

Interdisciplinary Courses/SIPA Department

The Steven J. Green School of International and Public Affairs addresses the critical challenges confronting the world. Social sciences and humanities faculty members educate tomorrow's leaders—those who will advance global understanding, contribute to policy solutions, and promote international dialogue.

The school offers academic programs leading to the baccalaureate degrees in Asian Studies; Crime Science; Criminal Justice; Economics; Global Languages, Cultures, and Literatures (with French, Portuguese, and other dual major options); Global Studies (Area Studies, Anthropology, Geography, Sociology majors); History; International Relations; Latin American and Caribbean Studies; Political Science; Public Policy and Service; Religious Studies; and Spanish.

The school offers academic programs leading to the master's degree in African and African Diaspora studies; Asian Studies; Global and Sociocultural Studies; Criminal Justice; Economics; Global Affairs; History; International Studies; Latin American and Caribbean Studies; Political Science; Public Administration; Religious Studies; and Spanish.

The school offers academic programs leading to the PhD in Global and Sociocultural Studies; Economics; History; International Crime and Justice; International Relations; Political Science; Public Affairs; and Spanish.
