspector

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6064 - Building Remodeling

General

Subject Code
CCM

Course Number
6064

Course Long Title
Building Remodeling

Course Description
BUILDING REMODELING

CIP Code
46.0201 - Carpentry/Carpenter

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6065 - Construction Cost Estimating

General

Subject Code
CCM

Course Number
6065

Course Long Title
Construction Cost Estimating

Course Description
CONSTRUCTION COST ESTIMATING

CIP Code
46.0201 - Carpentry/Carpenter

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6066 - Cabinet Making

General

Subject Code
CCM

Course Number
6066

Course Long Title
Cabinet Making

Course Description
CABINET MAKING

CIP Code
48.0703 - Cabinetmaking & Millwork

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6067 - Basic Food Prepare/Menu Planni

General

Subject Code
CCM

Course Number
6067

Course Long Title
Basic Food Prepare/Menu Planni

Course Description
BASIC FOOD PREPARE/MENU PLANNI

CIP Code
12.0504 - Restaurant, Culinary, and Catering Management/Manager

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6068 - Elem Quantity Food Production

General

Subject Code
CCM

Course Number
6068

Course Long Title
Elem Quantity Food Production

Course Description
ELEM QUANTITY FOOD PRODUCTION

CIP Code
12.0503 - Culinary Arts/Chef Training

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6069 - Elementary Nutrition

General

Subject Code
CCM

Course Number
6069

Course Long Title
Elementary Nutrition

Course Description
ELEMENTARY NUTRITION

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6070 - Adv Nutrition in Food Service

General

Subject Code
CCM

Course Number
6070

Course Long Title
Adv Nutrition in Food Service

Course Description
ADV NUTRITION IN FOOD SERVICE

CIP Code
20.0404 - Economics

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6071 - New Recipes, Equip.Cooks/ Chefs

General

Subject Code
CCM

Course Number
6071

Course Long Title
New Recipes, Equip.Cooks/Chefs

Course Description
NEW RECIPES, EQUIP.COOKS/CHEFS

CIP Code
12.0503 - Culinary Arts/Chef Training

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6072 - Food Service Sanitation/Safety

General

Subject Code
CCM

Course Number
6072

Course Long Title
Food Service Sanitation/Safety

Course Description
FOOD SERVICE SANITATION/SAFETY

CIP Code
12.0505 - Food Preparation/Professional Cooking/Kitchen Assistant

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6073 - Manicuring Specialization

General

Subject Code
CCM

Course Number
6073

Course Long Title
Manicuring Specialization

Course Description
MANICURING SPECIALIZATION

CIP Code
12.0403 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6074 - Facial Specialization

General

Subject Code
CCM

Course Number
6074

Course Long Title
Facial Specialization

Course Description
FACIAL SPECIALIZATION

CIP Code
12.0403 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6075 - Shampoo Conditioning Specializ

General

Subject Code
CCM

Course Number
6075

Course Long Title
Shampoo Conditioning Specializ

Course Description
SHAMPOO CONDITIONING SPECIALIZ

CIP Code
12.0403 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6076 - Cosemetology Instructor

General

Subject Code
CCM

Course Number
6076

Course Long Title
Cosemetology Instructor

Course Description
COSEMETOLOGY INSTRUCTOR

CIP Code
12.0403 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6077 - Cosemetology Refresher

General

Subject Code
CCM

Course Number
6077

Course Long Title
Cosemetology Refresher

Course Description
COSEMETOLOGY REFRESHER

CIP Code
12.0403 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6078 - Spec Topic:cosmetic Services

General

Subject Code
CCM

Course Number
6078

Course Long Title
Spec Topic:cosmetic Services

Course Description
SPEC TOPIC:COSMETIC SERVICES

CIP Code
12.0401 - Cosmetology/Cosmetologist, General

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6079 - Seafood Cookery,commericial Te

General

Subject Code
CCM

Course Number
6079

Course Long Title
Seafood Cookery,commericial Te

Course Description
SEAFOOD COOKERY,COMMERICIAL TE

CIP Code
12.0503 - Culinary Arts/Chef Training

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6080 - Soup,sauces,and Stocks

General

Subject Code
CCM

Course Number
6080

Course Long Title
Soup,sauces,and Stocks

Course Description
SOUP,SAUCES,AND STOCKS

CIP Code
12.0503 - Culinary Arts/Chef Training

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6081 - Bake Shop Production:interm

General

Subject Code
CCM

Course Number
6081

Course Long Title
Bake Shop Production:interm

Course Description
BAKE SHOP PRODUCTION:INTERM

CIP Code
12.0501 - Baking and Pastry Arts/Baker/Pastry Chef

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6082 - Bake Shop Production:advanced

General

Subject Code
CCM

Course Number
6082

Course Long Title
Bake Shop Production:advanced

Course Description
BAKE SHOP PRODUCTION:ADVANCED

CIP Code
12.0501 - Baking and Pastry Arts/Baker/Pastry Chef

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6083 - Sp Topic:culinary Arts Related

General

Subject Code

MICROCOMPUTER SETUP/INSTALLATI

CIP Code
47.0104 - Computer Installation & Repair Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6126 - Microcompu Preventive Maintenc

General

Subject Code
CCM

Course Number
6126

Course Long Title
Microcompu Preventive Maintenc

Course Description
MICROCOMPU PREVENTIVE MAINTENC

CIP Code
47.0104 - Computer Installation & Repair Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6127 - Water Laboratory Management

General

Subject Code
CCM

Course Number
6127

Course Long Title
Water Laboratory Management

Course Description
WATER LABORATORY MANAGEMENT

CIP Code
15.0506 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6128 - Surface Water Operations

General

Subject Code
CCM

Course Number
6128

Course Long Title
Surface Water Operations

Course Description
SURFACE WATER OPERATIONS

CIP Code
15.0506 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6129 - Basic (sma) Arc Welding

General

Subject Code
CCM

Course Number
6129

Course Long Title
Basic (sma) Arc Welding

Course Description
BASIC (SMA) ARC WELDING

CIP Code
48.0508 - Welding Technology/Welder

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6130 - Intermediate(sma) Arc Welding

General

Subject Code
CCM

Course Number
6130

Course Long Title
Intermediate(sma) Arc Welding

Course Description
INTERMEDIATE(SMA) ARC WELDING

CIP Code
48.0508 - Welding Technology/Welder

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6131 - Advanced(sma) Arc Welding

General

Subject Code
CCM

Course Number
6131

Course Long Title
Advanced(sma) Arc Welding

Course Description
ADVANCED(SMA) ARC WELDING

CIP Code
48.0508 - Welding Technology/Welder

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6132 - Gas Sheilded Arc Welding

General

Subject Code
CCM

Course Number
6132

Course Long Title
Gas Sheilded Arc Welding

Course Description
GAS SHEILDED ARC WELDING

CIP Code
48.0508 - Welding Technology/Welder

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6133 - Form and Maintenance Welding

General

Subject Code
CCM

Course Number
6133

Course Long Title
Form and Maintenance Welding

Course Description
FORM AND MAINTENANCE WELDING

CIP Code
48.0508 - Welding Technology/Welder

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6134 - Pipe Welding

General

Subject Code
CCM

Course Number
6134

Course Long Title
Pipe Welding

Course Description
PIPE WELDING

CIP Code
48.0508 - Welding Technology/Welder

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6135 - Welding Layout

General

Subject Code
CCM

Course Number
6135

Course Long Title
Welding Layout

Course Description
WELDING LAYOUT

CIP Code
48.0508 - Welding Technology/Welder

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6136 - Sp Topic:precision Metal Worke

General

Subject Code
CCM

Course Number
6136

Course Long Title
Sp Topic:precision Metal Worke

Course Description
SP TOPIC:PRECISION METAL WORKE

CIP Code
48.0501 - Machine Tool Technology/Machinist

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6137 - Welding Inspection Technology

General

Subject Code
CCM

Course Number
6137

Course Long Title
Welding Inspection Technology

Course Description
WELDING INSPECTION TECHNOLOGY

CIP Code
48.0508 - Welding Technology/Welder

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6138 - Welding Review Course

General

Subject Code
CCM

Course Number
6138

Course Long Title
Welding Review Course

Course Description
WELDING REVIEW COURSE

CIP Code
48.0508 - Welding Technology/Welder

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6139 - Basic Pipefitting:install Rig

General

Subject Code
CCM

Course Number
6139

Course Long Title
Basic Pipefitting:install Rig

Course Description
BASIC PIPEFITTING:INSTALL RIG

CIP Code
46.0501 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6140 - Bas Pipefitting:install Boiler

General

Subject Code
CCM

Course Number
6140

Course Long Title
Bas Pipefitting:install Boiler

Course Description
BAS PIPEFITTING:INSTALL BOILER

CIP Code
46.0501 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6141 - Spec Topic Adv Tech Pipe Trade

General

Subject Code
CCM

Course Number
6141

Course Long Title
Spec Topic Adv Tech Pipe Trade

Course Description
SPEC TOPIC ADV TECH PIPE TRADE

CIP Code
46.0501 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6142 - Professional Truck Driver

General

Subject Code
CCM

Course Number
6142

Course Long Title
Professional Truck Driver

Course Description
PROFESSIONAL TRUCK DRIVER

CIP Code
49.0205 - Truck & Bus Driver/Commercial Vehicle Operation

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6143 - Flower Shop Operation & Mgt

General

Subject Code
CCM

Course Number
6143

Course Long Title
Flower Shop Operation & Mgt

Course Description
FLOWER SHOP OPERATION & MGT

CIP Code
08.0503 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6144 - Small Engine Repair

General

Subject Code
CCM

Course Number
6144

Course Long Title
Small Engine Repair

Course Description
SMALL ENGINE REPAIR

CIP Code
47.0606 - Small Engine Mechanics and Repair Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6145 - Intro/Small Power Equip Servic

General

Subject Code
CCM

Course Number
6145

Course Long Title
Intro/Small Power Equip Servic

Course Description
INTRO/SMALL POWER EQUIP SERVIC

CIP Code
47.0606 - Small Engine Mechanics and Repair Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6146 - Basic Locksmithing

General

Subject Code
CCM

Course Number
6146

Course Long Title
Basic Locksmithing

Course Description
BASIC LOCKSMITHING

CIP Code
47.0403 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6147 - Advanced Locksmithing

General

Subject Code
CCM

Course Number
6147

Course Long Title
Advanced Locksmithing

Course Description
ADVANCED LOCKSMITHING

CIP Code
47.0403 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6148 - Auto Body Repair & Repainting

General

Subject Code
CCM

Course Number
6148

Course Long Title
Auto Body Repair & Repainting

Course Description
AUTO BODY REPAIR & REPAINTING

CIP Code
47.0603 - Autobody/Collision and Repair Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6149 - Engine Sys Oper & Diagnosis

General

Subject Code
CCM

Course Number
6149

Course Long Title
Engine Sys Oper & Diagnosis

Course Description
ENGINE SYS OPER & DIAGNOSIS

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6150 - Cylinder Head Valve Train Serv

General

Subject Code
CCM

Course Number
6150

Course Long Title
Cylinder Head Valve Train Serv

Course Description
CYLINDER HEAD VALVE TRAIN SERV

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6151 - Inspection/Serv of Eng Block

General

Subject Code
CCM

Course Number
6151

Course Long Title
Inspection/Serv of Eng Block

Course Description
INSPECTION/SERV OF ENG BLOCK

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6152 - Front & Repair Dr. Eng Removal

General

Subject Code
CCM

Course Number
6152

Course Long Title
Front & Repair Dr. Eng Removal

Course Description
FRONT & REPAIR DR. ENG REMOVAL

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6153 - New Techno/Spec Train Auto Eng

General

Subject Code
CCM

Course Number
6153

Course Long Title
New Techno/Spec Train Auto Eng

Course Description
NEW TECHNO/SPEC TRAIN AUTO ENG

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6154 - Disc Drum Brake Systems

General

Subject Code
CCM

Course Number
6154

Course Long Title
Disc Drum Brake Systems

Course Description
DISC DRUM BRAKE SYSTEMS

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6155 - Power Assist Anti-Lock Brake

General

Subject Code
CCM

Course Number
6155

Course Long Title
Power Assist Anti-Lock Brake

Course Description
POWER ASSIST ANTI-LOCK BRAKE

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6156 - New Tech/Spec Auto Brake Serv

General

Subject Code
CCM

Course Number
6156

Course Long Title
New Tech/Spec Auto Brake Serv

Course Description
NEW TECH/SPEC AUTO BRAKE SERV

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6157 - Front Rear Suspension-Operatio

General

Subject Code
CCM

Course Number
6157

Course Long Title
Front Rear Suspension-Operatio

Course Description
FRONT REAR SUSPENSION-OPERATIO

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6158 - Steering Gears and Pumps

General

Subject Code
CCM

Course Number
6158

Course Long Title
Steering Gears and Pumps

Course Description
STEERING GEARS AND PUMPS

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6159 - Wheel Alignment and Balance

General

Subject Code
CCM

Course Number
6159

Course Long Title
Wheel Alignment and Balance

Course Description
WHEEL ALIGNMENT AND BALANCE

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6160 - New Tech Spec Training Auto

General

Subject Code
CCM

Course Number
6160

Course Long Title
New Tech Spec Training Auto

Course Description
NEW TECH SPEC TRAINING AUTO

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6161 - Rear Wheel Dr.Clutches-Manual

General

Subject Code
CCM

Course Number
6161

Course Long Title
Rear Wheel Dr.Clutches-Manual

Course Description
REAR WHEEL DR.CLUTCHES-MANUAL

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6162 - Front Wheel Dr. Clutches-Manua

General

Subject Code
CCM

Course Number
6162

Course Long Title
Front Wheel Dr. Clutches-Manua

Course Description
FRONT WHEEL DR. CLUTCHES-MANUA

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6163 - Dr Axles and 4X4 Systems

General

Subject Code
CCM

Course Number
6163

Course Long Title
Dr Axles and 4X4 Systems

Course Description
DRIVE AXLES AND 4X4 SYSTEMS

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6164 - New Tech Spec:auto Trans Dr

General

Subject Code
CCM

Course Number
6164

Course Long Title
New Tech Spec:auto Trans Dr

Course Description
NEW TECH SPEC:AUTO TRANS DRIVE

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6165 - Auto Trans Prin & Diagnosis

General

Subject Code
CCM

Course Number
6165

Course Long Title
Auto Trans Prin & Diagnosis

Course Description
AUTO TRANS PRIN & DIAGNOSIS

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6166 - Auto Trans on Car Serv Procedu

General

Subject Code
CCM

Course Number
6166

Course Long Title
Auto Trans on Car Serv Procedu

Course Description
AUTO TRANS ON CAR SERV PROCEDU

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6167 - Auto Trans Removal/Front Rear

General

Subject Code
CCM

Course Number
6167

Course Long Title
Auto Trans Removal/Front Rear

Course Description
AUTO TRANS REMOVAL/FRONT REAR

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6168 - Automatic Trans Major Rear

General

Subject Code
CCM

Course Number
6168

Course Long Title
Automatic Trans Major Rear

Course Description
AUTOMATIC TRANS MAJOR REAR

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6169 - Auto Trans Maj Front Wheel Dr.

General

Subject Code
CCM

Course Number
6169

Course Long Title
Auto Trans Maj Front Wheel Dr.

Course Description
AUTO TRANS MAJ FRONT WHEEL DR.

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6170 - Auto Trans Electronic Diagnosi

General

Subject Code
CCM

Course Number
6170

Course Long Title
Auto Trans Electronic Diagnosi

Course Description
AUTO TRANS ELECTRONIC DIAGNOSI

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6171 - New Tech Spec Elect Diagnosis

General

Subject Code
CCM

Course Number
6171

Course Long Title
New Tech Spec Elect Diagnosis

Course Description
NEW TECH SPEC ELECT DIAGNOSIS

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6172 - Elec Electronic Circuit Compon

General

Subject Code
CCM

Course Number
6172

Course Long Title
Elec Electronic Circuit Compon

Course Description
ELEC ELECTRONIC CIRCUIT COMPON

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6173 - Auto Computer Systems

General

Subject Code
CCM

Course Number
6173

Course Long Title
Auto Computer Systems

Course Description
AUTO COMPUTER SYSTEMS

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6174 - Batteries,starter/Charging Sys

General

Subject Code
CCM

Course Number
6174

Course Long Title
Batteries,starter/Charging Sys

Course Description
BATTERIES,STARTER/CHARGING SYS

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6175 - Lighting Dr. Info Sys Elect

General

Subject Code
CCM

Course Number
6175

Course Long Title
Lighting Dr. Info Sys Elect

Course Description
LIGHTING DR. INFO SYS ELECT

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6176 - New Tech Spec Train Auto Elect

General

Subject Code
CCM

Course Number
6176

Course Long Title
New Tech Spec Train Auto Elect

Course Description
NEW TECH SPEC TRAIN AUTO ELECT

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6177 - Heating Air Cond Oper,diagnosi

General

Subject Code
CCM

Course Number
6177

Course Long Title
Heating Air Cond Oper,diagnosi

Course Description
HEATING AIR COND OPER,DIAGNOSI

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6178 - Air Cond Compressor Service

General

Subject Code
CCM

Course Number
6178

Course Long Title
Air Cond Compressor Service

Course Description
AIR COND COMPRESSOR SERVICE

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6179 - Heat,air Cond Manual,auto Sys

General

Subject Code
CCM

Course Number
6179

Course Long Title
Heat,air Cond Manual,auto Sys

Course Description
HEAT,AIR COND MANUAL,AUTO SYS

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6180 - New Tech Auto Heat,air Cond

General

Subject Code
CCM

Course Number
6180

Course Long Title
New Tech Auto Heat,air Cond

Course Description
NEW TECH AUTO HEAT,AIR COND

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6181 - Oper & Diagnosis Ignition,fuel

General

Subject Code
CCM

Course Number
6181

Course Long Title
Oper & Diagnosis Ignition,fuel

Course Description
OPER & DIAGNOSIS IGNITION,FUEL

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6182 - Driveability Diagnosis Vehicle

General

Subject Code
CCM

Course Number
6182

Course Long Title
Driveability Diagnosis Vehicle

Course Description
DRIVEABILITY DIAGNOSIS VEHICLE

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6183 - Computer Controlled Carbureted

General

Subject Code
CCM

Course Number
6183

Course Long Title
Computer Controlled Carbureted

Course Description
COMPUTER CONTROLLED CARBURETED

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6184 - Driveability-Fuel Injection

General

Subject Code
CCM

Course Number
6184

Course Long Title
Driveability-Fuel Injection

Course Description
DRIVEABILITY-FUEL INJECTION

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6185 - Advanced Scope Diagnosis

General

Subject Code
CCM

Course Number
6185

Course Long Title
Advanced Scope Diagnosis

Course Description
ADVANCED SCOPE DIAGNOSIS

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6186 - New Tech Auto Perform Driveabi

General

Subject Code
CCM

Course Number
6186

Course Long Title
New Tech Auto Perform Driveabi

Course Description
NEW TECH AUTO PERFORM DRIVEABI

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6187 - Service Attendant

General

Subject Code
CCM

Course Number
6187

Course Long Title
Service Attendant

Course Description
SERVICE ATTENDANT

CIP Code
47.0604 - Automobile/Automotive Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6188 - Pre-Fire Planning

General

Subject Code
CCM

Course Number
6188

Course Long Title
Pre-Fire Planning

Course Description
PRE-FIRE PLANNING

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6189 - Fire Dept./Community Relations

General

Subject Code
CCM

Course Number
6189

Course Long Title
Fire Dept./Community Relations

Course Description
FIRE DEPT./COMMUNITY RELATIONS

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6190 - Fire Department Organization

General

Subject Code
CCM

Course Number
6190

Course Long Title
Fire Department Organization

Course Description
FIRE DEPARTMENT ORGANIZATION

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6191 - Spec Training Update Fire Dept

General

Subject Code
CCM

Course Number
6191

Course Long Title
Spec Training Update Fire Dept

Course Description
SPEC TRAINING UPDATE FIRE DEPT

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6192 - Self-Contained Breathing/Fire

General

Subject Code
CCM

Course Number
6192

Course Long Title
Self-Contained Breathing/Fire

Course Description
SELF-CONTAINED BREATHING/FIRE

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6193 - Fire Fighting Ladder Practices

General

Subject Code
CCM

Course Number
6193

Course Long Title
Fire Fighting Ladder Practices

Course Description
FIRE FIGHTING LADDER PRACTICES

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6194 - Forcible Entry and Equipment

General

Subject Code
CCM

Course Number
6194

Course Long Title
Forcible Entry and Equipment

Course Description
FORCIBLE ENTRY AND EQUIPMENT

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6195 - Fire Fighting Hose Practices

General

Subject Code
CCM

Course Number
6195

Course Long Title
Fire Fighting Hose Practices

Course Description
FIRE FIGHTING HOSE PRACTICES

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6196 - Spec Train Update Basic Equipm

General

Subject Code
CCM

Course Number
6196

Course Long Title
Spec Train Update Basic Equipm

Course Description
SPEC TRAIN UPDATE BASIC EQUIPM

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6197 - Fire Inspection Practices

General

Subject Code
CCM

Course Number
6197

Course Long Title
Fire Inspection Practices

Course Description
FIRE INSPECTION PRACTICES

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6198 - Fire and Arson Investigation

General

Subject Code
CCM

Course Number
6198

Course Long Title
Fire and Arson Investigation

Course Description
FIRE AND ARSON INVESTIGATION

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM

Course Number
6201

Course Long Title
Spec Train/Update Fire Investi

Course Description
SPEC TRAIN/UPDATE FIRE INVESTI

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6202 - Fire Fighter Safety

General

Subject Code
CCM

Course Number
6202

Course Long Title
Fire Fighter Safety

Course Description
FIRE FIGHTER SAFETY

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6203 - First Aid for Fire Fighters

General

Subject Code
CCM

Course Number
6203

Course Long Title
First Aid for Fire Fighters

Course Description
FIRST AID FOR FIRE FIGHTERS

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6204 - Train Update Fire Dept Safety

General

Subject Code
CCM

Course Number
6204

Course Long Title
Train Update Fire Dept Safety

Course Description
TRAIN UPDATE FIRE DEPT SAFETY

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6205 - Fire Service Hydraulics

General

Subject Code
CCM

Course Number
6205

Course Long Title
Fire Service Hydraulics

Course Description
FIRE SERVICE HYDRAULICS

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6206 - Auto Sprinklers Fire Fighting

General

Subject Code
CCM

Course Number
6206

Course Long Title
Auto Sprinklers Fire Fighting

Course Description
AUTO SPRINKLERS FIRE FIGHTING

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6207 - Fire Stream Practices

General

Subject Code
CCM

Course Number
6207

Course Long Title
Fire Stream Practices

Course Description
FIRE STREAM PRACTICES

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6208 - Fire Fighters Water Supplies

General

Subject Code
CCM

Course Number
6208

Course Long Title
Fire Fighters Water Supplies

Course Description
FIRE FIGHTERS WATER SUPPLIES

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6209 - Train/Update Fire Dept. Water

General

Subject Code
CCM

Course Number
6209

Course Long Title
Train/Update Fire Dept. Water

Course Description
TRAIN/UPDATE FIRE DEPT. WATER

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6210 - Train/Update Fire Dept.Recruit

General

Subject Code
CCM

Course Number
6210

Course Long Title
Train/Update Fire Dept.Recruit

Course Description
TRAIN/UPDATE FIRE DEPT.RECRUIT

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6211 - Fire Rescue Operations

General

Subject Code
CCM

Course Number
6211

Course Long Title
Fire Rescue Operations

Course Description
FIRE RESCUE OPERATIONS

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6212 - Aircraft Crash Rescue Operatio

General

Subject Code
CCM

Course Number
6212

Course Long Title
Aircraft Crash Rescue Operatio

Course Description
AIRCRAFT CRASH RESCUE OPERATIO

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6213 - Spec Train/Update Dept Rescue

General

Subject Code
CCM

Course Number
6213

Course Long Title
Spec Train/Update Dept Rescue

Course Description
SPEC TRAIN/UPDATE DEPT RESCUE

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6214 - Fire Apparatus Practices

General

Subject Code
CCM

Course Number
6214

Course Long Title
Fire Apparatus Practices

Course Description
FIRE APPARATUS PRACTICES

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6215 - Ventilation Practices

General

Subject Code
CCM

Course Number
6215

Course Long Title
Ventilation Practices

Course Description
VENTILATION PRACTICES

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6216 - Salvage and Overhaul Practices

General

Subject Code
CCM

Course Number
6216

Course Long Title
Salvage and Overhaul Practices

Course Description
SALVAGE AND OVERHAUL PRACTICES

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6217 - Fire Fighting Hazardous Materi

General

Subject Code
CCM

Course Number
6217

Course Long Title
Fire Fighting Hazardous Materi

Course Description
FIRE FIGHTING HAZARDOUS MATERI

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6218 - Spec Train for Fire Dept.Proce

General

Subject Code
CCM

Course Number
6218

Course Long Title
Spec Train for Fire Dept.Proce

Course Description
SPEC TRAIN FOR FIRE DEPT.PROCE

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6219 - Fire Alarm Dispatcher/ Communic

General

Subject Code
CCM

Course Number
6219

Course Long Title
Fire Alarm Dispatcher/Communic

Course Description
FIRE ALARM DISPATCHER/COMMUNIC

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6220 - Update Fire Dept.Dispatcher

General

Subject Code
CCM

Course Number
6220

Course Long Title
Update Fire Dept.Dispatcher

Course Description
UPDATE FIRE DEPT.DISPATCHER

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM6221 - Bas Volunteer Fire Fighter Cer

General

Subject Code
CCM

Course Number
6221

Course Long Title
Bas Volunteer Fire Fighter Cer

Course Description
BAS VOLUNTEER FIRE FIGHTER CER

CIP Code
43.0203 - Fire Science/Fire-fighting

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7001 - Narcotics Controlled Substance

General

Subject Code
CCM

Course Number
7001

Course Long Title
Narcotics Controlled Substance

Course Description
NARCOTICS CONTROLLED SUBSTANCE

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7002 - Adv Narcotics/Controlled Subst

General

Subject Code
CCM

Course Number
7002

Course Long Title
Adv Narcotics/Controlled Subst

Course Description
ADV NARCOTICS/CONTROLLED SUBST

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

General

Subject Code
CCM

Course Number
7003

Course Long Title
Civil Process

Course Description
CIVIL PROCESS

CIP Code
43.0104 - Criminal Justice/Safety Studies

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7004 - Firearms

General

Subject Code
CCM

Course Number
7004

Course Long Title
Firearms

Course Description
FIREARMS

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7005 - Intermediate Firearms

General

Subject Code
CCM

Course Number
7005

Course Long Title
Intermediate Firearms

Course Description
INTERMEDIATE FIREARMS

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7006 - Police Officer Vehicle Oper

General

Subject Code
CCM

Course Number
7006

Course Long Title
Police Officer Vehicle Oper

Course Description
POLICE OFFICER VEHICLE OPER

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7007 - Patrol Procedures

General

Subject Code
CCM

Course Number
7007

Course Long Title
Patrol Procedures

Course Description
PATROL PROCEDURES

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7008 - Patrol Tactical Procedures

General

Subject Code
CCM

Course Number
7008

Course Long Title
Patrol Tactical Procedures

Course Description
PATROL TACTICAL PROCEDURES

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7009 - Family & Juvenile Investigatio

General

Subject Code
CCM

Course Number
7009

Course Long Title
Family & Juvenile Investigatio

Course Description
FAMILY & JUVENILE INVESTIGATIO

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7010 - Traffic Law Accident Investiga

General

Subject Code
CCM

Course Number
7010

Course Long Title
Traffic Law Accident Investiga

Course Description
TRAFFIC LAW ACCIDENT INVESTIGA

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7011 - Interm Accident Investication

General

Subject Code
CCM

Course Number
7011

Course Long Title
Interm Accident Investication

Course Description
INTERM ACCIDENT INVESTICATION

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7012 - Adv Traffic Law Accident Inves

General

Subject Code
CCM

Course Number
7012

Course Long Title
Adv Traffic Law Accident Inves

Course Description
ADV TRAFFIC LAW ACCIDENT INVES

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7013 - Peace Officer Instructor Schl

General

Subject Code
CCM

Course Number
7013

Course Long Title
Peace Officer Instructor Schl

Course Description
PEACE OFFICER INSTRUCTOR SCHL

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7014 - Police Report Writing

General

Subject Code
CCM

Course Number
7014

Course Long Title
Police Report Writing

Course Description
POLICE REPORT WRITING

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7015 - Update Police Report Writing

General

Subject Code
CCM

Course Number
7015

Course Long Title
Update Police Report Writing

Course Description
UPDATE POLICE REPORT WRITING

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7016 - Criminal Laws

General

Subject Code
CCM

Course Number
7016

Course Long Title
Criminal Laws

Course Description
CRIMINAL LAWS

CIP Code
43.0104 - Criminal Justice/Safety Studies

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7017 - Intermediate Criminal Laws

General

Subject Code
CCM

Course Number
7017

Course Long Title
Intermediate Criminal Laws

Course Description
INTERMEDIATE CRIMINAL LAWS

CIP Code
43.0104 - Criminal Justice/Safety Studies

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7018 - Update Criminal Laws

General

Subject Code
CCM

Course Number
7018

Course Long Title
Update Criminal Laws

Course Description
UPDATE CRIMINAL LAWS

CIP Code
43.0104 - Criminal Justice/Safety Studies

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7019 - Criminal Investigation

General

Subject Code
CCM

Course Number
7019

Course Long Title
Criminal Investigation

Course Description
CRIMINAL INVESTIGATION

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7020 - Interm Criminal Investigation

General

Subject Code
CCM

Course Number
7020

Course Long Title
Interm Criminal Investigation

Course Description
INTERM CRIMINAL INVESTIGATION

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7021 - Update Criminal Investigation

General

Subject Code
CCM

Course Number
7021

Course Long Title
Update Criminal Investigation

Course Description
UPDATE CRIMINAL INVESTIGATION

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7022 - Police Mgt,supervision/Related

General

Subject Code
CCM

Course Number
7022

Course Long Title
Police Mgt,supervision/Related

Course Description
POLICE MGT,SUPERVISION/RELATED

CIP Code
43.0103 - Criminal Justice/Law Enforcement Administration

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7023 - Interm Police Mgt,supervision

General

Subject Code
CCM

Course Number
7023

Course Long Title
Interm Police Mgt,supervision

Course Description
INTERM POLICE MGT,SUPERVISION

CIP Code
43.0103 - Criminal Justice/Law Enforcement Administration

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7024 - Dispatcher,communicat Officer

General

Subject Code
CCM

Course Number
7024

Course Long Title
Dispatcher,communicat Officer

Course Description
DISPATCHER,COMMUNICAT OFFICER

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

General

Subject Code
CCM

Course Number
7025

Course Long Title
Interm Dispatcher,comm Officer

Course Description
INTERM DISPATCHER,COMM OFFICER

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7026 - Child Abuse

General

Subject Code
CCM

Course Number
7026

Course Long Title
Child Abuse

Course Description
CHILD ABUSE

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7027 - Crime Scene Search

General

Subject Code
CCM

Course Number
7027

Course Long Title
Crime Scene Search

Course Description
CRIME SCENE SEARCH

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7028 - Statutory Authority/Use Force

General

Subject Code
CCM

Course Number
7028

Course Long Title
Statutory Authority/Use Force

Course Description
STATUTORY AUTHORITY/USE FORCE

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7029 - Arrest,search, and Seizure

General

Subject Code
CCM

Course Number
7029

Course Long Title
Arrest,search, and Seizure

Course Description
ARREST,SEARCH, AND SEIZURE

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7030 - Texas Peace Officer Law

General

Subject Code
CCM

Course Number
7030

Course Long Title
Texas Peace Officer Law

Course Description
TEXAS PEACE OFFICER LAW

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

General

Subject Code
CCM

Course Number
7031

Course Long Title
Texas Peace Officer Procedures

Course Description
TEXAS PEACE OFFICER PROCEDURES

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7032 - Texas Peace Officer Skills

General

Subject Code
CCM

Course Number
7032

Course Long Title
Texas Peace Officer Skills

Course Description
TEXAS PEACE OFFICER SKILLS

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7033 - Crime Prevention Community

General

Subject Code
CCM

Course Number
7033

Course Long Title
Crime Prevention Community

Course Description
CRIME PREVENTION COMMUNITY

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7034 - Interm Crime Prevention/ Commun

General

Subject Code
CCM

Course Number
7034

Course Long Title
Interm Crime Prevention/Commun

Course Description
INTERM CRIME PREVENTION/COMMUN

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7035 - Update Crime Prevent/ Community

General

Subject Code
CCM

Course Number
7035

Course Long Title
Update Crime Prevent/Community

Course Description
UPDATE CRIME PREVENT/COMMUNITY

CIP Code
43.0107 - Criminal Justice/Police Science

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7036 - Basic Jail Operations

General

Subject Code
CCM

Course Number
7036

Course Long Title
Basic Jail Operations

Course Description
BASIC JAIL OPERATIONS

CIP Code
43.0102 - Corrections

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7037 - Security & Spec Officer

General

Subject Code
CCM

Course Number
7037

Course Long Title
Security & Spec Officer

Course Description
SECURITY & SPEC OFFICER

CIP Code
43.0109 - Security & Loss Prevention Services

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7038 - Domestic Refrig Window Unit

General

Subject Code
CCM

Course Number
7038

Course Long Title
Domestic Refrig Window Unit

Course Description
DOMESTIC REFRIG WINDOW UNIT

CIP Code
47.0201 - Htng, A/C, Ventilation & Refrig Maint Technlgy/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7039 - Central Air Cond. Systems

General

Subject Code
CCM

Course Number
7039

Course Long Title
Central Air Cond. Systems

Course Description
CENTRAL AIR COND. SYSTEMS

CIP Code
47.0201 - Htng, A/C, Ventilation & Refrig Maint Technlgy/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7040 - Gas and Elect Furnaces

General

Subject Code
CCM

Course Number
7040

Course Long Title
Gas and Elect Furnaces

Course Description
GAS AND ELECT FURNACES

CIP Code
47.0201 - Htng, A/C, Ventilation & Refrig Maint Technlgy/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7041 - Energy Conservation/Mgt

General

Subject Code
CCM

Course Number
7041

Course Long Title
Energy Conservation/Mgt

Course Description
ENERGY CONSERVATION/MGT

CIP Code
15.1701 - Energy Systems Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7042 - Heating,a C,refrig,mechanics

General

Subject Code
CCM

Course Number
7042

Course Long Title
Heating,a C,refrig,mechanics

Course Description
HEATING,A C,REFRIG,MECHANICS

CIP Code
47.0201 - Htng, A/C, Ventilation & Refrig Maint Technlgy/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7043 - Vocational Nurs Skills Update

General

Subject Code
CCM

Course Number
7043

Course Long Title
Vocational Nurs Skills Update

Course Description
VOCATIONAL NURS SKILLS UPDATE

CIP Code
51.1613 - Licensed Practical/Vocational Nurse Training

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7044 - Intravenous Therapy-Theory/Tec

General

Subject Code
CCM

Course Number
7044

Course Long Title
Intravenous Therapy-Theory/Tec

Course Description
INTRAVENOUS THERAPY-THEORY/TEC

CIP Code
51.1613 - Licensed Practical/Vocational Nurse Training

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7045 - Lvn-Special Topics

General

Subject Code
CCM

Course Number
7045

Course Long Title
Lvn-Special Topics

Course Description
LVN-SPECIAL TOPICS

CIP Code
51.1613 - Licensed Practical/Vocational Nurse Training

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7046 - Med Admin. for Nurse Aide

General

Subject Code
CCM

Course Number
7046

Course Long Title
Med Admin. for Nurse Aide

Course Description
MED ADMIN. FOR NURSE AIDE

CIP Code
51.1614 - Nurse/Nursing Asst/Aide & Patient Care Asst

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7047 - Med Admin Update/ Nurse Aide

General

Subject Code
CCM

Course Number
7047

Course Long Title
Med Admin Update/ Nurse Aide

Course Description
MED ADMIN UPDATE/ NURSE AIDE

CIP Code
51.1614 - Nurse/Nursing Asst/Aide & Patient Care Asst

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7048 - Home Health Care (aide)

General

Subject Code
CCM

Course Number
7048

Course Long Title
Home Health Care (aide)

Course Description
HOME HEALTH CARE (AIDE)

CIP Code
51.1615 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7049 - Nursing Assistant (aide)

General

Subject Code
CCM

Course Number
7049

Course Long Title
Nursing Assistant (aide)

Course Description
NURSING ASSISTANT (AIDE)

CIP Code
51.1614 - Nurse/Nursing Asst/Aide & Patient Care Asst

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7050 - Nurse Aide

General

Subject Code
CCM

Course Number
7050

Course Long Title
Nurse Aide

Course Description
NURSE AIDE

CIP Code
51.1614 - Nurse/Nursing Asst/Aide & Patient Care Asst

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7051 - Nurse Aide Skills Review

General

Subject Code
CCM

Course Number
7051

Course Long Title
Nurse Aide Skills Review

Course Description
NURSE AIDE SKILLS REVIEW

CIP Code
51.1614 - Nurse/Nursing Asst/Aide & Patient Care Asst

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7052 - Unit Clerk Coordinator

General

Subject Code
CCM

Course Number
7052

Course Long Title
Unit Clerk Coordinator

Course Description
UNIT CLERK COORDINATOR

CIP Code
51.0703 - Health Unity Coordinator/Ward Clerk

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7053 - Unit Clerk Coordinator Update

General

Subject Code
CCM

Course Number
7053

Course Long Title
Unit Clerk Coordinator Update

Course Description
UNIT CLERK COORDINATOR UPDATE

CIP Code
51.0703 - Health Unity Coordinator/Ward Clerk

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7054 - Nursing Home Activity Director

General

Subject Code
CCM

Course Number
7054

Course Long Title
Nursing Home Activity Director

Course Description
NURSING HOME ACTIVITY DIRECTOR

CIP Code
51.1503 - Clinical/Medical Social Work

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7055 - Nurs Home Activity Dir Update

General

Subject Code
CCM

Course Number
7055

Course Long Title
Nurs Home Activity Dir Update

Course Description
NURS HOME ACTIVITY DIR UPDATE

CIP Code
51.1503 - Clinical/Medical Social Work

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7056 - Food Service Supervisor/Nurse

General

Subject Code
CCM

Course Number
7056

Course Long Title
Food Service Supervisor/Nurse

Course Description
FOOD SERVICE SUPERVISOR/NURSE

CIP Code
20.0401 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM7057 - Aids & the Health Care Provide

General

Subject Code
CCM

Course Number
7057

Course Long Title
Aids & the Health Care Provide

Course Description
AIDS & THE HEALTH CARE PROVIDE

CIP Code
51.2207 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8001 - Associate Degree Nursing Skill

General

Subject Code
CCM

Course Number
8001

Course Long Title
Associate Degree Nursing Skill

Course Description
ASSOCIATE DEGREE NURSING SKILL

CIP Code
51.1601 - Nursing/Registered Nurse (RN,ASN, BSN, MSN)

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8002 - Adult Phys Assessment/Nurse

General

Subject Code
CCM

Course Number
8002

Course Long Title
Adult Phys Assessment/Nurse

Course Description
ADULT PHYS ASSESSMENT/NURSE

CIP Code
51.1603 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8003 - Pediatric Phys Assess.For Nurs

General

Subject Code
CCM

Course Number
8003

Course Long Title
Pediatric Phys Assess.For Nurs

Course Description
PEDIATRIC PHYS ASSESS.FOR NURS

CIP Code
51.1609 - Pediatric Nurse/Nursing

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8004 - Critical Care Review

General

Subject Code
CCM

Course Number
8004

Course Long Title
Critical Care Review

Course Description
CRITICAL CARE REVIEW

CIP Code
51.1601 - Nursing/Registered Nurse (RN,ASN, BSN, MSN)

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8005 - Critical Care Nursing

General

Subject Code
CCM

Course Number
8005

Course Long Title
Critical Care Nursing

Course Description
CRITICAL CARE NURSING

CIP Code
51.1601 - Nursing/Registered Nurse (RN,ASN, BSN, MSN)

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8006 - Advanced Intravenous Therapy

General

Subject Code
CCM

Course Number
8006

Course Long Title
Advanced Intravenous Therapy

Course Description
ADVANCED INTRAVENOUS THERAPY

CIP Code
51.1601 - Nursing/Registered Nurse (RN,ASN, BSN, MSN)

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8007 - Re-Entry Nursing Update

General

Subject Code
CCM

Course Number
8007

Course Long Title
Re-Entry Nursing Update

Course Description
RE-ENTRY NURSING UPDATE

CIP Code
51.1601 - Nursing/Registered Nurse (RN,ASN, BSN, MSN)

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8008 - Neonatal Nursing Update

General

Subject Code
CCM

Course Number
8008

Course Long Title
Neonatal Nursing Update

Course Description
NEONATAL NURSING UPDATE

CIP Code
51.1609 - Pediatric Nurse/Nursing

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8009 - Pediatric Nursing Update

General

Subject Code
CCM

Course Number
8009

Course Long Title
Pediatric Nursing Update

Course Description
PEDIATRIC NURSING UPDATE

CIP Code
51.1609 - Pediatric Nurse/Nursing

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8010 - Geriatric Nursing Update

General

Subject Code
CCM

Course Number
8010

Course Long Title
Geriatric Nursing Update

Course Description
GERIATRIC NURSING UPDATE

CIP Code
51.1601 - Nursing/Registered Nurse (RN,ASN, BSN, MSN)

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8011 - Special Topics: in Nursing

General

Subject Code
CCM

Course Number
8011

Course Long Title
Special Topics: in Nursing

Course Description
SPECIAL TOPICS: IN NURSING

CIP Code
51.1601 - Nursing/Registered Nurse (RN,ASN, BSN, MSN)

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8012 - Basic Phlebotomy

General

Subject Code
CCM

Course Number
8012

Course Long Title
Basic Phlebotomy

Course Description
BASIC PHLEBOTOMY

CIP Code
51.1004 - Clinical/Medical Laboratory Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8013 - Phlebotomy

General

Subject Code
CCM

Course Number
8013

Course Long Title
Phlebotomy

Course Description
PHLEBOTOMY

CIP Code
51.1004 - Clinical/Medical Laboratory Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8014 - Counseling Methods

General

Subject Code
CCM

Course Number
8014

Course Long Title
Counseling Methods

Course Description
COUNSELING METHODS

CIP Code
42.0601 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8015 - Death Dying:health Professiona

General

Subject Code
CCM

Course Number
8015

Course Long Title
Death Dying:health Professiona

Course Description
DEATH DYING:HEALTH PROFESSIONA

CIP Code
42.0601 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8016 - Drug & Alcohol Abuse Counselin

General

Subject Code
CCM

Course Number
8016

Course Long Title
Drug & Alcohol Abuse Counselin

Course Description
DRUG & ALCOHOL ABUSE COUNSELIN

CIP Code
51.1501 - Substance Abuse/Addiction Counseling

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8017 - Drug & Alcohol Abuse Counselin

General

Subject Code
CCM

Course Number
8017

Course Long Title
Drug & Alcohol Abuse Counselin

Course Description
DRUG & ALCOHOL ABUSE COUNSELIN

CIP Code
51.1501 - Substance Abuse/Addiction Counseling

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8018 - Assessment Sexual Assault/ Abus

General

Subject Code
CCM

Course Number
8018

Course Long Title
Assessment Sexual Assault/Abus

Course Description
ASSESSMENT SEXUAL ASSAULT/ABUS

CIP Code
42.0601 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8019 - Aging

General

Subject Code
CCM

Course Number
8019

Course Long Title
Aging

Course Description
AGING

CIP Code
30.1101 - Gerontology

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8020 - Mental Health and Aging

General

Subject Code
CCM

Course Number
8020

Course Long Title
Mental Health and Aging

Course Description
MENTAL HEALTH AND AGING

CIP Code
30.1101 - Gerontology

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8021 - Physical Health and Aging

General

Subject Code
CCM

Course Number
8021

Course Long Title
Physical Health and Aging

Course Description
PHYSICAL HEALTH AND AGING

CIP Code
30.1101 - Gerontology

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8022 - Social Environment and Aging

General

Subject Code
CCM

Course Number
8022

Course Long Title
Social Environment and Aging

Course Description
SOCIAL ENVIRONMENT AND AGING

CIP Code
30.1101 - Gerontology

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8023 - Basics of Medical Radiography

General

Subject Code
CCM

Course Number
8023

Course Long Title
Basics of Medical Radiography

Course Description
BASICS OF MEDICAL RADIOGRAPHY

CIP Code
51.0907 - Medical Radiologic Tech/Science- Radiation Therapist

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8024 - Radiography Update

General

Subject Code
CCM

Course Number
8024

Course Long Title
Radiography Update

Course Description
RADIOGRAPHY UPDATE

CIP Code
51.0907 - Medical Radiologic Tech/Science- Radiation Therapist

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8025 - Ekg Dysrhythmia Interpretation

General

Subject Code
CCM

Course Number
8025

Course Long Title
Ekg Dysrhythmia Interpretation

Course Description
EKG DYSRHYTHMIA INTERPRETATION

CIP Code
51.0902 - Electocardiograph Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8026 - Adv Ekg Dysrhythmia Interpreta

General

Subject Code
CCM

Course Number
8026

Course Long Title
Adv Ekg Dysrhythmia Interpreta

Course Description
ADV EKG DYSRHYTHMIA INTERPRETA

CIP Code
51.0902 - Electocardiograph Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8027 - Emergency Care Attendant-Eca

General

Subject Code
CCM

Course Number
8027

Course Long Title
Emergency Care Attendant-Eca

Course Description
EMERGENCY CARE ATTENDANT-ECA

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8028 - Emerg Care Attendant Refresher

General

Subject Code
CCM

Course Number
8028

Course Long Title
Emerg Care Attendant Refresher

Course Description
EMERG CARE ATTENDANT REFRESHER

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8029 - Emerg Medical Technician-Basic

General

Subject Code
CCM

Course Number
8029

Course Long Title
Emerg Medical Technician-Basic

Course Description
EMERG MEDICAL TECHNICIAN-BASIC

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8030 - Emt Basic Refresher

General

Subject Code
CCM

Course Number
8030

Course Long Title
Emt Basic Refresher

Course Description
EMT BASIC REFRESHER

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8031 - Emt - Intermediate

General

Subject Code
CCM

Course Number
8031

Course Long Title
Emt - Intermediate

Course Description
EMT - INTERMEDIATE

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8032 - Emt Intermediate Refresher

General

Subject Code
CCM

Course Number
8032

Course Long Title
Emt Intermediate Refresher

Course Description
EMT INTERMEDIATE REFRESHER

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8033 - Emt - Paramedic

General

Subject Code
CCM

Course Number
8033

Course Long Title
Emt - Paramedic

Course Description
EMT - PARAMEDIC

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8034 - Emt-Paramedic Refresher

General

Subject Code
CCM

Course Number
8034

Course Long Title
Emt-Paramedic Refresher

Course Description
EMT-PARAMEDIC REFRESHER

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8035 - Emt- Update

General

Subject Code
CCM

Course Number
8035

Course Long Title
Emt- Update

Course Description
EMT- UPDATE

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8036 - Spec Topic-Emt Paramedic Updat

General

Subject Code
CCM

Course Number
8036

Course Long Title
Spec Topic-Emt Paramedic Updat

Course Description
SPEC TOPIC-EMT PARAMEDIC UPDAT

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8037 - Adv Cardiac Life Support(acls)

General

Subject Code
CCM

Course Number
8037

Course Long Title
Adv Cardiac Life Support(acls)

Course Description
ADV CARDIAC LIFE SUPPORT(ACLS)

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8038 - Acls Recertification

General

Subject Code
CCM

Course Number
8038

Course Long Title
Acls Recertification

Course Description
ACLS RECERTIFICATION

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8039 - Moulage

General

Subject Code
CCM

Course Number
8039

Course Long Title
Moulage

Course Description
MOULAGE

CIP Code
51.1301 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8040 - Basic Trauma Life Support

General

Subject Code
CCM

Course Number
8040

Course Long Title
Basic Trauma Life Support

Course Description
BASIC TRAUMA LIFE SUPPORT

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8041 - Bas Trauma Life Support Recert

General

Subject Code
CCM

Course Number
8041

Course Long Title
Bas Trauma Life Support Recert

Course Description
BAS TRAUMA LIFE SUPPORT RECERT

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8042 - Cpr Basic Life Support

General

Subject Code
CCM

Course Number
8042

Course Long Title
Cpr Basic Life Support

Course Description
CPR BASIC LIFE SUPPORT

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8043 - Cpr-Basic Life Support-Adult

General

Subject Code
CCM

Course Number
8043

Course Long Title
Cpr-Basic Life Support-Adult

Course Description
CPR-BASIC LIFE SUPPORT-ADULT

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8044 - Cpr-Bas Life Suppor Infant/Chi

General

Subject Code
CCM

Course Number
8044

Course Long Title
Cpr-Bas Life Suppor Infant/Chi

Course Description
CPR-BAS LIFE SUPPOR INFANT/CHI

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8045 - Cpr-Neonatal Resuscitation

General

Subject Code
CCM

Course Number
8045

Course Long Title
Cpr-Neonatal Resuscitation

Course Description
CPR-NEONATAL RESUSCITATION

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8046 - Cpr-Basic Life Support Recerti

General

Subject Code
CCM

Course Number
8046

Course Long Title
Cpr-Basic Life Support Recerti

Course Description
CPR-BASIC LIFE SUPPORT RECERTI

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8047 - Cpr Instructor

General

Subject Code
CCM

Course Number
8047

Course Long Title
Cpr Instructor

Course Description
CPR INSTRUCTOR

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8048 - Cpr Instructor Trainer

General

Subject Code
CCM

Course Number
8048

Course Long Title
Cpr Instructor Trainer

Course Description
CPR INSTRUCTOR TRAINER

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8049 - Cpr Recertification

General

Subject Code
CCM

Course Number
8049

Course Long Title
Cpr Recertification

Course Description
CPR RECERTIFICATION

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8050 - Ems-Instr Development Program

General

Subject Code
CCM

Course Number
8050

Course Long Title
Ems-Instr Development Program

Course Description
EMS-INSTR DEVELOPMENT PROGRAM

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8051 - Ems-Instr Development Update

General

Subject Code
CCM

Course Number
8051

Course Long Title
Ems-Instr Development Update

Course Description
EMS-INSTR DEVELOPMENT UPDATE

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8052 - Emergency Medical Dispatching

General

Subject Code
CCM

Course Number
8052

Course Long Title
Emergency Medical Dispatching

Course Description
EMERGENCY MEDICAL DISPATCHING

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8053 - First Aid

General

Subject Code
CCM

Course Number
8053

Course Long Title
First Aid

Course Description
FIRST AID

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8054 - Sign Language for Workers/Deaf

General

Subject Code
CCM

Course Number
8054

Course Long Title
Sign Language for Workers/Deaf

Course Description
SIGN LANGUAGE FOR WORKERS/DEAF

CIP Code
51.0205 - Sign Language Interpretation/Interpreter

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8055 - Bas Sign Language for Workers

General

Subject Code
CCM

Course Number
8055

Course Long Title
Bas Sign Language for Workers

Course Description
BAS SIGN LANGUAGE FOR WORKERS

CIP Code
51.0205 - Sign Language Interpretation/Interpreter

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8056 - Intermed Sign Lang.For Workers

General

Subject Code
CCM

Course Number
8056

Course Long Title
Intermed Sign Lang.For Workers

Course Description
INTERMED SIGN LANG.FOR WORKERS

CIP Code
51.0205 - Sign Language Interpretation/Interpreter

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8057 - Sign Lang.For Specific Occupat

General

Subject Code
CCM

Course Number
8057

Course Long Title
Sign Lang.For Specific Occupat

Course Description
SIGN LANG.FOR SPECIFIC OCCUPAT

CIP Code
51.0205 - Sign Language Interpretation/Interpreter

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8058 - Medical Law Ethics Health Prof

General

Subject Code
CCM

Course Number
8058

Course Long Title
Medical Law Ethics Health Prof

Course Description
MEDICAL LAW ETHICS HEALTH PROF

CIP Code
51.2201 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8059 - Medical Conversational Span

General

Subject Code
CCM

Course Number
8059

Course Long Title
Medical Conversational Span

Course Description
MEDICAL CONVERSATIONAL SPAN

CIP Code
16.0001 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8060 - Med Terminology/Hlth Professio

General

Subject Code
CCM

Course Number
8060

Course Long Title
Med Terminology/Hlth Professio

Course Description
MED TERMINOLOGY/HLTH PROFESSIO

CIP Code
51.1301 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8061 - Pharmaceutical Update/Hlth Pro

General

Subject Code
CCM

Course Number
8061

Course Long Title
Pharmaceutical Update/Hlth Pro

Course Description
PHARMACEUTICAL UPDATE/HLTH PRO

CIP Code
51.2003 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8062 - Chemical Process Technician

General

Subject Code
CCM

Course Number
8062

Course Long Title
Chemical Process Technician

Course Description
CHEMICAL PROCESS TECHNICIAN

CIP Code
41.0301 - Chemical Technnology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8063 - Petroleum Or Chemical Proc Tec

General

Subject Code
CCM

Course Number
8063

Course Long Title
Petroleum Or Chemical Proc Tec

Course Description
PETROLEUM OR CHEMICAL PROC TEC

CIP Code
41.0301 - Chemical Technnology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8064 - Hazardous Materials Awareness

General

Subject Code
CCM

Course Number
8064

Course Long Title
Hazardous Materials Awareness

Course Description
HAZARDOUS MATERIALS AWARENESS

CIP Code
15.0507 - Environmental/Environmental Engineering Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8065 - Basic Wastewater Operations

General

Subject Code
CCM

Course Number
8065

Course Long Title
Basic Wastewater Operations

Course Description
BASIC WASTEWATER OPERATIONS

CIP Code
15.0506 - Continuing Education

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8066 - Statistical Process Contrl Mgt

General

Subject Code
CCM

Course Number
8066

Course Long Title
Statistical Process Contrl Mgt

Course Description
STATISTICAL PROCESS CONTRL MGT

CIP Code
15.0702 - Quality Control Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8067 - Qty Control & Safety Techn

General

Subject Code
CCM

Course Number
8067

Course Long Title
Qty Control & Safety Techn

Course Description
QTY CONTROL & SAFETY TECHN

CIP Code
15.0701 - Occupational Safety and Health Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8068 - Pro Musician Business Practice

General

Subject Code
CCM

Course Number
8068

Course Long Title
Pro Musician Business Practice

Course Description
PRO MUSICIAN BUSINESS PRACTICE

CIP Code
50.0909 - Music Management & Merchandising

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8069 - Pro Musician Audio Technology

General

Subject Code
CCM

Course Number
8069

Course Long Title
Pro Musician Audio Technology

Course Description
PRO MUSICIAN AUDIO TECHNOLOGY

CIP Code
10.0104 - Radio and Television Broadcasting Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8070 - Compu Assisted Draft & Design

General

Subject Code
CCM

Course Number
8070

Course Long Title
Compu Assisted Draft & Design

Course Description
COMPU ASSISTED DRAFT & DESIGN

CIP Code
48.0101 - Drafting, General

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8071 - Intro to Comp Assisted Dft/Des

General

Subject Code
CCM

Course Number
8071

Course Long Title
Intro to Comp Assisted Dft/Des

Course Description
INTRO TO COMP ASSISTED DFT/DES

CIP Code
48.0101 - Drafting, General

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8072 - Inter Comp Assisted Dft/Design

General

Subject Code
CCM

Course Number
8072

Course Long Title
Inter Comp Assisted Dft/Design

Course Description
INTER COMP ASSISTED DFT/DESIGN

CIP Code
48.0101 - Drafting, General

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8073 - Adv Comp Assisted Dft/Design

General

Subject Code
CCM

Course Number
8073

Course Long Title
Adv Comp Assisted Dft/Design

Course Description
ADV COMP ASSISTED DFT/DESIGN

CIP Code
48.0101 - Drafting, General

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8074 - Special Topics in Drafting

General

Subject Code
CCM

Course Number
8074

Course Long Title
Special Topics in Drafting

Course Description
SPECIAL TOPICS IN DRAFTING

CIP Code
48.0101 - Drafting, General

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8075 - Dft for Specific Occupations

General

Subject Code
CCM

Course Number
8075

Course Long Title
Dft for Specific Occupations

Course Description
DFT FOR SPECIFIC OCCUPATIONS

CIP Code
48.0101 - Drafting, General

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CCM8076 - Electrical Circuits

General

Subject Code
CCM

Course Number
8076

Course Long Title
Electrical Circuits

Course Description
ELECTRICAL CIRCUITS

CIP Code
15.0303 - Electrical,Electronic,andCommunicationsEngineeringTechnology/Technician.

Requirements

CHEM1307 - Introductory Chemistry II

General

Subject Code
CHEM

Course Number
1307

Course Long Title
Introductory Chemistry II

Course Description
CHEM 1307. INTRODUCTORY CHEMISTRY II (3-0-3)

Second semester of chemistry for students in non-science and/or technical applied science majors and for majors in some baccalaureate nursing programs. A continuation of the fundamentals of inorganic and organic chemistry, including selected biochemistry concepts, gases, liquids and solids, solutions, chemical equilibria, oxidation/reduction, electrochemistry and nuclear chemistry. CHEM 1307 when taken with CHEM 1107 is equivalent to CHEM 1407. Credit not given for both this course,CHEM 1407 and CHEM 1412. Does not count as a science credit for degrees in sciences and engineering. Prerequisites: CHEM 1305, CHEM 1406 or CHEM 1411, or have permission of the Department Chairperson. Assessment Levels: R3, E3, M2. 40.0501

CIP Code
40.0501 - Chemistry, General

Requirements

Requirements
Must have level 3 in Reading and English and level 2 in Math

Assessment Levels (Reading, English/Writing, Mathematics)

CHEM1405 - Introductory Chemistry I

General

Subject Code
CHEM

Course Number
1405

Course Long Title
Introductory Chemistry I

Course Description
CHEM 1405. INTRODUCTORY CHEMISTRY I (3-3-4)

First semester of chemistry for students in nonscience and/or technical applied science majors and for majors in some baccalaureate nursing programs. An introduction to the fundamental principles of inorganic and organic chemistry, including measurements, matter and energy, atomic theory, reactions, stoichiometry and chemical formulas of both inorganic and selected organic compounds. Credit not given for both this course and CHEM 1406 or 1411. Assessment Levels: R3, E2, M2. 40.0501

CIP Code
40.0501 - Chemistry, General

Requirements

Requirements
Must have leve 3 in Reading and level 2 in English and Math

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	2	2

CHEM1406 - Basic Chemistry

General

Subject Code
CHEM

Course Number
1406

Course Long Title
Basic Chemistry

Course Description
CHEM 1406. BASIC CHEMISTRY (3-3-4)

Fundamentals of inorganic, organic and physiological chemistry; recommended for students in nursing or other programs requiring a one- semester lab course in chemistry; credit not given for both this course and CHEM 1405 or 1411. Assessment Levels: R3, E2, M2. 40.0501

CIP Code
40.0501 - Chemistry, General

Requirements

Requirements
Must have level 3 in Reading and level 2 in English and Math.

CHEM1411 - General Inorganic Chemistry I

General

Subject Code
CHEM

Course Number
1411

Course Long Title
General Inorganic Chemistry I

Course Description
CHEM 1411. GENERAL INORGANIC CHEMISTRY I (3-3-4)

First semester of freshman chemistry for students in science, engineering, or medicine. An introduction to the principles of chemistry, including the study of metals, nonmetals, compounds, chemical formulas and equations, stoichiometry, gas laws, atomic structure, chemical bonding, thermochemistry, periodic properties and trends and the electrolytic behavior of solutions. Laboratory emphasis on the quantitative approach. Prerequisite: Concurrent enrollment or credit in MATH 1314 or equivalent. Assessment Levels: R3, E3, M3. 40.0501

CIP Code
40.0501 - Chemistry, General

Requirements

Requirements
Must have level 3 in Reading, English, and Math

COSC1301 - Introduction to Computing

General

Subject Code
COSC

Course Number
1301

Course Long Title
Introduction to Computing

Course Description
COSC 1301. INTRODUCTION TO COMPUTING (3-1-3)

An overview of computer systems -- hardware, operating systems and microcomputer application software, including the Internet, word processing, spreadsheets, presentation graphics and databases. Current issues such as the effect of computers on society, and the history and use of computers in business, educational and other modern settings are also studied. This course is not intended to count toward a student's major field of study in business or computer science. Course is offered with a substantial lab component for non-computer majors to fulfill computer degree requirements at many upper-level universities. May be concurrently offered as an Internet course. 11.0101

CIP Code
11.0101 - Computer and Information Sciences, General

Requirements

Requirements
Must have level 1 in Reading, English and Math

COSC1337 - Programming Fundamentals II

General

Subject Code
COSC

Course Number
1337

Course Long Title
Programming Fundamentals II

Course Description
COSC 1337. PROGRAMMING FUNDAMENTALS II. (2-4-3)

This course focuses on the object-oriented programming paradigm, emphasizing the definition and use of classes along with fundamentals of object-oriented design. The course includes basic analysis of algorithms, searching and sorting techniques, and an introduction to software engineering processes. Students will apply techniques for testing and debugging software. (This course is included in the Field of Study Curriculum for Computer Science) Prerequisites: ITSE 1359 and MATH 1342. Assessment Levels: R3, E1, M1. 11.0201

CIP Code
11.0201 - Computer Programming/Programmer, General

Requirements

Requirements
Must have a level 3 in Reading and a level 1 in English and Math.

COSC1436 - Programming Fundamentals I

General

Subject Code
COSC

Course Number
1436

Course Long Title
Programming Fundamentals I

Course Description
COSC 1436. PROGRAMMING FUNDAMENTALS I (3-3-4)

Introduces the fundamental concepts of structured programming and provides a comprehensive introduction to programming for computer science and technology majors. Topics include software development methodology, data types, control structures, functions, arrays and the mechanics of running, testing and debugging. This course assumes computer literacy. This course is included in the Field of Study Curriculum for Computer Science. Prerequisite or corequisite: MATH 1314 Assessment Levels: R3, E1, M1. 11.0201

CIP Code
11.0201 - Computer Programming/Programmer, General

Requirements

Requirements
Must have level 3 in Reading and level 1 in English and Math.

Literary/Jury Charge Dictation II

Course Description
CRTR 1359. LITERARY/JURY CHARGE DICTATION II (2-4-3) Continued skill development necessary for speed and accuracy in writing and transcribing literary/jury charge dictation. Corequisite: CRTR 2319. Must see program advisor. Assessment Levels: R1, E1, M1. 22.0303

CIP Code
22.0303 - Court Reporting and Captioning/Court Reporter.

Requirements

Requirements
Take CRTR-2319

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

CRTR2186 - Internship Crt Reporting/ Reporter

General

Subject Code
CRTR

Course Number
2186

Course Long Title
Internship Crt Reporting/Reporter

Course Description
CRTR 2186. INTERNSHIP-COURT REPORTING/COURT REPORTER (CAPSTONE) (0-6-1) Work-based learning experience that enables the student to apply specialized occupational theory, skills and concepts. A learning plan is developed by the college and the employer. Corequisite: CRTR 1191. Must see program advisor. Assessment Levels: R1, E1, M1. 22.0303

CIP Code
22.0303 - Court Reporting and Captioning/Court Reporter.

Requirements

Requirements
Take CRTR-1191

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

CRTR2215 - Court Reporting & Office Procedures

General

Subject Code
CRTR

Course Number
2215

Course Long Title
Court Reporting & Office Procedures

Course Description
CRTR 2215. COURT REPORTING AND OFFICE PROCEDURES Instruction in the duties and responsibilities of the freelance court reporter including the preparation of depositions. (2-1-2) 22.0303

CIP Code
22.0303 - Court Reporting and Captioning/Court Reporter.

Requirements

Requirements
Must have level 1 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CRTR2218 - Testimony Dictation I

General

Subject Code
CRTR

Course Number
2218

Course Long Title
Testimony Dictation I

Course Description
CRTR 2218. TESTIMONY DICTATION I (1-4-2) Skills necessary for developing speed and accuracy in the writing of testimony. This course is designed to be repeated to meet program standards. Corequisite: CRTR 1257. Must see program advisor. 22.0303

CIP Code
22.0303 - Court Reporting and Captioning/Court Reporter.

Requirements

Requirements
Take CRTR-1257

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CRTR2259 - Courtroom Procedures

General

Subject Code
CRTR

Course Number
2259

Course Long Title
Courtroom Procedures

Course Description
CRTR 2259. COURTROOM PROCEDURES "Instruction in courtroom procedures as they relate to the court reporter. Assessment Levels: R1, E1, M1." (2-1-2) 22.0303

CIP Code
22.0303 - Court Reporting and Captioning/Court Reporter.

Requirements

Requirements
Must have level 1 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

CRTR2301 - Intermediate Machine Shorthand

General

Subject Code
CRTR

Course Number
2301

Course Long Title
Intermediate Machine Shorthand

Course Description
CRTR 2301. INTERMEDIATE MACHINE SHORTHAND (2-4-3) Continued development of real-time machine shorthand skills through readback, machine practice and transcription. This course is designed to be repeated multiple times to meet program standards. Corequisite: CRTR 2310. Must see program advisor. 22.0303

CIP Code
22.0303 - Court Reporting and Captioning/Court Reporter.

Requirements

Requirements
Take CRTR-2310

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CRTR2303 - Advanced Machine Shorthand

General

Subject Code
CRTR

Course Number
2303

Course Long Title
Advanced Machine Shorthand

Course Description
CRTR 2303. ADVANCED MACHINE SHORTHAND (2-4-3) In-depth coverage of real-time machine shorthand theory and continued skill building through readback, machine practice and transcript production. This course may be repeated multiple times until machine shorthand standards are met. Corequisite: CRTR 2337. Must see program advisor. Assessment Levels: R1, E1, M1. 22.0303

CIP Code
22.0303 - Court Reporting and Captioning/Court Reporter.

Requirements

Requirements
Take CRTR-2337

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

CRTR2310 - Real-Time Court Reporting III

General

Subject Code
CRTR

Course Number
2310

Course Long Title
Real-Time Court Reporting III

Course Description
CRTR 2310. REALTIME COURT REPORTING III (2-4-3) Enhancement of skills necessary for writing real-time theory and dictation practice using computer-aided technology and instructional interaction. Corequisite: CRTR 2301. Must see program advisor. 22.0303

CIP Code
22.0303 - Court Reporting and Captioning/Court Reporter.

Requirements

Requirements
Take CRTR-2301

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CRTR2319 - Testimony Dictation II

General

Subject Code
CRTR

Course Number
2319

Course Long Title
Testimony Dictation II

Course Description
CRTR 2319. TESTIMONY DICTATION II (2-4-3) Continued skill development for speed and accuracy in transcription of testimony. This course is designed to be repeated to meet program standards. Corequisite: CRTR 1359. Must see program advisor. Assessment Levels: R1, E1, M1. 22.0303

CIP Code
22.0303 - Court Reporting and Captioning/Court Reporter.

Requirements

Requirements
Take CRTR-1359

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

CRTR2331 - Certified Reporter Cert. Preparation

General

Subject Code
CRTR

Course Number
2331

Course Long Title
Certified Reporter Cert. Preparation

Course Description
CRTR 2331. CERTIFIED REPORTER CERTIFICATION PREPARATION (2-4-3) Preparation for taking the Texas Certified Shorthand Reporter and the Registered Professional Reporter examinations through the use of mock examinations. This course is designed to be repeated. Corequisite: CRTR 2435. Must see program advisor. Assessment Levels: R1, E1, M1. 22.0303

CIP Code
22.0303 - Court Reporting and Captioning/Court Reporter.

Requirements

Requirements
Take CRTR-2435

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

CRTR2335 - Accelerated Machine Shorthand

General

Subject Code
CRTR

Course Number
2335

Course Long Title
Accelerated Machine Shorthand

Course Description
CRTR 2435. ACCELERATED MACHINE SHORTHAND (2-4-3) Mastery of high-speed dictation including readback, machine practice and transcription. This course may be repeated multiple times until machine shorthand standards are met. Corequisite: CRTR 2331. Must see program advisor. Assessment Levels: R1, E1, M1. 22.0303

CIP Code
22.0303 - Court Reporting and Captioning/Court Reporter.

Requirements

Requirements
Take CRTR-2331

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

CRTR2337 - Real-Time Court Reporting IV

General

Subject Code
CRTR

Course Number
2337

Course Long Title
Real-Time Court Reporting IV

Course Description
CRTR 2337. REALTIME COURT REPORTING IV (2-4-3) Further development of skills necessary for real-time theory and dictation practice using computer-aided technology and instructional interaction. Topics include real-time dictionary maintenance. Corequisite: CRTR 2303. Must see program advisor. Assessment Levels: R1, E1, M1. 22.0303

CIP Code
22.0303 - Court Reporting and Captioning/Court Reporter.

Requirements

Requirements
Take CRTR-2303

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

CRTR2343 - Simulated Courtroom Proceedings

General

Subject Code
CRTR

Course Number
2343

Course Long Title
Simulated Courtroom Proceedings

Course Description
CRTR 2343. SIMULATED COURTROOM PROCEEDINGS (CAPSTONE) (2-4-3)

Instruction in the role of the court reporter in a courtroom environment. Emphasis on writing multiple-voice testimony and the production of transcripts utilizing realtime technology. Prerequisite: CRTR 2301 and 2310 or concurrent enrollment. Assessment Levels: R1, E1, M1. 22.0303

CIP Code
22.0303 - Court Reporting and Captioning/Court Reporter.

Requirements

Requirements
Must have completed CRTR-2341 CRTR-2301 CRTR-2310

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

CRTR2435 - Accelerated Machine Shorthand

General

Subject Code
CRTR

Course Number
2435

Course Long Title
Accelerated Machine Shorthand

Course Description
CRTR 2435. ACCELERATED MACHINE SHORTHAND (3-4-4) Mastery of high-speed dictation including readback, machine practice and transcription. This course may be repeated multiple times until machine shorthand standards are met. Corequisite: CRTR 2331. Must see program advisor. Assessment Levels: R1, E1, M1. 22.0303

CIP Code
22.0303 - Court Reporting and Captioning/Court Reporter.

Requirements

Requirements
Take CRTR-2331

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CRTRELEC - Crt Reporting Elective

General

Subject Code
CRTR

Course Number
ELEC

Course Long Title
Crt Reporting Elective

Course Description
Crt Reporting Elective

CIP Code
22.0303 - Court Reporting and Captioning/Court Reporter.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CSIRELEC - Cmptr Netwrking Elective

General

Subject Code
CSIR

Course Number
ELEC

Course Long Title
Cmptr Netwrking Elective

Course Description
Cmptr Netwrking Elective

CIP Code
47.0103 - Communications Systems Installation and Repair Technology/ Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CSME310 - Intro to Haircutting & Related Theory

General

Subject Code
CSME

Course Number
310

Course Long Title
Intro to Haircutting & Related Theory

Course Description
CSME 1310. INTRODUCTION TO HAIRCUTTING AND RELATED THEORY (1-8-3)

An introduction to the theory and practice of hair cutting. Topics include terminology, implements, sectioning and finishing techniques. 12.0407

CIP Code
12.0407 - Hair Styling/Stylist and Hair Design

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CSME1244 - Introduction to Salon Development

General

Subject Code
CSME

Course Number
1244

Course Long Title
Introduction to Salon Development

Course Description
CSME 1244. INTRODUCTION TO SALON DEVELOPMENT (1-3-2)

An overview of the procedures and operations as related to salon management. 12.0412

CIP Code
12.0412 - Salon/Beauty Salon Management/Manager

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CSME1248 - Principles of Skin Care

General

Subject Code
CSME

Course Number
1248

Course Long Title
Principles of Skin Care

Course Description
CSME 1248. PRINCIPLES OF SKIN CARE (1-3-2)

Introduction of the theory and practice of skin care. Prerequisites: CSME 1244, 1310, 1405, 1443. 12.0409

CIP Code
12.0409 - Aesthetician/Esthetician and Skin Care Specialist

Requirements

Requirements
Prerequisites CSME-1244 CSME-1310 CSME-1405 CSME-1443

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CSME1309 - Application of Eyelash Extensions

General

Subject Code
CSME

Course Number
1309

Course Long Title
Application of Eyelash Extensions

Course Description
CSME 1309. APPLICATION OF EYELASH (2-4-3)

This course provides the student with the skills necessary to perform client services using current techniques and business practices. 12.0401

CIP Code
12.0401 - Cosmetology/Cosmetologist, General

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CSME1310 - Intro to Haircutting & Related Theory

General

Subject Code
CSME

Course Number
1310

Course Long Title
Intro to Haircutting & Related Theory

Course Description
CSME 1310. INTRODUCTION TO HAIRCUTTING AND RELATED THEORY (1-6-3)

An introduction to the theory and practice of hair cutting. Topics include terminology, implements, sectioning and finishing techniques. 12.0407

CIP Code
12.0407 - Hair Styling/Stylist and Hair Design

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CSME1354 - Artistry of Hair Design I

General

Subject Code
CSME

Course Number
1354

Course Long Title
Artistry of Hair Design I

Course Description
CSME 1354. ARTISTRY OF HAIR DESIGN I (1-6-3)

An introduction to hair design. Topics include the theory and applications of wet styling, thermal hair styling, and finishing techniques. Prerequisites: CSME 1244, 1310, 1405, 1443. 12.0407

CIP Code
12.0407 - Hair Styling/Stylist and Hair Design

Requirements

Requirements
Prerequisites CSME-1244 CSME-1310 CSME-1405 CSME-1443

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CSME1405 - Fundamentals of Cosmetology

General

Subject Code
CSME

Course Number
1405

Course Long Title
Fundamentals of Cosmetology

Course Description
CSME 1405. FUNDAMENTALS OF COSMETOLOGY (2-6-4)

A course in the basic fundamentals of cosmetology. Topics include safety and sanitation, service preparation, manicure, facial, chemical services, shampoo, haircut, wet styling, and comb out. 12.0401

CIP Code
12.0401 - Cosmetology/Cosmetologist, General

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CSME1443 - Manicuring and Related Theory

General

Subject Code
CSME

Course Number
1443

Course Long Title
Manicuring and Related Theory

Course Description
CSME 1443. MANICURING AND RELATED THEORY (2-6-4)

Presentation of the theory and practice of nail services. Topics include terminology, application, and workplace competencies related to nail services. 12.0410

CIP Code
12.0410 - Nail Technician/Specialist and Manicurist

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CSME1447 - Prin Skin Care/Facials & Related Theory

General

Subject Code
CSME

Course Number
1447

Course Long Title
Prin Skin Care/Facials & Related Theory

Course Description
CSME 1447. PRINCIPLES OF SKIN CARE/FACIALS AND RELATED THEORY. (2-6-4)

In-depth coverage of the theory and practice of skincare, facials, and cosmetics. 12.0409

CIP Code
12.0409 - Aesthetician/Esthetician and Skin Care Specialist

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CSME1453 - Chemical Reformation & Related Theory

General

Subject Code
CSME

Course Number
1453

Course Long Title
Chemical Reformation & Related Theory

Course Description
CSME 1453. CHEMICAL REFORMATION AND RELATED THEORY (2-6-4)

Presentation of the theory and practice of chemical reformation including terminology, application, and workplace competencies. Prerequisites: CSME 1244, 1310, 1405, 1443. 12.0407

CIP Code
12.0407 - Hair Styling/Stylist and Hair Design

Requirements

Requirements
Prerequisites CSME-1244 CSME-1310 CSME-1405 CSME-1443

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CSME2310 - Adv Haircutting & Related Theory

General

Subject Code
CSME

Course Number
2310

Course Long Title
Adv Haircutting & Related Theory

Course Description
CSME 2310. ADVANCED HAIRCUTTING AND RELATED THEORY (1-6-3)

Advanced concepts and practice of haircutting. Topics include haircuts utilizing scissors, razor and/or clippers. Prerequisites: CSME 1248, 1354, 1453, 2401. 12.0407

CIP Code
12.0407 - Hair Styling/Stylist and Hair Design

Requirements

Requirements
Prerequisites CSME-1244 CSME-1310 CSME-1405 CSME-1443 CSME-1248 CSME-1354 CSME-1453 CSME-2401

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CSME2337 - Advanced Cosmetology Techniques

General

Subject Code
CSME

Course Number
2337

Course Long Title
Advanced Cosmetology Techniques

Course Description
CSME 2337. ADVANCED COSMETOLOGY TECHNIQUES (2-3-3)

Mastery of advanced cosmetology techniques including hair designs, professional cosmetology services and workplace competencies. Prerequisites: CSME 1248, 1354, 1453, 2401. 12.0401

CIP Code
12.0401 - Cosmetology/Cosmetologist, General

Requirements

Requirements
Prerequities CSME-1244 CSME-1310 CSME-1405 CSME-1443 CSME-1248 CSME-1354 CSME-1453 CSME-2401

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CSME2343 - Salon Development

General

Subject Code
CSME

Course Number
2343

Course Long Title
Salon Development

Course Description
CSME 2343. SALON DEVELOPMENT (2-4-3)

Procedures necessary for salon development. Topics include professional ethics and goal setting, salon operation, and record keeping. 12.0412

CIP Code
12.0412 - Salon/Beauty Salon Management/Manager

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CSME2401 - The Prin of Hair Coloring/ Related Theory

General

Subject Code
CSME

Course Number
2401

Course Long Title
The Prin of Hair Coloring/Related Theory

Course Description
CSME 2401. THE PRINCIPLES OF HAIR COLORING AND RELATED THEORY (2-6-4)

Presentation of the theory, practice, and chemistry of hair color. Topics include terminology, application and workplace competencies related to hair color. Prerequisites: CSME 1244, 1310, 1405, 1443. 12.0407

CIP Code
12.0407 - Hair Styling/Stylist and Hair Design

Requirements

Requirements
Prerequisites CSME-1244 CSME-1310 CSME-1405 CSME-1443

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CSME2410 - Adv Haircutting/Related Theory

General

Subject Code
CSME

Course Number
2410

Course Long Title
Adv Haircutting/Related Theory

Course Description
CSME 2410. ADVANCED HAIRCUTTING AND RELATED THEORY. (2-6-4)

Advanced concepts and practice of haircutting. Topics include utilizing scissors, razors, and/or clippers. 12.0407

CIP Code
12.0407 - Hair Styling/Stylist and Hair Design

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CSME2436 - Adv Cosmo App/Related Theory

General

Subject Code
CSME

Course Number
2436

Course Long Title
Adv Cosmo App/Related Theory

Course Description
CSME 2436. ADVANCED COSMETOLOGY APPLICATIONS AND RELATED THEORY. (2-6-4)

Advanced concepts of cosmetology applications including hair, skin, and/or nails; professional services; and workplace competencies. REM Levels: R1, E1, M0. 12.0407

CIP Code
12.0407 - Hair Styling/Stylist and Hair Design

Requirements

Requirements
Must have a level 1 in Reading and English and a 0 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CSME2439 - Advanced Hair Design

General

Subject Code
CSME

Course Number
2439

Course Long Title
Advanced Hair Design

Course Description
CSME 2439. ADVANCED HAIR DESIGN (2-6-4)

Advanced concepts in the theory and practice of hair design. Prerequisites: CSME 1248, 1354, 1453, 2401. 12.0407

CIP Code
12.0407 - Hair Styling/Stylist and Hair Design

Requirements

Requirements
Prerequisites CSME-1244 CSME-1310 CSME-1405 CSME-1443 CSME-1248 CSME-1354 CSME-1453 CSME-2401

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CSME2441 - Prep for State Licensing Examination

General

Subject Code
CSME

Course Number
2441

Course Long Title
Prep for State Licensing Examination

Course Description
CSME 2441. PREPARATION FOR THE STATE LICENSING EXAMINATION (CAPSTONE) (2-6-4)

Preparation for the state licensing examination. Prerequisites: CSME 1248, 1354, 1453, 2401. 12.0401

CIP Code
12.0401 - Cosmetology/Cosmetologist, General

Requirements

Requirements
Prerequisites CSME-1244 CSME-1310 CSME-1405 CSME-1443 CSME-1248 CSME-1354 CSME-1453 CSME-2401

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CTEC441 - Applied Instrumental Analy I

General

Subject Code
CTEC

Course Number
441

Course Long Title
Applied Instrumental Analy I

Course Description
CTEC 1441. APPLIED INSTRUMENTAL ANALYSIS I (3-4-4)

An overview of instrumental chemical analysis. Topics include chromatography, spectroscopy and/or electroanalytical chemistry. Prerequisites: SCIT 1543 or consent of instructor. Assessment Levels: R3, E2, M3. 41.0301

CIP Code
41.0301 - Chemical Technnology/Technician

Requirements

Requirements
Must have level 3 in Reading and Math and level 2 in English

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CTEC1113 - Introduction to Chemical Technology

General

Subject Code
CTEC

Course Number
1113

Course Long Title
Introduction to Chemical Technology

Course Description
CTEC 1113. INTRODUCTION TO CHEMICAL TECHNOLOGY (1-0-1)

An introduction to the educational and professional requirements of the chemical technician. Topics include safety, industrial site visits, chemical literature and computer applications. Assessment Levels: R1, E1, M1. 41.0301

CIP Code
41.0301 - Chemical Technnology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

CTEC1205 - Chemical Calculations I

General

Subject Code
CTEC

Course Number
1205

Course Long Title
Chemical Calculations I

Course Description
CTEC 1205. CHEMICAL CALCULATIONS I (1-2-2)

Parallels and supports college-level applied general chemistry. Emphasis on solving problems in exercises and lab experiments. Prerequisite: one year of high school chemistry. Corequisite: SCIT 1414. Assessment Levels: R2, E2, M2. 41.0301

CIP Code
41.0301 - Chemical Technnology/Technician

Requirements

Requirements
Take SCIT-1414

Assessment Levels (Reading, English/Writing, Mathematics)

CTEC2431 - Appl Instrumental Analysis II

General

Subject Code
CTEC

Course Number
2431

Course Long Title
Appl Instrumental Analysis II

Course Description
CTEC 2431. APPLIED INSTRUMENTAL ANALYSIS II (3-4-4)

A study of advanced topics in instrumental analysis. Topics include atomic absorption, inductively coupled plasma, nuclear magnetic resonance, gas chromatography/mass spectrometry, liquid chromatography and infrared spectroscopy. Assessment Levels: R3, E3, M3. 41.0301

CIP Code
41.0301 - Chemical Technnology/Technician

Requirements

Requirements
Must have level 3 in Reading, English, and Math

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

CTEC2445 - Unit Operations

General

Subject Code
CTEC

Course Number
2445

Course Long Title
Unit Operations

Course Description
CTEC 2445. UNIT OPERATIONS (2-4-4)

Instruction in the principles of chemical engineering and process equipment with emphasis on scale-up from laboratory bench to pilot plan. Prerequisites: PTAC 1332, PTAC 1354, and PTAC 2420. 41.0301

CIP Code
41.0301 - Chemical Technnology/Technician

Requirements

Requirements
Prerequisites: PTAC 1332, PTAC 1354, PTAC 2420

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CTECELEC - Chem Technology Elective

General

Subject Code
CTEC

Course Number
ELEC

Course Long Title
Chem Technology Elective

Course Description
Chem Technology Elective

CIP Code
41.0301 - Chemical Technnology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CTMT2164 - Practicum: Computed Tomography

General

Subject Code
CTMT

Course Number
2164

Course Long Title
Practicum: Computed Tomography

Course Description
CTMT 2164. PRACTICUM: COMPUTED TOMOGRAPHY TECHNOLOGY (0-7-1)

Intermediate or advanced health professions work-based instruction that gains practical experience in the discipline, enhances skills and integrates knowledge. Emphasis on practical work experience for which the student has already acquired theoretical knowledge and basic skills. Direct supervision by the clinical professional, generally a clinical preceptor. Assessment Levels: R3, E3, M3. 51.0911

CIP Code
51.0911 - Radiologic Tech/Science- Radiographer

Requirements

Requirements
MUST HAVE LEVEL 3 IN READING, ENGLISH AND MATH

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

CTMT2232 - Principles of Computed Tomography

General

Subject Code
CTMT

Course Number
2232

Course Long Title
Principles of Computed Tomography

Course Description
CTMT 2232. PRINCIPLES OF COMPUTED TOMOGRAPHY (2-0-2)

In-depth coverage of computed tomography imaging techniques. Image quality assurance and radiation protection are emphasized. Assessment Levels: R3, E3, M3. 51.0911

CIP Code
51.0911 - Radiologic Tech/Science- Radiographer

Requirements

Requirements
MUST HAVE LEVEL 3 IN READING, ENGLISH AND MATH

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

CTMT2236 - Computed Tomogrphy Equip & Methodology

General

Subject Code
CTMT

Course Number
2236

Course Long Title
Computed Tomogrphy Equip & Methodology

Course Description
CTMT 2236. COMPUTED TOMOGRAPHY EQUIPMENT AND METHODOLOGY (2-0-2)

Skill development in the operation of computed tomographic equipment, focusing on routine protocols, image quality, qualilty quality assurance and radiation protection. Assessment Levels: R3, E3, M3. 51.0911

CIP Code
51.0911 - Radiologic Tech/Science- Radiographer

Requirements

Requirements
MUST HAVE LEVEL 3 IN READING, ENGLISH AND MATH

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CVIRELEC - Radiologic Tech Elective

General

Subject Code
CVIR

Course Number
ELEC

Course Long Title
Radiologic Tech Elective

Course Description
Radiologic Tech Elective

CIP Code
51.0907 - Medical Radiologic Tech/Science- Radiation Therapist

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CVOP1381 - Truck & Bus Dr/Comm Veh Ops

General

Subject Code
CVOP

Course Number
1381

Course Long Title
Truck & Bus Dr/Comm Veh Ops

Course Description
CVOP 1381. COOPERATIVE EDUCATION - TRUCK AND BUS DRIVER/ COMMERCIAL VEHICLE OPERATIONS (1-14-3)Career-related activities encountered in the student's area of specialization offered through an individualized agreement among the college, employer, and student. Under the supervision of the college and the employer, thte student combines classroom learning with work experience. Includes a lecture component. Prerequisite: DEMR 1427. Assessment Levels: R1, E1, M0. 49.0205

CIP Code
49.0205 - Truck & Bus Driver/Commercial Vehicle Operation

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

CVTT1017 - Cardiovascular Anat

General

Subject Code
CVTT

Course Number
1017

Course Long Title
Cardiovascular Anat

Course Description
Cardiovascular Anat

DAAC1166 - Prac: Alcohol/Drug Abuse Counseling

General

Subject Code
DAAC

Course Number
1166

Course Long Title
Prac: Alcohol/Drug Abuse Counseling

Course Description
DAAC 1166. PRACTICUM (OR FIELD EXPERIENCE) SUBSTANCE ABUSE/ ADDICTION COUNSELING (0-7-1)

Practical , general workplace training supported by an individualized learning plan developed by the employer, college, and student. Prerequisites: DAAC 1311, 2354 and approval of Human Services program director for assignment to specific practicum. Assessment Levels: R1, E1, M1. 51.1501

CIP Code
51.1501 - Substance Abuse/Addiction Counseling

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

DAAC1304 - Pharmacology of Addiction

General

Subject Code
DAAC

Course Number
1304

Course Long Title
Pharmacology of Addiction

Course Description
DAAC 1304. PHARMACOLOGY OF ADDICTION (3-0-3)

Emphasizes pharmacological effects of addition, tolerance, dependence, cross addiction, drug interaction withdrawal, and recovery. Describes the psychological and physiological effects of substance use and behaviors. Assessment Levels: R1, E1, M1. 51.1501

CIP Code
51.1501 - Substance Abuse/Addiction Counseling

Requirements

Requirements
Must have level 1 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M

DAAC1309 - Assmt Substanc-Related & Addic Disorders

General

Subject Code
DAAC

Course Number
1309

Course Long Title
Assmt Substanc-Related & Addic Disorders

Course Description
DAAC 1309. ASSESSMENT OF SUBSTANCE-RELATED AND ADDICTIVE DISORDERS (3-1-3)

Exploration of procedures and tools used to identify substance-related and addictive disorders and assess a client's problems, strengths, deficits, and needs. Assessment Levels: R1, E1, M1. 51.1501

CIP Code
51.1501 - Substance Abuse/Addiction Counseling

Requirements

Requirements
Must have level 1 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

DAAC1311 - Counseling Theories

General

Subject Code
DAAC

Course Number
1311

Course Long Title
Counseling Theories

Course Description
DAAC 1311. COUNSELING THEORIES (3-0-3)

Examination of major theories and current treatment modalities used in the field of counseling. Assessment Levels: R1, E1, M1. 51.1501

CIP Code
51.1501 - Substance Abuse/Addiction Counseling

Requirements

Requirements
Must have Level 1 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

DAAC1319 - Substance-Related & Addictive Disorders

General

Subject Code
DAAC

Course Number
1319

Course Long Title
Substance-Related & Addictive Disorders

Course Description
DAAC 1319. SUBSTANCE-RELATED AND ADDICTIVE DISORDERS (3-0-3)

An overview of causes and consequences of substance-related and addictive disorders, the major drug classifications, and the counselor's code of ethics. Assessment Levels: R1, E1, M1. 51.1501

CIP Code
51.1501 - Substance Abuse/Addiction Counseling

Requirements

Requirements
Must have level 1 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

DAAC1417 - Basic Counseling Skills

General

Subject Code
DAAC

Course Number
1417

Course Long Title
Basic Counseling Skills

Course Description
DAAC 1417. BASIC COUNSELING SKILLS (4-0-4)

Overview and application of the basic counseling skills. Assessment Levels: R1, E1, M1. 51.1501

CIP Code
51.1501 - Substance Abuse/Addiction Counseling

Requirements

Requirements
Must have Level 1 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DAAC2166 - Prac: Alcohol/ Drug Abuse Counseling

General

Subject Code
DAAC

Course Number
2166

Course Long Title
Prac: Alcohol/ Drug Abuse Counseling

Course Description
DAAC 2166. PRACTICUM (OR FIELD EXPERIENCE) SUBSTANCE ABUSE/ ADDICTION COUNSELING (0-7-1)

Practical, general workplace training supported by an individualized learning plan developed by the employer, college, and student. Prerequisites: DAAC 1166, 1311, 2354 and approval of Human Services program director for assignment to specific practicum. Assessment Levels: R1, E1, M1. 51.1502

CIP Code
51.1501 - Substance Abuse/Addiction Counseling

No TSIA Testing Required

DE020002 - Non-Semester-Length Developmental Math

General

Subject Code
DE02

Course Number
0002

Course Long Title
Non-Semester-Length Developmental Math

Course Description
DE02.0002. DEVELOPMENTAL MATHMEMATICS (0-1-0)

The Math Non-Course Based Option (NCBO) is designed to help students strengthen their mathematical foundations to be successful in College Algebra. Topics in this course will be tailored to the individual needs of the student. The content in this course may include the following topics; linear equations and inequalities, polynomials, factoring, rational expressions and equations, functions, and systems of linear equations. TSI score of 349 or TSIA2 of 949; no prior mathematics developmental education courses taken and consent of Dept Chair. Assessment Levels: R2, E1, M2. 32.0104

CIP Code
32.0104 - Numeracy and Computational Skills

Requirements

Requirements
Must have a level 2 in Reading and Math and a level 1 in English.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DE020004 - Non-Semester-Length Developmental Readin

General

Subject Code
DE02

Course Number
0004

Course Long Title
Non-Semester-Length Developmental Readin

Course Description
DE02.0004. DEVELOPMENTAL READING (1-0-1)

Non-semester length developmental reading intervention targeting students needing minimal remediation of fundamental reading skills to develop comprehension, vocabulary, and rate. A variety of instructional methods will be used, including workshops, computer-based learning, and individual tutoring. Concurrent enrollment with ENGL 1301 required. Assessment Levels: R2, E3, M1. 32.0108

CIP Code
32.0108 - Literacy and Communication Skills

Requirements

Requirements
Must have a level 2 in Reading, a level 3 in English, and a level 1 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DE020005 - Non-Semester-Length Dev. Writing

General

Subject Code
DE02

Course Number
0005

Course Long Title
Non-Semester-Length Dev. Writing

Course Description
A non-semester length developmental writing intervention targeting students needing minimal remediation of fundamental writing skills such as idea generation, organization, style, utilization of standard English, and revision. A variety of instructional methods will be used, including workshops, computer-based learning and individual tutoring. Concurrent enrollment in ENGL 1301 required. R3, E2, M1.

CIP Code
32.0108 - Literacy and Communication Skills

Requirements

Requirements
Concurrent enrollment in ENGL 1301 required. Must have the following levels: R3, E2, M1.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DE020014 - ESOL Reading and Vocabulary (NCBO)

General

Subject Code
DE02

Course Number
0014

Course Long Title
ESOL Reading and Vocabulary (NCBO)

Course Description
DE02.0014. ESOL READING AND VOCABULARY (1-0-1)A non-semester length option that develops English reading proficiency and vocabulary for academic, career, or personal purposes in speakers of languages other than English and prepares them to function in a a multicultural, multilingual society. Assessment Levels: R1, E1, M0. 32.0108

CIP Code
32.0108 - Literacy and Communication Skills

Requirements

Requirements
Must have level 1 in Reading, English. Must have level 0 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DE020015 - Writing for Non-Native Speakers (NCBO)

General

Subject Code
DE02

Course Number
0015

Course Long Title
Writing for Non-Native Speakers (NCBO)

Course Description
DE02.0015. WRITING FOR NON-NATIVE SPEAKERS (1-0-1)

A non-semester length developmental writing intervention focusing on strategies and techniques of writing and composition. Open only to non-native speakers. Assessment Levels: R1, E1, M0. 32.0108

CIP Code
32.0108 - Literacy and Communication Skills

Requirements

Requirements
Must have level 1 in Reading and English. Must have level 0 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DE020016 - Grammar for Non-Native Speakers (ncbo)

General

Subject Code
DE02

Course Number
0016

Course Long Title
Grammar for Non-Native Speakers (ncbo)

Course Description
DE02.0016. GRAMMAR FOR NON-NATIVE SPEAKERS (1-0-1)

A non-semester length grammar intervention that focuses on Standard English grammar usage for academic purposes. Open to only to nonnative speakers. Assessment Levels: R1, E1, M0. 32.0108

CIP Code
32.0108 - Literacy and Communication Skills

Requirements

Requirements
Must have level 1 in Reading and English. Must have level 0 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DE020017 - ESOL Oral Communication (NCBO)

General

Subject Code
DE02

Course Number
0017

Course Long Title
ESOL Oral Communication (NCBO)

Course Description
DE02.0017. ESOL ORAL COMMUNICATION (1-0-1)A non-semester length option that develops listening and speaking skills in speakers of languages other than English and prepares them to function in educational, vocational and/or person English-speaking contexts. Assessment Levels: R1, E1, M0. 32.0108

CIP Code
32.0108 - Literacy and Communication Skills

Requirements

Requirements
Must have level 1 in Reading, English. Must have level 0 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DEBA0001 - Developmental Mathematics Base Non-Course Based Option (nsbo)

General

Subject Code
DEBA

Course Number
0001

Course Long Title
Developmental Mathematics Base Non-Course Based Option (nsbo)

Course Description
DEBA 0001. DEVELOPMENTAL MATHEMATICA BASE NON-COURSE BASED OPTION (NCBO) (1-0-1)

The Base NCBO is designed to help students gain the necessary skills to successfully complete Developmental Mathematics. Topics include the study of numeracy and the real number system; algebraic concepts, notation, and reasoning; quantitative relationships; mathematical models and problem solving. Students who score less than a 346 on TSIA or less than a 946 on the TSIA2 will be enrolled in a DEBA. Assessment Levels: R1, E1, M0. 32.0104.5519

CIP Code
32.0104 - Numeracy and Computational Skills

Requirements

Requirements
TSI Math score of less than 336. Must have a level 1 in Reading and English and a level 0 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DEMR1229 - Preventative Maintenance

General

Subject Code
DEMR

Course Number
1229

Course Long Title
Preventative Maintenance

Course Description
DEMR 1229. PREVENTATIVE MAINTENANCE (1-4-2)

Introductory course designed to provide the basic knowledge of proper servicing practices. Content includes record keeping and condition of major systems. 47.0605

CIP Code
47.0605 - Diesel Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DEMR1230 - Steering and Suspension I

General

Subject Code
DEMR

Course Number
1230

Course Long Title
Steering and Suspension I

Course Description
DEMR 1230. STEERING AND SUSPENSION I (1-4-2)

A study of design, function, maintenance and repair of steering and suspension systems. Emphasis on troubleshooting and repair of failed components. 47.0605

CIP Code
47.0605 - Diesel Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DEMR1291 - Spc Top: Intro to Heavy Equip

General

Subject Code
DEMR

Course Number
1291

Course Long Title
Spc Top: Intro to Heavy Equip

Course Description
DEMR 1291. SPECIAL TOPICS IN DIESEL ENGINE MECHANIC AND REPAIRER (2-0-2)

Topics address recently identified current events, skills, knowledge, and/or attitudes and behaviors pertinent to the technology or occupation and relevant to the professional development of the student. This course was designed to be repeated multiple times to improve student proficiency. 47.0605

CIP Code
47.0605 - Diesel Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DEMR1301 - Shop Safety and Procedures

General

Subject Code
DEMR

Course Number
1301

Course Long Title
Shop Safety and Procedures

Course Description
DEMR 1301. SHOP SAFETY AND PROCEDURES (2-4-3)

A study of shop safety, rules, basic shop tools and test equipment. 47.0605

CIP Code
47.0605 - Diesel Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DEMR1306 - Diesel Engine I

General

Subject Code
DEMR

Course Number
1306

Course Long Title
Diesel Engine I

Course Description
DEMR 1306. DIESEL ENGINE I (2-4-3)

An introduction to the basic principles of diesel engines and systems. 47.0605

CIP Code
47.0605 - Diesel Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DEMR1313 - Fuel Systems

General

Subject Code
DEMR

Course Number
1313

Course Long Title
Fuel Systems

Course Description
DEMR 1313. FUEL SYSTEMS (2-4-3)

In-depth coverage of fuel injector pumps and injection systems with emphasis on rebuilding and calibration. 47.0605

CIP Code
47.0605 - Diesel Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DEMR1321 - Power Train I

General

Subject Code
DEMR

Course Number
1321

Course Long Title
Power Train I

Course Description
DEMR 1321. POWER TRAIN I (2-4-3)

An introduction to fundamentals, repair and theory of power trains including clutches, transmissions, drive shafts and differentials. Emphasis on inspection and repair. 47.0605

CIP Code
47.0605 - Diesel Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DEMR1323 - Htng/Vent/Air Con (HVAC) Trblshtg & Rpr

General

Subject Code
DEMR

Course Number
1323

Course Long Title
Htng/Vent/Air Con (HVAC) Trblshtg & Rpr

Course Description
DEMR 1323. HEATING, VENTILATION, AND AIR CONDITIONING (HVAC) TROUBLESHOOTING AND REPAIR (2-4-3)

An introduction to heating, ventilation, and air conditioning theory, testing, and repair. Emphasis on refrigerant reclamation, safety procedures, specialized tools, and repairs. 47.0605

CIP Code
47.0605 - Diesel Mechanics Technology/Technician

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DEMR1327 - Tractor Trailer Service and Repair

General

Subject Code
DEMR

Course Number
1327

Course Long Title
Tractor Trailer Service and Repair

Course Description
DEMR 1327. TRACTOR TRAILER SERVICE AND REPAIR (1-7-3)

An introduction to a familiarization with components and systems related to tractor trailer service. Emphasis on records required by the Department of Transportation. 47.0605

CIP Code
47.0605 - Diesel Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DEMR1349 - Diesel Engine II

General

Subject Code
DEMR

Course Number
1349

Course Long Title
Diesel Engine II

Course Description
DEMR 1349. DIESEL ENGINE II (1-7-3)

In-depth coverage of disassembly, repair, identification, evaluation and reassembly of diesel engines. 47.0605

CIP Code
47.0605 - Diesel Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DEMR1405 - Basic Electrical Systems

General

Subject Code
DEMR

Course Number
1405

Course Long Title
Basic Electrical Systems

Course Description
DEMR 1405. BASIC ELECTRICAL SYSTEMS (2-6-4)

An introduction to the basic principles of electrical systems of diesel powered equipment with emphasis on starters, alternators, batteries and regulators. 47.0605

CIP Code
47.0605 - Diesel Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DEMR1416 - Basic Hydraulics

General

Subject Code
DEMR

Course Number
1416

Course Long Title
Basic Hydraulics

Course Description
DEMR 1416. BASIC HYDRAULICS (2-6-4)

Identifies various components used in hydraulic systems; evaluate hydraulic components by inspection and testing; and understand hydraulics, theory, circuits and application. 47.0605

CIP Code
47.0605 - Diesel Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DEMR1417 - Basic Brake Systems

General

Subject Code
DEMR

Course Number
1417

Course Long Title
Basic Brake Systems

Course Description
DEMR 1417. BASIC BRAKE SYSTEMS (2-6-4)

Bbasic principles of brake systems. Emphasis on maintenance, repairs, and troubleshooting. 47.0605

CIP Code
47.0605 - Diesel Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DEMR1427 - Tractor Trailer Service and Repair

General

Subject Code
DEMR

Course Number
1427

Course Long Title
Tractor Trailer Service and Repair

Course Description
DEMR 1427. TRACTOR TRAILER SERVICE AND REPAIR (2-6-4)

An introduction to a familiarization with components and systems related to tractor trailer service. Emphasis on records required by the Department of Transportation. 47.0605

CIP Code
47.0605 - Diesel Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DEMR1447 - Power Train II

General

Subject Code
DEMR

Course Number
1447

Course Long Title
Power Train II

Course Description
DEMR 1447. POWER TRAIN I (2-6-4)

Continuation of fundamentals and theory of power train systems. Emphasis on disassembly, inspection, and repair of power train components. Prerequisites: DEMR 1416. 47.0605.

CIP Code
47.0605 - Diesel Mechanics Technology/Technician

Requirements

Requirements
Prerequisite: DEMR 1321

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DEMR2334 - Adv Diesel Tune-Up and Troubleshooting

General

Subject Code
DEMR

Course Number
2334

Course Long Title
Adv Diesel Tune-Up and Troubleshooting

Course Description
DEMR 2334. ADVANCED DIESEL TUNE-UP AND TROUBLESHOOTING (CAPSTONE) (2-4-3)

Advanced concepts and skills required for tune-up and troubleshooting procedures of diesel engines. Emphasis on the science of diagnostics with a common sense approach. 47.0605

CIP Code
47.0605 - Diesel Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DEMR2348 - Failure Analysis

General

Subject Code
DEMR

Course Number
2348

Course Long Title
Failure Analysis

Course Description
DEMR 2348. FAILAURE ANALYSIS (1-7-3)

An advanced course designed for analysis of typical part failures on equipment. 47.0605

CIP Code
47.0605 - Diesel Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DEMR2432 - Electronic Controls

General

Subject Code
DEMR

Course Number
2432

Course Long Title
Electronic Controls

Course Description
DEMR 2332. ELECTRONIC CONTROLS (2-6-3)

Intermediate skills in diagnostic and programming techniques of electronic control systems. Prerequisites: DEMR 1405 and AUMT 1407. 47.0605

CIP Code
47.0605 - Diesel Mechanics Technology/Technician

Requirements

Requirements
Prerequisite: DEMR-1405 or AUMT-1407

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DEMR2435 - Advanced Hydraulics

General

Subject Code
DEMR

Course Number
2435

Course Long Title
Advanced Hydraulics

Course Description
DEMR 2435. ADVANCED HYDRAULICS (2-6-4)

Advanced study of hydraulic systems and components including diagnostics and testing of hydraulic systems. Prerequisite: DEMR 1416. 47.0605

CIP Code
47.0605 - Diesel Mechanics Technology/Technician

Requirements

Requirements
Prerequisites: DEMR 1416

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DEMR2470 - Advanced Electronics Controls

General

Subject Code
DEMR

Course Number
2470

Course Long Title
Advanced Electronics Controls

Course Description
DEMR 2470 ADVANCED ELECTRONICS CONTROL (2-6-4)

This course is an advanced overviewof the automotive, truck and heavy equipment electrical & electronic control systems including topics in operational theory, testing, diagnosis, and repair of electronic controls. Emphasis is placed on interpretation and understanding electrical schematic diagrams, major OEM online service information systems and service manuals. Prerequisites: DEMR 2332. Assessment Levels: R1, E1, M0. 47.0605

CIP Code
47.0605 - Diesel Mechanics Technology/Technician

Requirements

Requirements
Prerequisite: DEMR 2332

DEMR

Course Number
ELEC

Course Long Title
Diesel Mech Elective

Course Description
Diesel Mech Elective

CIP Code
47.0605 - Diesel Mechanics Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DFTG1305 - Introduction to Technical Drawing

General

Subject Code
DFTG

Course Number
1305

Course Long Title
Introduction to Technical Drawing

Course Description
DFTG 1305. INTRODUCTION TO TECHNICAL DRAWING (2-4-3)

An introduction to reading, interpreting, and developing technical drawings, including the principles of drafting and computer-aided design. 15.1301

CIP Code
15.1301 - Drafting and Design Technology/Technician, General

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DFTG1317 - Architectural Drafting-Residential

General

Subject Code
DFTG

Course Number
1317

Course Long Title
Architectural Drafting-Residential

Course Description
DFTG 1317. ARCHITECTURAL DRAFTING-RESIDENTIAL (2-4-3)

Preparation of architectural drawings for residential structures with emphasis on light frame construction methods, including architectural drafting procedures, practices, terms, and symbols. Prerequisite: DFTG 2319. Assessment Levels: R2, E1, M2. 15.1303

CIP Code
15.1303 - Architectural Drafting and Architectural CAD/CADD

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
2	1	2

DFTG1330 - Civil Drafting

General

Subject Code
DFTG

Course Number
1330

Course Long Title
Civil Drafting

Course Description
DFTG 1330. CIVIL DRAFTING (2-4-3)

Preparation of civil drawings including drafting methods and principles used in civil engineering. Prerequisite: DFTG 1305. Assessment Levels: R2, E1, M2. 15.1304.

CIP Code
15.1304 - Civil Drafting and Civil Engineering CAD/CADD

Requirements

Requirements
Must have a level 2 in Reading, and Math and a level 1 in English.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
2	1	2

DFTG1333 - Mechanical Drafting

General

Subject Code
DFTG

Course Number
1333

Course Long Title
Mechanical Drafting

Course Description
DFTG 1333. MECHANICAL DRAFTING (2-4-3)

Preparation of mechanical drawings including dimensions and tolerances, sectioning techniques, orthographic projection, and pictorial drawings. Prerequisite: DFTG 1305. 15.1306

CIP Code
15.1306 - Mechanical Drafting and Mechanical Drafting CAD/CADD

Requirements

Requirements
Prerequisite: DFTG 1305 or DFTG 1309

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DFTG1345 - Parametric Modeling and Design

General

Subject Code
DFTG

Course Number
1345

Course Long Title
Parametric Modeling and Design

Course Description
DFTG 1345. PARAMETRIC MODELING AND DESIGN. (2-4-3)

Parametric-based design software for 3-D design and drafting. 15.1306

CIP Code
15.1302 - CAD/CADD Drafting and/or Design Technology/Technician

Requirements

Requirements
Prerequisite: DFTG 1305

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DFTG2319 - Interm Computer-Aided Drafting

General

Subject Code
DFTG

Course Number
2319

Course Long Title
Interm Computer-Aided Drafting

Course Description
DFTG 2319. INTERMEDIATE COMPUTER-AIDED DRAFTING (2-4-3)

A continuation of practices and techniques in computer-aided design including the development and use of prototype drawings, construction of pictorial drawings, extracting data, and basics of 3D. Prerequisite: DFTG 1305. 15.1302

CIP Code
15.1302 - CAD/CADD Drafting and/or Design Technology/Technician

Requirements

Requirements
Prerequisites: DFTG 1305 or DFTG 1309

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DFTG2323 - Pipe Drafting

General

Subject Code
DFTG

Course Number
2323

Course Long Title
Pipe Drafting

Course Description
DFTG 2323. PIPE DRAFTING (2-4-3)

A study of pipe fittings, symbols, specifications and their applications to a piping process system. Creation of symbols and their usage in flow diagrams, plans, elevations, and isometrics. Prerequisite: DFTG 1305. 15.1302

CIP Code
15.1302 - CAD/CADD Drafting and/or Design Technology/Technician

Requirements

No Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DFTG2328 - Architectural Drafting-Commercial

General

Subject Code
DFTG

Course Number
2328

Course Long Title
Architectural Drafting-Commercial

Course Description
DFTG 2328. ARCHITECTURAL DRAFTING-COMMERCIAL (2-4-3)

Preparation of architectural drawing for commercial structures with emphasis on construction methods, including architectural drafting procedures, practices, governing codes, accessibility requirements, terms, and symbols. Assessment Levels: R2, E1, M2. Prerequisite: DFTG 2319. 15.1303

CIP Code
15.1303 - Architectural Drafting and Architectural CAD/CADD

Requirements

Requirements
Must have a level 1 in Reading, English, and Math.

R	E	M
2	1	2

DFTG2332 - Advanced Computer-Aided Drafting

General

Subject Code
DFTG

Course Number
2332

Course Long Title
Advanced Computer-Aided Drafting

Course Description
DFTG 2332. ADVANCED COMPUTER-AIDED DRAFTING (2-4-3)

Application of advanced CAD techniques. Prerequisites: DFTG 2319, DFTG 1305. 15.1302

CIP Code
15.1302 - CAD/CADD Drafting and/or Design Technology/Technician

Requirements

Requirements
Prerequisite: DFTG 2319 and DFTG 1305 or DFTG 1309

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DFTG2338 - Final Project-Advanced Drafting Final Project Digital Design & Fab

General

Subject Code
DFTG

Course Number
2338

Course Long Title
Final Project-Advanced Drafting Final Project Digital Design & Fab

Course Description
DFTG 2338. FINAL PROJECT - ADVANCED DRAFTING (2-4-3)

An advanced course in which students produce a comprehensive project from conception to conclusion. Explore the design and fabrication of components in contemporary practice. We will investigate through the design and prototyping of a custom component. 15.1302

CIP Code
15.1302 - CAD/CADD Drafting and/or Design Technology/Technician

Requirements

Requirements
Must have a level one in Reading and English.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DFTG2345 - Advanced Pipe Drafting

General

Subject Code
DFTG

Course Number
2345

Course Long Title
Advanced Pipe Drafting

Course Description
DFTG 2345. ADVANCED PIPE DRAFTING (2-4-3)

A continuation of pipe drafting concepts building on the basic principles acquired in pipe drafting, such as pipefittings, symbols, specifications and their applications to a piping process system. Creation of symbols and their usage in flow diagrams, plans, elevations, and isometrics. Prerequisite: DFTG 2323. 15.1302

CIP Code
15.1302 - CAD/CADD Drafting and/or Design Technology/Technician

Requirements

Requirements
Prerequisite: DFTG 2323

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DFTG2370 - Intro to Dig Design & Fab.

General

Subject Code
DFTG

Course Number
2370

Course Long Title
Intro to Dig Design & Fab.

Course Description
DFTG 2370. INTRODUCATION TO DIGITAL DESIGN AND FABRICATION (2-4-3)

Special Topics. This course includes instruction in advanced digital design and the processes of fabrication. Solid modeling and parametric design through digital manufacturing methods such as a rapid prototyping new material processes across different fields and the related fabrication and building methodologies. 15.1302

CIP Code
15.1302 - CAD/CADD Drafting and/or Design Technology/Technician

Requirements

Requirements
Must have a level 1 in Reading and English.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DFTG2371 - Advance Digital Design & Fabrication

General

Subject Code
DFTG

Course Number
2371

Course Long Title
Advance Digital Design & Fabrication

Course Description
DFTG 2371. ADVANCED DIGITAL DESIGN AND FABRICATION (2-4-3)

Special topics address recently identified current events, skills, knowledge, and/or attitudes and behaviors pertinent to the technology or occupation and relevant to the professional development of the student. Creation of multiples, for fabrication of functional/kinetic components, iterative prototyping of complex structures, scalable design, construction of large structures from repeated simple components. This course introduces students to tools, workflow, aesthetics and communities surrounding computer-aided-design/computer-aided manufacturing (CAD/CAM) and its creative applications within art practice. The CAD/CAM process is particularly well-suited for certain tasks, including the creation of multiples, for fabrication of functional/kinetic components, iterative prototyping of complex structures, scalable design, construction of large structures from repeated simple components, and other ingenious digital/physical work-flows. Prerequisite: DFTG 2370. 15.1302

CIP Code
15.1302 - CAD/CADD Drafting and/or Design Technology/Technician

Requirements

Requirements
Must have level 2 in Reading and Math. Must have level 1 in English.

DHYG2201 - Dental Hygiene Care I

General

Subject Code
DHYG

Course Number
2201

Course Long Title
Dental Hygiene Care I

Course Description
DHYG 2201. DENTAL HYGIENE CARE I (2-0-2)

Dental hygiene care for the medically or dentally compromised patient including supportive treatement options. Prerequisites: DHYG 1227 and 1261. Assessment Levels: R3, E3, M2. 51.0602

CIP Code
51.0602 - Dental Hygiene/Hygienist

Requirements

Requirements
Prerequisites: DHYG-1227 and DHYG-1261

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	2

DHYG2231 - Dental Hygiene Care II

General

Subject Code
DHYG

Course Number
2231

Course Long Title
Dental Hygiene Care II

Course Description
DHYG 2231. DENTAL HYGIENE CARE II (2-0-2)

A continuation of Dental Hygiene Care I. Dental hygiene care for the medically or dentally compromised patient including supportive treatement. Prerequisites: DHYG 2201 and 2362. Assessment Levels: R3, E3, M2. 51.0602

CIP Code
51.0602 - Dental Hygiene/Hygienist

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DHYG2262 - Clinical Dental Hygienist

General

Subject Code
DHYG

Course Number
2262

Course Long Title
Clinical Dental Hygienist

Course Description
DHYG 2262. CLINICAL DENTAL HYGIENIST (0-12-2) 51.0602 Health-related work-based learning experience that enables the student to apply specialized occupational theory, skills, and concepts. Direct supervision is provided by the clinical professional. Assessment Levels: R3, E3, M2.

CIP Code
51.0601 - Dental Assisting/Assistant

Requirements

Requirements
Must have Level 3 in Reading and English and Level 2 in Math

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DHYG2263 - Clinical Dental Hygienist

General

Subject Code
DHYG

Course Number
2263

Course Long Title
Clinical Dental Hygienist

Course Description
DHYG 2263. CLINICAL DENTAL HYGIENIST (CAPSTONE) (0-12-2)51.0602

Health-related work-based learning experience that enables the student to apply specialized occupational theory, skills, and concepts. Direct supervision is provided by the clinical professional. Assessment Levels: R3, E3, M2

CIP Code
51.0601 - Dental Assisting/Assistant

Requirements

Requirements
Must have Level 3 in Reading and English and Level 2 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DHYG2362 - Clinical - Dental Hygiene/ Hygienist

General

Subject Code
DHYG

Course Number
2362

Course Long Title
Clinical - Dental Hygiene/Hygienist

Course Description
DHYG 2362. CLINICAL - DENTAL HYGIENE/HYGIENIST (0-15-3)

A health-related work-based learning experience that enables the student to apply specialized occupational theory, skills, and concepts. Direct supervision is provided by the clinical professional. Prerequisites: DHYG 1227, 1261. Assessment Levels: R3, E3, M2. 51.0602

CIP Code
51.0602 - Dental Hygiene/Hygienist

Requirements

Requirements
Must have completed DHYG-1227 and DHYG-1261

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	2

DHYG2363 - Clinical - Dental Hygiene/ Hygienist

General

Subject Code

DMSO1101 - Techniques of Medical Sonography

General

Subject Code
DMSO

Course Number
1101

Course Long Title
Techniques of Medical Sonography

Course Description
DMSO 1101. TECHNIQUES OF MEDICAL SONOGRAPHY (0-4-1)

Fundamentals of scanning techniques; scan protocols and procedures within the laboratory setting utilizing live scanning and/or simulated experience. Requires acceptance into the Diagnostic Medical Sonography Program or Cardiac Sonography Program. Assessment Levels: R3, E3, M3. 51.0910

CIP Code
51.0910 - Diagnostic Medical Sonography/Sonographer & Ultrasound Tech

Requirements

Requirements
Must have a level 3 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DMSO1110 - Introduction to Sonography

General

Subject Code
DMSO

Course Number
1110

Course Long Title
Introduction to Sonography

Course Description
DMSO 1110. INTRODUCTION TO SONOGRAPHY (1-0-1)

An introduction to the profession of sonography and the role of the sonographer. Emphasis on medical terminology, ethical/legal aspects, written and verbal communication, and professional issues relating to registry, accreditation, professional organizations and history of the profession. Requires acceptance into the Diagnostic Medical Sonography Program or the Echocardiography Program. Assessment levels: R3, E3, M3. 51.091

CIP Code
51.0910 - Diagnostic Medical Sonography/Sonographer & Ultrasound Tech

Requirements

Requirements
Must have level 3 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

DMSO1202 - Basic Ultrasound Physics

General

Subject Code
DMSO

Course Number
1202

Course Long Title
Basic Ultrasound Physics

Course Description
DMSO 1202. BASIC ULTRASOUND PHYSICS (1-3-2) 51.0910

Basic acoustical physics and acoustical waves in human tissue. Emphasis on ultrasound transmission in soft tissue, attenuation of sound energy, parameters affecting sound transmission and resolution of sound beam. Prerequisite: Acceptance to the Echocardiography OR Diagnostic Medical Sonography Program. Assessment Levels: R3, E3, M3.

CIP Code
51.0910 - Diagnostic Medical Sonography/Sonographer & Ultrasound Tech

Requirements

Requirements
Must have level 3 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DMSO1242 - Intermediate Ultrasound Physics

General

Subject Code
DMSO

Course Number
1242

Course Long Title
Intermediate Ultrasound Physics

Course Description
DMSO 1242. INTERMEDIATE ULTRASOUND PHYSICS (1-3-2) 51.0910

Continuation of Basic Ultrasound Physics. Includes interaction of ultrasound with tissues, mechanics of ultrasound production and display, various transducer designs and construction, quality assurance, bioeffects, image artifacts. May introduce methods of Doppler flow analysis. Prerequisite: Acceptance to the Echocardiography OR Diagnostic Medical Sonography Program. Assessment Levels: R3, E3, M3.

CIP Code
51.0910 - Diagnostic Medical Sonography/Sonographer & Ultrasound Tech

Requirements

Requirements
Must have completed level 3 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DMSO1266 - Prac I: Diag Med Sonography

General

Subject Code
DMSO

Course Number
1266

Course Long Title
Prac I: Diag Med Sonography

Course Description
DMSO 1266. PRACTICUM I (OR FIELD EXPERIENCE) - DIAGNOSTIC MEDICAL SONOGRAPHY/SONOGRAPHER AND ULTRASOUND TECHNICIAN (0-0-16-2)

Practical, general workplace training supported by an individualized learning plan developed by the employer, college and student. Prerequisite: DMSO 1360. Assessment Levels: R3, E3, M3. 51.091

CIP Code
51.0910 - Diagnostic Medical Sonography/Sonographer & Ultrasound Tech

Requirements

Requirements
Must have level 3 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

DMSO1302 - Basic Ultrasound Physics

General

Subject Code
DMSO

Course Number
1302

Course Long Title
Basic Ultrasound Physics

Course Description
DMSO 1302. BASIC ULTRASOUND PHYSICS (3-0-3)

Foundations of acoustical physics and acoustical wavesin human tissue. Emphasis on ultrasound transmission in soft tissues, attenuation of sound energy,parameters affecting sound transmission, andresolution of sound beams. Assessment Levels: R3, E3, M3. 51.091

CIP Code
51.0910 - Diagnostic Medical Sonography/Sonographer & Ultrasound Tech

Requirements

Requirements
Must have level 3 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

DMSO1341 - Abdominopelvic Sonography

General

Subject Code
DMSO

Course Number
1341

Course Long Title
Abdominopelvic Sonography

Course Description
DMSO 1341. ABDOMINOPELVIC SONOGRAPHY (2-3-3) 51.0910

Normal anatomy and physiology of the abdominal and pelvic cavities as related to scanning techniques, transducer selection, and scanning protocols. Prerequisite: Acceptance to the Diagnostic Medical Sonography Program. Assessment Levels: R3, E3, M3.

CIP Code
51.0910 - Diagnostic Medical Sonography/Sonographer & Ultrasound Tech

Requirements

Requirements
Must have level 3 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DMSO1342 - Intermediate Ultrasound Physics

General

Subject Code
DMSO

Course Number
1342

Course Long Title
Intermediate Ultrasound Physics

Course Description
DMSO 1342. INTERMEDIATE ULTRASOUND PHYSICS (3-1-3)

Study of the interaction of ultrasound with tissues, mechanics of ultrasound production and display, various transducer designs and construction, quality assurance, bioeffects, and image artifacts. May introduce methods of Doppler flow analysis. Prerequisite: DMSO 1302. Assessment Levels: R3, E3, M3. 51.091

CIP Code
51.0910 - Diagnostic Medical Sonography/Sonographer & Ultrasound Tech

3	3	3

DMSO1355 - Sonographic Pathophysiology

General

Subject Code
DMSO

Course Number
1355

Course Long Title
Sonographic Pathophysiology

Course Description
DMSO 1355. SONOGRAPHIC PATHOPHYSIOLOGY (2-2-3)

Pathology and pathophysiology of the organs and structures visualized with ultrasound. Assessment Levels: R3, E3, M3. 51.091

CIP Code
51.0910 - Diagnostic Medical Sonography/Sonographer & Ultrasound Tech

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

DMSO1360 - Clinical-Diagnostic Medical Sonography

General

Subject Code
DMSO

Course Number
1360

Course Long Title
Clinical-Diagnostic Medical Sonography

Course Description
DMSO 1360. CLINICAL - DIAGNOSTIC MEDICAL SONOGRAPHY/ SONOGRAPHER AND ULTRASOUND TECHNICIAN (0-0-12-3)

A health-related, work-based learning experience that enables the student to apply specialized occupational theory, skills and concepts. Direct supervision is provided by the clinical professional. Assessment Levels: R3, E3, M3. 51.091

CIP Code
51.0910 - Diagnostic Medical Sonography/Sonographer & Ultrasound Tech

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

DMSO1441 - Abdominopelvic Sonography

General

Subject Code
DMSO

Course Number
1441

Course Long Title
Abdominopelvic Sonography

Course Description
DMSO 1441. ABDOMINOPELVIC SONOGRAPHY (3-2-4)

Normal anatomy and physiology of the abdominal and pelvic cavaities as related to laboratory data, scanning techniques, transducer selection, and scanning protocols. Assessment Levels: R3, E3, M3. 51.091

CIP Code
51.0910 - Diagnostic Medical Sonography/Sonographer & Ultrasound Tech

Requirements

Requirements
Must have level 3 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

DMSO2230 - Advanced Ultrasound and Review

General

Subject Code
DMSO

Course Number
2230

Course Long Title
Advanced Ultrasound and Review

Course Description
DMSO 2230. ADVANCED ULTRASOUND AND REVIEW (1-3-2)

Preparation for medical sonography credentialing exams. Advanced medical sonography topics such as professional development and evolving sonographic applications and practices. Assessment Levels: R3, E3, M3. 51.091

CIP Code
51.0910 - Diagnostic Medical Sonography/Sonographer & Ultrasound Tech

Requirements

Requirements
Must have level 3 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

DMSO2266 - Practicum II: DMS and Ultrasound Tech

General

Subject Code
DMSO

Course Number
2266

Course Long Title
Practicum II: DMS and Ultrasound Tech

Course Description
DMSO 2266. PRACTICUM II (OR FIELD EXPERIENCE) - DIAGNOSTIC MEDICAL SONOGRAPHY/SONOGRAPHER AND ULTRASOUND TECHNICIAN (0-0-16-2)

Practical, general workplace training supported by an individualized learning plan developed by the employer, college and student. Prerequisites: DMSO 1360, DMSO 1266, DMSO 2361. Assessment Levels: R3, E3, M3. 51.091

CIP Code
51.0910 - Diagnostic Medical Sonography/Sonographer & Ultrasound Tech

Requirements

Requirements
Must have completed DMSO-1360 and DMSO-1266

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

DMSO2353 - Sonography of Superficial Structures

General

Subject Code
DMSO

Course Number
2353

Course Long Title
Sonography of Superficial Structures

Course Description
DMSO 2353. SONOGRAPHY OF SUPERFICIAL STRUCTURES (2-2-3)

Detailed study of normal and pathological superficial structures as related to scanning techniques, patient history and laboratory data, transducer selection, and scanning protocols. Assessment Levels: R3, E3, M3. 51.091

CIP Code
51.0910 - Diagnostic Medical Sonography/Sonographer & Ultrasound Tech

Requirements

Requirements
Must have level 3 in Reading, English and Math

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

DMSO2361 - DMSO/Sonographer and Ultrasound Tech

General

Subject Code
DMSO

Course Number
2361

Course Long Title
DMSO/Sonographer and Ultrasound Tech

Course Description
DMSO 2361 DIAGNOSTIC MEDICAL SONOGRAPHY/SONOGRAPHER AND ULTRASOUND TECH (0-0-12-3)

A health-related, work-based learning experience that enables the student to apply specialized occupational theory, skills, and concepts. Direct supervision is provided by the clinical professional. Prerequisites: DMSO 1380 and DMSO 1266. Assessment Levels: R3, E3, M3. 51.0901

CIP Code
51.0910 - Diagnostic Medical Sonography/Sonographer & Ultrasound Tech

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DMSO2367 - Pra:diagnostic Med Sonograph

General

Subject Code
DMSO

Course Number
2367

Course Long Title
Pra:diagnostic Med Sonograph

Course Description
PRA:DIAGNOSTIC MED SONOGRAPH

CIP Code
51.0910 - Diagnostic Medical Sonography/Sonographer & Ultrasound Tech

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DMSO2405 - Sonography of Obstetrics/ Gynecology

General

Subject Code
DMSO

Course Number
2405

Course Long Title
Sonography of Obstetrics/Gynecology

Course Description
DMSO 2405. SONOGRAPHY OF OBSTETRICS/GYNECOLOGY (2-2-4)

Detailed study of the pelvis and obstetrics/gynecology as related to scanning techniques, patient history and laboratory data, transducer selection and scanning protocols. Requires acceptance into the Diagnostic Medical Sonography program. Assessment Levels: R3, E3, M3. 51.091

CIP Code
51.0910 - Diagnostic Medical Sonography/Sonographer & Ultrasound Tech

Requirements

Requirements
Must have completed DMSO-1351 and DMSO-1405

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

DMSOELEC - Diagnstc Med Songrphy Elective

General

Subject Code

1	1	1

DNTA1202 - Communication/Behavior in Dental Office

General

Subject Code
DNTA

Course Number
1202

Course Long Title
Communication/Behavior in Dental Office

Course Description
DNTA 1202. COMMUNICATION AND BEHAVIOR IN THE DENTAL OFFICE (2-1-2)

The study of human interaction and communication in the dental office. Assessment Levels: R1, E1, M1. 51.0601

CIP Code
51.0601 - Dental Assisting/Assistant

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

DNTA1251 - Dental Office Management

General

Subject Code
DNTA

Course Number
1251

Course Long Title
Dental Office Management

Course Description
DNTA 1251. DENTAL OFFICE MANAGEMENT (2-1-2)

Use computers/and or manual systems to process dental information and interpret and practice learned dental office management skills. Assessment Levels: R1, E1, M1. 51.0601

CIP Code
51.0601 - Dental Assisting/Assistant

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

DNTA1262 - Clinical-Dental Assisting

General

Subject Code
DNTA

Course Number
1262

Course Long Title
Clinical-Dental Assisting

Course Description
CLINICAL-DENTAL ASSISTING

CIP Code
51.0803 - Occupational Therapist Assistant

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DNTA1305 - Dental Radiology

General

Subject Code
DNTA

Course Number
1305

Course Long Title
Dental Radiology

Course Description
DNTA 1305. DENTAL RADIOLOGY (2-4-3)

Introduction to radiation physics, radiation protection, the operation of radiographic equipment. Instruction in exposure, processing and mounting of dental radiographs, and study of federal and state safety and standard practices. Assessment Levels: R1, E1, M1. 51.0601

CIP Code
51.0601 - Dental Assisting/Assistant

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

DNTA1311 - Dental Science

General

Subject Code
DNTA

Course Number
1311

Course Long Title
Dental Science

Course Description
DNTA 1311. DENTAL SCIENCE (2-3-3)

A fundamental study of anatomical systems with emphasis placed on head and neck anatomy. Topics include embryology of the teeth along with basic dental terminology. Assessment Levels: R1, E1, M1. 51.0601

CIP Code
51.0601 - Dental Assisting/Assistant

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

DNTA1315 - Chairside Assisting

General

Subject Code
DNTA

Course Number
1315

Course Long Title
Chairside Assisting

Course Description
DNTA 1315. CHAIRSIDE ASSISTING (2-4-3)

A study of pre-clinical chairside assisting procedures, instrumentation, OSHA and other regulatory agencies' standards. Assessment Levels: R1, E1, M1. 51.0601

CIP Code
51.0601 - Dental Assisting/Assistant

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

DNTA1341 - Dental Laboratory Procedures

General

Subject Code
DNTA

Course Number
1341

Course Long Title
Dental Laboratory Procedures

Course Description
DNTA 1341. DENTAL LABORATORY PROCEDURES (2-3-3)

Perform various dental laboratory procedures such as producing final study casts and fabricating provisional restorations. Prerequisite: DNTA 1401. Assessment Levels: R1, E1, M1. 51.0601

CIP Code
51.0601 - Dental Assisting/Assistant

Requirements

Requirements
Must have complted DNTA-1401

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

DNTA1345 - Preventive Dentistry

General

Subject Code
DNTA

Course Number
1345

Course Long Title
Preventive Dentistry

Course Description
DNTA 1345. PREVENTIVE DENTISTRY (2-4-3)

The study of nutrition and preventable dental diseases and community dental health. Assessment Levels: R1, E1, M1. 51.0601

CIP Code
51.0601 - Dental Assisting/Assistant

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

DNTA1347 - Advanced Dental Science

General

Subject Code
DNTA

Course Number
1347

Course Long Title
Advanced Dental Science

Course Description
DNTA 1347. ADVANCED DENTAL SCIENCE (2-3-3)

An advanced study of anatomical systems, pharmacology, oral pathology, and developmental abnormalities. Prerequisite: DNTA 1311. Assessment Levels: R1, E1, M1. 51.0601

CIP Code
51.0601 - Dental Assisting/Assistant

Requirements

Requirements
Must have completed DNTA-1311

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

DNTA1349 - Dental Radiology in the Clinic

General

Subject Code
DNTA

Course Number
1349

Course Long Title
Dental Radiology in the Clinic

Course Description
DNTA 1349. DENTAL RADIOLOGY IN THE CLINIC (2-3-3)

The practical application of exposing, processing, and mounting diagnostically acceptable radiographs obtained by utilizing various radiographic techniques. Prerequisite: DNTA 1305. Assessment Levels: R1, E1, M1. 51.0601

CIP Code
51.0601 - Dental Assisting/Assistant

Requirements

Requirements
Must have completed DNTA-1305

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

DNTA1353 - Dental Assisting Applications

General

Subject Code
DNTA

Course Number
1353

Course Long Title
Dental Assisting Applications

Course Description
DNTA 1353. DENTAL ASSISTING APPLICATIONS (2-3-3)

An expanded study of dental assisting techniques with emphasis on four-handed dentistry and utilization of armamentarium for general practice and specialty procedures. Prerequisite: DNTA 1315. Assessment Levels: R1, E1, M1. 51.0601

CIP Code
51.0601 - Dental Assisting/Assistant

Requirements

Requirements
Must have completed DNTA-1315

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

DNTA1401 - Dental Materials

General

Subject Code
DNTA

Course Number
1401

Course Long Title
Dental Materials

Course Description
DNTA 1401. DENTAL MATERIALS (2-4-4)

Composition, properties, procedures and safety standards related to dental materials. Assessment Levels: R1, E1, M1. 51.0601

CIP Code
51.0601 - Dental Assisting/Assistant

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

DNTA2166 - Practicum: Dental Assistant

General

Subject Code
DNTA

Course Number
2166

Course Long Title
Practicum: Dental Assistant

Course Description
DNTA 2166. PRACTICUM (OR FIELD EXPERIENCE) - DENTAL ASSISTING/ ASSISTANT (0-9-1)

Practical, general workplace training supported by an individualized learning plan developed by the employer, college, and student. Prerequisite: DNTA 1167. Assessment Levels: R1, E1, M1. 51.0601

CIP Code
51.0601 - Dental Assisting/Assistant

Requirements

Requirements
Must have completed DNTA-1167

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

DNTA2250 - Advanced Dental Assisting Applications

General

Subject Code
DNTA

Course Number
2250

Course Long Title
Advanced Dental Assisting Applications

Course Description
DNTA 2250. ADVANCED DENTAL ASSISTING APPLICATIONS (CAPSTONE) (1-2-2)

An advanced study of dental assisting expanded functions. Prerequisite: DNTA 1353. Assessment Levels: R1, E1, M1. 51.0601

CIP Code
51.0601 - Dental Assisting/Assistant

Requirements

Requirements
Must have completed DNTA-1353

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

DNTA2252 - Advanced Dental Radiology

General

Subject Code
DNTA

Course Number
2252

Course Long Title
Advanced Dental Radiology

Course Description
DNTA 2252. ADVANCED DENTAL RADIOLOGY (1-2-2)

Advanced radiographic procedures on patients. Prerequisite: DNTA 1349. Assessment Levels: R1, E1, M1. 51.0601

CIP Code
51.0601 - Dental Assisting/Assistant

Requirements

Requirements
Must have completed DNTA-1349

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DRAM1120 - Theatre Prac I (tech) Scenery & Lighting

General

Subject Code
DRAM

Course Number
1120

Course Long Title
Theatre Prac I (tech) Scenery & Lighting

Course Description
DRAM 1120. THEATRE PRACTICUM I (TECHNICAL) - SCENERY AND LIGHTING (0-3-1)

Beginning activity and participation in technical aspects of theatre production, including scenery construction, scene painting, stage lighting and properties. May be repeated for up to two credits. Assessment Levels: R1, E1, M1. 50.0506

CIP Code
50.0506 - Acting

Requirements

Requirements
Must have Level 1 in: Reading, English and Math

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

DRAM1121 - Theatre Practicum II (Tech) Costumes

General

Subject Code
DRAM

Course Number
1121

Course Long Title
Theatre Practicum II (Tech) Costumes

Course Description
DRAM 1121. THEATRE PRACTICUM II (TECHNICAL) - COSTUMES (0-3-1)

Beginning activity and participation in technical aspects of theatre production, including costume construction, sewing, cutting, draping and patterning. May be repeated for up to two credits. Assessment Levels: R1, E1, M1. 50.0506

CIP Code
50.0506 - Acting

Requirements

Requirements
Must have level 1 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

DRAM1310 - Theater Appreciation

General

Subject Code
DRAM

Course Number
1310

Course Long Title
Theater Appreciation

Course Description
DRAM 1310. THEATER APPRECIATION (3-0-3)

Survey of theater including its history, dramatic works, stage techniques, production procedures, and relation to other art forms. Participation in productions may be required. Learning Outcomes-Upon successful completion of this course, students will: 1. Analyze theater through written responses to play texts and/or live performance; 2. Demonstrate a basic knowledge of theater history and dramatic works; 3. Describe the collaborative nature of theater arts; 4. Demonstrate the relationship of the arts to everyday life as well as broader historical and social contexts. Assessment Levels: R2, E2, M0. 50.0501

CIP Code
50.0501 - Drama and Dramatics/Theatre Arts, General

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DRAM1322 - Stage Movement

General

Subject Code
DRAM

Course Number
1322

Course Long Title
Stage Movement

Course Description
DRAM 1322. STAGE MOVEMENT (2-2-3)

Principles, practices, and exercises in awareness, relaxation, freedom, flexibility, and expressiveness in the actor's physical instrument. Learning Outcomes-Upon successful completion of this course, students will: 1. Develop, strengthen, and center the body through exploration and experimentation; 2. Identify and apply principles of posture, breathing, relaxation, energy, sensation, rhythm, and structure; 3. Establish a vocabulary of movement potential through physical experimentation; 4. Integrate body and mind in performance; 5. Demonstrate proficiency and safe practices in stage movement. Assessment Levels: R1, E1, M1. 50.0506

CIP Code
50.0506 - Acting

Requirements

Requirements
Must have level 1 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

DRAM1330 - Stage Craft I

General

Subject Code
DRAM

Course Number
1330

Course Long Title
Stage Craft I

Course Description
DRAM 1330. STAGE CRAFT I (2-2-3)

Study and application of the methods and components of theatrical production that may include one or more of the following: theatre facilities, scenery construction and painting, properties, lighting costume, makeup, sound, and theatrical management. Assessment Levels: R2, E2, M1. 50.0502

CIP Code
50.0502 - Technical Theatre/Theatre Design and Technology

Requirements

Requirements
Must have have level 2 in Reading and English and level 1 in Math

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
2	2	1

DRAM1341 - Stage Makeup

General

Subject Code
DRAM

Course Number
1341

Course Long Title
Stage Makeup

Course Description
DRAM 1341. STAGE MAKEUP (2-2-3)

Design and execution of makeup for the stage performer. Includes discussion of makeup principles and practical experience of makeup application. Learning Outcomes-Upon successful completion of this course, students will: 1. Identify properties of light and shadow in the application of makeup; 2. Identify the tools, elements, and techniques of makeup application; 3. Demonstrate proficiency and safe practices in makeup application; 4. Investigate relationships of character to makeup design. Assessment Levels: R1, E1, M1. 50.0502

CIP Code
50.0502 - Technical Theatre/Theatre Design and Technology

Requirements

Requirements
Must have Level 1 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

DRAM1342 - Costume Technology

General

Subject Code
DRAM

Course Number
1342

Course Long Title
Costume Technology

Course Description
DRAM 1342. COSTUME TECHNOLOGY (2-2-3)

Introduction to the process and application of the fundamental skills of costume production, modification, and maintenance. Learning Outcomes-Upon successful completion of this course, students will: 1. Demonstrate proficiency in hand and machine sewing techniques; 2. Recognize and apply the safe use of costume studio materials, tools and equipment; 3. Differentiate characteristics and uses of fabrics, including fiber content and weave; 4. Interpret and execute basic patterns to create a clothing/accessory piece. Assessment Levels: R2, E2, M1. 50.0502

CIP Code
50.0502 - Technical Theatre/Theatre Design and Technology

Requirements

Requirements
Must have Level 2 in Reading and English. Must have Level 1 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
2	2	1

DRAM1351 - Acting I

General

Subject Code
DRAM

Course Number
1351

Course Long Title
Acting I

Course Description
DRAM 1351. ACTING I (3-0-3)

An introduction to the fundamental principles and tools of acting as used in audition, rehearsals, and performances. This may include ensemble performing, character and script analysis, and basic theater terminology. This exploration will emphasize the development of the actor's instrument: voice, body and imagination.Assessment Levels: R2, E1, M1. 50.0506

CIP Code
50.0506 - Acting

Requirements

Requirements
Must have Level 2 in Reading. Must have Level 1 in English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
2	1	1

DRAM1352 - Acting II

General

Subject Code
DRAM

Course Number
1352

Course Long Title
Acting II

Course Description
DRAM 1352. ACTING II (3-0-3)

Exploration and further training within the basic principles and tools of acting, including an emphasis on critical analysis of oneself and others. The tools include esemble performing, character and script analysis, and basic theater terminology. This will continue the exploration of the development of the actor's instrument: voice, body and imagination. Assessment Levels: R2, E1, M1. 50.0506

CIP Code
50.0506 - Acting

Requirements

Requirements
Prerequisite: DRAM 1351. Must have Level 2 in Reading. Must have Level 1 in English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
2	1	1

DRAM2066 - Development of the Motion Picture I

General

Subject Code
DRAM

Course Number
2066

Course Long Title
Development of the Motion Picture I

Course Description
DRAM 2366. INTRODUCTION TO CINEMA (2-3-3)

Survey and analyze cinema including history, film techniques, production procedures, selected motion pictures, and cinema's impact on and reflection of society. Assessment Levels: R2, E2, M1. 50.0602

CIP Code
50.0602 - Cinematography & Film/Video Production

Requirements

Requirements
Must be level 2 in Reading & English. Must be level 1 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DRAM2120 - Theatre Pra III (Tech) Stage Rigging

General

Subject Code
DRAM

Course Number
2120

Course Long Title
Theatre Pra III (Tech) Stage Rigging

Course Description
DRAM 2120. THEATRE PRACTICUM III (TECHNICAL) - STAGE RIGGING (0-3-1)

Hands-on, intermediate technical theatre lab class. Students will learn technical production concepts and techniques through participation in Del Mar Drama productions. Students should gain and demonstrate an understanding of technical theatre concepts and techniques related to rigging systems, and the responsibility involved in staging theatrical productions using rigging systems. Emphasis is placed on safety, rigging systems design and operation, and automated systems. Prerequisite: DRAM 1120. Assessment Levels: R2, E2, M2. 50.0506

CIP Code
50.0506 - Acting

Requirements

Requirements
Prerequisite: DRAM 1120. Must have Level 2 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
2	2	2

DRAM2121 - Theatre Pra IV (Tech) Special Effects

General

Subject Code
DRAM

Course Number
2121

Course Long Title
Theatre Pra IV (Tech) Special Effects

Course Description
DRAM 2121. THEATRE PRACTICUM IV (TECHNICAL) - SPECIAL EFFECTS (0-3-1)

Hands-on, intermediate technical theatre lab class. Students will learn technical production concepts and techniques through participation in Del Mar Drama productions. Students should gain and demonstrate an understanding of technical theatre concepts and techniques related to special effects, and the responsibility involved in staging theatrical productions using special effects. Emphasis is placed on safety; atmospheric effects; specialty props; and pyrotechnics and flame effects. Prerequisite: DRAM 1120. Assessment Levels: R2, E2, M2. 50.0506

CIP Code
50.0506 - Acting

Requirements

Requirements
Prerequisite: DRAM 1120. Must have Level 2 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
2	2	2

DRAM2331 - Stagecraft Ii: Intro to Stage Lighting

General

Subject Code
DRAM

Course Number
2331

Course Long Title
Stagecraft Ii: Intro to Stage Lighting

Course Description
DRAM 2331. STAGECRAFT II - INTRODUCTION TO STAGE LIGHTING (2-3-3)

Continuned study and application of the methods and components of theatrical production as it relates to stage lighting. Learning Outcomes-Upon successful completion of this course, students will: 1. Apply an expanded vocabulary and knowledge of the environment, tools, and skills required to mount a theatrical production; 2. Demonstrate increased knowledge of the variety of work required to mount a theatrical production; 3. Describe in depth the collaborative nature of production within theater arts. Assessment Levels: R2, E2, M1. 50.0502

CIP Code
50.0502 - Technical Theatre/Theatre Design and Technology

Requirements

Requirements
Must have Level 2 in Reading and English. Must have Level 1 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
2	2	1

DRAM2335 - Theater Design

General

Subject Code
DRAM

Course Number
2335

Course Long Title
Theater Design

Course Description
DRAM 2335. THEATER DESIGN (2-2-3).

Survey of principles and practices of theater design and its elements. The fundamentals of art and their application to major areas of theatrical design. Learning Outcomes-Upon successful completion of this course, students will: 1. Identify the elements and principles of design; 2. Analyze dramatic literature in preparation to design for the theater; 3. Produce research in preparation to design for the theater; 4. Differentiate established methods for developing a design concept; 5. Vizualize and communicate designs as part of a collaborative process. Assessment Levels: R2,E2, M1. 50.0502

CIP Code
50.0502 - Technical Theatre/Theatre Design and Technology

Requirements

Requirements
Must have a level 2 in Reading and English and a level 1 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
2	2	1

DRAM2336 - Voice for the Actor

General

Subject Code
DRAM

Course Number
2336

Course Long Title
Voice for the Actor

Course Description
DRAM 2336. VOICE FOR THE ACTOR (3-0-3)

Principles, practices, and exercises in awareness, relaxation, freedom, flexibility, and expressiveness in the actor's vocal instrument. Learning Outcomes-Upon successful completion of this course, students will: 1. Identify the anatomy of the vocal apparatus; 2. Use techniques to aid in relaxation, muscular release, body alignment, and vocal instrument awareness; 3. Develop articulation and diction for clarity of sound, though, and intention; 4. Connect emotion, language, and voice as a means of expression; 5. Demonstrate proficiency and safe practices in vocal production; 6. Identify and apply the International Phonetic Alphabet. Assessment Levels: R2, E1, M1. 50.0506

CIP Code
50.0506 - Acting

Requirements

Requirements
Must have Level 2 in Reading. Must have Level 1 in English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
2	1	1

DRAM2361 - History of the Theatre I

General

Subject Code
DRAM

Course Number
2361

Course Long Title
History of the Theatre I

Course Description
DRAM 2361. HISTORY OF THEATRE I (3-0-3)

A study of the development of theatre art from primitive man through the mid-17th century. Assessment Levels: R2, E2, M0. 50.0505

CIP Code
50.0505 - Theatre Literature, Histroy & Criticism

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DRAM2366 - Film Appreciation

General

Subject Code
DRAM

Course Number
2366

Course Long Title
Film Appreciation

Course Description
DRAM 2366. FILM APPECIATIOIN (2-3-3)

Survey and analyze cinema including history, film techniques, production procedures, selected motion pictures, and cinema's impact on and reflection of society. Learning Outcomes-Upon successful completion of this course, students will: 1. Analyze film through written response; 2. Demonstrate a basic knowledge of film history, form and genre; 3. Describe the collaborative nature of cinema and the many jobs required to develop a motion picture; 4. Discuss/describe the relationship of cinema to society as it relates to his/her perspective. Assessment Levels: R2, E2, M1. 50.0602

CIP Code
50.0601 - Film Appreciation

Registration Restrictions
NOTE: Students may take either DRAM 2366 or COMM 2366, but may not receive credit for both courses.

Requirements

Requirements
Must be level 2 in Reading & English. Must be level 1 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

DSAE1315 - Principles of Adult Echocardiography

General

Subject Code
DSAE

Course Number
1315

Course Long Title
Principles of Adult Echocardiography

Course Description
DSAE 1315. PRINCIPLES OF ADULT ECHOCARDIOGRAPHY (2-2-3) 51.0910

Introduction to cardiovascular anatomy and physiology, including hemodynamics and spatial relationships of the normal adult heart. Topics include anatomical correlation of 2-D, M-Mode and Doppler sonographic imaging. Scanning techniques are correlated and taught in the laboratory sessions. Assessment Levels: R3, E3, M3.

CIP Code
51.0910 - Diagnostic Medical Sonography/Sonographer & Ultrasound Tech

Requirements

Requirements
Must have level 3 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

DSAE1415 - Principles of Adult Cardiac Sonography

General

Subject Code
DSAE

Course Number
1415

Course Long Title
Principles of Adult Cardiac Sonography

Course Description
DSAE 1415. PRINCIPLES OF ADULT CARDIAC SONOGRAPHY (3-2-4)

An introduction to cardiovascular anatomy, physiology and scanning techniques including hemodynamics and spatial relationships of the normal adult heart. Topics included anatomical correlation of 2-D, M-Mode, and Doppler sonographic imaging. Assessment Levels: R3, E3, M3. 51.091

CIP Code

EDUC1100 - Learning Frameworks

General

Subject Code
EDUC

Course Number
1100

Course Long Title
Learning Frameworks

Course Description
EDUC 1100. LEARNING FRAMEWORKS (1-0-1)

This interdisciplinary course addresses (1) research and theory of learning, cognition, and motivation (2) factors that impact learning; and (3) application of learning strategies. Theoretical models of strategic learning, cognition, and motivation serve as the conceptual basis for the introduction of college-level student academic strategies. Students use assessment instruments (e.g., learning inventories) to help them identify their own strengths and weaknesses as strategic learners. Students are ultimately expected to integrate and apply the learning skills discussed across their own academic programs and become effective and efficient learners. Students developing these skills should be able to continually draw from the theoretical models they have learned. Critical thinking serves as the foundation for different thematic approaches using a variety of academic disciplines. Assessment Levels: R3 or R2, E3 or E2, M2 and co-enrolled in ENGL 1301. 42.2701.5125

CIP Code
42.2701 - Cognitive Psychology & Psycholinguistics

Subject Code
EDUC

Course Number
1300

Course Long Title
Learning Frameworks

Course Description
EDUC 1300. LEARNING FRAMEWORKS (3-0-3)

A study of the research and theory in the psychology of learning, cognition, and motivation; factors that impact learning, and application of learning strategies. Theoretical modesl of strategic learning, cognition, and motivation serve as the conceptual basis for the introduction of college-level student academic strategies. Students use assessment instruments (e.g., learning inventories) to help them identify their own strength and weaknesses as strategic learners. Students are ultimately expected to integrate and apply the learning skills discussed across their own academic programs and become effective and efficient learners. Students developing these skills should be able to continually draw from teh theoretical models they have learned (Cross-listed as PSYC 1300). (NOTE: While traditional stutdent skills courses include some of the same learning strategies-e.g., note-taking, reading, test preparation, etc. - as learning framework courses, the focus of study skills courses is solely or primarily on skill acquisition. Study skills courses, which are not under-girded by scholarly models of the learning process, are not considered college-level, and, therefore, are distinguishable from Learning Frameworks courses.) Assessment Levels: R1, E1, M0 42.2701

Introduction to the Teaching Profession

Course Description
EDUC 1301. INTRODUCTION TO THE TEACHING PROFESSION (3-1-3)

An enriched, integrated pre-service course and content experience that provides active recruitment and institutional support of students interested in a teaching career, especially in high need fields. The course provides students with opportunities to participate in early field observations at all levels of P-12 schools with varied and diverse student populations and provides students with support from college and school faculty, preferably in small cohort groups, for the purpose of introduction to and analysis of the culture of schooling and classrooms. Course content should be aligned as applicable with State Board for Educator Certification Pedagogy and Professional Responsibilities standards; and the course must include a minimum of 16 contact hours of field experience in P-12 classrooms. Students are required to have a criminal background check prior to field site experiences. Assessment Levels: R2, E2, M0. 13.0101

ELPT 2323. TRANSFORMERS (2-3-3).Transformer types, construction, connections, protection, grounding, and associated safety procedures. 46.0301

CIP Code
46.0301 - Electrical & Power Transmission Installation

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

ELPT2325 - National Electric Code II

General

Subject Code
ELPT

Course Number
2325

Course Long Title
National Electric Code II

Course Description
ELPT 2325. NATIONAL ELECTRIC CODE II (3-0-3)

In-depth coverage of the National Electric Code (NEC) for those employed in fields requiring knowledge of the Code. Emphasis on wiring protection and methods, special conditions, and advanced calculations. 46.0301

CIP Code
46.0301 - Electrical & Power Transmission Installation

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

ELPT2331 - AC/DC Drives

General

Subject Code
ELPT

Course Number
2331

Course Long Title
AC/DC Drives

Course Description
ELPT 2331. AC/DC DRIVES (2-3-2)

Installation and maintenance of alternating current (AC) and direct current (DC) variable speed drives with emphasis on application, operating characteristics, and troubleshooting techniques. Assessment Levels: R1, E1, M1. 46.0301

CIP Code
46.0301 - Electrical & Power Transmission Installation

Requirements

Requirements
Must have Level 1 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

ELPT2337 - Electrical Planning and Estimating

General

Subject Code
ELPT

Course Number
2337

Course Long Title
Electrical Planning and Estimating

Course Description
ELPT 2337. ELECTRICAL PLANNING AND ESTIMATING. (3-1-3) Planning and estimating for residential, commercial, and industrial wiring systems. Includes a variety of electrical techniques. 46.0301

CIP Code
46.0301 - Electrical & Power Transmission Installation

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

ELPT2347 - Electrical Testing and Maintenance

General

Subject Code
ELPT

Course Number
2347

Course Long Title
Electrical Testing and Maintenance

Course Description
ELPT 2347. ELECTRICAL TESTING AND MAINTENANCE. (2-3-3) Proper and safe use of electrical power equipment test devices and the interpretation of test results. Includes protective relay testing and calibration, direct current (DC) testing, insulation power factor testing, and medium voltage switchgear. 46.0301

CIP Code
46.0301 - Electrical & Power Transmission Installation

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

ELPT2405 - Motors and Transformers

General

Subject Code
ELPT

Course Number
2405

Course Long Title
Motors and Transformers

Course Description
ELPT 2405. MOTORS AND TRANSFORMERS. (3-3-4)

Operations of single- and three-phase motors and transformers. Includes transformer banking, power factor correction, and protective devices. Assessment Levels: R1, E1, M0. 46.0301

CIP Code
46.0301 - Electrical & Power Transmission Installation

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

ELPT2423 - Transformers

General

Subject Code
ELPT

Course Number
2423

Course Long Title
Transformers

Course Description
ELPT 2423. TRANSFORMERS. (3-3-4)

Transformers types, construction, connections, protection, grounding, and associated safety procedures. 46.0301

CIP Code
46.0301 - Electrical & Power Transmission Installation

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

ELPT2447 - Electrical Testing and Maintenance

General

Subject Code
ELPT

Course Number
2447

Course Long Title
Electrical Testing and Maintenance

Course Description
ELPT 2447. ELECTRICAL TESTING AND MAINTENANCE. (2-4-4)

Proper and safe use of electrical power equipment test devices and the interpretation of test results. Includes protective relay testing and calibration, direct current (DC) testing, insulation power factor testing, and medium voltage switchgear. R1, E1, M0. 46.0301

CIP Code
46.0301 - Electrical & Power Transmission Installation

Requirements

Requirements
Must have a level 1 in Reading and English.

Assessment Levels (Reading, English/Writing, Mathematics)

EMSP1160 - Clinical

General

Subject Code
EMSP

Course Number
1160

Course Long Title
Clinical

Course Description
EMSP 1160. CLINICAL (0-6-1)

Health -related work-based learning experience that enables students to apply specialized occupational theory, skills, and concepts. Direct supervision is provided by the clinical professional. Corequisite: EMSP 1501. Assessment Levels: R2, E2, M1. 51.0904

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Requirements
Take EMSP-1501

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	2

EMSP1305 - Emergency Care Attendant

General

Subject Code
EMSP

Course Number
1305

Course Long Title
Emergency Care Attendant

Course Description
EMSP 1305. EMERGENCY CARE ATTENDANT (2-2-3)

Preparation for certification as an Emergency Care Attendant (ECA)/Emergency Medical Responder (EMR). Assessment Levels: R2, E2, M1. 51.0904

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Requirements
Must have level 2 in Reading and English. Must have level 1 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M

EMSP1338 - Introduction to Advanced Practice

General

Subject Code
EMSP

Course Number
1338

Course Long Title
Introduction to Advanced Practice

Course Description
EMSP 1338. INTRODUCTION TO ADVANCED PRACTICES (2-3-3)

Fundamental elements associated with emergency medical services to include preparatory practices, pathophysiology, medication administration, and related topics. Prerequisite: EMSP 1501. Assessment Levels: R2, E2, M2. 51.0904

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Requirements
Must have level 3 in Reading, English and level 2 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	2

EMSP1355 - Trauma Management

General

Subject Code
EMSP

Course Number
1355

Course Long Title
Trauma Management

Course Description
Detailed study of the knowledge and skills in the assessment and management of patients with traumatic injuries. Prerequisites: Concurrent enrollment in EMSP 1338 and 1356. Assessment Levels: R2, E2, M2. Lecture/Lab/Credit Hrs: 1-6-3

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Requirements
Must have level 2 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	2

EMSP1356 - Patient Assessment and Airway Management

General

Subject Code
EMSP

Course Number
1356

Course Long Title
Patient Assessment and Airway Management

Course Description
EMSP 1356. PATIENT ASSESSMENT AND AIRWAY MANAGEMENT (2-3-3)

Knowledge and skills required to perform patient assessment, airway management, and artificial ventilation. Prerequisite: EMSP 1501. Assessment Levels: R2, E2, M2. 51.0904

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Requirements
Must have level 3 in Reading, English and level 2 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M

EMSP1359 - New

General

Subject Code
EMSP

Course Number
1359

Course Long Title
New

Course Description
Knowledge and skills required to perform patient assessment, airway management, and artificial ventilation.

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Requirements
Must have level 2 in Reading and English

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

EMSP1438 - Intro to Advanced Practices

General

Subject Code
EMSP

Course Number
1438

Course Long Title
Intro to Advanced Practices

Course Description
Fundamental elements associated with emergency medical services to include preparatory practices, pathophysiology, medication administration, and related topic.

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Requirements
Must have completed EMSP-1501

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

EMSP1456 - Patient Assess/Airway Mgt

General

Subject Code
EMSP

Course Number
1456

Course Long Title
Patient Assess/Airway Mgt

Course Description
Knowledge and skills required to perform patient assessment, airway management, and artificial ventilation.

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Requirements
Must have level 2 in Reading and English

Assessment Levels (Reading, English/Writing, Mathematics)

No TSIA Testing Required

EMSP1501 - EMT - Basic

General

Subject Code
EMSP

Course Number
1501

Course Long Title
EMT - Basic

Course Description
EMSP 1501. EMERGENCY MEDICAL TECHNICIAN - BASIC (3-8-5)

Preparation for certification as an Emergency Medical Technician (EMT). Assessment levels: R3, E3, M2. 51.0904.

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Requirements
Must have a level 3 in Reading and English and a level 2 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	2

EMSP2135 - Adv Cardiac Life Support

General

Subject Code
EMSP

Course Number
2135

Course Long Title
Adv Cardiac Life Support

Course Description
EMSP 2135. ADVANCED CARDIAC LIFE SUPPORT (1-0-1)

Theory and skills necessary for the management of a cardiovascular emergencies as specified by the American Heart Association (AHA) guidelines. This course was designed to be repeated multiple times to improve student proficiency. Prerequisites: EMSP 2206, 2444. Assessment Levels: R2, E2, M2. 51.0904

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Requirements
Must have level 2 in Reading, English and Math.

EMSP2137 - Emergency Procedures

General

Subject Code
EMSP

Course Number
2137

Course Long Title
Emergency Procedures

Course Description
EMSP 2137. EMERGENCY PROCEDURES (0-3-1)

Application of emergency medical procedures. This course was designed to be repeated multiple times to improve student proficiency. Prerequisites: EMSP 2330 and 2434. Assessment Levels: R2, E2, M2. 51.0904

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Requirements
Prerequisites:EMSP 2434 and EMSP 2330. Must have level 2 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

EMSP2143 - Assessment Based Management

General

Subject Code
EMSP

Course Number
2143

Course Long Title
Assessment Based Management

Course Description
EMSP 2143. ASSESSMENT BASED MANAGEMENT (CAPSTONE) (0-3-1)

Capstone experience covering comprehensive, assessment based patient care management. Includes specific care when dealing with pediatric, adult, geriatric, and special-needs patients. Prerequisites: Student must have completed semesters I, II and III.Corequisite:EMSP 2252/ EMSP 2263. Assessment Levels: R3, E3, M2. 51.0904

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Requirements
Must have level 3 in Reading, English and a level 2 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

EMSP2243 - Assessment Based Management

General

Subject Code
EMSP

Course Number
2243

Course Long Title
Assessment Based Management

Course Description
EMSP 2243. ASSESSMENT BASED MANAGEMENT (CAPSTONE) (1-4-2)

Capstone experience covering comprehensive, assessment based patient care management. Includes specific care when dealing with pediatric, adult, geriatric, and special-needs patients. Prerequisites: Student must have completed semesters I, II and III.Corequisite:EMSP 2252/ EMSP 2263. Assessment Levels: R2, E2, M2. 51.0904

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Requirements
Must have level 3 in Reading, English and a level 2 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

EMSP2252 - Ems Research

General

Subject Code
EMSP

Course Number
2252

Course Long Title
Ems Research

Course Description
EMSP 2252. EMERGENCY MEDICAL SERVICES RESEARCH (2-1-2)

Primary and/or secondary research in current and emerging issues in EMS. Basic research principles, scientific inquiry, and interpretation of professional literature are emphasized. Students will demonstrate computer competencies during this course. Students will be required to present research data utilizing the internet. Data presentation shall include, but will not be limited to, PowerPoint, Excel or other Windows platforms. Prerequisites: Student must have completed first, second, and third semesters of the Paramedic program.Corequisite: EMSP 2252/EMSP 2263. Assessment Levels: R3, E3, M2. 51.0904

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Requirements
Must have level 3 in Reading and English and level 2 in Math.

Must have completed EMSP-1338 and EMSP-1356

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

EMSP2434 - Medical Emergencies

General

Subject Code
EMSP

Course Number
2434

Course Long Title
Medical Emergencies

Course Description
EMSP 2434. MEDICAL EMERGENCIES (3-4-4)

Knowledge and skills in the assessment and management of patients with medical emergencies, including medical overview, neurology, gastroenterology, immunology, pulmonology, urology, hematology, endocrinology, toxicology and other related topics. Prerequisites: Student must have completed their first and second semester. Corequisite: EMSP 2444/EMSP 2330/EMSP 2262. Assessment Levels: R2, E2, M2. 51.0904

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Requirements
Must have level 3 in Reading, English and a level 2 Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	2

EMSP2444 - Cardiology

General

Subject Code
EMSP

Course Number
2444

Course Long Title
Cardiology

Course Description
EMSP 2444. CARDIOLOGY (3-4-4)

Assessment and management of patients with cardiac emergencies. Includes single and multi-lead ECG interpretation. Prerequisites: Student must have completed their first and second semester. Corequisite: EMSP 2330/EMSP 2262, EMSP 1338 and 1356. Assessment Levels: R3, E3, M2. 51.0904

CIP Code
51.0904 - Emergency Medical Technology/Technician

Requirements

Requirements
Must have level 2 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M

ENGL0305 - Developmental Writing

General

Subject Code
ENGL

Course Number
0305

Course Long Title
Developmental Writing

Course Description
ENGL 0305. DEVELOPMENTAL WRITING (3-0-3)

Basic writing course designed to offer remediation to students whose writing skills are below the level required for college-level courses. Students work to improve skills in paragraph writing, short essays and grammar. Must be taken concurrently with ENGL 0306. Students enrolling in ENGL 0305 are required to enroll in STSC 0101. Assessment Levels: R1, E1, M0. 32.0108

ENGR2304 - Programming for Engineers

General

Subject Code
ENGR

Course Number
2304

Course Long Title
Programming for Engineers

Course Description
ENGR 2304. PROGRAMMING FOR ENGINEERS (2-3-3)

An introduction to computer programming. Emphasis on the fundamentals of structured design, development, testing, implementation, and documentation. Also, includes coverage of MATLAB and C++ language syntax, data and file structures, input/output devices, and disks/files. Application include numerical computational techniques associated with the fields of science, engineering and statistics. Prerequisites: MATH 1314 with a minimum grade of "B" and MATH 1316 with a minimum grade of "B". Assessment Levels: R3, E3, M3. 11.0201

CIP Code
11.0201 - Computer Programming/Programmer, General

Requirements

Requirements
Must have completed MATH-1314 and MATH-1316 with a "B" or better.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

ENGR2305 - Circuits I - Electrical Engineering

General

Subject Code
ENGR

Course Number
2305

Course Long Title
Circuits I - Electrical Engineering

Course Description
ENGR 2305. ELECTRICAL CIRCUITS I (3-1-3)

Principles of electrical circuits and systems. Basic circuit elements (resistance, inductance, mutual inductance, capacitance, independent and dependent controlled voltage, and current sources). Topology of electrical networks; Kirchhoff 's laws; node and mesh analysis; DC circuit analysis; operational amplifiers; transient and sinusoidal steady-state analysis; AC circuit analysis; first- and second-order circuits; Bode plots; network principles; and use of computer simulation software to solve circuit problems. Prerequisite: PHYS 2426 and MATH 2414. Corequisites: ENGR 2105 and MATH 2320 or equivalent. Assessment Levels: R3, E3, M3. 14.1001

CIP Code
14.1001 - Electrical, Electroinics & Communications Engineering

Requirements

Requirements
Prerequisites:PHYS 2425 and MATH 2414.

ENGR2308 - Engineering Economics

General

Subject Code
ENGR

Course Number
2308

Course Long Title
Engineering Economics

Course Description
ENGR 2308. ENGINEERING ECONOMICS (3-0-3)

Methods used for determining the comparative financial desirability of engineering alternatives. Provides the student with the basic tools required to analyze engineering alternatives in terms of their worth and cost, an essential element of engineering practice. The student is introduced to the concept of the time value of money and the methodology of basic engineering economy techniques. The course will address some aspects of sustainability and will provide the student with the background to enable them to pass the Engineering Economy portion of the Fundamentals of Engineering exam. Prerequisite: MATH 2413. Assessment Levels: R3, E3, M3. 14.0101

CIP Code
14.0101 - Engineering, General

Requirements

Requirements

ENGR2334 - Chem Eng Thermodynamics I

General

Subject Code
ENGR

Course Number
2334

Course Long Title
Chem Eng Thermodynamics I

Course Description
ENGR 2334. CHEMICAL ENGINEERING THERMODYNAMICS I (3-0-3)

Fundamental concepts of energy and thermodynamics (e.g., temperature, thermodynamic equilibrium, and heat) will be introduced; the course emphasizes techniques in the application of the fundamentals of thermodynamics to various processes as they frequently occur in chemical and bimolecular engineering. Provides the basic skills and tools necessary in designing and analyzing real-life engineering systems. Prerequisites: MATH 2415, ENGR 2333 or by instructor's permission. Assessment Levels: R3, E3, M3. 14.1101

CIP Code
14.0701 - Chemical Engineering

Requirements

Requirements
Must be level 3 in Reading, Math and English and must have completed MATH 2415 and ENGR 2333 or instructor's permission.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M

ENGR2406 - Intro to Digital Systems

General

Subject Code
ENGR

Course Number
2406

Course Long Title
Intro to Digital Systems

Course Description
ENGR 2406. INTRODUCTION TO DIGITAL SYSTEMS (3-3-4)

An introduction to theory and design of digital logic, circuits, and systems. Number systems, operations and codes; logic gates; Boolean Algebra and logic simplification; Karnaugh maps; combinational logic; functions of combinational Logic; flip-flops and related devices; counters; shift registers; sequential logic; memory and storage. Basic laboratory experiments supporting theoretical principles involving design, construction, and analysis of combinational and sequential digital circuits and systems, including logic gates, adders, multiplexers, encoders, decoders, arithmetic logic units, latches, flip-flops, registers, and counters; preparation of laboratory reports. Prerequisite: MATH 1314 and COSC 1436 or ENGR 2304. Assessment Levels: R3, E2, M3. 14.1001

CIP Code
14.1001 - Electrical, Electroinics & Communications Engineering

Requirements

Requirements
Prerequisites: MATH-1314 and COSC-1436 or ENGR-2304.

Course Description
EPCT 1305. ENVIRONMENTAL REGULATIONS OVERVIEW (3-0-3)

An introduction to the history of the environmental movement, including basic requirements for compliance with the environmental regulations. Assessment Levels: R1, E1, M1. 15.0507

CIP Code
15.0507 - Environmental/Environmental Engineering Technology/Technician.

Requirements

Requirements
Must have a level 1 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

EPCT1328 - Basic Wastewater Operations

General

Subject Code
EPCT

Course Number
1328

Course Long Title
Basic Wastewater Operations

Course Description
EPCT 1328. BASIC WASTEWATER OPERATIONS (3-0-3)

Introduction to the information and operational skills needed for wastewater treatment plants. Assessment Levels: R1, E1, M1. 15.0506.

CIP Code
15.0506 - Continuing Education

Requirements

Requirements
Must have a level 1 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

EPCT1341 - Principles of Industrial Hygiene

General

Subject Code
EPCT

Course Number
1341

Course Long Title
Principles of Industrial Hygiene

Course Description
EPCT 1341. PRINCIPLES OF INDUSTRIAL HYGIENE (3-1-3)

Concepts in threshold limits, dose response, and general recognition of occupational hazards, including sampling statistics, calibration, and equipment use. A study of the control of occupational hazards and sample collection and evaluation methods. Assessment Levels: R1, E1, M1. 15.0507

CIP Code
15.0507 - Environmental/Environmental Engineering Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

EPCT1344 - Environmental Sampling and Analysis

General

Subject Code
EPCT

Course Number
1344

Course Long Title
Environmental Sampling and Analysis

Course Description
EPCT 1344. ENVIRONMENTAL SAMPLING AND ANALYSIS (2-4-3)

Sampling protocol, procedures, quality control, preservation technology, and field analysis. Emphasis on analysis commonly performed by the field technician. Assessment Levels: R1, E1, M1. 15.0507.

CIP Code
15.0507 - Environmental/Environmental Engineering Technology/Technician.

Requirements

Requirements
Must have a level 1 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

EPCT1401 - Hazardous Waste Oper & Emerg Response

General

Subject Code
EPCT

Course Number
1401

Course Long Title
Hazardous Waste Oper & Emerg Response

Course Description
EPCT 1401. HAZARDOUS WASTE OPERATIONS AND EMERGENCY RESPONSE TRAINING AND RELATED TOPICS (HAZWOPER) (3-3-4)

Minimum certification requirements in the Code of Federal Regulations (CFR) for a hazardous waste site worker as found in 29CFR-1910.120 and 40CFR-264.16. Assessment Levels: R1, E1, M1. 15.0507

CIP Code
15.0507 - Environmental/Environmental Engineering Technology/Technician.

Requirements

Requirements
Must have a level 1 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

EPCT2033 - Environmental Toxicology

General

Subject Code
EPCT

Course Number
2033

Course Long Title
Environmental Toxicology

Course Description
A review of the research determining the systematic health effects of exposures to chemicals. Discussion of risk factors, routes of entry, control measures, and acute and chronic effects.

CIP Code
15.0507 - Environmental/Environmental Engineering Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

EPCT2188 - Internship - Environmental Engineering Technology/Environmental Technology

General

Subject Code
EPCT

Course Number
2188

Course Long Title
Internship - Environmental Engineering Technology/Environmental Technology

Course Description
EPCT 2188. INTERNSHIP - ENVIRONMENTAL ENGINEERING TECHNOLOGY/ENV. TECH. (1-8-1)

A work-based learning experience that enables the student to apply specialized occupational theory, skills and concepts. A learning plan is developed by the college and the employer. Assessment Levels: R1, E1, M1. 15.0507.

CIP Code
15.0507 - Environmental/Environmental Engineering Technology/Technician.

Requirements

Requirements
Must have a level 1 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

EPCT2331 - Industrial Hygiene Application

General

Subject Code
EPCT

Course Number
2331

Course Long Title
Industrial Hygiene Application

Course Description
EPCT 2331. INDUSTRIAL HYGIENE APPLICATIONS (3-1-3)

A study of the industrial environment and its relation to worker's health. This course provides training in anticipation, recognition, evaluation, and controlling health hazards -- particularly chemical, physical, biological and ergonomic factors existing in the workplace and having injurious effects on workers. This course also introduces training in instrumentation used in monitoring and measuring health hazards in the workplace and covers current issues in industrial hygiene. Assessment Levels: R1, E1, M1. 15.0507

CIP Code
15.0507 - Environmental/Environmental Engineering Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
1	1	1

EPCT2333 - Environmental Toxicology

General

Subject Code
EPCT

Course Number
2333

Course Long Title
Environmental Toxicology

Course Description
EPCT 2333. ENVIRONMENTAL TOXICOLOGY (3-0-3)

Review of the research determining systematic health effects of exposures to chemicals. Discussion of risk factors, routes of entry, control measures, and acute and chronic effects. Assessment Levels: R1, E1, M1. 15.0507

CIP Code
15.0507 - Environmental/Environmental Engineering Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M

EPCTELEC - Occup Safety Elective

General

Subject Code
EPCT

Course Number
ELEC

Course Long Title
Occup Safety Elective

Course Description
Occup Safety Elective

CIP Code
15.0507 - Environmental/Environmental Engineering Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

ESOL0305 - Basic Writing and Mechanics I

General

Subject Code
ESOL

Course Number
0305

Course Long Title
Basic Writing and Mechanics I

Course Description
ESOL 0305. BASIC WRITING AND MECHANICS I (3-0-3)

For ESOL students who do not meet the prerequisites for ENGL 0307 or 1301 or who need specialized ESOL help in improving skills. Review of grammar and mechanics with emphasis on skills required for ESOL students. Paragraph writing, sentence structure and improvement of reading skills are also emphasized. Must be taken concurrently with ESOL 0306. Prerequisite: CELT scores of 70. Assessment Levels: R1, E1, M0. 32.0108

CIP Code
32.0108 - Literacy and Communication Skills

Requirements

Requirements
Take ESOL-0306 and STSC 0101.

Plan Examiner I

Course Description
PLAN EXAMINER I
Old course number - FIRST 120

CIP Code
99.9999 - Unknown

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

FIRST140 - Fire Inspector I

General

Subject Code
FIRS

Course Number
140

Course Long Title
Fire Inspector I

Course Description
FIRE INSPECTOR I
Old course number - FIRST 140

CIP Code
99.9999 - Unknown

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

FIRST134 - Fire Inspector II

General

Subject Code
FIRS

Course Number
134

Course Long Title
Fire Inspector II

Course Description
FIRE INSPECTOR II
Old course number - FIRST 134

CIP Code
99.9999 - Unknown

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

FIRT1015 - Hazardous Materials I

General

Subject Code
FIRT

Course Number
1015

Course Long Title
Hazardous Materials I

Course Description
Hazardous Materials I

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

FIRT1202 - Plan Examiner I

General

Subject Code
FIRT

Course Number
1202

Course Long Title
Plan Examiner I

Course Description
FIRT 1202. PLAN EXAMINER I (2-1-2)

One in a series of three courses for Fire Inspector certification. Meets the curriculum requirements of the Texas Commission on Fire Protection (TCFP) for Plam Examiner I. ** THIS COURSE MAY BE OFFERED ONLY BY INSTITUTIONS CERTIFIED AS A TRAINING FACILITY BY THE TEXAS COMMISSION ON FIRE PROTECTION.**Assessment Levels: R3, E3, M3. 43.0202

CIP Code
43.0202 - Fire Services Administration

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

FIRT1301 - Fundamentals of Fire Protection

General

Subject Code
FIRT

Course Number
1301

Course Long Title
Fundamentals of Fire Protection

Course Description
FIRT 1301. FUNDAMENTALS OF FIRE PROTECTION (3-0-3)

Orientation to the fire service, career opportunities, and related fields. The course meets Fire and Emergency Services Higher Education (FESHE) Model Curriculum core requirements. Assessment Levels: R, E2, M1. 43.0202

CIP Code
43.0202 - Fire Services Administration

Requirements

Requirements
Must have a level 3 in Reading, a level 2 in English, and a level 1 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

FIRT1307 - Fire Prevention Codes, Inspection

General

Subject Code
FIRT

Course Number
1307

Course Long Title
Fire Prevention Codes, Inspection

Course Description
FIRT 1307. FIRE PREVENTION CODES AND INSPECTIONS (3-0-3)

Local building and fire prevention codes. Fire prevention inspections, practices, and procedures. This course meets Fire and Emergency Services Higher Education (FESHE) Model Curriculum core requirements. Assessment Levels: R3, E2, M1. 43.0201

CIP Code
43.0201 - Fire Protection and Safety Technology/Technician

Requirements

Requirements
Must have a level 3 in Reading, a level 2 in English, and a level 1 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	2	1

FIRT1319 - Firefighter Health and Safety

General

Subject Code
FIRT

Course Number
1319

Course Long Title
Firefighter Health and Safety

Course Description
FIRT 1319. FIREFIGHTER HEALTH AND SAFETY (3-0-3)

Firefighter occupational safety and health in emergency and non-emergency situations. This course meets Fire and Emergency Services Higher Education (FESHE) Model Curriculum core requirements. Assessment Levels: R3, E2, M1. 43.0201

CIP Code
43.0201 - Fire Protection and Safety Technology/Technician

Requirements

Requirements
Must have level 3 in Reading, a level 2 in English, and a level 1 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	2	1

FIRT1329 - Building Codes & Construction

General

Subject Code
FIRT

Course Number
1329

Course Long Title
Building Codes & Construction

Course Description
FIRT 1329. BUILDING CODES AND CONSTRUCTION (3-0-3)

Examination of building codes and requirements, construction types, and building materials. Includes walls, floorings, foundations, and various roof types and the associated dangers of each. This course meets Fire and Emergency Services Higher Education (FESHE) Model Curriculum core requirements Assessment Levels: R3, E2, M1. 43.0201

CIP Code
43.0201 - Fire Protection and Safety Technology/Technician

Requirements

Requirements
Must have a level 3 in Reading, a level 2 in English, and a level 1 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	2	1

FIRT1333 - Fire Chemistry I

General

Subject Code
FIRT

Course Number
1333

Course Long Title
Fire Chemistry I

Course Description
FIRT 1333. FIRE CHEMISTRY I (3-0-3)

Chemical nature and properties of inorganic compounds as related to the fire service. Fundamental laws of chemistry, states of matter, gas laws, chemical bonding, and thermodynamics. This course meets Fire and Emergency Services Higher Education (FESHE) Model Curriculum core requirements. Assessment Levels: R3, E2, M1. 43.0201

CIP Code
43.0201 - Fire Protection and Safety Technology/Technician

Requirements

Requirements
Must have a level 3 in Reading, a level 2 in English, and a level 1 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	2	1

FIRT1334 - Fire Chemistry II

General

Subject Code
FIRT

Course Number
1334

Course Long Title
Fire Chemistry II

Course Description
FIRE CHEMISTRY II

CIP Code
43.0201 - Fire Protection and Safety Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

FIRT1338 - Fire Protection Systems

General

Subject Code
FIRT

Course Number
1338

Course Long Title
Fire Protection Systems

Course Description
FIRT 1338. FIRE PROTECTION SYSTEMS (3-0-3)

Design and operation of fire detection and alarm systems, heat and smoke control systems, special protection and sprinkler systems, water supply for fire protection, and portable fire extinguishers. This course meets Fire and Emergency Services Higher Education (FESHE) Model Curriculum core requirements. Assessment Levels: R3, E2, M1. 43.0201

CIP Code
43.0201 - Fire Protection and Safety Technology/Technician

Requirements

Requirements
Must have a level 3 in Reading, a level 2 in English, and a level 1 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	2	1

FIRT1342 - Fire Officer I

General

Subject Code
FIRT

Course Number
1342

Course Long Title
Fire Officer I

Course Description
FIRT 1342. FIRE OFFICER I (3-1-3)

Meets the curriculum requirements of the Texas Commission on Fire Protection (TCFP) for Fire Officer I certification. ** THIS COURSE MAY BE OFFERED ONLY BY INSTITUTIONS CERTIFIED AS A TRAINING FACILITY BY THE TEXAS COMMISSION ON FIRE PROTECTION.**Assessment Levels: R3, E3, M3. 43.0201

FITT1164 - Practicum

General

Subject Code
FITT

Course Number
1164

Course Long Title
Practicum

Course Description
FITT 1164. PRACTICUM (0-7-1)

Practical, general workplace training supported by an individualized learning plan developed by the employer, college, and student. 31.0505.

CIP Code
31.0501 - Sports, Kinesiology, and Physical Education/Fitness, General.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

FITT1237 - Personal Trainning

General

Subject Code
FITT

Course Number
1237

Course Long Title
Personal Trainning

Course Description
FITT 1237. PERSONAL TRAINING (2-1-2)

A study of the aspects of one-on-one training including marketing, program development, legal aspects, documentation, training methodologies, and business considerations. Emphasis on the development of safe and enjoyable individualized training sessions. 31.0504.

CIP Code
31.0504 - Sports & Fitness Admin/Management

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

FITT1301 - Fitness and Exercise Testing

General

Subject Code
FITT

Course Number
1301

Course Long Title
Fitness and Exercise Testing

Course Description
FITT 1301. FITNESS AND EXERCISE TESTING. (2-2-3)

Techniques for conducting physical fitness assessments including tests of cardiorespiratory fitness, muscular strength and endurance, joint flexibility, body composition, and pulmonary capacity. Includes fitness equipment use and maintenance. Emphasis on safety guidelines and precautions. 31.0505.

CIP Code
31.0501 - Sports, Kinesiology, and Physical Education/Fitness, General.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

FITT1303 - Fitness Event Planning & Promotion

General

Subject Code
FITT

Course Number
1303

Course Long Title
Fitness Event Planning & Promotion

Course Description
FITT 1303 FITNESS EVENT PLANNING AND PROMOTION (3-0-3)

Practical aspects of developing and scheduling group exercise fitness classes. Includes recreational activities, competitive events and promotion of exercise and non-exercise activities. Emphasis on the design of safe, enjoyable activities. 31.0501

CIP Code
31.0501 - Sports, Kinesiology, and Physical Education/Fitness, General.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

FITT1343 - Performance Enhancement for Athletes

General

Subject Code
FITT

Course Number
1343

Course Long Title
Performance Enhancement for Athletes

Course Description
FITT 1343. PERFORMANCE ENHANCEMENT FOR ATHLETES. (3-0-3)

A study of the scientific principles and methodologies to enhance athletic performance. Emphasis on the concepts of periodization of training as it relates to pre-season, competitive season, and off-season goals. Topics include evaluation and assessment protocols, exercise techniques, and safety. 31.0505

CIP Code
31.0505 - Exercise Science and Kinesiology.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

FITT1394 - Spc Top Exer Sci/Physio Mvmt Studies

General

Subject Code
FITT

Course Number
1394

Course Long Title
Spc Top Exer Sci/Physio Mvmt Studies

Course Description
FITT 1394. SPECIAL TOPICS IN EXERCISE SCIENCE/PHYSIOLOGY AND MOVEMENT STUDIES

Topics address recently identified current events, skills, knowledge, and/or attitude and behaviors pertinent to the technology or occupation and relevant to the professional development of the student. This course was designed to be repeated multiple times to improve student proficiency. 31.0505

CIP Code
31.0505 - Exercise Science and Kinesiology.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

FITT2305 - Sport and Facility Management

General

Subject Code
FITT

Course Number
2305

Course Long Title
Sport and Facility Management

Course Description
FITT 2305. SPORT AND FACILITY MANAGEMENT. (3-0-3)

A study of the process of managing sport facilities. Includes planning, directing, and coordinating programs and supervision employees and participants. 31.0504

CIP Code
31.0504 - Sports & Fitness Admin/Management

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

FITT2313 - Exercise Science

General

Subject Code
FITT

Course Number
2313

Course Long Title
Exercise Science

Course Description
FITT 2313. EXERCISE SCIENCE. (3-0-3)

A survey of scientific principles, methodologies, and research as applied to exercise and physical fitness. Emphasis on physiological responses and adaptations to exercise. Topics include basic elements of kinesiology, biomechanics, motor learning, and the physical fitness industry. 31.0505.

CIP Code
31.0505 - Exercise Science and Kinesiology.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

FITT2331 - Group Exercise Instruction

General

Subject Code
FITT

Course Number
2331

Course Long Title
Group Exercise Instruction

Course Description
FITT 2331. GROUP EXERCISE INSTRUCTION. (2-2-3)

A study of guided and sequential experiences for developing aerobic based group exercise leadership skills. Opportunities provided for students to practice these skills under a professional mentor in a group setting. 31.0501

CIP Code
31.0501 - Sports, Kinesiology, and Physical Education/Fitness, General.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

FITT2333 - Fitness Industry Operations & Technology

General

Subject Code
FITT

Course Number
2333

Course Long Title
Fitness Industry Operations & Technology

Course Description
FITT 2333. FITNESS INDUSTRY OPERATIONS AND TECHNOLOGY. (3-0-3)

A survey of the practical aspects of the physical fitness industry. Emphasis on equipment cost analysis, program marketing, legal issues, policy formation, budgetary planning, computer software applications and current industry trends. 31.0501

CIP Code
31.0501 - Sports, Kinesiology, and Physical Education/Fitness, General.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

FITT2409 - Theory of Program Design & Instruction

General

Subject Code
FITT

Course Number
2409

Course Long Title
Theory of Program Design & Instruction

Course Description
FITT 2409. THEORY OF PROGRAM DESIGN AND INSTRUCTION. (3-2-4)

The study of health related components of physical fitness including cardiorespiratory endurance, muscular strength, muscular endurance, flexibility, and body composition. Topics include the theoretical basis underlying physical fitness; instructional techniques for fitness development; and methods for leading an exercise session, including design, instruction, and evaluation. 31.0501

CIP Code
31.0501 - Sports, Kinesiology, and Physical Education/Fitness, General.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Historical Geology (lab)

Course Description
GEOL 1104. HISTORICAL GEOLOGY (LAB) (0-3-1)

This laboratory-based course accompanies GEOL 1304, Historical Geology. Laboratory activities will introduce methods used by scientist to interpret the history of life and major events in the physical development of Earth from rocks and fossils. Laboratory excerises include the basic studies of rocks, interpretation of depositional environments, tectonic settings, stratigraphic sequence analysis and fossil interpretation. For majors and non-majors. Recommended concurrent enrollment in GEOL 1304. Assessment Levels: R3, E3, M2. 40.0601

CIP Code
40.0601 - Geology/Earth Science, General

Requirements

Requirements
Must have: Reading 3, Engligh 3, and Math 2. Earth History lecture is recommended to be taken concurrently.

Course Description
GEOL 1304. EARTH HISTORY (HISTORICAL GEOLOGY) (3-0-3)

Principles of physical and historical geology. A study of the earth's composition, structure, and internal and external processes. Includes the geologic history of the earth and the evolution of life. An introduction to geologic time; relative and absolute age-dating methods; stratigraphic principles; origin of the universe, solar system, atmosphere, oceans, life; changes on the earth's surface and development of organisms through geologic time. Assessment Levels: R3, E3, M2. 40.0601

CIP Code
40.0601 - Geology/Earth Science, General

Requirements

Requirements
Must have the following: English-Level 3, Reading-Level 3, Math-Level 2.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	2

GEOL1345 - Oceanography

General

Subject Code
GEOL

Course Number
1345

Course Long Title
Oceanography

Course Description
GEOL 1345. OCEANOGRAPHY (3-0-3)

Survey of oceanography and related sciences. Assessment Levels: R3, E3, M2. 40.0601

CIP Code
40.0607 - Oceanography, Chemical and Physical

Requirements

Requirements
Must have level 3 in Reading and English and level 2 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	2

GEOL1404 - Earth History

General

Subject Code
GEOL

Course Number
1404

Course Long Title
Earth History

Course Description
GEOL 1404. EARTH HISTORY (3-3-4)

An introduction to geologic time; relative and absolute dating methods; stratigraphic principles; origin of the universe, solar system, atmosphere, oceans, life; changes on the earth's surface and development of organisms through geologic time. Prerequisite: GEOL 1303 or permission of instructor. Assessment Levels: R3, E3, M2. 40.0601

CIP Code
40.0601 - Geology/Earth Science, General

Requirements

Requirements
Must have level 3 in Reading & English, and level 2 in Math

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	2

GEOL1447 - Meteorology

General

Subject Code
GEOL

Course Number
1447

Course Long Title
Meteorology

Course Description
GEOL 1447. METEOROLOGY (3-3-4)

Survey of meteorology and related sciences. Assessment Levels: R3, E3, M2. 40.0601

CIP Code
40.0401 - Atmospheric Sciences and Meteorology, General

Requirements

Requirements
Must have level 3 in Reading & English, and leve 2 in Math

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	2

GEOL2389 - Geological Reserch Cooperative

General

Subject Code
GEOL

Course Number
2389

Course Long Title
Geological Reserch Cooperative

Course Description
GEOL 2389. GEOLOGICAL RESEARCH COOPERATIVE (1-6-3)

Provide practical training and experience in laboratory and/or field investigations while presenting a research approach to the principles of geology with emphasis on scientific methodologies and techniques. Students will work under the supervision of a faculty member after a research project of mutual interest is selected. Students will design and perform investigations, present and defend the results of their research. Course requires consent of instructor. Prerequisites and co-requisites are determined by the project proposal. Completion of GEOL 1303/1103 and GEOL 1304/1104 is recommended. Assessment Levels: R3, E3, M3. 40.0601

CIP Code
40.0101 - Physical Sciences, General.

Requirements

Requirements
Must have REM Level 3 in: Reading, English and Math Prerequisit: GEOL-1301/1103 AND GEOL 1304-1104 OR GEOL 1404

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

GISC2001 - GST 103 Data Acquistion and Managment

General

Subject Code
GISC

Course Number
2001

Course Long Title
GST 103 Data Acquistion and Managment

Course Description
This course involves the use of software to introduce the terminology, capabilities, and uses of geographical information systems. In addition, this course addresses the interpretation and understanding of a variety of data formats available in a geographic information system (GIS). It introduces the fundamental concepts of primary GIS data creation and discusses quantitative techniques for collection, classification, and management of geographical data.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

GISC2131 - Advanced Problems in Geographic Info Sys

General

Subject Code
GISC

Course Number
2131

Course Long Title
Advanced Problems in Geographic Info Sys

Course Description
GISC 2131. ADVANCED PROBLEMS IN GEOGRAPHIC INFORMATION SYSTEMS (GIS) (0-2-1) Seminar course designed for the final semester of a degree or certificate in Geographic Information Systems (GIS). Projects will include individual and group studies of GIS applications using the skills acquired in previous courses. The student will produce a professional project and present the results to a panel consisting of peers, instructors, or practicing GIS professionals. Prerequisites or Corequisites: GISC 1491, GISC 1421, GISC 2301, GISC 2335 45.0702

CIP Code
45.0702 - Cartography

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

GUAS2371 - Fundamentals of Unmanned Aircraft System

General

Subject Code
GUAS

Course Number
2371

Course Long Title
Fundamentals of Unmanned Aircraft System

Course Description
GUAS 2371. FUNDAMENTALS OF UNMANNED AIRCRAFT SYSTEMS (UAS) (3-1-3)

This foundation course will apply fundamental Geographic Information Science (GISC) theories, principles and applications in the use of Small Unmanned Aircraft Systems (UAS/sUAS) technology for the acquisition and analysis of geospatial data. The students will become familiar with specialized UAS related technologies including aircraft platforms, sensors, software and applications. Scenarios covering a variety of use cases will explore ways for students to integrate UAS capabilities across multiple career and application opportunities. Students will understand the influence UAS has had on society. The course will define common UAS community terms and introduce UAS software applications. Applicable FAA regulations relating to UAS rating privileges, limitations, and flight operations will be covered. The course explains the effects that physical and environmental phenomenon (weather, topography, landscape) have on small UAS performance. We will describe operation considerations concerning UAS loading, performance, emergency procedures, crew responsibilities and resource management. The course will outline maintenance and preflight inspection procedures. 45.0702

General

Subject Code
GUAS

Course Number
2372

Course Long Title
Data Acquisition and Analysis With UAS

Course Description
GUAS 2372. DATA ACQUISITION AND ANALYSIS WITH UAS (2-3-3)

This course introduces students to the fundamentals of mapping with small Unmanned Aircraft Systems (sUAS) using digital imaging sensors to produce high resolution, spatially accurate 2D and 3D geospatial data products. The course will cover the full spectrum of UAS mapping from survey design to data processing to product assessment. Students will learn the principles of UAS data acquisition for photogrammetric purposes including spatial referencing and establishment of ground control. Industry relevant commercial software will be utilized to process image sequencies and derive planimetric maps, reflectance products, and 3D models of the terrain. Analysis workflows will be conducted to assess the spatial fidelity of derived data products and optimize results for client needs. Techniques learned in this course can be applied to a variety of geospatial applications and various examples will be presented. Prerequisites or Corequisites: GUAS 2371, GISC 1311, and GISC 2420 or instructor's approval-Student hols a current FAA Part-107 Remote Pilot License. 45.0702

GUAS

Course Number
2473

Course Long Title
Unmanned Aircraft Sys (UAS) Field Camp

Course Description
GUAS 2473. UNMANNED AIRCRAFT SYS (UAS) FIELD CAMP (3-2-4)

This course applies all of the theory and skills taught in the first two GUAS courses through hands-on field-based experience. Students will be responsible for planning and excuting sUAS flight plans. They will spend their time in the field at FAA-approved flight sites to demonstrate live operation of sUAS platforms. Prerequisitse or Corequisites: GUAS 2372, GISC 1311, and GISC 2420 or instructor's approval-Student holds a current FAA Part-107 Remote Pilot License.

HART1401 - Basic Electricity for HVAC

General

Subject Code
HART

Course Number
1401

Course Long Title
Basic Electricity for HVAC

Course Description
HART 1401. BASIC ELECTRICITY FOR HVAC (3-3-4)

Principles of electricity as required by HVAC, including proper use of test equipment, electrical circuits and component theory and operation. 15.0501

CIP Code
15.0501 - Heating, Air Conditioning and Refigeration Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

HART1403 - A/C Control Principles

General

Subject Code
HART

Course Number
1403

Course Long Title
A/C Control Principles

Course Description
HART 1403. A/C CONTROL PRINCIPLES (3-3-4)

Basic study of HVAC and refrigeration controls; troubleshooting of control components; emphasis on use of wiring diagrams to analyze high and low voltage circuits; a review of Ohm's law as applied to air conditioning controls and circuits. Prerequisite: HART 1407. 15.0501

CIP Code

R
1

E
1

HART1407 - Refrigeration Principles

General

Subject Code
HART

Course Number
1407

Course Long Title
Refrigeration Principles

Course Description
HART 1407. REFRIGERATION PRINCIPLES (3-2-4)

An introduction to the refrigeration cycle, heat theory, temperature/pressure relationship, refrigerant handling, refrigeration components and safety. 15.0501

CIP Code
15.0501 - Heating, Air Conditioning and Refigeration Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

HART1410 - HVAC Shop Practices and Tools

General

Subject Code
HART

Course Number
1410

Course Long Title
HVAC Shop Practices and Tools

Course Description
HART 1401. HVAC Shop Practices and Tools (3-3-4)

Tools and instruments used in the HVAC industry. Includes proper application, use and care of these tools, and tubing and piping practices. Assessment Levels: R0, E0, M0. 15.0501

CIP Code
15.0501 - Heating, Air Conditioning and Refigeration Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

HART1441 - Residential Air Conditioning

General

Subject Code
HART

Course Number
1441

Course Long Title
Residential Air Conditioning

Course Description
HART 1441. RESIDENTIAL AIR CONDITIONING (3-3-4) A study of components, applications and installation of mechanical air conditioning systems including operating conditions, troubleshooting, repair and charging of air conditioning systems. 15.0501

CIP Code
15.0501 - Heating, Air Conditioning and Refigeration Tech/Technician

INMT

Course Number
1417

Course Long Title
Industrial Automation

Course Description
INTC 1417. INDUSTRIAL AUTOMATION (3-2-4)

Applications of industrial automation systems including identification of system requirements, equipment integration, motors, controllers, and sensors. Coverage of set-up, maintenance, and testing of the automated system. Prerequisite: RBTC 1401. Assessment Levels: R3, E2, M3. 15.0613

CIP Code
15.0613 - Manufacturing Tech/Technician

Requirements

Requirements
Must have a level 3 in Reading and Math and a level 2 in English.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

INMT2388 - Internship-Manufacturing Technology/Tech

General

Subject Code
INMT

Course Number
2388

Course Long Title
Internship-Manufacturing Technology/Tech

Course Description
INMT 2388. INTERNSHIP - MANUFACTURING TECHNOLOGY/TECHNICIAN (1-8-3)

A work-based learning experience that enables the student to apply specialized occupational theory, skills and concepts. A learning plan is developed by the college and the employer. 15.0613

CIP Code
15.0613 - Manufacturing Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

INMTELEC - Industrial Manfctrng Elective

General

Subject Code
INMT

Course Number
ELEC

Course Long Title
Industrial Manfctrng Elective

Course Description
Industrial Manfctrng Elective

CIP Code
15.0613 - Manufacturing Tech/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

INRW0408 - Integrated Reading & Writing

General

Subject Code
INRW

Course Number
0408

Course Long Title
Integrated Reading & Writing

Course Description
INRW 0408. INTEGRATED READING AND WRITING (4-0-4)

Integration of critical reading and academic writing skills. The intervention fulfills TSI requirements for reading and/or writing. Prerequisites: READ0305 and ENGL0305/0306 or Rem levels of R2 and E2. Concurrent enrollment in ENGL 1301 required. Assessment Levels: R2, E2, M0. 32.0108

CIP Code
32.0108 - Literacy and Communication Skills

Requirements

Requirements
Must have level 2 in Reading and English and level 0 in Math.

Subject Code
INRW

Course Number
0408A

Course Long Title
Integrated Reading & Writing

Course Description
INRW 0408. INTEGRATED READING AND WRITING (4-0-4)

Integration of critical reading and academic writing skills. The intervention fulfills TSI requirements for reading and/or writing. Prerequisites: READ0305 and ENGL0305/0306 or Rem levels of R2 and E2. Assessment Levels: R2, E2, M0. 32.0108

CIP Code
32.0108 - Literacy and Communication Skills

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

INSR2311 - Workers Comp & Medical Aspects of Claims

General

Subject Code
INSR

Course Number
2311

Course Long Title
Workers Comp & Medical Aspects of Claims

Course Description
INSR 2311. WORKER'S COMPENSATION AND MEDICAL ASPECTS OF CLAIMS (3-0-3)

A study of the history and rationale for the workers compensation system and the rapidly changing regulatory environment. Topics include the importance of adequate medical knowledge in adjusting claims. Assessment Levels: R1, E1, M1. 52.1701

CIP Code
52.1701 - Insurance

INTC1058 - Flow & Measurement Calibration

General

Subject Code
INTC

Course Number
1058

Course Long Title
Flow & Measurement Calibration

Course Description
INTC 1258. FLOW AND MEASUREMENT CALIBRATION (2-2-2) 15.0404

Practical methods of flow measurements and flow integration. Emphasizes primary flow element selection and calculations in accordance with American Gas Association (AGA) and American Petroleum Institute (API) standards. Assessment Levels: R1, E1, M1.

CIP Code
15.0404 - Instrumentation Technology

Requirements

Requirements
Must have level 1 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

INTC1312 - Instrumentation and Safety

General

Subject Code
INTC

Course Number
1312

Course Long Title
Instrumentation and Safety

Course Description
INTC 1312. INSTRUMENTATION AND SAFETY (2-3-3)

An overview of industries employing instrument techniques. Includes instrument safety techniques and practices as applied to the instrumentation field. 15.0404

CIP Code
15.0404 - Instrumentation Technology

Requirements

Requirements
Must have level 1 in Reading and English.

Assessment Levels (Reading, English/Writing, Mathematics)

R

INTC1341 - Principles of Automatic Control

General

Subject Code
INTC

Course Number
1341

Course Long Title
Principles of Automatic Control

Course Description
INTC 1341. PRINCIPLES OF AUTOMATIC CONTROL (2-3-3)

Basic measurements, automatic control systems and design, closed loop systems, controllers, feedback, control modes, and control configurations. 15.0404

CIP Code
15.0404 - Instrumentation Technology

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

INTC1343 - Application of Industrial Auto. Controls

General

Subject Code
INTC

Course Number
1343

Course Long Title
Application of Industrial Auto. Controls

Course Description
INTC 1343. APPLICATION OF INDUSTRIAL AUTOMATIC CONTROLS (2-4-3)

Automatic process control including measuring devices, analog and digital instrumentation, signal transmitters, recorders, alarms, controllers, control valves, and process and instrument diagrams. Includes connection and troubleshooting of loops. 15.0404

CIP Code
15.0404 - Instrumentation Technology

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

INTC1348 - Analytical Instrumentation

General

Subject Code
INTC

Course Number
1348

Course Long Title
Analytical Instrumentation

Course Description
INTC 1348. ANALYTICAL INSTRUMENTATION (2-4-3)

Analytical instruments emphasizing utilization in process applications. Includes, but not limited to, chromatography, pH, conductivity, and spectrophotometic instruments. Assessment Levels: R1, E1, M1. 15.0404

CIP Code
15.0404 - Instrumentation Technology

INTC1356 - Instrumentation Calibration

General

Subject Code
INTC

Course Number
1356

Course Long Title
Instrumentation Calibration

Course Description
INTC 1356. INSTRUMENTATION CALIBRATION (2-4-3)

Techniques for configuring and calibrating transmitters, controllers, recorders, valves, and valve positioners. 15.0404

CIP Code
15.0404 - Instrumentation Technology

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

INTC1357 - AC/DC Motor Control

General

Subject Code
INTC

Course Number
1357

Course Long Title
AC/DC Motor Control

Course Description
INTC 1357. AC/DC MOTOR CONTROL (2-4-3)

A study of electric motors and motor control devices common to a modern industrial environment. A presentation of motor characteristics with emphasis on starting, speed control, and stopping systems. Assessment Levels: R1, E1, M0. 15.0404

CIP Code
15.0404 - Instrumentation Technology

Requirements

Requirements
Must have level 1 in Reading and English and level 0 in Math.

INTC2333 - Instrumentation Systems Installation

General

Subject Code
INTC

Course Number
2333

Course Long Title
Instrumentation Systems Installation

Course Description
INTC 2333. INSTRUMENTATION SYSTEMS INSTALLATION (2-4-3)

Synthesis, application, and integration of instrument installation components. Includes a comprehensive final project. 15.0404

CIP Code
15.0404 - Instrumentation Technology

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

INTC2336 - Distributed Control & Programmable Logic

General

Subject Code
INTC

Course Number
2336

Course Long Title
Distributed Control & Programmable Logic

Course Description
INTC 2336. DISTRIBUTED CONTROL AND PROGRAMMABLE LOGIC (2-4-3)

An overview of distributed control systems including configuration of programmable logic controllers, smart transmitters, and field communicators. Functions of digital systems in a process control environment. 15.0404

CIP Code
15.0404 - Instrumentation Technology

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

INTC2350 - Fieldbus Process Control Systems

General

Subject Code
INTC

Course Number
2350

Course Long Title
Fieldbus Process Control Systems

Course Description
INTC 2350. FIELDBUS PROCESS CONTROL SYSTEMS (2-4-3)

A comprehensive view of fieldbus systems using theory, applications, and hands-on experiences. 15.0404

CIP Code
15.0404 - Instrumentation Technology

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

INTC2388 - Internship - Instrumentation Technology/ Technician

General

Subject Code
INTC

Course Number
2388

Course Long Title
Internship - Instrumentation Technology/ Technician

Course Description
INTC 2388. INTERNSHIP - INSTRUMENTATION TECHNOLOGY/TECHNICIAN (1-8-3)

A work-based learning experience that enables the student to apply specialized occupational theory, skills and concepts. A learning plan is developed by the college and the employer. 15.0404

CIP Code
15.0404 - Instrumentation Technology

Requirements

Requirements

ITCC1302 - CCNA 1:Networking Basics

General

Subject Code
ITCC

Course Number
1302

Course Long Title
CCNA 1:Networking Basics

Course Description
CCNA 1:NETWORKING BASICS

CIP Code
11.1002 - System, Networking, and LAN/WAN Management/Manager

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

ITCC1340 - Routing & Switching Essentials

General

Subject Code
ITCC

Course Number
1340

Course Long Title
Routing & Switching Essentials

Course Description
ITCC 1340. ROUTING AND SWITCHING ESSENTIALS (2-4-3)

Describes the architecture, components, and basic operation of routers and explains the basic principles of routing and routing protocols. It also provides an in-depth understanding of how switches operate and are implemented in the LAN environment for small and large networks. Prerequisites: ITCC 1414. 11.1002.

CIP Code
11.1002 - System, Networking, and LAN/WAN Management/Manager

Requirements

Requirements
Prerequisite: ITCC 1414

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

ITCC1344 - CCNA2: Switch, Routing, & Wireless Ess

General

Subject Code
ITCC

Course Number
1344

Course Long Title
CCNA2: Switch, Routing, & Wireless Ess

Course Description
ITCC 1344. CCNA2: SWITCHING, ROUTING, AND WIRELESS ESSENTIALS (2-4-3)

Describes the architecture, components, and operations of routers and switches in small networks and introduces wireless local area networks (WLAN) and security concepts; provides an in-depth understanding of how routers and switches operate and are implemented in the LAN environment. Prerequisite: ITCC 1414. 11.1002

CIP Code
11.1002 - System, Networking, and LAN/WAN Management/Manager

Requirements

Requirements
Prerequisite: ITCC 1414

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

ITCC1414 - CCNA 1: Introductions to Networks

General

Subject Code
ITCC

Course Number
1414

Course Long Title
CCNA 1: Introductions to Networks

Course Description
ITCC 1414. CCNA 1: INTRODUCTION TO NETWORKS (3-3-4)

This course covers networking architecture, structure, security, and functions; introduces the principles and structure of IP adressing and the fundamentals of Ethernet concepts, media, and operations to provide a foundation for the curriculum. 11.1002.

CIP Code
11.1002 - System, Networking, and LAN/WAN Management/Manager

Requirements

Requirements
Prerequisite: ITSC 1325

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

ITCC2312 - Scaling Networks

General

Subject Code
ITCC

Course Number
2312

Course Long Title
Scaling Networks

Course Description
ITCC 2312. SCALING NETWORKS (2-4-3)

CCNA R&S: Scaling Networks (ScaN) covers the architecture, components, and operations of routers and switches and more complex networks. Students learn how to configure routers and switches using advanced protocols. Prerequisite: ITCC 1340. 11.1002.

CIP Code
11.1002 - System, Networking, and LAN/WAN Management/Manager

Requirements

Requirements
Prerequisite: ITCC 1340

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

ITCC2313 - Connecting Networks

General

Subject Code
ITCC

Course Number
2313

Course Long Title
Connecting Networks

Course Description
ITCC 2313. CONNECTING NETWORKS (2-4-3)

WAN technologies and network services required by converged applications in a complex network; enables students to understand the selection criteria of network devices and WAN technologies to meet network requirements. Prerequisite: ITCC 2312. 11.1002.

CIP Code
11.1002 - System, Networking, and LAN/WAN Management/Manager

Requirements

Requirements
Prerequisite: ITCC 2312

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

ITCC2320 - CCNA 3: Enterprise Net, Security, Auto

General

Subject Code
ITCC

Course Number
2320

Course Long Title
CCNA 3: Enterprise Net, Security, Auto

Course Description
ITCC 2320. CCNA 3: ENTERPRISE NETWORKING, SECURITY, AND AUTOMATION (2-4-3)

Describes the architecture, components, operations, and security to scale for large, complex networks, including wide area network (WAN) technologies. Emphasizes network security concepts and introduces network virtualization and automation. Prerequisite: ITCC 1344. 11.1002

CIP Code
11.1002 - System, Networking, and LAN/WAN Management/Manager

General

Subject Code
ITSE

Course Number
2437

Course Long Title
Assembly Lang. Programming

Course Description
ITSE 2437. ASSEMBLY LANGUAGE PROGRAMMING (3-3-4)

Comprehensive coverage of low-level computer operations and architecture. Includes design, development, testing, implementation and documentation of programs; language syntax; data manipulation; input/output devices and operations; and file access. Topics include an introduction to processor (CPU) architecture, related hardware, processor instruction set, macros and procedures, registers, memory addressing, stack and using Assembly language procedures with high-level languages. Course may be offered as COSC 2425. Course offered only in the Spring semester. Course held only in the evenings during even-numbered years and only during the day in odd-numbered years. Prerequisite: ITSE 1402 or COSC 1436 and ITSE 2431, or COSC 1437 or permission of the instructor. Assessment Levels: R1, E1, M1. 11.0201

ITSY2330 - Intrusion Detection

General

Subject Code
ITSY

Course Number
2330

Course Long Title
Intrusion Detection

Course Description
ITSY 2330. INTRUSION DETECTION (2-4-3)

Computer information systems security monitoring, intrusion detection and crisis management. Includes alarm management, signature configuration, sensor configuration and troubleshooting components. Emphasizes identifying, resolving and documenting network crises and activating the response team. Suggested prerequisite: ITSY 2301. Assessment Levels: R1, E1, M1. 11.1003

CIP Code
11.1003 - Computer and Information Systems Security/Auditing/Information Assurance.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

ITSY2401 - Firewalls & Network Security

General

Subject Code
ITSY

Course Number
2401

Course Long Title
Firewalls & Network Security

Course Description
Identify elements of firewall design, types of security threats and responses to security attacks. Use best practices to design, implement and monitor a network security plan. Learn security incident post mortem analysis and ongoing network security activities. Suggested prerequisites: ITNW 1425 and ITSY 2400. Assessment Levels: R1, E1, M1.

CIP Code
11.1003 - Computer and Information Systems Security/Auditing/Information Assurance.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

ITSY2417 - Wireless Security Developmen

General

Subject Code
ITSY

Course Number
2417

Course Long Title
Wireless Security Developmen

Course Description
ITSY 2417. WIRELESS SECURITY DEVELOPMENT (3-3-4)

Development of information security policies, standards and guidelines for an organization. Includes Demilitarized Zone (DMZ), antivirus, Virtual Private Network (VPN), wireless communications, remote access, and other critical administrative and operational security policies. Identification of exposures and vulnerabilities and appropriate countermeasures are addressed. Emphasizes wireless security goals of availability, integrity, accuracy, and confidentiality in the design, planning, implementing, operating, and troubleshooting of wireless LAN along with appropriate planning and administrative controls. Suggested prerequisite: ITSY 2400. Assessment Levels: R1, E1, M1. 11.1003

CIP Code
11.1003 - Computer and Information Systems Security/Auditing/Information Assurance.

Requirements

Course Number
2430

Course Long Title
Intrusion Detection

Course Description
Computer information systems security monitoring, intrusion detection and crisis management. Includes alarm management, signature configuration, sensor configuration and troubleshooting components. Emphasizes identifying, resolving and documenting network crises and activating the response team. Suggested prerequisites: ITSY 2400 and 2401. Assessment Levels: R1, E1, M1.

CIP Code
11.1003 - Computer and Information Systems Security/Auditing/Information Assurance.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

ITSY2443 - Computer System Forensics

General

Subject Code
ITSY

Course Number
2443

Course Long Title
Computer System Forensics

Course Description
ITSY 2443. COMPUTER SYSTEM FORENSICS (3-3-4)

In-depth study of system forensics including methodologies used for analysis of computer security breaches. Gather and evaluate evidence to perform postmortem analysis of a security breach. Assessment Levels: R1, E1, M1. 11.1003

CIP Code
11.1003 - Computer and Information Systems Security/Auditing/Information Assurance.

Course Description
LGLA 2267. PRACTICUM - LEGAL ASSISTANT/PARALEGAL (CAPSTONE) (0-14-2)

Practical, general workplace training supported by an individualized learning plan developed by the employer, college and student. Prerequisites: LGLA 1307 and 1401. Assessment Levels: R3, E3, M2. 22.0302

CIP Code
22.0302 - Legal Assistant/Paralegal

Requirements

Requirements
Must have completed LGLA-1307, LGLA-1401

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	2

LGLA2305 - Interviewing & Investigating

General

Subject Code
LGLA

Course Number
2305

Course Long Title
Interviewing & Investigating

Course Description
LGLA 2305. INTERVIEWING AND INVESTIGATING (3-0-3)

A study of techniques used to locate, gather, document and manage information with emphasis on developing interview and investigative skills and the paralegal's role in interviewing and investigating legal matters. Prerequisites: LGLA 1307. Assessment Levels: R3, E3, M2. 22.0302

CIP Code
22.0302 - Legal Assistant/Paralegal

Requirements

Requirements
Must have completed LGLA-1307. Level 3 in Reading and English and level 2 in Math

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	2

LGLA2307 - Law Office Management

General

Subject Code
LGLA

Course Number
2307

Course Long Title
Law Office Management

Course Description
LGLA 2307. LAW OFFICE MANAGEMENT (3-0-3)

Fundamentals of principles and structure of management, administration and substantive systems in the law office including law practice technology as applied to paralegals. Prerequisites: LGLA 1304 and LGLA 1401 R3, E3, M2. 22.0302

CIP Code
22.0302 - Legal Assistant/Paralegal

Requirements

Requirements
Must have a level 3 in Reading and English and a level 2 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

LGLA2309 - Real Property Law

General

Subject Code
LGLA

Course Number
2309

Course Long Title
Real Property Law

Course Description
LGLA 2309. REAL PROPERTY (3-0-3)

Presents fundamental concepts of real property law including the nature of real property, rights and duties of ownership, land use, voluntary and involuntary conveyances, and the recording of and searching for real estate documents emphasizing the paralegal's role in property law. Assessment Levels: R3, E3, M2. 22.0302

CIP Code
22.0302 - Legal Assistant/Paralegal

Requirements

Requirements
Must have level 3 in Reading and English and level 2 in Math

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	2

LGLA2313 - Criminal Law & Procedures

General

Subject Code
LGLA

Course Number
2313

Course Long Title
Criminal Law & Procedures

Course Description
LGLA 2313. CRIMINAL LAW AND PROCEDURE (3-0-3)

Fundamental concepts of criminal law and procedure from arrest to final disposition including principles of federal and state law emphasizing the role of the paralegal in the criminal justice system. Assessment Levels: R3, E3, M2. 22.0302

CIP Code
22.0302 - Legal Assistant/Paralegal

Requirements

Requirements
Must have level 3 in Reading, English and level 2 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	2

LGLA2333 - Adv Legal Document Prepare

General

Subject Code
LGLA

Course Number
2333

Course Long Title
Adv Legal Document Prepare

Course Description
LGLA 2333. ADVANCED LEGAL DOCUMENT PREPARATION (3-0-3)

Use of office technology skills in preparation of legal documents by paralegals based on hypothetical situations drawn from various areas of law. Prerequisites: LGLA 1307 AND LGLA 1401. Assessment Levels: R3, E3, M2. 22.0302

CIP Code
22.0302 - Legal Assistant/Paralegal

Requirements

Requirements
Must have level 3 in Reading and English and level 2 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	2

LGLA2337 - Mediation

General

Subject Code
LGLA

Course Number
2337

Course Long Title
Mediation

Course Description
MEDIATION

CIP Code
22.0302 - Legal Assistant/Paralegal

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

LGLA2366 - Practicum: Legal Asst/ Paraalegal

General

Subject Code
LGLA

Course Number
2366

Course Long Title
Practicum: Legal Asst/Paraalegal

Course Description
PRACTICUM: LEGAL ASST/PARAALEGAL

CIP Code
22.0302 - Legal Assistant/Paralegal

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

LGLAELEC - Legal Professions Elective

General

Subject Code
LGLA

Course Number
ELEC

Course Long Title
Legal Professions Elective

Course Description
Legal Professions Elective

CIP Code
22.0302 - Legal Assistant/Paralegal

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

LMGTELEC - Logistics/Mgmt Elective

General

Subject Code
LMGT

Course Number
ELEC

Course Long Title
Logistics/Mgmt Elective

Course Description
Logistics/Mgmt Elective

CIP Code
52.0203 - Logistics and Materials Management

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

LNWK1211 - Climbing Skills

General

Subject Code
LNWK

Course Number
1211

Course Long Title
Climbing Skills

Course Description
LNWK 1211. CLIMBING SKILLS. (1-4-2) Theory and application of pole climbing. Includes safety, climbing techniques, tool inspection, poles inspection, personal protection equipment, and fall protection. 46.0303

CIP Code
46.0303 - Lineworker

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

LNWK1231 - Transformer Connections

General

Subject Code
LNWK

Course Number
1231

Course Long Title
Transformer Connections

Course Description
LNWK 1231. TRANSFORMER CONNECTIONS. (1-3-2) An introduction to basic transformer connections and theory (including basic alternating (AC) theory) and their direct application to single phase and three phase transformers. Students will study and practice basic transformer connections and fundamentals. 46.0303

CIP Code
46.0303 - Lineworker

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

LNWK1241 - Distribution Operations

General

Subject Code
LNWK

Course Number
1241

Course Long Title
Distribution Operations

Course Description
LNWK 1241. DISTRIBUTION OPERATIONS. (1-3-2) A study of the theoretical and practical operations of electric utility distributions systems. Topics include customer service voltages, capacitors, and coordination of protection equipment. 46.0303

CIP Code
46.0303 - Lineworker

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

LNWK2321 - Live Line Safety

General

Subject Code
LNWK

Course Number
2321

Course Long Title
Live Line Safety

Course Description
LNWK 2321. LIVE LINE SAFETY. (2-4-3) Study of cover-up procedures and safety requirements for work on energized electrical circuits. Includes use, care, and inspection of cover-up material, recognizing nominal voltages and energized parts, approach distances, and safety. 46.0303

CIP Code
46.0303 - Lineworker

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

LNWK2322 - Distribution Line Construction

General

Subject Code
LNWK

Course Number
2322

Course Long Title
Distribution Line Construction

Course Description
LNWK 2322. DISTRIBUTION LINE CONSTRUCTION. (2-4-3) Study of electric distribution line construction. Includes reading staking sheets and framing specifications, tailboard discussions, pole framing and settling, installing conductors, transformers and other line equipment, and OSHA and NESC regulations. 46.0303

CIP Code
46.0303 - Lineworker

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

LNWK2324 - Troubleshooting Distribution Systems

General

Subject Code
LNWK

Course Number
2324

Course Long Title
Troubleshooting Distribution Systems

Course Description
LNWK 2324. TROUBLESHOOTING DISTRIBUTION SYSTEMS. (2-4-3) Study of power outages and voltage complaints on distribution systems. Includes lockout-tagout procedures, safety grounds, backfeed, induced voltage, causes of outages, and analyzing voltage complaints. 46.0303

CIP Code
46.0303 - Lineworker

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

LOTT1301 - Introduction to Fiber Optics

General

Subject Code
LOTT

Course Number
1301

Course Long Title
Introduction to Fiber Optics

Course Description
LOTT 1301. INTRODUCTION TO FIBER OPTICS. (2-4-3).

An introductory course in fiber optics and its application including advantages of fiber, light transmission in fiber, types of fiber, sources, detectors, and connectors. 15.0404.

CIP Code
15.0304 - Laser and Optical Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

LOTTELEC - Laser & Optical Elective

General

Subject Code
LOTT

Course Number
ELEC

Course Long Title
Laser & Optical Elective

Course Description
Laser & Optical Elective

CIP Code
15.0304 - Laser and Optical Technology/Technician.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

LPCCORE - Lang, Philosophy & Culture CORE FCA 040

General

Subject Code
LPC

Course Number
CORE

Course Long Title
Lang, Philosophy & Culture CORE FCA 040

Course Description
Language, Philosophy & Culture CORE FCA 040

CIP Code
23.0101 - English Language and Literature, General

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

LTCA1311 - Intro Long Term Care Admin.

General

Subject Code
LTCA

Course Number
1311

Course Long Title
Intro Long Term Care Admin.

Course Description
LTCA 1311. INTRODUCTION TO LONG TERM CARE ADMINISTRATION - (3-0-3)

An overview of the long term care industry. Includes survey of the history and philosophy of long term care administration. Provides an introduction to and application of regulatory standards. Assessment Levels: R3, E3, M3. 51.0702

CIP Code
51.0702 - Hospital and Health Care Facilities Admin/Management

Requirements

Requirements
Must have level 3 in Reading, English, and Math

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

LTCA1312 - Resident Care in Long Term Care Facility

General

Subject Code
LTCA

Course Number
1312

Course Long Title
Resident Care in Long Term Care Facility

Course Description
LTCA 1312. RESIDENT CARE IN THE LONG TERM CARE FACILITY (3-0-3)

A study of the delivery of quality services to residents of long term care facilities. Includes a presentation of philosophical and ethical considerations. Assessment Levels: R3, E3, M3. 51.0702

CIP Code
51.0702 - Hospital and Health Care Facilities Admin/Management

Requirements

Requirements
Must have level 3 in Reading, English, and Math

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

LTCA1313 - Organiza Mgt Long Term Care

General

Subject Code
LTCA

Course Number
1313

Course Long Title
Organiza Mgt Long Term Care

Course Description
LTCA 1313. ORGANIZATION AND MANAGEMENT OF LONG TERM CARE FACILITIES (3-0-3)

An overview of the functional organization structures common to long term health care facilities. Includes an examination of the role of the long term care facility administrator in the organization and management of long term care facilities. Assessment Levels: R3, E3, M3. 51.0702

CIP Code
51.0702 - Hospital and Health Care Facilities Admin/Management

Requirements

Requirements
Must have level 3 in Reading, English, and Math

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

LTCA2310 - Environ of the Long-Term Care Facility

General

Subject Code
LTCA

Course Number
2310

Course Long Title
Environ of the Long-Term Care Facility

Course Description
LTCA 2310. ENVIRONMENT TO THE LONG-TERM CARE FACILITY (3-0-3)

An examination of the long-term care facility as a home-like environment with particular attention to building, grounds, and equipment. Also addresses rules, regulations, policies, and procedures affecting environmental safety. Prerequisite: Baccalaureate degree required to take the certificate courses. Assessment Levels: R3, E3, M3. 51.0702

CIP Code
51.0702 - Hospital and Health Care Facilities Admin/Management

Requirements

Requirements
Prerequisite: Baccalaureate degree required to take the certificate courses. Must have level 3 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

LTCA2314 - Long Term Care Law

General

Subject Code
LTCA

Course Number
2314

Course Long Title
Long Term Care Law

Course Description
LTCA 2314. LONG TERM CARE LAW (3-0-3)

Examination of the types and sources of law relating to the long term care industry. A study of federal, state, and local statutes and regulations affecting the long term care industry. Assessment Levels: R3, E3, M3. 51.0702

CIP Code
51.0702 - Hospital and Health Care Facilities Admin/Management

Requirements

Requirements
Must have level 3 in Reading, English, and Math

Assessment Levels (Reading, English/Writing, Mathematics)

MATH0314 - Foundations in Algebra

General

Subject Code
MATH

Course Number
0314

Course Long Title
Foundations in Algebra

Course Description
MATH 0314. FOUNDATIONS IN ALGEGRA (3-0-3)

A study of relations and functions, inequalities, algebraic expressions and equations (absolute value, polynomial, radical, rational), with a special emphasis on linear and quadratic expressions and equations. The course is the study of basics concepts necessary for success in MATH 1314 to inlcude rational expressions, equations, functions, graphs, systems of linear equations, problem solving, exponent, and radicals. Corequesite: MATH 1314. Assessment Levels: R2, E1, M2. 32.0104

CIP Code
32.0104 - Numeracy and Computational Skills

Requirements

Requirements
Must have a level 2 in Reading and Math and a level 1 in English.

MATH0371 - Developmental Mathematics

General

Subject Code
MATH

Course Number
0371

Course Long Title
Developmental Mathematics

Course Description
MATH 0371. DEVELOPMENTAL MATHEMATICS (3-0-3)

The course supports students in developing skills, strategies, and reasoning needed to succeed in mathematics, including communications and appropriate use of technology. Topics include the study of numeracy and the real number system; algebraic concepts, notation, and reasoning; quantitative relationships; mathematical models; and problem solving. Assessment Levels: R1, E1, M0. Prerequisite: TSIA2 Math score of 936 - 945 32.0104

CIP Code
32.0104 - Numeracy and Computational Skills

Requirements

Requirements
Must have a level 1 in Reading and English and a level 0 in Math. TSI score 336-345.

Course Description
MATH 1314. COLLEGE ALGEBRA (3-0-3)

Polynomials, rational, radical, exponential, logarithmic functions, equations w/ functions matrices; possibly sequences, series, probability and conics. Prerequisite: TSI Math score of 350 or more or MATH 0373. Assessment Levels: R3, E1, M3. 27.0101

CIP Code
27.0101 - Mathematics, General

Requirements

Requirements
Must have level 3 in Reading and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	1	3

MATH1316 - Plane Trigonometry

General

Subject Code
MATH

Course Number
1316

Course Long Title
Plane Trigonometry

Course Description
MATH 1316. PLANE TRIGONOMETRY (3-0-3)

In-depth study and applications of trigonometry including definitions, identities, inverse functions, solutions and equations, graphing, and solving triangles. Additional topics such as vectors, polar coordinates and parametric equations may be included. Prerequisite: MATH 1314 (MATH 1314 and 1316 may be taken concurrently). Assessment Levels: R3, E1, M3. 27.0101

CIP Code
27.0101 - Mathematics, General

Requirements

Requirements
Must have a level 3 in Reading and Math and level 1 in English.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	1	3

MATH1324 - Math for Business & Social Sciences

General

Subject Code
MATH

Course Number
1324

Course Long Title
Math for Business & Social Sciences

Course Description
MATH 1324. MATHEMATICS FOR BUSINESS AND SOCIAL SCIENCES (3-0-3)

The application of common algebraic functions, including polynomial, exponential, logarithmic, and rational, to problems in business, economics, and the social sciences are addressed. The applications include mathematics of finance, including simple and compound interests and annuities; systems of linear equations; matrices; linear programming; and probability, including expected value. Note: The content level of MATH 1324 is expected to be at or above College Algebra (MATH 1314). Assessment Levels: R3, E1, M3 27.0301

CIP Code
27.0301 - Applied Mathematics, General.

Requirements

Requirements
Must have completed College Algebra

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	1	3

MATH1325 - Calculus for Business and Social Science

General

Subject Code
MATH

Course Number
1325

Course Long Title
Calculus for Business and Social Science

Course Description
MATH 1325. CALCULUS FOR BUSINESS AND SOCIAL SCIENCES (3-0-3)

This course is the basic study of limits and continuity, differentiation, optimization and graphing, and integration of elementary functions, with emphasis on applications in business, economics, and social sciences. This course is not a subsitutie for MATH 2413, Calculus I. Prerequisite: MATH 1314 or 1324. Assessment Levels: R3, E1, M3. 27.0301

CIP Code
27.0301 - Applied Mathematics, General.

Requirements

Requirements
Prerequisite: MATH 1324 or MATH 1314

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	1	3

MATH1332 - Contemporary Math I

General

Subject Code
MATH

Course Number
1332

Course Long Title
Contemporary Math I

Course Description
MATH 1332. CONTEMPORARY MATHEMATICS I (3-0-3)

Intended for non-STEM (Science, Technology, Engineering, and Math) majors. Topics include introductory treatments of sets and logic, financial mathematics, probability and statistics with appropriate applications. Number sense, proportional reasoning, estimation, technology, and communication should be embedded throughout the course. Additional topics may be covered. Prerequisite: TSI Math score of 350 or more or MATH 0373. Assessment Levels: R3, E1, M3. 27.0101

CIP Code
27.0101 - Mathematics, General

Requirements

Requirements
Must have level 3 in Reading and Math. Must have level 1 in English.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	1	3

MATH1342 - Elementary Statistical Methods

General

Subject Code
MATH

Course Number
1342

Course Long Title
Elementary Statistical Methods

Course Description
MATH 1342. ELEMENTARY STATISTICAL METHODS (3-0-3)

Statistical description - frequency distributions, measures of location, variation; probability - basic rules, concepts of random variables and their distributions (including binomial and normal); statistical inference - confidence intervals, tests of hypotheses p-values, introduction to linear regression. Credit not allowed for both MATH 1342 and 2342. (Fulfills statistics requirement for admission to upper division nursing courses.) Assessment Levels: R3, E1, M3. 27.0501

CIP Code
27.0501 - Statistics, General

Requirements

Requirements
Must have level 3 in Reading and Math and a level 1 in English.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	1	3

MATH1350 - Fundamentals of Mathematics I

General

Subject Code
MATH

Course Number
1350

Course Long Title
Fundamentals of Mathematics I

Course Description
MATH 1350. FUNDAMENTALS OF MATHEMATICS I (3-0-3)

This course is intended to build or reinforce a foundation in fundamental mathematics concepts and skills. It includes the conceptual development of the following: sets, functions, numeration systems, number theory, and properties of the various number systems with an emphasis on problem solving and critical thinking. Prerequisite: College Algebra. Credit will not be given for both MATH 1332 and 1350. Assessment Levels: R3, E2, M3. 27.0101

CIP Code
27.0101 - Mathematics, General

Requirements

Requirements
Must have completed College Algebra

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	2	3

MATH1351 - Fundamentals of Mathematics II

General

Subject Code
MATH

Course Number
1351

Course Long Title
Fundamentals of Mathematics II

Course Description
MATH 1351. FUNDAMENTALS OF MATHEMATICS II (3-0-3)

This course is intended to build or reinforce a foundation in fundamental mathematics concepts and skills. It includes the concepts of geometry, measurement, probability, and statistics with an emphasis on problem solving and critical thinking. Prerequisite: MATH 1350. Credit will not be given for MATH 1332 and 1351. Assessment Levels: R3, E2, M3. 27.0101

CIP Code
27.0101 - Mathematics, General

Requirements

Requirements
Must have completed Fundamentals of Mathematics MATH1350

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	2	3

MATH2305 - Discrete Mathematics

General

Subject Code
MATH

Course Number
2305

Course Long Title
Discrete Mathematics

Course Description
MATH 2305. DISCRETE MATHEMATICS (3-0-3)

A course designed to prepare math, computer science, and engineering majors for a background in abstraction, notation, and critical thinking for the mathematics most directly related to computer science. Topics include: logic, relations, functions, basic set theory, countability and counting arguments, proof techniques, mathematical induction, combinatorics, discrete probability, recursion, sequence and recurrence, elementary number theory, grapy theory, and mathematical proof techniques. Prerequisite: MATH 2413 - Calculus I. Assessment Levels: R3, E3, M3. 27.0101.5819.

CIP Code
27.0101 - Mathematics, General

Requirements

Requirements
Must have a level 3 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

MATH2312 - Precalculus Math

General

Subject Code
MATH

Course Number
2312

Course Long Title
Precalculus Math

Course Description
MATH 2312. PRECALCULUS MATH (3-0-3)

Elementary functions and their graphs, including polynomial, rational, exponential, logarithmic and trigonometric functions; analytic geometry. Prerequisites: Two years of high school algebra and one-half year trigonometry or the equivalent. Assessment Levels: R3, E1, M3. 27.0101

CIP Code
27.0101 - Mathematics, General

Requirements

Requirements
Must have level 3 in Reading and Math

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	1	3

MATH2318 - Linear Algebra

General

Subject Code
MATH

Course Number
2318

Course Long Title
Linear Algebra

Course Description
MATH 2318. LINEAR ALGEBRA (3-0-3)

Geometrical vectors, vector spaces, linear transformations and matrices; determinants; inner product spaces. Prerequisite: Permission of instructor. Assessment Levels: R3, E1, M3. 27.0101

CIP Code
27.0101 - Mathematics, General

Requirements

Requirements
Must have completed Calculus III MATH-2415

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	1	3

MATH2320 - Differential Equations

General

Subject Code
MATH

Course Number
2320

Course Long Title
Differential Equations

Course Description
MATH 2320. DIFFERENTIAL EQUATIONS (3-0-3)

Ordinary differential equations, including linear equations, systems of equations, equations with variable coefficients, existence and uniqueness of solutions, series, solutions, singular points, transform methods, and boundary value problems; application of differential equations to real-world problems. Prerequisite: MATH 2414, MATH 2415 (recommended) with a grade of "C" or above in both courses. Assessment Levels: R3, E1, M3. 27.0101

CIP Code
27.0101 - Mathematics, General

Requirements

Requirements
Prerequisites: Math 2414, Math 2415 (recommended) with a grade of "C" or above in both courses.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	1	3

MATH2413 - Calculus I

General

Subject Code
MATH

Course Number
2413

Course Long Title
Calculus I

Course Description
MATH 2413. CALCULUS I (4-0-4)

Limits and continuity; the Fundamental Theorem of Calculus; definition of the derivative of a function and techniques of differentiation; applications of the derivative to maximizing or minimizing a funcion; the chain rule; mean value theorem, and rate of change problems; curve sketching; definite and indefinite integration of algebraic, trigometric, and transcendental functions, with a application to calculation of areas. Prerequisites: MATH 1314 and MATH 1316, with a grade of "C" above in both courses,or permission of mathematics department chair. Assessment Levels: R3, E1, M3. 27.0101

CIP Code
27.0101 - Mathematics, General

Requirements

Requirements
Prerequisites: MATH 1314, MATH 1316, with a grade of "C" or above in both courses, or permission of mathematics department chair

MUSI

Course Number
2311

Course Long Title
Music Theory III

Course Description
MUSI 2311. MUSIC THEORY III (3-0-3)

Advanced harmony voice leading, score analysis and writing of more advanced tonal harmony including chromaticism and extended-tertian structures. Optional correlated study at the keyboard. Prerequisite: Completion of MUSI 1312 with a grade of "C" or above. Assessment Levels: R1, E1, M1. 50.0904

CIP Code
50.0904 - Music Theory and Composition

Requirements

Requirements
Must have a level 1 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M

MUSI2312 - Music Theory IV

General

Subject Code
MUSI

Course Number
2312

Course Long Title
Music Theory IV

Course Description
MUSI 2312. MUSIC THEORY IV (3-0-3)

Continuation of advanced chromaticism and surveys of analytical and compositional procedures in post-tonal music. Optional correlated study at the keyboard. Prerequisite: Completion of MUSI 2311 with a grade of "C" or above. Assessment Levels: R1, E1, M1. 50.0904

CIP Code
50.0904 - Music Theory and Composition

Requirements

Requirements
Must have a level 1 in Reading, English, and Math.

MUSP1101 - Appl Comm Mus: Arrangng & Comp

General

Subject Code
MUSP

Course Number
1101

Course Long Title
Appl Comm Mus: Arrangng & Comp

Course Description
MUSP 1101. APPLIED COMMERCIAL MUSIC: ARRANGING AND COMPOSITION (1-0-1)

Provide instruction in arranging and composition with goals related to commercial music. Prerequisites: MUSI 1212. Assessment Levels: R1, EI, MI. 50.0903

CIP Code
50.0903 - Music Performance, General

Requirements

Requirements
Must have level 1 in Reading, English and Math.

NATSCORE - Natural Science Core

General

Subject Code
NATS

Course Number
CORE

Course Long Title
Natural Science Core

Course Description
Natural Science Core

CIP Code
40.0101 - Physical Sciences, General.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

NDTE1310 - Liq Penetrant/Magnetic Testing

General

Subject Code
NDTE

Course Number
1310

Course Long Title
Liq Penetrant/Magnetic Testing

Course Description
NDTE 1310. LIQUID PENETRANT/MAGNETIC PARTICLE TESTING (MT/PT LEVEL I) (2-4-3)

Theoretical study and practical application of the nondestructive testing technique of penetrant and magnetic particle testing required by quality assurance and test personnel including proper test technique, or combination of techniques and interpretation, evaluation of test results. Assessment Levels: R1, E1, M0. 48.0508

CIP Code
48.0508 - Welding Technology/Welder

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

R	E
1	1

NDTE1401 - Film Interpretation of Weldments

General

Subject Code
NDTE

Course Number
1401

Course Long Title
Film Interpretation of Weldments

Course Description
NDTE 1401. FILM INTERPRETATION OF WELDMENTS. (2-4-4) A study of radiographic film, including exploration of radiographic basics, interpretation, and causes and effects of discontinuities. 48.0508

CIP Code
48.0508 - Welding Technology/Welder

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

NDTE1405 - Introduction to Ultrasonics

General

Subject Code
NDTE

Course Number
1405

Course Long Title
Introduction to Ultrasonics

Course Description
NDTE 1405. INTRODUCTION TO ULTRASONICS (UT LEVEL I) (2-6-4)

Basic theory and applications of the ultrasonic techniques of materials testing covering the theoretical material from the certification test for Ultrasonic Level I American Society of Nondestructive Testing. Assessment Levels: R1, E1, M0. 48.0508

CIP Code
48.0508 - Welding Technology/Welder

NDTE1410 - Liq Penetrant/Magnetic Particle Testing

General

Subject Code
NDTE

Course Number
1410

Course Long Title
Liq Penetrant/Magnetic Particle Testing

Course Description
NDTE 1410. LIQUID PENETRANT/MAGNETIC PARTICLE TESTING (2-4-44) A theoretical study and practical application of the non-destructive testing techniques of penetrant and magnetic particle testing required by quality assurance and test personnel. 48.0508

CIP Code
48.0508 - Welding Technology/Welder

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

NDTE1440 - Electromagnetic Testing

General

Subject Code
NDTE

Course Number
1440

Course Long Title
Electromagnetic Testing

Course Description
NDTE 1440. ELECTROMAGNETIC TESTING (2-5-4) General principles of electromagnetic testing including theory, knowledge, and skills for basic examination; effects of material properties, probe types, calibration standards, and equipment selection. 48.0508

CIP Code
48.0508 - Welding Technology/Welder

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

NDTE1454 - Intermediate Ultrasoncis

General

Subject Code
NDTE

Course Number
1454

Course Long Title
Intermediate Ultrasoncis

Course Description
NDTE 1454, INTERMEDIATE ULTRASONICS. (2-6-4) Applications of the ultrasonic techniques of materials testing for flaw sizing and characterization. 48.0508

CIP Code
48.0508 - Welding Technology/Welder

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

NDTE2301 - Advanced Ultrasonics

General

Subject Code
NDTE

Course Number
2301

Course Long Title
Advanced Ultrasonics

Course Description
ADVANCED ULTRASONICS

CIP Code
48.0508 - Welding Technology/Welder

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements

NDTE2474 - Advanced Industrial Radiography Testing

General

Subject Code
NDTE

Course Number
2474

Course Long Title
Advanced Industrial Radiography Testing

Course Description
NDTE 2474. ADVANCED INDUSTRIAL RADIOGRAPHY TESTING (RT LEVEL II) (2-7-4)

Advanced study of Radiography Testing that provides the student classroom training and hands on applications. The student will progress through a series of lessons and gain demonstrated abilities comparable to a level II technician. The classroom and lab training will meet the requirements for SNT-TC-1A and NAS-410, which are the governing criteria for certification. Prerequisite: NDTE 2473. Assessment Levels: R1, E1, M0. 48.0508

NMTT1309 - Nuclear Medicine Instrumentation

General

Subject Code
NMTT

Course Number
1309

Course Long Title
Nuclear Medicine Instrumentation

Course Description
NMTT 1309. NUCLEAR MEDICINE INSTRUMENTATION (2-4-3)

Theory and application of electronic instrumentation used in the direction and analysis of ionizing radiation with special emphasis on gamma spectrometry and quality assurance relevant to nuclear medicine instruments. Prerequisite: NMTT 1313 or approval of NMT program director. Assessment Levels: R3, E3, M3. 51.0905

CIP Code
51.0905 - Nuclear Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

NMTT1313 - Nuclear Medicine Physics

General

Subject Code
NMTT

Course Number
1313

Course Long Title
Nuclear Medicine Physics

Course Description
NMTT 1313. NUCLEAR MEDICINE PHYSICS (2-3-3)

A comprehensive study of the physical principles associated with nuclear medicine and allied health physics. Prerequisite: Admission to the Nuclear Medicine Technology Program. Assessment Levels: R3, E3, M3. 51.0905

CIP Code
51.0905 - Nuclear Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

NMTT2201 - Radiochemistry and Radiopharmacy

General

Subject Code
NMTT

Course Number
2201

Course Long Title
Radiochemistry and Radiopharmacy

Course Description
NMTT 2201. RADIOCHEMISTRY AND RADIOPHARMACY (1-4-2)

Basic concepts of radiochemistry and radiopharmacy including the atomic structure, radioactive decay, and production of various radionuclides. Emphasis on radiopharmaceuticals and their ideal characteristics, biodistribution, and clinical applications; the various dosage forms in which they may be dispensed; quality control tests; and their formation and dispensing. Prerequisites: CHEM 1406 or its equivalent, or instructor's permission. Assessment Levels: R3, E3, M3. 51.0905

CIP Code
51.0905 - Nuclear Medical Technology/Technician

Requirements

Requirements
Must have level 3 in Reading, English and Math .

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

NMTT2209 - Nuclear Medicine Methodology II

General

Subject Code
NMTT

Course Number
2209

Course Long Title
Nuclear Medicine Methodology II

Course Description
NMTT 2209. NUCLEAR MEDICINE METHODOLOGY I (1-4-2)

Focus on the basic principles involved in all diagnostic and therapeutic tests and procedures normally found in a nuclear medicine facility with emphasis on anatomy, physiology, pathology, radiopharmaceuticals, instrumentation, data analysis, and diagnostic value. Includes the cardiovascular, respiratory, and genitourinary systems; inflammatory processes; tumors; and radionuclide therapy; and miscellaneous procedures. Prerequisite: BIOL 2401. Assessment Levels: R3, E3, M3. 51.0905

CIP Code
51.0905 - Nuclear Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

NMTT2233 - Advanced PET & Fusion Technology

General

Subject Code
NMTT

Course Number
2233

Course Long Title
Advanced PET & Fusion Technology

Course Description
NMTT 2233. ADVANCED PET AND FUSION TECHNOLOGY (1-4-2)

Advanced study in the field of positron emission tomography and fusion technology. Assessment Levels: R3, E3, M3. 51.0905

CIP Code
51.0905 - Nuclear Medical Technology/Technician

Requirements

Requirements
Must have level 3 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

NMTT2235 - Nuclear Medicine Technology Seminar

General

Subject Code
NMTT

Course Number
2235

Course Long Title
Nuclear Medicine Technology Seminar

Course Description
NMTT 2235. NUCLEAR MEDICINE TECHNOLOGY SEMINAR (1-4-2)

Capstone course focusing on the synthesis of professional knowledge, skills and attitude in preparation for professional employment and lifelong learning. Prerequisites: All NMTT courses or approval of the NMT program director. Assessment Levels: R3, E3, M3 51.0905

CIP Code
51.0905 - Nuclear Medical Technology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

NMTT2313 - Nuclear Medicine Methodology III

General

Subject Code
NMTT

Course Number
2313

Course Long Title
Nuclear Medicine Methodology III

Course Description
NMTT 2313. NUCLEAR MEDICINE METHODOLOGY II (2-3-3)

Focus on the basic principles involved in all diagnostic and therapeutic tests and procedures normally found in a nuclear medicine facility with emphasis on anatomy, physiology, pathology, radiopharmaceuticals, instrumentation, date analysis, and diagnostic values. Includes the cardiovascular, respiratory, and lymphatic systems; the adrenal and parathyroid glands; tumors; and inflammatory processes; and miscellaneous procedures Prerequisites: NMTT 2209, BIOL 2401, 2402. Assessment Levels: R3, E3, M3.. 51.0905

CIP Code
51.0905 - Nuclear Medical Technology/Technician

Requirements

Requirements
Must have completed NMTT-2209, BIOL-2401, and BIOL-2402

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

NURS3313 - Pathophysiology

General

Subject Code
NURS

Course Number
3313

Course Long Title
Pathophysiology

Course Description
NURS 3313. PATHOPHYSIOLOGY. (3-0-3)

This course facilitates the registered nurse's development of systems to manage health deviations of the individual therapeutically. Concepts of health promotion, disease prevention, disease progression, and treatment are approached from a cellular and multisystem perspective. Influences of genetic, ethnic, and cultural variables on human diseases are analyzed. Content aims at stimulating critical thinking for application to nursing practice in a variety of clinical settings. Prerequisites: NURS 3350, NURS 3351, NURS 3301, NURS 3353. Corequisites: NURS 4355. Assessment Levels: R3, E3, M3. 51.3801.

Course Description
OTHA 2331. PHYSICAL FUNCTION IN OCCUPATIONAL THERAPY (2-4-3)

Physical function to promote occupational performance. Includes frames of reference, evaluative tools, intervention strategies, and consumer education. Prerequisites: OTHA 1211, 1262, 1309, 1315, 1319, 1405, 2301, 2302, and 2309. Corequisite: OTHA 2235 and 2360. Assessment Levels: R2, E2, M2. 51.0803

CIP Code
51.0803 - Occupational Therapist Assistant

Requirements

Requirements
Must have a level 2 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

OTHA2360 - Clinical: Occupational Therapy Assistant

General

Subject Code
OTHA

Course Number
2360

Course Long Title
Clinical: Occupational Therapy Assistant

Course Description
OTHA 2360. CLINICAL - OCCUPATIONAL THERAPY ASSISTANT (0-16-3)

A health-related work-based learning experience that enables the student to apply specialized occupational theory, skills, and concepts. Direct supervision is provided by the clinical professional. Prerequisites: OTHA 1211, 1262, 1309, 1315, 1319, 1405, 2301, 2302, and 2309. Corequisites: OTHA 2235 and 2331. Assessment Levels: R2, E2, M2. 51.0803

CIP Code
51.0803 - Occupational Therapist Assistant

Requirements

Requirements
Must have a level 2 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

OTHA

Course Number
ELEC

Course Long Title
Occup Therapy Elective

Course Description
Occup Therapy Elective

CIP Code
51.0803 - Occupational Therapist Assistant

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PBAD1092 - Sp Topic: Public Admin

General

Subject Code
PBAD

Course Number
1092

Course Long Title
Sp Topic: Public Admin

Course Description
Sp Topic: Public Admin

CIP Code
52.0201 - Business Administration & Management, General

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PED1.23 - Aerobic Dance, Beginning

General

Subject Code
PED

Course Number
1.23

Course Long Title
Aerobic Dance, Beginning

Course Description
PED 10 1.23 AEROBIC DANCE, BEGINNING

CIP Code
31.0501 - Sports, Kinesiology, and Physical Education/Fitness, General.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PED101.05 - Bowling, Beginning

General

Subject Code
PED

Course Number
101.05

Course Long Title
Bowling, Beginning

Course Description
Bowling, Beginning

CIP Code
31.0501 - Sports, Kinesiology, and Physical Education/Fitness, General.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PED101.21 - Vollyball, Basketball

General

Subject Code
PED

Course Number
101.21

Course Long Title
Vollyball, Basketball

Course Description
Vollyball, Basketball

CIP Code
31.0501 - Sports, Kinesiology, and Physical Education/Fitness, General.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PED102.05 - Bowling, Intermediate

Course Description
Bowling, Intermediate

CIP Code
31.0501 - Sports, Kinesiology, and Physical Education/Fitness, General.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PED103.18 - Tennis, Adv

General

Subject Code
PED

Course Number
103.18

Course Long Title
Tennis, Adv

CIP Code
31.0501 - Sports, Kinesiology, and Physical Education/Fitness, General.

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PFPB1321 - Plumbing Maintenance and Repair

General

Subject Code
PFPB

Course Number
1321

Course Long Title
Plumbing Maintenance and Repair

Course Description
PFPB 1321. PLUMBING MAINTENANCE AND REPAIR. (2-3-3)

Instruction in the practices and procedures employed by a plumber including public relations. 46.0503.

CIP Code
46.0503 - Commercial Plumbing

Requirements

Requirements
Must have a level 1 in Reading and English.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PFPB1323 - Plumbing Codes I

General

Subject Code
PFPB

Course Number
1323

Course Long Title
Plumbing Codes I

Course Description
PFPB 1323. PLUMBING CODES I (3-0-3)

State and local plumbing codes and the application of potable water, waste water, and gas systems relating to residential and light commercial settings. 46.0503

CIP Code
46.0503 - Commercial Plumbing

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PFPB1408 - Basic Pipefitting Skills

General

Subject Code
PFPB

Course Number
1408

Course Long Title
Basic Pipefitting Skills

Course Description
Mathematical operations necessary to calculate laying lengths of pipe fittings for fabrication. Identification and use of hand tools and power tools. Identification of pipe, pipe fittings, flanges, and fasteners used in the trade.

CIP Code
46.0502 - Pipefitting/Pipefitter & Sprinkler Fitter

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PFPB1413 - Introduction to Plumbing Trades

General

Subject Code
PFPB

Course Number
1413

Course Long Title
Introduction to Plumbing Trades

Course Description
PFPB 1413. INTRODUCTION TO THE PLUMBING TRADES (3-2-4)

Material selection, mathematical calculations applicable to the plumbing trade, hand and power tools, and safety practices. 46.0503

CIP Code
46.0503 - Commercial Plumbing

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PFPB1421 - Plumbing Maintenance and Repair

General

Subject Code
PFPB

Course Number
1421

Course Long Title
Plumbing Maintenance and Repair

Course Description
PFPB 1421. PLUMBING MAINTENANCE AND REPAIR. (3-3-4)

Instruction in the practices and procedures employbed by a plumber including public relations. 46.0503

CIP Code
46.0503 - Commercial Plumbing

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PFPB2407 - Pipe Fabrication and Installation I

General

Subject Code
PFPB

Course Number
2407

Course Long Title
Pipe Fabrication and Installation I

Course Description
PFPB 2407. PIPE FABRICATION AND INSTALLATION I. (2-6-4) Pipe fabrication and various materials and installation of pipe supports.

CIP Code
46.0502 - Pipefitting/Pipefitter & Sprinkler Fitter

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PFPB2441 - Pipe Fabrication II

General

Subject Code
PFPB

Course Number
2441

Course Long Title
Pipe Fabrication II

Course Description
PFPB 2441. PIPE FABRICATION II. (2-6-4) Advanced pipe fabrication of various materials with emphasis on vertical, horizontal, and rolling off-sets using 45-degree fittings and odd-angle fittings.

CIP Code
46.0502 - Pipefitting/Pipefitter & Sprinkler Fitter

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PHIL310 - Intro to Philosophy

Introduction to Pharmacy

Course Description
PHRA 1301. INTRODUCTION TO PHARMACY (3-1-3)

An overview of the qualifications, operational guidelines, and job duties of a pharmacy technician. 51.0805

CIP Code
51.0805 - Pharmacy Technician/Assistant

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PHRA1304 - Pharmacotherapy & Disease Process

General

Subject Code
PHRA

Course Number
1304

Course Long Title
Pharmacotherapy & Disease Process

Course Description
PHRA 1304. PHARMACOTHERAPY AND DISEASE PROCESS (3-0-3)

A study of the disease state and therapeutic properties of drugs used in pharmaceutical therapy. 51.0805

CIP Code
51.0805 - Pharmacy Technician/Assistant

Requirements

Requirements
Must have level 3 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

PHRA1305 - Drug Classification

General

Subject Code
PHRA

Course Number
1305

Course Long Title
Drug Classification

Course Description
PHRA 1305. DRUG CLASSIFICATION (3-0-3)

A study of pharmaceutical drugs, abbreviations, classifications, dosages, side effects, and routes of administration. Prerequisites: PHRA 1267, 1304, 1345, and 1441. Must be taken concurrently with: PHRA 1243. Assessment Levels: R3, E3, M3. 51.0805

CIP Code
51.0805 - Pharmacy Technician/Assistant

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PHRA1306 - Computerized Drug Delivery Systems

General

Subject Code
PHRA

Course Number
1306

Course Long Title
Computerized Drug Delivery Systems

Course Description
PHRA 1306. COMPUTERIZED DRUG DELIVERY SYSTEMS (1-5-3)

Fundamentals of pharmacy computer information systems and technology within the health care system. Includes specialized skills in the production of pharmaceutical documentation using selected pharmacy software packages and an overview of equipment and devices for drug distribution, and preparation. 51.0805

CIP Code
51.0805 - Pharmacy Technician/Assistant

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PHRA1309 - Pharmaceutical Mathematics I

General

Subject Code
PHRA

Course Number
1309

Course Long Title
Pharmaceutical Mathematics I

Course Description
PHRA 1309. PHARMACEUTICAL MATHEMATICS I (2-2-3) Solving pharmaceutical calculation problems encountered in the preparation and distribution of drugs. 51.0805

CIP Code
51.0805 - Pharmacy Technician/Assistant

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PHRA1313 - Community Pharmacy Practice

General

Subject Code
PHRA

Course Number
1313

Course Long Title
Community Pharmacy Practice

Course Description
PHRA 1313. COMMUNITY PHARMACY PRACTICE (2-4-3)

Introduction to the skills necessary to process, prepare, label, and maintain records of prescriptions in a community pharmacy to include customer service, count and pour techniques, prescription calculations, drug selection and preparation, over-the-counter drugs, inventory management and legal parameters. 51.0805

PHYS1305 - Introductory Physics I

General

Subject Code
PHYS

Course Number
1305

Course Long Title
Introductory Physics I

Course Description
PHYS 1305. INTRODUCTORY PHYSICS I (3-0-3)

(Formerly listed as PHYS 1405.) Elementary introduction to mechanics, heat and thermodynamics, sound and music and relativity for liberal arts students, business students, elementary education majors and health science students; not for science requirements for majors in physics, math, chemistry, biology, or other sciences. Recommended companion course: PHYS 1105. Credit allowed for only one of the following: Physics 1305, 1310, 1401 or 2425. Prerequisite: MATH 0373 or equivalent. Assessment Levels: R3, E1, M3. 40.0201

CIP Code
40.0801 - Physics, General

PHYS1310 - Elementary Physics Methods

General

Subject Code
PHYS

Course Number
1310

Course Long Title
Elementary Physics Methods

Course Description
PHYS 1310. ELEMENTARY PHYSICS METHODS (3-0-3)

An introduction to analytical methods used in physics; examines basic concepts, problem solving techniques, graphical representations and pertinent mathematics. Recommended as preparation for students required to take PHYS 2425 for their degree plans. Credit allowed for only one of the following: PHYS 1305, 1310, 1401 or 2425. Prerequisites: MATH 1314 and 1316 or permission of instructor. Assessment Levels: R3, E1, M3. 40.0201

CIP Code
40.0801 - Physics, General

PHYS1402 - College Physics II

General

Subject Code
PHYS

Course Number
1402

Course Long Title
College Physics II

Course Description
PHYS 1402. COLLEGE PHYSICS II (3-3-4)

This lecture and lab course should combine all of the elements of PHYS 1302 (lecture) and PHYS 1102 (lab), including the learning outcomes listed for both courses. Elementary magnetism, electricity, light, sound and modern physics with some reference to practical aspects of principle studied. Credit allowed for only one of the following: Physics 1402 or PHYS 2426. Prerequisites: MATH 1314 and MATH 1316 with a minimum grade of "C" or above and PHYS 1401. Assessment Levels: R3, E1, M3. 40.0201

CIP Code
40.0801 - Physics, General

Requirements

Requirements
Must have a level 3 in Reading and Math and a level 1 in English.

PHYS2425 - University Physics I

General

Subject Code
PHYS

Course Number
2425

Course Long Title
University Physics I

Course Description
PHYS 2425. UNIVERSITY PHYSICS I (3-3-4)

This lecture and lab course should combine all of the elements of 2325 University Physics I Lecture and 2125 University Physics I Lab, including the learning outcomes listed for both courses. Fundamental principles of physics, using calculus, for science, computer science, and physical systems and thermodynamics; and emphasis on problem solving. Basic laboratory experiments supporting theoretical principles presented in the lecture component involving the principles and applications of classical mechanics, including harmonic motion and physical systems, experimental design, data collection and analysis, and preparation of laboratory reports. Credit allowed for only one of the following: PHYS 1306, PHYS 1310, PHYS 1401 or PHYS 2425. Prerequisite: MATH 2413 Corequisite: MATH 2414. Assessment Levels: R3, E1, M3. 40.0801

CIP Code
40.0801 - Physics, General

Requirements

CHEF-1301, 1305 & PSTR-1301, 1306, 2331 are prerequisites

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
2	2	1

PSTR2431 - Advanced Pastry Shop

General

Subject Code
PSTR

Course Number
2431

Course Long Title
Advanced Pastry Shop

Course Description
PSTR 2431. ADVANCED PASTRY SHOP (CAPSTONE) (3-3-4)

A study of classical desserts, French and international pastries, hot and cold desserts, ice creams and ices, chocolate work and decorations. Emphasis on advanced techniques. Prerequisites: CHEF 1301, 1305; PSTR 1301. Assessment Levels: R1, E1, M1. 12.0501

CIP Code
12.0501 - Baking and Pastry Arts/Baker/Pastry Chef

Requirements

Requirements
Must have previously completed CHEF 1301, CHEF 1305, and PSTR 1301.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
2	2	1

PSTRELEC - Baking/Pastry Elective

General

Subject Code
PSTR

Course Number
ELEC

Course Long Title
Baking/Pastry Elective

Course Description
Baking/Pastry Elective

CIP Code
12.0501 - Baking and Pastry Arts/Baker/Pastry Chef

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PSYC301 - General Psychology

General

Subject Code
PSYC

Course Number
301

Course Long Title
General Psychology

Course Description
GENERAL PSYCHOLOGY

CIP Code
99.9999 - Unknown

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PSYC2301 - General Psychology

General

Subject Code
PSYC

Course Number
2301

Course Long Title
General Psychology

Course Description
PSYC 2301. GENERAL PSYCHOLOGY (3-0-3)

General Psychology is a survey of the major psychological topics, theories and approaches to the scientific study of behavior and mental processes.

Assessment Levels: R3, E3, M1. 42.0101

CIP Code
42.0101 - Psychology, General

Requirements

Requirements
Must Have Rem: Level 3 in Reading, Level 3 in English, Level 1 Math

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	1

PSYC2306 - Human Sexuality

General

Subject Code
PSYC

Course Number
2306

Course Long Title
Human Sexuality

Course Description
PSYC 2306 HUMAN SEXUALITY (3-0-3)

This course will provide an overview of the broad field of human sexuality. Topics will be covered from various perspectives - biological, sociological, anthropological, etc., but will focus primarily on the psychological perspective. The goal is for each student to learn factual, scientifically-based information that will provoke thought and contribute to his/her own decision-making on sexual issues outside of the classroom. R3, E3, M1. 42.0101

CIP Code
42.0101 - Psychology, General

Requirements

Requirements
Must have a level 3 in Reading and English and a level 1 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	1

PSYC2314 - Lifespan Growth & Developmnt

General

Subject Code
PSYC

Course Number
2314

Course Long Title
Lifespan Growth & Developmnt

Course Description
PSYC 2314. LIFESPAN GROWTH AND DEVELOPMENT (3-0-3)

Life-Span Growth and Development is a study of social, emotional, cognitive and physical factors and influences of a developing human from conception to death.

Prerequisite: PSYC 2301. Assessment Levels: R3, E3, M1. 42.2703

CIP Code
42.2703 - Developmental and Child Psychology.

Requirements

Requirements
Must have the following: English-Level 3, Reading-Level 3, Math-Level 1.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	1

PSYC2317 - Statistical Methods in Psychology

General

Subject Code
PSYC

Course Number
2317

Course Long Title
Statistical Methods in Psychology

Course Description
PSYC 2317. STATISTICAL METHODS IN PSYCHOLOGY (3-1-3)

This course covers descriptive and inferential statistics used in psychological research and assessment. It includes measurement, characteristics of distributions; measures of central tendency and variability; transformed scores; correlation and regression; probability theory; and hypotheses testing and inference. (PSYC 2317 is included in teh Psychology Fiedls of Study). Prerequisite: PSYC 2301 and MATH 1314. Assessment Levels: R3, E3, M3. 42.0101

CIP Code
42.0101 - Psychology, General

Requirements

Requirements
Must have a level 3 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

PSYC2319 - Social Psychology

General

Subject Code
PSYC

Course Number
2319

Course Long Title
Social Psychology

Course Description
PSYC 2319. SOCIAL PSYCHOLOGY (3-0-3)

Study of individual behavior within the social environment. Topics may include socio-psychological processes, attitude formation and change, interpersonal relations, group processes, self, social cognition, and research methods. (PSYC 2319 is included in the Psychology Field of Study) Prerequisite: PSYC 2301. Assessment Levels: R3, E3, M1. 42.2701

CIP Code
42.2701 - Cognitive Psychology & Psycholinguistics

Requirements

Requirements
Must have completed PSYC-2301

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	1

PSYC2320 - Abnormal Psychology

General

Subject Code
PSYC

Course Number
2320

Course Long Title
Abnormal Psychology

Course Description
PSYC 2320 Abnormal Psychology (3-0-3)

This course provides an introduction to the psychological, biological, and socio-cultural factors involved in the development, diagnosis, and treatment of psychological disorders. It includes a review of the historical understanding of abnormal behavior and the development of modern diagnostic systems. Includes discussion of psychological research and practice as it relates to mental health and psychological functioning, as well as legal and ethical issues. Prerequisite: PSYC 2301. Assessment Levels: R3, E3, M1. 42.0101

CIP Code
42.0101 - Psychology, General

Requirements

Requirements
Must have a level 3 in Reading and English and a level 1 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	1

PSYCCORE - Psychology CORE Transfer

General

Subject Code
PSYC

Course Number
CORE

Course Long Title
Psychology CORE Transfer

Course Description
Psychology CORE Transfer

CIP Code
42.0101 - Psychology, General

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PSYCELEC - Psychology Elective

General

Subject Code
PSYC

Course Number
ELEC

Course Long Title
Psychology Elective

Course Description
Psychology Elective

CIP Code
42.0101 - Psychology, General

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PTAC1302 - Introduction to Process Tech

General

Subject Code
PTAC

Course Number
1302

Course Long Title
Introduction to Process Tech

Course Description
PTAC 1302. INTRODUCTION TO PROCESS TECHNOLOGY (2-3-3)

An introduction of the processing industries. 41.0301

CIP Code
41.0301 - Chemical Technnology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PTAC1308 - Safety, Health & Enviroment I

General

Subject Code
PTAC

Course Number
1308

Course Long Title
Safety, Health & Enviroment I

Course Description
PTAC 1308. SAFETY, HEALTH AND ENVIRONMENT I (2-3-3)

An overview of safety, health, and environmental issues in the performance of all job tasks in process industries. 41.0301

CIP Code
41.0301 - Chemical Technnology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PTAC1310 - Process Technology I - Equipment

General

Subject Code
PTAC

Course Number
1310

Course Long Title
Process Technology I - Equipment

Course Description
PTAC 1310. PROCESS TECHNOLOGY I - EQUIPMENT (2-3-3)

Introduction to the use of common processing equipment. 41.0301

CIP Code
41.0301 - Chemical Technnology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PTAC1332 - Process Instrumentation I

General

Subject Code
PTAC

Course Number
1332

Course Long Title
Process Instrumentation I

Course Description
PTAC 1332. PROCESS INSTRUMENTATION I (2-4-3)

Study of the instruments and control systems used in the process industry including terminology, primary variables, symbology, control loops, and basic troubleshooting. 41.0301

CIP Code
41.0301 - Chemical Technnology/Technician

Requirements

Requirements
Prerequisite: PTAC 1302

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PTAC1354 - Industrial Processes

General

Subject Code
PTAC

Course Number
1354

Course Long Title
Industrial Processes

Course Description
PTAC 1354. INDUSTRIAL PROCESSES (2-3-3)

A study of the common types of industrial processes. Prerequisite: PTAC 1302, PTAC 1308, PTAC 1310. 41.0301

CIP Code
41.0301 - Chemical Technnology/Technician

Requirements

Requirements
Prerequisites: PTAC 1302, PTAC 1308, PTAC 1310

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PTAC1410 - Process Tech I: Equipment

General

Subject Code
PTAC

Course Number
1410

Course Long Title
Process Tech I: Equipment

Course Description
PTAC 1410. PROCESS TECHNOLOGY I: EQUIPMENT (2-4-4)

Instruction in the use of common process equipment. Prerequisite: PTAC 1302. 41.0301

CIP Code
41.0301 - Chemical Technnology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PTAC2034 - Industrial Processes

General

Subject Code
PTAC

Course Number
2034

Course Long Title
Industrial Processes

Course Description
Industrial Processes

CIP Code
47.0101 - Electrical/ElectronicsEquipmentInstallationandRepairTechnology/Technician,

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PTAC2314 - Principles of Quality

General

Subject Code
PTAC

Course Number
2314

Course Long Title
Principles of Quality

Course Description
PTAC 2314. PRINCIPLES OF QUALITY (2-3-3)

Study of the background and application of quality concepts. Topics include team skills, quality tools, statistics, and economics and continuous improvement. Prerequisite: PTAC 1332, PTAC 1354, PTAC 2420. 41.0301

CIP Code
41.0301 - Chemical Technnology/Technician

Requirements

Requirements
Prerequisites: PTAC 1332, PTAC 1354, and PTAC 2420

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PTAC2346 - Process Troubleshooting

General

Subject Code
PTAC

Course Number
2346

Course Long Title
Process Troubleshooting

Course Description
PTAC 2346. PROCESS TROUBLESHOOTING (CAPSTONE) (2-3-3)

Instruction in the different types of troubleshooting techniques, procedures, and methods used to solve process problems. Prerequisite: PTAC 2314 and PTAC 2438. 41.0301

CIP Code
41.0301 - Chemical Technnology/Technician

Requirements

Requirements
Must have level 2 Reading, English, Math and completed

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PTAC2420 - Process Tech II-Systems

General

Subject Code
PTAC

Course Number
2420

Course Long Title
Process Tech II-Systems

Course Description
PTAC 2420. PROCESS TECHNOLOGY II: SYSTEMS (2-4-4)

A study of the various process systems including related scientific principles. Prerequisites: PTAC 1302, PTAC 1308, PTAC 1310. 41.0301

CIP Code
41.0301 - Chemical Technnology/Technician

Requirements

Requirements
Prerequisites: PTAC 1302, PTAC 1308, and PTAC 1310

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PTAC2438 - Process Technology III: Oper

General

Subject Code
PTAC

Course Number
2438

Course Long Title
Process Technology III: Oper

Course Description
PTAC 2438. PROCESS TECHNOLOGY III: OPERATIONS (2-4-4)

This course emphasizes activities associated with the hands-on operations of process equipment. Prerequisite: PTAC 1332, PTAC 1354, and PTAC 2420. 41.0301

CIP Code
41.0301 - Chemical Technnology/Technician

Requirements

Requirements
Prerequisites: PTAC 1332, PTAC 1354, and PTAC 2420

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PTACELEC - Process Technology Elective

General

Subject Code
PTAC

Course Number
ELEC

Course Long Title
Process Technology Elective

Course Description
Process Technology Elective

CIP Code
41.0301 - Chemical Technnology/Technician

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PTHA1191 - Special Topics: Physical Therapy Asst

General

Subject Code
PTHA

Course Number
1191

Course Long Title
Special Topics: Physical Therapy Asst

Course Description
SPECIAL TOPICS: PHYSICAL THERAPY ASSISTANT

(SPECIAL INTERNSHIP) (0-7-1) 51.0806 Topics address recently identified current events, skills, knowledge and/or attitudes and behaviors pertinent to the technology or occupation and relevant to the professional development of the student. This course was designed to be repeated multiple times to improve student proficiency. Assessment Levels: R3, E3, M3.

CIP Code
51.0806 - Physical Therapy Assistant.

Requirements

Requirements
Must have level 3 in Reading, English, and Math

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PTHA1201 - Profession of Phys Therapy

General

Subject Code
PTHA

Course Number
1201

Course Long Title
Profession of Phys Therapy

Course Description
PTHA 1201. THE PROFESSION OF PHYSICAL THERAPY (1-2-2)

Introduction to the profession of physical therapy and the role of the physical therapist assistant. Assessment Levels: R2, E2, M3. 51.0806

CIP Code
51.0806 - Physical Therapy Assistant.

Requirements

Requirements
Must have a level 2 in Reading and English and a level 3 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
2	2	3

PTHA1305 - Basic Patient Care Skills

General

Subject Code
PTHA

Course Number
1305

Course Long Title
Basic Patient Care Skills

Course Description
PTHA 1305. BASIC PATIENT CARE SKILLS (2-2-3) 51.0806

The application of basic patient handling, functional skills, communication, and selected data collection techniques. Assessment Levels: R3, E3, M3.

CIP Code
51.0806 - Physical Therapy Assistant.

Requirements

Requirements
Must have a level 3 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M

Course Description
COMMUNITY PHARMACY PRACTICE

CIP Code
51.0805 - Pharmacy Technician/Assistant

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PTHA1321 - Pathophysiology for the PTA

General

Subject Code
PTHA

Course Number
1321

Course Long Title
Pathophysiology for the PTA

Course Description
PTHA 1321. PATHOPHYSIOLOGY FOR THE PTA (3-0-3)

Study of the pathophysiology of diseases/conditions encountered in physical therapy. Prerequisites: PTHA 1201. Assessment Levels: R3, E3, M3. 51.0806

CIP Code
51.0806 - Physical Therapy Assistant.

Requirements

Requirements
Must have level 3 in Reading, English, Math, and have completed PTHA-1201

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

PTHA1391 - Special Topics: Physical Therapy Asst

General

Subject Code
PTHA

Course Number
1391

Course Long Title
Special Topics: Physical Therapy Asst

Course Description
SPECIAL TOPICS: PHYSICAL THERAPY ASSISTANT

PTHA 1391. SPECIAL TOPICS IN PHYSICAL THERAPY ASSISTANT - DOCUMENTATION/REPORTING (2-3-3) 51.0806 Topics address recently identified current events, skills, knowledge and/or attitudes and behaviors pertinent to the technology or occupation and relevant to the professional development of the student. This course was designed to be repeated multiple times to improve student proficiency. Assessment Levels: R3, E3, M3

CIP Code
51.0806 - Physical Therapy Assistant.

Requirements

Requirements
Must have level 3 in Reading, English, and Math

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

PTHA1413 - Functional Anatomy

General

Subject Code
PTHA

Course Number
1413

Course Long Title
Functional Anatomy

Course Description
PTHA 1413. FUNCTIONAL ANATOMY (2-6-4)

The relationship of the musculoskeletal and neuromuscular systems to normal and abnormal movement. Assessment Levels: R3, E3, M3. 51.0806

CIP Code
51.0806 - Physical Therapy Assistant.

Requirements

Requirements
Must have a level 3 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

PTHA1431 - Physical Agents

General

Subject Code
PTHA

Course Number
1431

Course Long Title
Physical Agents

Course Description
PHTA 1431 PHYSICAL AGENTS (3-4-4)

Biophysical principles, physiological effects, intervention efficacy, and application of physical agents. Prerequisite: PTHA 1321. Assessment Levels: R3, E3, M3.

CIP Code
51.0806 - Physical Therapy Assistant.

Requirements

Requirements
Must have a level 3 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

PTHA2205 - Neurology

General

Subject Code
PTHA

Course Number
2205

Course Long Title
Neurology

Course Description
PTHA 2205. NEUROLOGY (2-1-2)

Study of neuroanatomy and neurophysiology as it relates to neurological conditions. Prerequisites: PTHA 1201, 1321, 1413, 1431, 2509. Assessment Levels: R3, E3, M3. 51.0806

CIP Code
51.0806 - Physical Therapy Assistant.

Requirements

Requirements
Prerequisites: PTHA 1201, PTHA 1321, PTHA 1413, PTHA 1431, and PTHA 2509

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M

Course Long Title
Prin Radiographic Imaging I

Course Description
RADR 1213. PRINCIPLES OF RADIOGRAPHIC IMAGING I (1-3-2)

Radiographic image quality and the effects of exposure variables. Prerequisites: RADR 1311, 2309. Assessment Levels: R3, E3, M3. 51.0911

CIP Code
51.0911 - Radiologic Tech/Science- Radiographer

Requirements

Requirements
Prerequisites: RADR-1311 and RADR-2309

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

RADR1260 - Clinical: Radiologic Technology

General

Subject Code
RADR

Course Number
1260

Course Long Title
Clinical: Radiologic Technology

Course Description
CLINICAL: RADIOLOGIC TECHNOLOGY

RADR 1260. CLINICAL radiologic technology /science - radiographer (0-12-2) 51.0911 Health-related work-based learning experience that enables the student to apply specialized occupational theory, skills and concepts. Direct supervision is provided by the clinical professional. Prerequisites: RADR 1309 and HPRS 1106, 1204. Assessment Levels: R3, E3, M3.

CIP Code
51.0911 - Radiologic Tech/Science- Radiographer

Requirements

Requirements
Must have completed RADR-1309, HPRS-1106 and HPRS-1204

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

RADR1261 - Clinical: Radiologic Technology

General

Subject Code
RADR

Course Number
1261

Course Long Title
Clinical: Radiologic Technology

Course Description
CLINICAL: RADIOLOGIC TECHNOLOGY

RADIOGRAPHER (0-12-2) 51.0911 Health-related work-based learning experience that enables the student to apply specialized occupational theory, skills and concepts. Direct supervision is provided by the clinical professional. Prerequisites: RADR 1309. Assessment Levels: R3, E3, M3.

CIP Code
51.0911 - Radiologic Tech/Science- Radiographer

Requirements

Requirements
Must have completed RADR-1309

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

RADR1262 - Clinical: Radiologic Technology

General

Subject Code
RADR

Course Number
1262

Course Long Title
Clinical: Radiologic Technology

Course Description
RADR 1262. CLINICAL RADIOLOGIC TECHNOLOGY/ SCIENCE-RADIOGRAPHER (0-12-2)

Health-related work-based learning experience that enables the student to apply specialized occupational theory, skills and concepts. Direct supervision is provided by the clinical professional. Prerequisites: RADR 2301 with at least a "C" grade. Assessment Levels: R3, E3, M3. 51.0911

CIP Code
51.0911 - Radiologic Tech/Science- Radiographer

Requirements

Requirements
Must have completed RADR-2301

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

RADR1309 - Introduction Radiography & Patient Care

General

Subject Code
RADR

Course Number
1309

Course Long Title
Introduction Radiography & Patient Care

Course Description
RADR 1309. INTRODUCTION TO RADIOGRAPHY AND PATIENT CARE (SECOND SUMMER SESSION ONLY) (2-4-3)

An overview of the historical development of radiography, basic radiation protection, an introduction to medical terminology, ethical and legal issues for health care professionals, and an orientation to the profession and to the health care system. Patient assessment, infection control procedures, emergency and safety procedures, communication and patient interaction skills and basic pharmacology are also included. Written acceptance into the Radiologic Technology Program from the department chairperson. Assessment Levels: R3, E3, M3. 51.0911

CIP Code
51.0911 - Radiologic Tech/Science- Radiographer

Requirements

Requirements
Must have level 3 Reading, English, and Math

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

RADR1311 - Basic Radiographic Procedures

General

Subject Code
RADR

Course Number
1311

Course Long Title
Basic Radiographic Procedures

Course Description
RADR 1311. BASIC RADIOGRAPHIC PROCEDURES (2-4-3)

An introduction to radiographic positioning terminology, manipulation of equipment, positioning and alignment of the anatomic structure and equipment, and evaluation of images for demonstration of basic anatomy. Prerequisites: Written acceptance into the Radiologic Technology Program from the Department Chairperson. Assessment Levels: R3, E3, M3. 51.0911

CIP Code
51.0911 - Radiologic Tech/Science- Radiographer

Requirements

Requirements
Must have level 3 in Reading, English, and Math

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

RADR2117 - Radiographic Pathology

General

Subject Code
RADR

Course Number
2117

Course Long Title
Radiographic Pathology

Course Description
RADR 2117. RADIOLOGIC PATHOLOGY (1-1-1)

Disease processes and their appearances on radiographic images. Prerequisites: RADR 1261. 12-week summer session. Assessment Levels: R3, E3, M3. 51.0911

CIP Code
51.0911 - Radiologic Tech/Science- Radiographer

Requirements

Requirements
Prerequisite: RADR-1261

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

RADR2167 - Practicum: Radiologic Technology/Science

General

Subject Code
RADR

Course Number
2167

Course Long Title
Practicum: Radiologic Technology/Science

Course Description
RADR 2167. PRACTICUM (OR FIELD EXPERIENCE) - RADIOLOGIC TECHNOLOGY/SCIENCE - RADIOGRAPHER (0-7-1)

Practical, general workplace training supported by an individualized learning plan developed by the employer, college, and student. Assessment Levels: R3, E3, M3. 51.0911

CIP Code
51.0911 - Radiologic Tech/Science- Radiographer

Requirements

Requirements
Must have level 3 in Reading, English and Math

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

RADR2205 - Prin of Radiologic Imaging II

General

Subject Code
RADR

Course Number
2205

Course Long Title
Prin of Radiologic Imaging II

Course Description
RADR 2205. PRINCIPLES OF RADIOLOGIC IMAGING II (1-2-2)

Radiographic image quality and the effects of exposure variables, and the synthesis of all variables in image production. Prerequisite: RADR 1213. Assessment Levels: R3, E3, M3. 51.0911

CIP Code
51.0911 - Radiologic Tech/Science- Radiographer

Requirements

Requirements
Prerequisites: RADR 1213

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

RADR2213 - Radiation Biology & Protection

General

Subject Code
RADR

Course Number
2213

Course Long Title
Radiation Biology & Protection

Course Description
RADR 2213. RADIATION BIOLOGY AND PROTECTION (1-3-2)

Effects of radiation exposure on biological systems. Includes typical medical exposure levels, methods for measuring and monitoring radiation, and methods for protecting personnel and patients from excessive exposure. Prerequisites: RADR 2361. Assessment Levels: R3, E3, M3. 51.0911

CIP Code
51.0911 - Radiologic Tech/Science- Radiographer

Requirements

Requirements
Prerequisite: RADR 2362

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

RADR2233 - Advanced Medical Imaging

General

Subject Code
RADR

Course Number
2233

Course Long Title
Advanced Medical Imaging

Course Description
RADR 2233. ADVANCED MEDICAL IMAGING (1-3-2)

An exploration of specialized imaging modalities. Prerequisite: RADR 2431. Assessment Levels: R3, E3, M3. 51.0911

CIP Code
51.0911 - Radiologic Tech/Science- Radiographer

Requirements

Requirements
Prerequsites: RADR-2431

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

RADR2235 - Radiologic Technology Seminar

General

Subject Code
RADR

Course Number
2235

Course Long Title
Radiologic Technology Seminar

Course Description
RADR 2235. RADIOLOGIC TECHNOLOGY SEMINAR (CAPSTONE)(2-1-2) 51.0911

Capstone course focusing on the synthesis of professional knowledge, skills and attitudes in preparation for professional employment and lifelong learning. Prerequisite: RADR 2362. Assessment Levels: R3, E3, M3.

CIP Code
51.0911 - Radiologic Tech/Science- Radiographer

Requirements

Requirements
Prerequisite: RADR 2362

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

RADR2240 - Sectional Anatomy of Medical Imaging

General

Subject Code
RADR

Course Number
2240

Course Long Title
Sectional Anatomy of Medical Imaging

Course Description
RADR 2240. SECTIONAL ANATOMY FOR MEDICAL IMAGING (2-0-2)

Anatomic relationships present under various sectional orientations. Assessment Levels: R3, E3, M3. 51.0911

CIP Code
51.0911 - Radiologic Tech/Science- Radiographer

Requirements

Requirements
Must have level 3 in Reading, English and Math

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

RADR2260 - Clinical: Radiologic Technology

General

Subject Code
RADR

Course Number
2260

Course Long Title
Clinical: Radiologic Technology

Course Description
RADR 2260. CLINICAL RADIOLOGIC TECHNOLOGY/ SCIENCE-RADIOGRAPHER (0-12-2)

A health-related work-based learning experience that enables the student to apply specialized occupational theory, skills and concepts. Direct supervision is provided by the clinical professional. Prerequisite: RADR 1311. Assessment Levels: R3, E3, M3. 51.0911

CIP Code
51.0911 - Radiologic Tech/Science- Radiographer

Requirements

Requirements
Must have completed RADR-1311

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

RADR2301 - Interm Radiographic Procedu

General

Subject Code
RADR

Course Number
2301

Course Long Title
Interm Radiographic Procedu

Course Description
RADR 2301. INTERMEDIATE RADIOGRAPHIC PROCEDURES (2-4-3)

A continuation of the study of the manipulation of radiographic equipment, positioning and alignment of the anatomic structure and equipment, and evaluation of images for demonstration of anatomy. Prerequisite: RADR 1309. Assessment Levels: R3, E3, M3. 51.0911

CIP Code
51.0911 - Radiologic Tech/Science- Radiographer

Requirements

Requirements
Must have completed RADR-1309

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

RADR2309 - Radiographic Imaging Equipment

General

Subject Code
RADR

Course Number
2309

Course Long Title
Radiographic Imaging Equipment

Course Description
RADR 2309. RADIOGRAPHIC IMAGING EQUIPMENT (3-1-3)

Equipment and physics of x-ray production. Includes basic X-ray circuits. Also examines the relationship of conventional and digital equipment components to the imaging process. Prerequisite: RADR 1309. Assessment Levels: R3, E3, M3. 51.0911

CIP Code
51.0911 - Radiologic Tech/Science- Radiographer

Requirements

Requirements
Must have completed RADR-1309

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

RADR2335 - Radiologic Technology Seminar

General

Subject Code
RADR

Course Number
2335

Course Long Title
Radiologic Technology Seminar

Course Description
RADR 2335. RADIOLOGIC TECHNOLOGY SEMINAR (CAPSTONE) (3-0-3)

A capstone course focusing on the synthesis of professional knowledge, skills and attitudes in preparation for professional employment and lifelong learning. Prerequisite: RADR 2361. Assessment Levels: R3, E3, M3. 51.0911

CIP Code
51.0911 - Radiologic Tech/Science- Radiographer

Requirements

Requirements
Prerequisite: RADR-2361

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

RADR2361 - Clinical: Radiologic Technology

General

Subject Code
RADR

Course Number
2361

Course Long Title
Clinical: Radiologic Technology

Course Description
RADR 2361. CLINICAL RADIOLOGIC TECHNOLOGY/ SCIENCE-RADIOGRAPHER (0-18-3) (0-18-3)

Health-related work-based learning experience that enables the student to apply specialized occupational theory, skills and concepts. Direct supervision is provided by the clinical professional. Prerequisite: RADR 1261. Assessment Levels: R3, E3, M3. 51.0911

CIP Code
51.0911 - Radiologic Tech/Science- Radiographer

Requirements

Requirements
Must have completed RADR-1260 and RADR-1261

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

RADR2362 - Clinical: Radiolgic Tech Sci Radiography

General

Subject Code
RADR

Course Number
2362

Course Long Title
Clinical: Radiolgic Tech Sci Radiography

Course Description
RADR 2362. CLINICAL-RADIOLOGIC TECHNOLOGY/SCIENCE RADIOGRAPHER (0-18-3) (0-18-3)

Health-related work-based learning experience that enables the student to apply specialized occupational theory, skills and concepts. Direct supervision is provided by the clinical professional. Prerequisites: RADR 1261 and 2361. Assessment Levels: R3, E3, M3. 51.0911

CIP Code
51.0911 - Radiologic Tech/Science- Radiographer

Requirements

Requirements
Must have completed RADR-1260, RADR-1261, and RADR-2361

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

RADR2431 - Adv Radiographic Procedures

General

Subject Code
RADR

Course Number
2431

Course Long Title
Adv Radiographic Procedures

Course Description
RADR 2431. ADVANCED RADIOGRAPHIC PROCEDURES (3-3-4)

Positioning and alignment of the anatomic structures and equipment, evaluation of images for demonstration of anatomy and related pathology. Prerequisite: RADR 2301. Assessment Levels: R3, E3, M3. 51.0911

CIP Code
51.0911 - Radiologic Tech/Science- Radiographer

Requirements

No TSIA Testing Required

RBTC1401 - Programmable Logic Controllers

General

Subject Code
RBTC

Course Number
1401

Course Long Title
Programmable Logic Controllers

Course Description
RBTC 1401. PROGRAMMABLE LOGIC CONTROLLERS (3-3-4)

A study in programmable logic controllers (PLC). Topics include processor units, numbering systems, memory organization, relay type devices, timers, counters, data manipulators, and programming. Prerequisite: ELPT 1311. Assessment Levels: R0, E0, M0. 15.0405

CIP Code
15.0405 - Robotics Technology

Requirements

Requirements
Prerequisite: ELPT-1311

Assessment Levels (Reading, English/Writing, Mathematics)

READ0305 - Basic Reading and Comprehension

General

Subject Code
READ

Course Number
0305

Course Long Title
Basic Reading and Comprehension

Course Description
READ 0305. BASIC READING AND COMPREHENSION (3-1-3)

Basic developmental reading course for students who do not meet the prerequisites for READ 0306 or READ 1377 or who need help in improving reading skills. Development of vocabulary, basic comprehension, study skills, critical reasoning and recognition of the organization of ideas in written material. One-hour lab required. Not counted toward graduation. Students enrolling in READ 0305 are required to enroll in STSC 0101. Assessment Levels: R1, E1, M0. 32.0108

RNSG1118 - Professional Nursing Competencies

General

Subject Code
RNSG

Course Number
1118

Course Long Title
Professional Nursing Competencies

Course Description
RNSG 1118. TRANSITION TO PROFESSIONAL NURSING COMPETENCIES (0-4-1) Transition to professional nursing competencies in the care of patients throughout the lifespan. Validates proficiency in psychomotor skills and clinical reasoning in the performance of nursing procedures related to the concepts of: clinical judgment, comfort, elimination, fluid and electrolytes, nutrition, gas exchange, safety, functional ability, immunity, metabolism, mobility, and tissue integrity. Includes health assessment and medication administration. This course lends itself to a concept-based approach.Prerequisites: Admission to Nursing Program, BIOL 2401, 2402, ENGL 1301 and PSYC 2301. Corequisites/ Concurrent: SPCH 1311, or 1315, or 1321, RNSG 1125 and 1324. Assessment Levels: R3, E3, M3. 51.3801

General

Subject Code
RNSG

Course Number
1125

Course Long Title
Professional Nursing Concepts

Course Description
RNSG 1125. PROFESSIONAL NURSING CONCEPTS I (1-0-1)

An introduction to professional nursing concepts and exemplars within the professional nursing roles: Member of Profession, Provider of Patient-Centered Care, Patient Safety Advocate and Member of the Health Care Team. Content includes clinical judgment, communication, ethical-legal percepts, evidenced-based practice, health promotion, informatics, patient-centered care, patient education, professionalism, safety and teamwork/collaboration. Emphasizes role development of the professional nurse. This course lends itself to a concept-based approach. Prerequisites: Admission to Nursing Program, BIOL 2401, 2402, ENGL 1301 and PSYC 2301. Corequisites/Concurrent: RNSG 1128, 1161, 1216 and 1430. Assessment Levels: R3, E3, M3. 51.3801

CIP Code
51.3801 - Registered Nursing/Registered Nurse

General

Subject Code
RNSG

Course Number
1126

Course Long Title
Professional Nursing Concepts

Course Description
RNSG 1126. PROFESSIONAL NURSING CONCEPTS II (1-0-1)

Expanding professional nursing concepts and exemplars within the professional nursing roles. Applying concepts of clinical judgment, ethical-legal, evidence-based practice, patient-centered care, professionalism, safety, and team/collaboration to the exemplars presented in the Health Care Concepts II course. Introduces concepts of leadership and management. Emphasizes role development of the professional nurse. This course lends itself to a concept-based approach. Prerequisites: RNSG 1125, 1128, 1161, 1216 and 1430. Corequisites/Concurrent: BIOL 2420 and SPCH 1311, 1315 or 1321, RNSG 1533 and 2362. Assessment Levels: R3, E3, M3. 51.3801

General

Subject Code
RNSG

Course Number
1137

Course Long Title
Professional Nursing Concepts III

Course Description
RNSG 1137. PROFESSIONAL NURSING CONCEPTS III (1-0-1)

Application of professional nursing concepts and exemplars within the professional nursing roles. Utilizes concepts of clinical judgment, ethical-legal, evidenced-based practice, patient-centered care, professionalism, safety, teamwork and collaboration. Introduces the concepts of quality improvement, health information technology, and health care organizations. Incorporates concepts into role development of the professional nurse. This course lends itself to a concept-based approach. Prerequisites: BIOL 2420, SPCH 1311, 1315 or 1321 and RNSG 1126, 1533 and 2362. Prerequisites for the LVN to RN Transition Students: RNSG 1118, 1128 and 1324. Corequisites/Concurrent: PHIL 2306, RNSG 1538 and 2363. Corequisites/Concurrent for LVN to RN Transition Students: BIOL 2420, PHIL 2306, RNSG 1262 and 1538. Assessment Levels: R3, E3, M3. 51.3801

Course Description
RSTO 1304. DINING ROOM SERVICE (2-3-3)

Introduces the principles, concepts and systems of professional table service. Topics include dining room organization, scheduling, and management of food service personnel. Assessment Levels: R2, E2, M1. 12.0504

CIP Code
12.0504 - Restaurant, Culinary, and Catering Management/Manager

Requirements

Requirements
Must have a level 2 in Reading and English and a level 1 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

RSTO2301 - Principles of Food and Beverage Contrls

General

Subject Code
RSTO

Course Number
2301

Course Long Title
Principles of Food and Beverage Contrls

Course Description
RSTO 2301. PRINCIPLES OF FOOD AND BEVERAGE CONTROLS (2-3-3)

A study of financial principles and controls of food service operation including review of operation policies and procedures. Topics include financial budgeting and cost analysis emphasizing foods and beverage labor costs, operational analysis and international and regulatory reporting procedures. Prerequisites: CHEF 1301, IFWA 1427. Assessment Levels: R2, E2, M2.? 12.0504

CIP Code
12.0504 - Restaurant, Culinary, and Catering Management/Manager

Requirements

Requirements
Must have level 2 in Reading, English, and Math

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
2	2	2

RSTO2405 - Mgmt of Food Production & Service

General

Subject Code
RSTO

Course Number
2405

Course Long Title
Mgmt of Food Production & Service

Course Description
A study of quantity cookery and management problems pertaining to commercial and institutional food service, merchandising and variety in menu planning, and customer food preferences. Includes laboratory experiences in quantity food preparation and service.

CIP Code
12.0504 - Restaurant, Culinary, and Catering Management/Manager

Requirements

Requirements
Must have level 2 in Reading, English, and Math

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
2	2	2

RSTOELEC - Hospitality Mgmt Elective

General

Subject Code
RSTO

Course Number
ELEC

Course Long Title
Hospitality Mgmt Elective

Course Description
Hospitality Mgmt Elective

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

RTVB1391 - Special Topics in Radio and Tv

General

Subject Code
RTVB

Course Number
1391

Course Long Title
Special Topics in Radio and Tv

Course Description
RTVB 1391. SPECIAL TOPICS IN RADIO AND TELEVISON (2-4-3)

Topics address recently identified current events, skills, knowledge, and/or attitudes and behaviors pertinent to the technology or occupation and relevant to the professional development of the student. This course was designed to be repeated multiple times to improve student proficiency. 09.0701

CIP Code
09.0701 - Radio and Television

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

RTVB2330 - Film and Video Editing

General

Subject Code
RTVB

Course Number
2330

Course Long Title
Film and Video Editing

Course Description
RTVB 2330. FILM AND VIDEO EDITING (2-4-3)

Digital media editing for the preparation and completion of shorts, trailers, documentaries, and features. 09.0701

CIP Code
09.0701 - Radio and Television

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

RTVB2339 - Media Sales and Promotion

General

Subject Code
RTVB

Course Number
2339

Course Long Title
Media Sales and Promotion

Course Description
RTVB 2339. MEDIA SALES AND PROMOTIONS (2-4-3)

Instruction in sales methods, audience measurement, demographics, station promotion, and public relations. 09.0701

CIP Code
09.0701 - Radio and Television

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

SCIT1318 - Applied Physics

General

Subject Code
SCIT

Course Number
1318

Course Long Title
Applied Physics

Course Description
SCIT 1318. APPLIED PHYSICS (2-4-3)

An introduction to physics for industrial applications including vectors, motion, mechanics, simple machines, matter, heat, and thermodynamics. Assessment Levels: R2, E2, M2. 40.0801

CIP Code
40.0801 - Physics, General

Requirements

Requirements
Must have level 2 in Reading, English, and Math

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M

SCIT1320 - Physics for Allied Health

General

Subject Code
SCIT

Course Number
1320

Course Long Title
Physics for Allied Health

Course Description
SCIT 1320. PHYSICS FOR ALLIED HEALTH (2-4-3)

An introduction to physics with emphasis on applications to health related fields of study. Topics include forces, motion, work and energy, fluids, heat, electricity and magnetism, wave motion, sound, electromagnetic radiation, and nuclear radiation. Prerequisites: MATH 1314. Assessment Levels: R3, E3, M3. 51.000

CIP Code
51.0000 - Health Services/Allied Health/Health Sciences, General

Requirements

Requirements
Prerequisite: MATH 1314

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M

SCIT1414 - Applied General Chemistry I

General

Subject Code
SCIT

Course Number
1414

Course Long Title
Applied General Chemistry I

Course Description
SCIT 1414. APPLIED GENERAL CHEMISTRY I (3-4-4)

Applications of general chemistry emphasizing industry-related laboratory skills and competencies including laboratory safety and report writing. Addresses supporting chemical theories including atomic and molecular structure, nomenclature, chemical reactivity, gas laws, acids and bases, and solutions. Assessment Levels: R1, E1, M1. 40.0501

CIP Code
40.0501 - Chemistry, General

SCIT1443 - Applied Analytical Chemistry I

General

Subject Code
SCIT

Course Number
1443

Course Long Title
Applied Analytical Chemistry I

Course Description
SCIT 1443. APPLIED ANALYTICAL CHEMISTRY I (3-4-4)

Principles of quantitative analysis as related to industrial applications. Includes gravimetrics and titrimetric analysis of practical samples by classical and standard methods. Co-requisite: CHEM 1412 Prerequisites: CHEM 1407 or SCIT 1415 and CTEC 1206. Assessment Levels: R3, E3, M3. 40.0502.

CIP Code
40.0502 - Analytical Chemistry

Requirements

Requirements
Must have a level 3 in Reading, English, and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

R	E	M
3	3	3

SCIT2401 - Applied Organic Chemistry I

General

Subject Code
SCIT

Course Number
2401

Course Long Title
Applied Organic Chemistry I

Course Description
SCIT 2401. APPLIED ORGANIC CHEMISTRY I (3-4-4)

Applications of the chemistry carbon emphasizing industry-related laboratory skills and competencies. Prerequisites: CHEM 1407 or SCIT 1415 and CTEC 1206 or CHEM 1412. Assessment Levels: R3, E3, M2. 40.0504

CIP Code
40.0504 - Organic Chemistry

Requirements

Requirements
Must have level 3 in Reading, English, and Math

Assessment Levels (Reading, English/Writing, Mathematics)

SGNL1301 - Beginning American Sign Language I

General

Subject Code
SGNL

Course Number
1301

Course Long Title
Beginning American Sign Language I

Course Description
SGNL 1301. AMERICAN SIGN LANGUAGE (ASL) I (2-2-3)

An introduction to the basic skills in production and comprehension of American Sign Language (ASL). Includes the manual alphabet and numbers. Develops conversational ability, culturally appropriate behaviors and exposes students to ASL grammar. Assessment Levels: R1, E1, M1. 16.1603

CIP Code
16.1603 - Sign Language Interpretation and Translation

Requirements

Requirements
Must have a level 1 in Reading and English and a level 0 in Math.

SGNL1302 - Beginning American Sign Language II

General

Subject Code
SGNL

Course Number
1302

Course Long Title
Beginning American Sign Language II

Course Description
SGNL 1302. AMERICAN SIGN LANGUAGE (ASL) II (2-2-3)

Develops receptive and expressive ability and allows recognition and demonstration of more sophisticated grammatical features of American Sign Language (ASL). Increases fluency and accuracy in fingerspelling and numbers. Provides opportunities for interaction within the Deaf community. Prerequisite: SGNL 1301 or instructor approval. Assessment Levels: R1, E1, M1. 16.1603

CIP Code
16.1603 - Sign Language Interpretation and Translation

SLNG1207 - Intra-Lingual Skills Development

General

Subject Code
SLNG

Course Number
1207

Course Long Title
Intra-Lingual Skills Development

Course Description
SLNG 1307. Intra -lingual Skills Development for Interpreters (3-1-3) 16.1603

Development of intra-lingual (English to English) skills necessary for future development of inter-lingual (English to American Sign Language [ASL]/ASL to English) skills. Focus on linguistic and cognitive skills development in areas of paraphrasing, summarizing, main idea identification, comprehension, memory, delayed repetition, multi-tasking, vocabulary and cultural literacy. Prerequisites: SGNL 1301, 1302,ENGL 1301, 1302. Assessment Levels: R3, E3, M1.

CIP Code
16.1603 - Sign Language Interpretation and Translation

Requirements

Requirements
Prerequisites: ENGL 1301 Composition I. Must have the Level 3 in Reading and English Level 1 in Math.

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

SLNG1211 - Fingerspelling & Numbers

General

Subject Code
SLNG

Course Number
1211

Course Long Title
Fingerspelling & Numbers

Course Description
SLNG 1211. FINGERSPELLING AND NUMBERS (1-2-2) CD Development of expressive and receptive skills in fingerspelling and numbers. Receptive skills focus on whole word phrase recognition and fingerspelling/number comprehension in context. Expressive skills focus on the development of speed, clarity and fluency. Prerequisite: SGNL 1302 or instructor approval. Assessment Levels: R2, E2, M1. 16.1603

CIP Code
16.1603 - Sign Language Interpretation and Translation

SOCI1301 - Introduction to Sociology

General

Subject Code
SOCI

Course Number
1301

Course Long Title
Introduction to Sociology

Course Description
SOCI 1301. INTRODUCTION TO SOCIOLOGY (3-0-3)

The scientific study of human society, including ways in which groups, social institutions, and individuals affect each other. Causes of social stability and social change are explored through the application of various theoretical perspectives, key concepts, and related research methods of sociology. Analysis of social issues in their institutional context may include topics such as social stratification, gender, race/ethnicity, and deviance.

Assessment Levels: R3, E3, M1. 45.1101

TI150A - Apprentice Insulators

General

Subject Code
TI

Course Number
150A

Course Long Title
Apprentice Insulators

Course Description
APPRENTICE INSULATORS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI151 - Sheet Metal Pattern Developmen

General

Subject Code
TI

Course Number
151

Course Long Title
Sheet Metal Pattern Developmen

Course Description
SHEET METAL PATTERN DEVELOPMEN

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI152N - Basic Pipe Fitting

General

Subject Code
TI

Course Number
152N

Course Long Title
Basic Pipe Fitting

Course Description
BASIC PIPE FITTING

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI156 - T.I.G. and M.I.G. Welding

General

Subject Code
TI

Course Number
156

Course Long Title
T.I.G. and M.I.G. Welding

Course Description
T.I.G. AND M.I.G. WELDING

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI157 - Welding for Apprentices

General

Subject Code
TI

Course Number
157

Course Long Title
Welding for Apprentices

Course Description
WELDING FOR APPRENTICES

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI158 - Intro to Zoning and Land Use

General

Subject Code
TI

Course Number
158

Course Long Title
Intro to Zoning and Land Use

Course Description
INTRO TO ZONING AND LAND USE

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI159 - Intro/Standard Building Cds

General

Subject Code
TI

Course Number
159

Course Long Title
Intro/Standard Building Cds

Course Description
INTRO/STANDARD BUILDING CDS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI160 - Dwelling House Construction Cd

General

Subject Code
TI

Course Number
160

Course Long Title
Dwelling House Construction Cd

Course Description
DWELLING HOUSE CONSTRUCTION CD

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI161 - Constr Codes in Diagrams

General

Subject Code
TI

Course Number
161

Course Long Title
Constr Codes in Diagrams

Course Description
CONSTR CODES IN DIAGRAMS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI162 - Basic Bldg Blueprint Reading

General

Subject Code
TI

Course Number
162

Course Long Title
Basic Bldg Blueprint Reading

Course Description
BASIC BLDG BLUEPRINT READING

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI162N - Basic Bldg Blueprint Reading

General

Subject Code
TI

Course Number
162N

Course Long Title
Basic Bldg Blueprint Reading

Course Description
BASIC BLDG BLUEPRINT READING

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI164 - Building Trades Estimating

General

Subject Code
TI

Course Number
164

Course Long Title
Building Trades Estimating

Course Description
BUILDING TRADES ESTIMATING

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI165 - Practical Surveying

General

Subject Code
TI

Course Number
165

Course Long Title
Practical Surveying

Course Description
PRACTICAL SURVEYING

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI169 - Prec. Conduit Bend Journ Elect

General

Subject Code
TI

Course Number
169

Course Long Title
Prec. Conduit Bend Journ Elect

Course Description
PREC. CONDUIT BEND JOURN ELECT

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI170 - Elec Fund Motor Controls

General

Subject Code
TI

Course Number
170

Course Long Title
Elec Fund Motor Controls

Course Description
ELEC FUND MOTOR CONTROLS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI171 - Programmable Controllers

General

Subject Code
TI

Course Number
171

Course Long Title
Programmable Controllers

Course Description
PROGRAMMABLE CONTROLLERS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI176 - Fund of Distr Transformers

General

Subject Code
TI

Course Number
176

Course Long Title
Fund of Distr Transformers

Course Description
FUND OF DISTR TRANSFORMERS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI179 - Related Subj Power Plant Op

General

Subject Code
TI

Course Number
179

Course Long Title
Related Subj Power Plant Op

Course Description
RELATED SUBJ POWER PLANT OP

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI180 - Electrical Cable Splicing

General

Subject Code
TI

Course Number
180

Course Long Title
Electrical Cable Splicing

Course Description
ELECTRICAL CABLE SPLICING

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI183 - Intro to Basic Indust Elect II

General

Subject Code
TI

Course Number
183

Course Long Title
Intro to Basic Indust Elect II

Course Description
INTRO TO BASIC INDUST ELECT II

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI184 - Intro to Basic Indus Elect I

General

Subject Code
TI

Course Number
184

Course Long Title
Intro to Basic Indus Elect I

Course Description
INTRO TO BASIC INDUS ELECT I

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI185 - Adv Industrial Electricity

General

Subject Code
TI

Course Number
185

Course Long Title
Adv Industrial Electricity

Course Description
ADV INDUSTRIAL ELECTRICITY

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI186 - National Electric Code

General

Subject Code
TI

Course Number
186

Course Long Title
National Electric Code

Course Description
NATIONAL ELECTRIC CODE

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI187 - Nat Electric Code Calculations

General

Subject Code
TI

Course Number
187

Course Long Title
Nat Electric Code Calculations

Course Description
NAT ELECTRIC CODE CALCULATIONS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI188 - Elec Trades Blueprint Reading

General

Subject Code
TI

Course Number
188

Course Long Title
Elec Trades Blueprint Reading

Course Description
ELEC TRADES BLUEPRINT READING

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI189 - Electrical Theory-Electricians

General

Subject Code
TI

Course Number
189

Course Long Title
Electrical Theory-Electricians

Course Description
ELECTRICAL THEORY-ELECTRICIANS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI190N - Industrial Electrical I

General

Subject Code
TI

Course Number
190N

Course Long Title
Industrial Electrical I

Course Description
INDUSTRIAL ELECTRICAL I

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI191N - Industrial Electrical II

General

Subject Code
TI

Course Number
191N

Course Long Title
Industrial Electrical II

Course Description
INDUSTRIAL ELECTRICAL II

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI192N - Industrial Electrical III

General

Subject Code
TI

Course Number
192N

Course Long Title
Industrial Electrical III

Course Description
INDUSTRIAL ELECTRICAL III

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI193 - Antennas

General

Subject Code
TI

Course Number
193

Course Long Title
Antennas

Course Description
ANTENNAS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI194 - Electronic Test Equipment Fund

General

Subject Code
TI

Course Number
194

Course Long Title
Electronic Test Equipment Fund

Course Description
ELECTRONIC TEST EQUIPMENT FUND

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI195N - Industrial Electricity IV

General

Subject Code
TI

Course Number
195N

Course Long Title
Industrial Electricity IV

Course Description
INDUSTRIAL ELECTRICITY IV

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI197 - Industrial Electronics

General

Subject Code
TI

Course Number
197

Course Long Title
Industrial Electronics

Course Description
INDUSTRIAL ELECTRONICS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI198 - Advanced Electronics

General

Subject Code
TI

Course Number
198

Course Long Title
Advanced Electronics

Course Description
ADVANCED ELECTRONICS

CIP Code
00.0000 - Unfunded

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI251 - General Math for Industr Use I

General

Subject Code
TI

Course Number
251

Course Long Title
General Math for Industr Use I

Course Description
GENERAL MATH FOR INDUSTR USE I

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI251N - General Math for Industr Use I

General

Subject Code
TI

Course Number
251N

Course Long Title
General Math for Industr Use I

Course Description
GENERAL MATH FOR INDUSTR USE I

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI257 - Basic Refinery Fundamental

General

Subject Code
TI

Course Number
257

Course Long Title
Basic Refinery Fundamental

Course Description
BASIC REFINERY FUNDAMENTAL

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI268 - Inert Gas Welding

General

Subject Code
TI

Course Number
268

Course Long Title
Inert Gas Welding

Course Description
INERT GAS WELDING

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI269 - Superv Train & Human Relations

General

Subject Code
TI

Course Number
269

Course Long Title
Superv Train & Human Relations

Course Description
SUPERV TRAIN & HUMAN RELATIONS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI270 - Welding for Journeymen Plumber

General

Subject Code
TI

Course Number
270

Course Long Title
Welding for Journeymen Plumber

Course Description
WELDING FOR JOURNEYMEN PLUMBER

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI272 - Industrial Protective Coatings

General

Subject Code
TI

Course Number
272

Course Long Title
Industrial Protective Coatings

Course Description
INDUSTRIAL PROTECTIVE COATINGS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI273 - Cathodic Protection

General

Subject Code
TI

Course Number
273

Course Long Title
Cathodic Protection

Course Description
CATHODIC PROTECTION

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI274 - Basic Metallurgy

General

Subject Code
TI

Course Number
274

Course Long Title
Basic Metallurgy

Course Description
BASIC METALLURGY

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI277 - Industrial Human Relations

General

Subject Code
TI

Course Number
277

Course Long Title
Industrial Human Relations

Course Description
INDUSTRIAL HUMAN RELATIONS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI278 - Employer-Employee Relations

General

Subject Code
TI

Course Number
278

Course Long Title
Employer-Employee Relations

Course Description
EMPLOYER-EMPLOYEE RELATIONS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI279 - Metal Failure Analysis

General

Subject Code
TI

Course Number
279

Course Long Title
Metal Failure Analysis

Course Description
METAL FAILURE ANALYSIS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI280 - Corrosion Fundamentals

General

Subject Code
TI

Course Number
280

Course Long Title
Corrosion Fundamentals

Course Description
CORROSION FUNDAMENTALS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI281 - Nondestructive Inspection/Test

General

Subject Code
TI

Course Number
281

Course Long Title
Nondestructive Inspection/Test

Course Description
NONDESTRUCTIVE INSPECTION/TEST

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI282 - Welding Inspection & Testing

General

Subject Code
TI

Course Number
282

Course Long Title
Welding Inspection & Testing

Course Description
WELDING INSPECTION & TESTING

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI284 - Basic Welding

General

Subject Code
TI

Course Number
284

Course Long Title
Basic Welding

Course Description
BASIC WELDING

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI285 - Journeyman Plumbers Code

General

Subject Code
TI

Course Number
285

Course Long Title
Journeyman Plumbers Code

Course Description
JOURNEYMAN PLUMBERS CODE

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI286 - Hazard Control Program

General

Subject Code
TI

Course Number
286

Course Long Title
Hazard Control Program

Course Description
HAZARD CONTROL PROGRAM

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI287 - Recognizing Workplace Hazards

General

Subject Code
TI

Course Number
287

Course Long Title
Recognizing Workplace Hazards

Course Description
RECOGNIZING WORKPLACE HAZARDS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI288 - O.S.H.A. Recordkeeping

General

Subject Code
TI

Course Number
288

Course Long Title
O.S.H.A. Recordkeeping

Course Description
O.S.H.A. RECORDKEEPING

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI289 - Industrial Accident Investigat

General

Subject Code
TI

Course Number
289

Course Long Title
Industrial Accident Investigat

Course Description
INDUSTRIAL ACCIDENT INVESTIGAT

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI290 - Medic First Aid

General

Subject Code
TI

Course Number
290

Course Long Title
Medic First Aid

Course Description
MEDIC FIRST AID

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI290N - Medic First Aid

General

Subject Code
TI

Course Number
290N

Course Long Title
Medic First Aid

Course Description
MEDIC FIRST AID

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI292 - Fund of Industrial Hygiene

General

Subject Code
TI

Course Number
292

Course Long Title
Fund of Industrial Hygiene

Course Description
FUND OF INDUSTRIAL HYGIENE

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI295 - Texas Workers Compensation

General

Subject Code
TI

Course Number
295

Course Long Title
Texas Workers Compensation

Course Description
TEXAS WORKERS COMPENSATION

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI314 - Appliance Repair I

General

Subject Code
TI

Course Number
314

Course Long Title
Appliance Repair I

Course Description
APPLIANCE REPAIR I

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI315 - Appliance Repair II

General

Subject Code
TI

Course Number
315

Course Long Title
Appliance Repair II

Course Description
APPLIANCE REPAIR II

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI319 - Petroleum Refin Equip Inspect

General

Subject Code
TI

Course Number
319

Course Long Title
Petroleum Refin Equip Inspect

Course Description
PETROLEUM REFIN EQUIP INSPECT

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI320 - Rev/Boiler/Pres Ves Insp Cert

General

Subject Code
TI

Course Number
320

Course Long Title
Rev/Boiler/Pres Ves Insp Cert

Course Description
REV/BOILER/PRES VES INSP CERT

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI326 - Basic Tech Improv/Electricians

General

Subject Code
TI

Course Number
326

Course Long Title
Basic Tech Improv/Electricians

Course Description
BASIC TECH IMPROV/ELECTRICIANS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI328 - Basic Fire Fighters Training

General

Subject Code
TI

Course Number
328

Course Long Title
Basic Fire Fighters Training

Course Description
BASIC FIRE FIGHTERS TRAINING

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI329 - Hazardous Materials

General

Subject Code
TI

Course Number
329

Course Long Title
Hazardous Materials

Course Description
HAZARDOUS MATERIALS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI329N - Hazardous Materials

General

Subject Code
TI

Course Number
329N

Course Long Title
Hazardous Materials

Course Description
HAZARDOUS MATERIALS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI332 - Technical Illustration

General

Subject Code
TI

Course Number
332

Course Long Title
Technical Illustration

Course Description
TECHNICAL ILLUSTRATION

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI334 - Adv Trbl Shoot for Solid St Tv

General

Subject Code
TI

Course Number
334

Course Long Title
Adv Trbl Shoot for Solid St Tv

Course Description
ADV TRBL SHOOT FOR SOLID ST TV

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI335 - Basic Con Span/Kind Teach Assn

General

Subject Code
TI

Course Number
335

Course Long Title
Basic Con Span/Kind Teach Assn

Course Description
BASIC CON SPAN/KIND TEACH ASSN

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI338 - Safety & First Aid-Refinery P

General

Subject Code
TI

Course Number
338

Course Long Title
Safety & First Aid-Refinery P

Course Description
SAFETY & FIRST AID-REFINERY P

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI339 - Reading & Study Skills

General

Subject Code
TI

Course Number
339

Course Long Title
Reading & Study Skills

Course Description
READING & STUDY SKILLS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI340 - Industrial Safety-Journeymen

General

Subject Code
TI

Course Number
340

Course Long Title
Industrial Safety-Journeymen

Course Description
INDUSTRIAL SAFETY-JOURNEYMEN

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI341 - Industrial First Aid Cpr

General

Subject Code
TI

Course Number
341

Course Long Title
Industrial First Aid Cpr

Course Description
INDUSTRIAL FIRST AID CPR

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI342 - Industrial Safety-Superintend

General

Subject Code
TI

Course Number
342

Course Long Title
Industrial Safety-Superintend

Course Description
INDUSTRIAL SAFETY-SUPERINTEND

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI343 - Rel Subj Appren Plasterers

General

Subject Code
TI

Course Number
343

Course Long Title
Rel Subj Appren Plasterers

Course Description
REL SUBJ APPREN PLASTERERS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI344 - Occupational Safety & Health

General

Subject Code
TI

Course Number
344

Course Long Title
Occupational Safety & Health

Course Description
OCCUPATIONAL SAFETY & HEALTH

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI359 - Construct Supervisory Training

General

Subject Code
TI

Course Number
359

Course Long Title
Construct Supervisory Training

Course Description
CONSTRUCT SUPERVISORY TRAINING

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI360 - Career Plan for Fed Employees

General

Subject Code
TI

Course Number
360

Course Long Title
Career Plan for Fed Employees

Course Description
CAREER PLAN FOR FED EMPLOYEES

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI368 - Drilling Rig Floorhands Train

General

Subject Code
TI

Course Number
368

Course Long Title
Drilling Rig Floorhands Train

Course Description
DRILLING RIG FLOORHANDS TRAIN

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI377 - Oral Commun for Indus Workers

General

Subject Code
TI

Course Number
377

Course Long Title
Oral Commun for Indus Workers

Course Description
ORAL COMMUN FOR INDUS WORKERS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI378 - Intro to Technical Report Writ

General

Subject Code
TI

Course Number
378

Course Long Title
Intro to Technical Report Writ

Course Description
INTRO TO TECHNICAL REPORT WRIT

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI379 - Adv Tech Report Writing

General

Subject Code
TI

Course Number
379

Course Long Title
Adv Tech Report Writing

Course Description
ADV TECH REPORT WRITING

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI380 - Woodworking

General

Subject Code
TI

Course Number
380

Course Long Title
Woodworking

Course Description
WOODWORKING

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI381 - Math for Electron Instruments

General

Subject Code
TI

Course Number
381

Course Long Title
Math for Electron Instruments

Course Description
MATH FOR ELECTRON INSTRUMENTS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI383 - Orient Appren Tr/Permit Ironwk

General

Subject Code
TI

Course Number
383

Course Long Title
Orient Appren Tr/Permit Ironwk

Course Description
ORIENT APPREN TR/PERMIT IRONWK

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI384 - Graph Arts Bind/Distrib

General

Subject Code
TI

Course Number
384

Course Long Title
Graph Arts Bind/Distrib

Course Description
GRAPH ARTS BIND/DISTRIB

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI385 - Graphic Arts Layout/Comp

General

Subject Code
TI

Course Number
385

Course Long Title
Graphic Arts Layout/Comp

Course Description
GRAPHIC ARTS LAYOUT/COMP

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI386 - Graph Arts Photo/Plate Mak

General

Subject Code
TI

Course Number
386

Course Long Title
Graph Arts Photo/Plate Mak

Course Description
GRAPH ARTS PHOTO/PLATE MAK

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI387 - Graphic Arts Reproduction

General

Subject Code
TI

Course Number
387

Course Long Title
Graphic Arts Reproduction

Course Description
GRAPHIC ARTS REPRODUCTION

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI388 - Graph Arts Manag/Superv

General

Subject Code
TI

Course Number
388

Course Long Title
Graph Arts Manag/Superv

Course Description
GRAPH ARTS MANAG/SUPERV

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI391 - Basic Horticulture (nurs.Wkrs)

General

Subject Code
TI

Course Number
391

Course Long Title
Basic Horticulture (nurs.Wkrs)

Course Description
BASIC HORTICULTURE (NURS.WKRS)

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI392 - Jet Aircraft Fundamentals

General

Subject Code
TI

Course Number
392

Course Long Title
Jet Aircraft Fundamentals

Course Description
JET AIRCRAFT FUNDAMENTALS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI394 - Advanced Practical Surveying

General

Subject Code
TI

Course Number
394

Course Long Title
Advanced Practical Surveying

Course Description
ADVANCED PRACTICAL SURVEYING

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI396 - Rel Subj for Apprn Millwrights

General

Subject Code
TI

Course Number
396

Course Long Title
Rel Subj for Apprn Millwrights

Course Description
REL SUBJ FOR APPRN MILLWRIGHTS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI397 - Intro to Const.-Comm. Res.

General

Subject Code
TI

Course Number
397

Course Long Title
Intro to Const.-Comm. Res.

Course Description
INTRO TO CONST.-COMM. RES.

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI398N - Upgrading Welders

General

Subject Code
TI

Course Number
398N

Course Long Title
Upgrading Welders

Course Description
UPGRADING WELDERS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI398 - Upgrading Welders

General

Subject Code
TI

Course Number
398

Course Long Title
Upgrading Welders

Course Description
UPGRADING WELDERS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI399 - Rel Sub for Apprn Asbestos Wkr

General

Subject Code
TI

Course Number
399

Course Long Title
Rel Sub for Apprn Asbestos Wkr

Course Description
REL SUB FOR APPRN ASBESTOS WKR

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI400 - Review for Auto Mechanics Cert

General

Subject Code
TI

Course Number
400

Course Long Title
Review for Auto Mechanics Cert

Course Description
REVIEW FOR AUTO MECHANICS CERT

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI401 - Microwave Oven Repair

General

Subject Code
TI

Course Number
401

Course Long Title
Microwave Oven Repair

Course Description
MICROWAVE OVEN REPAIR

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI403 - National Electric Code II

General

Subject Code
TI

Course Number
403

Course Long Title
National Electric Code II

Course Description
NATIONAL ELECTRIC CODE II

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI405 - Basic Packing for Movers

General

Subject Code
TI

Course Number
405

Course Long Title
Basic Packing for Movers

Course Description
BASIC PACKING FOR MOVERS

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI406 - Vapor Shield Arc Welding

General

Subject Code
TI

Course Number
406

Course Long Title
Vapor Shield Arc Welding

Course Description
VAPOR SHIELD ARC WELDING

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI410 - Master Antenna Tevevision Syst

General

Subject Code
TI

Course Number
410

Course Long Title
Master Antenna Tevevision Syst

Course Description
MASTER ANTENNA TEVEVISION SYST

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI411 - Pressure Vessel Blueprint Read

General

Subject Code
TI

Course Number
411

Course Long Title
Pressure Vessel Blueprint Read

Course Description
PRESSURE VESSEL BLUEPRINT READ

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI412 - Pressure Vessel Quality Contro

General

Subject Code
TI

Course Number
412

Course Long Title
Pressure Vessel Quality Contro

Course Description
PRESSURE VESSEL QUALITY CONTRO

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI413 - Offshore Drill Hands Water Sur

General

Subject Code
TI

Course Number
413

Course Long Title
Offshore Drill Hands Water Sur

Course Description
OFFSHORE DRILL HANDS WATER SUR

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI414 - Rel Theory-Gen Constr-Unit A,

General

Subject Code
TI

Course Number
414

Course Long Title
Rel Theory-Gen Constr-Unit A,

Course Description
REL THEORY-GEN CONSTR-UNIT A,

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI415 - Rel Info to Gen Constr-Unit B

General

Subject Code
TI

Course Number
415

Course Long Title
Rel Info to Gen Constr-Unit B

Course Description
REL INFO TO GEN CONSTR-UNIT B

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI416 - Tools for Gen Construc-Unit C

General

Subject Code
TI

Course Number
416

Course Long Title
Tools for Gen Construc-Unit C

Course Description
TOOLS FOR GEN CONSTRUC-UNIT C

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI417 - B Print Read-Gen Constr,unit D

General

Subject Code
TI

Course Number
417

Course Long Title
B Print Read-Gen Constr,unit D

Course Description
B PRINT READ-GEN CONSTR,UNIT D

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI418 - Carpentry for Gen Const-Unit E

General

Subject Code
TI

Course Number
418

Course Long Title
Carpentry for Gen Const-Unit E

Course Description
CARPENTRY FOR GEN CONST-UNIT E

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI419 - Ironwrk,weld for G Con-Unit F

General

Subject Code
TI

Course Number
419

Course Long Title
Ironwrk,weld for G Con-Unit F

Course Description
IRONWRK,WELD FOR G CON-UNIT F

CIP Code
00.0000 - Unfunded

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

TI420 - Concrete for Gen Constr-Unit G

General

Subject Code
TI

Course Number

TMGT3338 - Accounting for Managers

General

Subject Code
TMGT

Course Number
3338

Course Long Title
Accounting for Managers

Course Description
TMGT 3338. ACCOUNTING FOR MANAGERS. (3-0-3)

The use of accounting information by non-financial managers. Emphasis is placed on the interpretation, rather than the construction, of accounting information. The course will examine the technical managerial skills required to sustain and enhance the organizations performance through the accounting and finance processes of reporting, compliance, research, analysis, interpretation and application. Topics such as activity-based costing, cost accounting, break-even and decision analysis, and budgeting and control are covered. Assessment Levels: R3, E3, M3. 52.0201

Requirements
Corequisite: WLDG 1557

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

WLDG1453 - Interm Layout,fabrication

General

Subject Code
WLDG

Course Number
1453

Course Long Title
Interm Layout,fabrication

Course Description
INTERM LAYOUT,FABRICATION

CIP Code
48.0508 - Welding Technology/Welder

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

WLDG1521 - Welding Fundamentals

General

Subject Code
WLDG

Course Number
1521

Course Long Title
Welding Fundamentals

Course Description
WLDG 1521. WELDING FUNDAMENTALS (2-9-5)

An introduction to the fundamentals of equipment used in oxy-fuel and arc welding, including welding and cutting safety, basic oxy-fuel welding and cutting, basic arc welding processes and basic metallurgy. Co-requisite: Must take with WLDG 1407. 48.0508

CIP Code
48.0508 - Welding Technology/Welder

Requirements

Requirements
Corequisite: WLDG 1407

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

WLDG1530 - Intro to Gas Metal Arc Weld

General

Subject Code
WLDG

Course Number
1530

Course Long Title
Intro to Gas Metal Arc Weld

Course Description
WLDG 1530. INTRODUCTION TO GAS METAL ARC WELDING (GMAW) (2-9-5)

Principles of gas metal arc welding, setup and use of Gas Metal Arc Welding (GMAW) equipment, and safe use of tools/equipment. Instruction in various joint designs. 48.0508

CIP Code
48.0508 - Welding Technology/Welder

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

WLDG1557 - Interm Shielded Metal Arc

General

Subject Code
WLDG

Course Number
1557

Course Long Title
Interm Shielded Metal Arc

Course Description
WLDG 1557. INTERMEDIATE SHIELDED METAL ARC WELDING (SMAW) (2-9-5)

An introduction to the fundamentals of equipment used in oxy-fuel and arc welding, including welding and cutting safety, basic oxy-fuel welding and cutting, basic arc welding processes and basic metallurgy. Co-requisite: Must take with WLDG 1435. 48.0508

CIP Code
48.0508 - Welding Technology/Welder

Requirements

Requirements
Corequisite: WLDG 1435

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

WLDG2003 - Welding Safety & Tools

General

Subject Code
WLDG

Course Number
2003

Course Long Title
Welding Safety & Tools

Course Description
Welding Safety & Tools

CIP Code
47.0101 - Electrical/ElectronicsEquipmentInstallationandRepairTechnology/Technician,

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

WLDG2011 - Prep for Welding Inspection

General

Subject Code
WLDG

Course Number
2011

Course Long Title
Prep for Welding Inspection

Course Description
Prep for Welding Inspection

CIP Code
47.0101 - Electrical/ElectronicsEquipmentInstallationandRepairTechnology/Technician,

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

WLDG2031 - Advanced Blueprint Interpret

General

Subject Code
WLDG

Course Number
2031

Course Long Title
Advanced Blueprint Interpret

Course Description
Advanced Blueprint Interpret

CIP Code
47.0101 - Electrical/ElectronicsEquipmentInstallationandRepairTechnology/Technician,

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

WLDG2039 - Advanced Oxy-Fuel Welding

General

Subject Code
WLDG

Course Number
2039

Course Long Title
Advanced Oxy-Fuel Welding

Course Description
Advanced Oxy-Fuel Welding

CIP Code
47.0101 - Electrical/ElectronicsEquipmentInstallationandRepairTechnology/Technician,

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

WLDG2353 - Advanced Pipe Welding

General

Subject Code
WLDG

Course Number
2353

Course Long Title
Advanced Pipe Welding

Course Description
ADVANCED PIPE WELDING

CIP Code
48.0508 - Welding Technology/Welder

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

WLDG2406 - Intermediate Pipe Welding

General

Subject Code
WLDG

Course Number
2406

Course Long Title
Intermediate Pipe Welding

Course Description
WLDG 2406. INTERMEDIATE PIPE WELDING (2-8-4)

A comprehensive course on the welding of pipe using the shielded metal arc welding (SMAW) process. Welds will be done using various positions. Topics covered include electrode selection, equipment setup, and safe shop practices. Co-requisite: Must take with WLDG 2453. Assessment Levels: R1, E1, M0. 48.0508

CIP Code
48.0508 - Welding Technology/Welder

Requirements

WLDG2413 - Interm Welding, Multiple Proc

General

Subject Code
WLDG

Course Number
2413

Course Long Title
Interm Welding, Multiple Proc

Course Description
WLDG 2413. INTERMEDIATE WELDING USING MULTIPLE PROCESSES (2-8-4)

Instruction using layout tools and blueprint reading with demonstration and guided practices with some of the following welding processes: oxy-fuel gas cutting and welding, shield metal arc welding (SMAW), gas metal arc welding (GMAW), flus-cored arc welding (FCAW) gas tungsten arc welding (GTAW), or any other approved welding process. Co-requisite: Must take with WLDG 1434. Assessment Levels: R1, E1, M0. 48.0508

CIP Code
48.0508 - Welding Technology/Welder

Requirements

Requirements
Corequisite: WLDG 1434

WLDG2432 - Welding Automation

General

Subject Code
WLDG

Course Number
2432

Course Long Title
Welding Automation

Course Description
WLDG 2432. WELDING AUTOMATION. (2-6-4) Overview of automated welding and cutting applications. Special emphasis on safe use and operation of equipment.

CIP Code
48.0508 - Welding Technology/Welder

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

WLDG2443 - Adv Shielded Metal Arc Weld

General

Subject Code
WLDG

Course Number
2443

Course Long Title
Adv Shielded Metal Arc Weld

Course Description
WLDG 2443. ADVANCED SHIELDED METAL ARC WELDING (SMAW) (2-8-4)

Advanced topics based on accepted welding codes. Training provided with various electrodes in shielded metal arc welding processes with open V-groove joints in all positions. Co-requisite: Must take with WLDG 2451. Assessment Levels: R1, E1, M0. 48.0508

CIP Code
48.0508 - Welding Technology/Welder

Requirements

WLDG2451 - Adv Gas Tungsten Arc Weld

General

Subject Code
WLDG

Course Number
2451

Course Long Title
Adv Gas Tungsten Arc Weld

Course Description
WLDG 2451. ADVANCED GAS TUNGSTEN ARC WELDING (GTAW) (2-8-4)

Advanced topics in GTAW welding, including welding in various positions and directions. Co-requisite: Must take with WLDG 2443. Assessment Levels: R1, E1, M0. 48.0508

CIP Code
48.0508 - Welding Technology/Welder

Requirements

Requirements
Must have level 1 in Reading, English and Math.

Assessment Levels (Reading, English/Writing, Mathematics)

WLDG2452 - Advanced Flux Cored Arc Welding

General

Subject Code
WLDG

Course Number
2452

Course Long Title
Advanced Flux Cored Arc Welding

Course Description
WLDG 2452. ADVANCED FLUX CORED ARC WELDING (2-8-4)

Advanced concepts of flux cored arc welding of structural and fabricated steel products. Skill development in multi-pass fillet and v-groove welding. 48.0508

CIP Code
48.0508 - Welding Technology/Welder

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

WLDG2453 - Advanced Pipe Welding

General

Subject Code
WLDG

Course Number
2453

Course Long Title
Advanced Pipe Welding

Course Description
WLDG 2453. ADVANCED PIPE WELDING (2-8-4)

Advanced topics involving welding of pipe using the shielded metal arc welding (SMAW) process. Topics include electrode selection, equipment setup, and safe shop practices. Emphasis on weld positions 5G and 6G using various electrodes. Co-requisite: Must take with WLDG 2406. Assessment Levels: R1, E1, M0. 48.0508

CIP Code
48.0508 - Welding Technology/Welder

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

WLDG2547 - Adv Gas Metal Arc (MIG)

General

Subject Code
WLDG

Course Number
2547

Course Long Title
Adv Gas Metal Arc (MIG)

Course Description
WLDG 2547. ADVANCED GAS METAL ARC WELDING (MIG) (2-9-5)

Advanced topics in Gas Metal Arc Welding (GMAW). Includes welding in various positions. 48.0508

CIP Code
48.0508 - Welding Technology/Welder

Requirements

Assessment Levels (Reading, English/Writing, Mathematics)

Assessment Level Requirements
No TSIA Testing Required

WLDG2551 - Adv Gas Tungsten Arc Weld

General

Subject Code
WLDG

Course Number
2551

Course Long Title
Adv Gas Tungsten Arc Weld

Course Description
WLDG 2551. ADVANCED GAS TUNGSTEN ARC WELDING (GTAW) (2-9-5) 48.0508 Advanced topics in GTAW welding, including welding in various positions and directions. Assessment Levels: R1, E1, M1.
